If your library doesn't have a subscription to OverDrive or you're looking for some more free Kindle books, then Book Lending is a similar service where you can borrow and lend books for your Kindle without going through a library. You can search and download free books in categories like scientific, engineering, programming, fiction and many other books. No registration is required to download free e-books. eBookLobby is a free source of eBooks from different categories like, computer, arts, education and business. There are several sub-categories to choose from which allows you to download from the tons of books that they feature. You can also look at their Top10 eBooks collection that makes it easier for you to choose. If you're looking for an easy to use source of free books online, Authorama definitely fits the bill. All of the books offered here are classic, well-written literature, easy to find and simple to read. Unlike Project Gutenberg, which gives all books equal billing, books on Amazon Cheap Reads are organized by rating to help the cream rise to the surface. However, five stars aren't necessarily a guarantee of quality; many books only have one or two reviews, and some authors are known to rope in friends and family to leave positive feedback. Bootastik's free Kindle books have links to where you can download them, like on Amazon, iTunes, Barnes & Noble, etc., as well as a full description of the book. In some cases, you may also find free books that are not public domain. Not all free books are copyright free. There are other reasons publishers may choose to make a book free, such as for a promotion or because the author/publisher just wants to get the information in front of an audience. Here's how to find free books (both public domain and otherwise) through Google Books. What You'll Need Before You Can Get Free eBooks. Before downloading free books, decide how you'll be reading them. A popular way to read an ebook is on an e-reader, such as

a Kindle or a Nook, but you can also read ebooks from your computer, tablet, or smartphone. Create, print, and sell professional-quality photo books, magazines, trade books, and ebooks with Blurb! Chose from several free tools or use Adobe InDesign or ...\$this\_title.
