Midnight's Children Salman Rushdie. 2010-08-26 The iconic masterpiece of India that introduced the world to “a glittering novelist—one with startling imaginative and intellectual resources, a master of perpetual storytelling” (The New Yorker) WINNER OF THE BEST OF THE BOOKERS • SOON TO BE A NETFLIX ORIGINAL SERIES Selected by the Modern Library as one of the 100 best novels of all time • The fortieth anniversary edition, featuring a new introduction by the author Saleem Sinai is born at the stroke of midnight on August 15, 1947, the very moment of India's independence. Greeted by fireworks displays, cheering crowds, and Prime Minister Nehru himself, Saleem grows up to learn the ominous consequences of this coincidence. His every act is mirrored and magnified in events that sway the course of national affairs; his health and well-being are inextricably bound to those of his nation; his life is inseparable, at times indistinguishable, from the history of his country. Perhaps most remarkable are the telepathic powers linking him with India's 1,000 other “midnight's children,” all born in that initial hour and endowed with magical gifts. This novel is at once a fascinating family saga and an astonishing evocation of a vast land and its people—a brilliant incarnation of the universal human comedy. Forty years after its publication, *Midnight's Children* stands apart as both an epochal work of fiction and a brilliant performance by one of the great literary voices of our time.

In *The Book That Changed My Life*, fifteen of America's most influential authors discuss their own special literary choices. These unique interviews with National Book Award winners and finalists offer new insights into the many ways in which the experience of reading shapes the act of writing. Robert Stone on Joseph Conrad's *Victory*, Cynthia Ozick on Henry James's *Washington Square*, Charles Johnson on Jack London's *The Sea-Wolf*—each approaches the question of literary influence, while offering rich and wonderful revelations about his or her own writing career. James Carroll, Don DeLillo, E. L. Doctorow, Diane Johnson, Philip Levine, David Levering Lewis, Barry Lopez, David McCullough, Alice McDermott, Grace Paley, Linda Pastan, and Katherine Paterson are the other distinguished contributors to this collection of informed, insightful interviews.

Drawing on Walls Matthew Burgess. 2020-07-21 Burgess describes Haring discovering Robert Henri's *The Art Spirit* in college (“He felt as if the book was speaking directly to him”), encountering the large paintings of Pierre Alechinsky (he was “blown away”), and recognizing a common impulse in dancers at the West Village's Paradise Garage (“For Keith, drawing and painting were like dancing. He called it ‘mind-to-hand flow’”). Cochran uses a thick black line to suggest Haring's creations, and renders figures in a Haring-esque style without seeming gimmicky. Of interest to young readers are Haring's frequent efforts to involve children in mural-making projects. The story, including a respectful acknowledgement of Haring's death from AIDS, makes the subject seem immediate and real—and presents a compelling vision of answering the call to create. —Starred Review, *Publishers Weekly* I would love to be a teacher because I love children and I think that not enough people respect children or understand how important they are. I have done many projects with children of all ages. —Keith Haring Truly devoted to the idea of public art, Haring created murals wherever he went. From Matthew Burgess, the much-acclaimed author of *Enormous Smallness*, comes *Drawing on Walls: A Story of Keith Haring*. Often seen drawing in white chalk on the matte black paper of unused advertising space in the subway, Haring's iconic pop art and graffiti-

like style transformed the New York City underground in the 1980s. A member of the LGBTQ community, Haring died tragically at the age of thirty-one from AIDS-related complications. Illustrated in paint by Josh Cochran, himself a specialist in bright, dense, conceptual drawings, this honest, celebratory book honors Haring's life and art, along with his very special connection with kids.

Peculiar Questions and Practical Answers New York Public Library.2019-10-22 The New York Public Library staff answers questions remarkable and preposterous, with illustrations by Barry Blitt. Have you've ever wondered if you can keep an octopus in a private home? Do you spend your time thinking about how much Napoleon's brain weighed? If so, Peculiar Questions and Practical Answers is the book for you. The New York Public Library has been fielding questions like these ever since it was founded in 1895. Of course, some of the questions have left the librarians scratching their heads... "In what occupations may one be barefooted?" "What time does a bluebird sing?" "What does it mean when you're being chased by an elephant?" "What kind of apple did Eve eat?" "How many neurotic people are there in the U.S.?" In Peculiar Questions and Practical Answers, the staff of the NYPL has dug through the archives to find thoughtful and often witty answers to over one hundred of the oddest, funniest, and most whimsical questions the library has received since it began record-keeping over seventy-five years ago. One of The New Yorker's best-known and beloved illustrators, Barry Blitt, has created watercolors that bring many of the questions hilariously to life in a book that answers, among others, the question "Does anyone have a copyright on the Bible?"

A story of family ties, their lost dreams, and the redemption that comes from discovering truth."—Adriana Trigiani, bestselling author of *The Shoemaker's Wife* In New York Times bestselling author Fiona Davis's latest historical novel, a series of book thefts roils the iconic New York Public Library, leaving two generations of strong-willed women to pick up the pieces. It's 1913, and on the surface, Laura Lyons couldn't ask for more out of life—her husband is the superintendent of the New York Public Library, allowing their family to live in an apartment within the grand building, and they are blessed with two children. But headstrong, passionate Laura wants more, and when she takes a leap of faith and applies to the Columbia Journalism School, her world is cracked wide open. As her studies take her all over the city, she is drawn to Greenwich Village's new bohemia, where she discovers the Heterodoxy Club—a radical, all-female group in which women are encouraged to loudly share their opinions on suffrage, birth control, and women's rights. Soon, Laura finds herself questioning her traditional role as wife and mother. And when valuable books are stolen back at the library, threatening the home and institution she loves, she's forced to confront her shifting priorities head on . . . and may just lose everything in the process. Eighty years later, in 1993, Sadie Donovan struggles with the legacy of her grandmother, the famous essayist Laura Lyons, especially after she's wrangled her dream job as a curator at the New York Public Library. But the job quickly becomes a nightmare when rare manuscripts, notes, and books for the exhibit Sadie's running begin disappearing from the library's famous Berg Collection. Determined to save both the exhibit and her career, the typically risk-averse Sadie teams up with a private security expert to uncover the culprit. However, things unexpectedly become personal when the investigation leads Sadie to some unwelcome truths about her own family heritage—truths that shed new light on the biggest tragedy in the library's history.
