**Just One More Thing** Peter Falk.2007 In JUST ONE MORE THING, Peter Falk takes us on an acting journey that begins not in Hollywood but in Hartford, where he worked as a management analyst for the Connecticut State Budget Bureau. His time there was no more successful than an earlier attempt to find work with the Central Intelligence Agency. At loose ends, Falk turned to an old college interest: acting. He came to prominence as an actor in 1956 in the highly successful Off-Broadway revival of 'The Iceman Cometh' with Jason Robards. Although he worked continuously for the next three years, bouncing from one Off-Broadway theater to the next, a theatrical agent advised him not to expect much work in motion pictures because of his glass eye. Surgeons had removed his right eye, along with a malignant tumor, when he was three years old. But in 1958, the actor made the jump to Hollywood, where he landed his first movie, 'Murder Incorporated', and was nominated for an Oscar. Next came Frank Capra's 'A Pocketful of Miracles' starring Bette Davis, which garnered Falk his second Oscar nomination. Falk was a favorite among moviegoers during the 1960s, admired for his roles in classic comedies such as 'It's A Mad, Mad, Mad, Mad World' and 'The Great Race'. However, it was through his collaboration with filmmaker John Cassavetes that Falk entered into his most creative period in 1970. Motion pictures such as 'Husbands' and 'A Woman Under the Influence' helped launch the independent film movement. Nevertheless, Falk continued to act in light film comedies, including 'The In-Laws' and Neil Simon's 'The Cheap Detective' and 'Murder by Death', among others. Yet it was through television that Falk reached his widest audience. He has portrayed the beloved Lt. Columbo since the 1970s, winning four Emmys. The series was so successful that ten years after it's demise, 'Columbo' was re-launched, bringing Falk to a new generation of viewers. JUST ONE MORE THING also chronicles the author's more recent work, such as movie appearances in 'A Shark's Tale' and Paul Reiser's 'The Thing About My Folks', as well stories of growing up in New York, Hollywood and Broadway luminaries, and the author's accomplished passion for drawing and painting.

**A More Just Future** Dolly Chugh.2022-10-18 A revolutionary, evidence-based guide for developing resilience and grit to confront our whitewashed history and build a better future—in the vein of *Think Again* and *Do Better*. The racial fault lines of our country have been revealed in stark detail as our national news cycle is flooded with stories about the past. If you are just now learning about the massacre in Tulsa, the killing of Native American children in compulsory “residential schools” designed to destroy their culture, and the incarceration of Japanese Americans, you are not alone. The seeds of today's inequalities were sown in past events like these. The time to unlearn the whitewashed history we believed was true is now. If we close our eyes to our history, we cannot make the systemic changes needed to mend our country. Today's challenges began centuries ago and have deepened and widened over time. To take the path to a more just future, we must not ignore the damage but see it through others' eyes, bear witness to it, and uncover its origins. As historians share these truths, we will need psychologists to help us navigate the shame, guilt, disbelief, and resistance many of us feel. Dolly Chugh, award-winning professor of social psychology and author of the acclaimed *The Person You Mean to Be*, gives us the psychological tools we need to grapple with the truth of our country. Through heartrending personal histories and practical advice, Chugh invites us to dismantle the systems built by our forbearers and work toward a more just future.

*Just One More Load* Louis Ippolito.2021-08-13 This is a story about a brief history of marijuana smuggling and the life one lives amassing an exorbitant amount of money and power. It shows what money can do and what it will buy, including women, big cars, and many so-called friends. The stakes are very high, and the rush that is consumed is not like anything a normal person will have received. The family life was not the greatest and, in many ways, was not conducive to a healthy relationship. There were many times that guilt would be in the mind, but it was quickly dissuaded because of the benefits his life would have. Money was flowing so easily that the smuggler had lost reality. He bought homes and businesses that really meant nothing to him. In the end, the only friends he had were his family. His associates had turned the tables on him and sent him to prison. He realized all of this a little too late. The only visitors he had were his family, who stuck by him through the entire ordeal of not only one court trial but four. Although he was offered many deals by the government, his life had been cultivated by his father who was a large figure in the Mafia.

**Just One More Day** nkr.2015-05-29 Why would anyone want to read this book? Just because girl on girl is hot? Truth be told, I'm not even sure she's all there, but a little bit of crazy can be very enticing; you certainly can never be assured of a calm day. Granted, a little calm isn't too bad every once in a while, especially when you have to put up with a friend who probably should've been diagnosed with A.D.D. years ago, just so the rest of us can get a little break when she medicates. I don't want to talk about her, though; no, my thoughts are revolving around the beautiful long-haired brunette whose very presence is a balm to the pain shattering throughout my soul. Don't get me wrong; I'm just an ordinary college student... I think we all have pain of some kind or another, brutally destroying the innocence of our youth in order to allow the inner adult to stride forth from the ruins with the ash of smothering childhood nightmares clinging tenaciously to our newly sensitized skin. The following is just the artistic rendering of my story, which, unfortunately, had to be put into words, which is not my strongest suit; I just want to be drawing, you know?
