America and the Great War Margaret E. Wagner. 2017-05-30
Choice Magazine Outstanding Academic Titles of the Year for 2017 A uniquely colorful chronicle of this dramatic and convulsive chapter in American--and world--history. It's an epic tale, and here it is wondrously well told. --David M. Kennedy, Pulitzer Prize-winning historian and author of *FREEDOM FROM FEAR*
From August 1914 through March 1917, Americans were increasingly horrified at the unprecedented destruction of the First World War. While sending massive assistance to the conflict's victims, most Americans opposed direct involvement. Their country was immersed in its own internal struggles, including attempts to curb the power of business monopolies, reform labor practices, secure proper treatment for millions of recent immigrants, and expand American democracy. Yet from the first, the war deeply affected American emotions and the nation's commercial, financial, and political interests. The menace from German U-boats and failure of U.S. attempts at mediation finally led to a declaration of war, signed by President Wilson on April 6, 1917. *America and the Great War* commemorates the centennial of that turning point in American history. Chronicling the United States in neutrality and in conflict, it presents events

and arguments, political and military battles, bitter tragedies and epic achievements that marked U.S. involvement in the first modern war. Drawing on the matchless resources of the Library of Congress, the book includes many eyewitness accounts and more than 250 color and black-and-white images, many never before published. With an introduction by Pulitzer Prize-winning historian David M. Kennedy, *America and the Great War* brings to life the tempestuous era from which the United States emerged as a major world power.

Introducing Liberation Theology Leonardo Boff.

Women on the Frontlines of Peace and Security .2014

Advances the critical dialogue on the importance of women in international peace and security. Points out the importance of women in building and keeping peace. Brings together diverse voices from diplomats to military officials and from human rights activists to development professionals.

The Woman's Hour Elaine Weiss.2018-03-06 Both a page-turning drama and an inspiration for every reader--Hillary Rodham Clinton Soon to Be a Major Television Event The nail-biting climax of one of the greatest political battles in American history: the ratification of the constitutional amendment that granted women the right to vote. With a skill reminiscent of Robert Caro, [Weiss] turns the potentially dry stuff of legislative give-and-take into a drama of courage and cowardice.--The Wall Street Journal Weiss is a clear and genial guide with an ear for telling language ... She also shows a superb sense of detail, and it's the deliciousness of her details that suggests certain individuals warrant entire novels of their own... Weiss's thoroughness is one of the book's great strengths. So vividly had she depicted events that by the climactic vote (spoiler alert: The amendment was ratified!), I got goose bumps.--Curtis Sittenfeld, The New York Times Book Review Nashville, August 1920. Thirty-five states have ratified the Nineteenth Amendment, twelve have rejected or refused to vote, and one last state is needed. It all

comes down to Tennessee, the moment of truth for the suffragists, after a seven-decade crusade. The opposing forces include politicians with careers at stake, liquor companies, railroad magnates, and a lot of racists who don't want black women voting. And then there are the Antis--women who oppose their own enfranchisement, fearing suffrage will bring about the moral collapse of the nation. They all converge in a boiling hot summer for a vicious face-off replete with dirty tricks, betrayals and bribes, bigotry, Jack Daniel's, and the Bible. Following a handful of remarkable women who led their respective forces into battle, along with appearances by Woodrow Wilson, Warren Harding, Frederick Douglass, and Eleanor Roosevelt, *The Woman's Hour* is an inspiring story of activists winning their own freedom in one of the last campaigns forged in the shadow of the Civil War, and the beginning of the great twentieth-century battles for civil rights.

Are Women People? - A Book of Rhymes for Suffrage Times Alice Duer Miller. 2015-05-20 Many of the earliest books, particularly those dating back to the 1900s and before, are now extremely scarce and increasingly expensive. We are republishing these classic works in affordable, high quality, modern editions, using the original text and artwork.

Celebrating Women's History in the Workplace Mary Ruthsdotter. 2000

Library of Congress Manuscripts Library of Congress. 1993 The Manuscript Division of the Library of Congress holds 10,000 collections containing more than 50 million items. These collections document all aspects of American history and culture and include papers of presidents; cabinet members; members of Congress; members of the Supreme Court; and other prominent Americans whose lives reflect the evolution of the United States. This guide highlights the following collections: Founding of the Nation; Presidency; Congress; Federal Judiciary; Military Affairs; Foreign Policy; Arts and Literature; Science and Medicine;

African-American History and Culture; and Women's History. Many illustrations showing items from the collections are included. (JLB)

Hell and Other Destinations Madeleine Albright.2020-04-14

“Richly detailed. . . an intimate portrait of a diplomat.” —New

Yorker From the seven-time New York Times bestselling author

and former Secretary of State Madeleine Albright—among

history's most admired and tireless public servants—a revealing,

funny, and inspiring reflection on the challenge of continuing

one's career far beyond the normal age of retirement In 2001,

when Madeleine Albright was leaving office as America's first

female secretary of state, interviewers asked her how she wished

to be remembered. “I don't want to be remembered,” she

answered. “I am still here and have much more I intend to do. As

difficult as it might seem, I want every stage of my life to be more

exciting than the last.” In that time of transition, the former

Secretary considered the possibilities: she could write, teach,

travel, give speeches, start a business, fight for democracy, help

to empower women, campaign for favored political candidates,

spend more time with her grandchildren. Instead of choosing one

or two, she decided to do it all. For nearly twenty years, Albright

was in constant motion, navigating half a dozen professions,

clashing with presidents and prime ministers, learning every day.

After leaving the State Department, she blazed her own trail—and

gave voice to millions who yearned for respect, regardless of

gender, background, or age. *Hell and Other Destinations* reveals

this remarkable figure at her bluntest, funniest, most intimate,

and most serious. It is the tale of our times anchored in lessons

for all time, narrated by an extraordinary woman who had a

matchless zest for life.

Women, Business and the Law 2021 World Bank.2021-04-05

Women, Business and the Law 2021 is the seventh in a series of

annual studies measuring the laws and regulations that affect

women's economic opportunity in 190 economies. The project presents eight indicators structured around women's interactions with the law as they move through their lives and careers: Mobility, Workplace, Pay, Marriage, Parenthood, Entrepreneurship, Assets, and Pension. This year's report updates all indicators as of October 1, 2020 and builds evidence of the links between legal gender equality and women's economic inclusion. By examining the economic decisions women make throughout their working lives, as well as the pace of reform over the past 50 years, Women, Business and the Law 2021 makes an important contribution to research and policy discussions about the state of women's economic empowerment. Prepared during a global pandemic that threatens progress toward gender equality, this edition also includes important findings on government responses to COVID-19 and pilot research related to childcare and women's access to justice.

The Woman Who Read Too Much Bahiyyih

Nakhjavani.2015-03-25 "Breathtaking in its scope and wonderfully illuminating. . . . one of the most powerfully convincing characters in recent historical fiction." —Alberto Manguel, *The Guardian* Gossip was rife in the capital about the poetess of Qazvin. Some claimed she had been arrested for masterminding the murder of the grand Mullah, her uncle. Others echoed her words, and passed her poems from hand to hand. Everyone spoke of her beauty, and her dazzling intelligence. But most alarming to the Shah and the court was how the poetess could read. As her warnings and predictions became prophecies fulfilled, about the assassination of the Shah, the hanging of the Mayor, and the murder of the Grand Vazir, many wondered whether she was not only reading history but writing it as well. Was she herself guilty of the crimes she was foretelling? Set in the world of the Qajar monarchs, mayors, ministers, and mullahs, this book explores the dangerous yet luminous legacy left by a remarkable person. Bahiyyih Nakhjavani offers a gripping tale

that is at once a compelling history of a pioneering woman, a story of nineteenth century Iran told from the street level up, and a work that is universally relevant to our times. "Mordant and seethingly intelligent." —Sam Sacks, Wall Street Journal "An engrossing story." —Gayatri Devi, World Literature Today "Haunting . . . reminds us all that whether Tudor, Qajar, or Clinton, behind every throne is a queen mother, wife, and sister who runs the show." —Davar Ardalan, Washington Independent Review "Nakjavani offers a philosophically complex yet lyrically wrought examination of the eternal struggle for women's rights." —Carol Haggas, Booklist "Nakhjavani deftly transforms an incomplete history into legend. . . . An expertly crafted epic." —Kirkus Reviews

This Republic of Suffering Drew Gilpin Faust. 2009-01-06

NATIONAL BESTSELLER • NATIONAL BOOK AWARD FINALIST

• An extraordinary ... profoundly moving history (The New York Times Book Review) of the American Civil War that reveals the ways that death on such a scale changed not only individual lives but the life of the nation. An estimated 750,000 soldiers lost their lives in the American Civil War. An equivalent proportion of today's population would be seven and a half million. In *This Republic of Suffering*, Drew Gilpin Faust describes how the survivors managed on a practical level and how a deeply religious culture struggled to reconcile the unprecedented carnage with its belief in a benevolent God. Throughout, the voices of soldiers and their families, of statesmen, generals, preachers, poets, surgeons, nurses, northerners and southerners come together to give us a vivid understanding of the Civil War's most fundamental and widely shared reality. With a new introduction by the author, and a new foreword by Mike Mullen, 17th Chairman of the Joint Chiefs of Staff.

The Practice of U.S. Women's History S. J. Kleinberg, Eileen Boris, Vicki Ruíz. 2007 In the last several decades, U.S. women's history has come of age. Not only have historians challenged the

national narrative on the basis of their rich explorations of the personal, the social, the economic, and the political, but they have also entered into dialogues with each other over the meaning of women's history itself. In this collection of seventeen original essays on women's lives from the colonial period to the present, contributors take the competing forces of race, gender, class, sexuality, religion, and region into account. Among many other examples, they examine how conceptions of gender shaped government officials' attitudes towards East Asian immigrants; how race and gender inequality pervaded the welfare state; and how color and class shaped Mexican American women's mobilization for civil and labor rights.

A Thousand Years Over a Hot Stove Laura Schenone.2003 Filled with classic recipes and inspirational stories, this stunningly illustrated book celebrates the power of food throughout American history and in women's lives.

Reading Like a Historian Sam Wineburg,Daisy Martin,Chauncey Monte-Sano.2015-04-26 This practical resource shows you how to apply Sam Wineburgs highly acclaimed approach to teaching, Reading Like a Historian, in your middle and high school classroom to increase academic literacy and spark students curiosity. Chapters cover key moments in American history, beginning with exploration and colonization and ending with the Cuban Missile Crisis.

The Geography and Map Division Library of Congress. Geography and Map Division.1975

Code Girls Liza Mundy.2017-10-10 The award-winning New York Times bestseller about the American women who secretly served as codebreakers during World War II--a prodigiously researched and engrossing (New York Times) book that shines a light on a hidden chapter of American history (Denver Post). Recruited by the U.S. Army and Navy from small towns and elite colleges, more than ten thousand women served as codebreakers during World War II. While their brothers and boyfriends took up arms, these

She Persisted in Sports Chelsea Clinton.2022-01-04 From Chelsea Clinton and Alexandra Boiger, the #1 New York Times bestselling team behind *She Persisted*, comes a new book featuring woman athletes who overcame and inspired--perfect for fans of the Olympics! Now abridged as a board book for our youngest feminists and activists. Throughout history, women have been told that they couldn't achieve their dreams, no matter how hard they tried. Woman athletes have faced their own unique set of challenges, across countless sports and levels of play. In this third *She Persisted* book, Chelsea Clinton introduces readers to women who have excelled in their sports because of their persistence. Now abridged as a board book for the earliest of readers, *She Persisted in Sports* is a book for everyone who has ever aimed for a goal and been told it wasn't theirs to hit, for everyone who has ever raced for a finish line that seemed all too far away, and for everyone who has ever felt small or unimportant while out on the field. Alexandra Boiger's vibrant artwork accompanies this inspiring text that shows readers of all ages that no matter what obstacles come their way, they have the power to persist and succeed. This book features: Margaret Ives Abbott, Gertrude Ederle, Mildred Babe Didrikson Zaharias, Wilma Rudolph, Jean Driscoll, Mia Hamm (and the 1996 Olympic soccer team), Kristi Yamaguchi, Venus and Serena Williams, Misty May-Treanor and Kerri Walsh Jennings, Diana Taurasi, Simone Biles,

The Metropolitan Opera Murders Helen Traubel.2022-02-01

When the prompter falls dead during the second act of Richard Wagner's *Die Walküre* during a matinee performance at the Metropolitan Opera, as one can imagine, it causes quite a stir, especially when it is discovered that the deceased, a one time world famous Heldentenor has been poisoned. The detective assigned to the case, Lt. Quentin, finds himself immersed in the back stage drama of professional opera. His task is made more difficult when he decides that it had really been the star soprano who had been the intended victim, and not the prompter. Will he be able to solve the case before there is another Metropolitan Opera Murder?

Dear Bob Martha Bolton,Linda Hope.2021-03-02 Winner of the 2021 Golden Scroll Awards for Memoir of the Year and Christian Market Book of the Year awarded by the Advanced Writers and Speakers Association FIRST PLACE WINNER IN THE MEMOIR CATEGORY OF THE 2022 SELAH AWARDS For five decades, comedian, actor, singer, dancer, and entertainer Bob Hope (1903-2003) traveled the world performing before American and Allied troops and putting on morale-boosting USO shows. Dear Bob . . . : Bob Hope's Wartime Correspondence with the G.I.s of World War II tells the story of Hope's remarkable service to the fighting men and women of World War II, collecting personal letters, postcards, packages, and more sent back and forth among Hope and the troops and their loved ones back home. Soldiers, nurses, wives, and parents shared their innermost thoughts, swapped jokes, and commiserated with the "G.I.s' best friend" about war, sacrifice, lonely days, and worrisome, silent nights. The Entertainer of the Century performed for millions of soldiers in person, in films, and over the radio. He visited them in the hospitals and became not just a pal but their link to home. This unforgettable collection of letters and images, many of which remained in Hope's personal files throughout his life and now

The topics range from basic data over archaeology, ethnology and anthropology, history, the languages and literatures up to the art, religion and culture.

Women Win the Vote!: 19 for the 19th Amendment Nancy B. Kennedy.2020-02-11 A bold new collection showcasing the trailblazing individuals who fought for women's suffrage, honoring the Nineteenth Amendment's centennial anniversary. On August 18, 1920, women in the United States secured their right to vote with the passage of the Nineteenth Amendment to the Constitution. Their fight for suffrage took decades of campaigning and marching, protesting and picketing, speeches and imprisonments. Millions of women across the country gave their all to achieve victory. From Lucretia Mott, who stoked the first flames of the suffrage movement in the 1800s, to Alice Paul, the militant twentieth-century suffragist who helped clinch ratification, *Women Win the Vote!* maps the road to the Nineteenth Amendment through the lives of nineteen of these fierce and courageous women who paved the way. With vivid profiles of iconic figures like Sojourner Truth and Elizabeth Cady Stanton, as well as those who may be less well-known, like Mary Ann Shadd Cary and Adelina Otero-Warren, this vibrant collection celebrates the one hundredth anniversary of the Nineteenth Amendment and the daring individuals who upended tradition to empower future generations of women.

Counting Women's Ballots J. Kevin Corder,Christina Wolbrecht.2016-05-25 How did the first female voters cast their ballots? For almost 100 years, answers to this question have eluded scholars. *Counting Women's Ballots* employs new data and novel methods to provide insights into whether, how, and with

what consequences women voted in the elections after suffrage. The analysis covers a larger and more diverse set of places, over a longer period of time, than has previously been possible. J. Kevin Corder and Christina Wolbrecht find that the extent to which women voted and which parties they supported varied considerably across time and place, challenging attempts to describe female voters in terms of simple generalizations. Many women adapted quickly to their new right; others did not. In some cases, women reinforced existing partisan advantages; in others, they contributed to dramatic political realignment. Counting Women's Ballots improves our understanding of the largest expansion of the American electorate during a transformative period of American history.

American Women Library of Congress. 2001 Description This important publication is designed to introduce researchers to the opportunities for discovering American women's history and culture at the library of Congress. Covers materials such as textual sources, films, sound recordings, prints and photographs, and other audio or visual material. Intended for academics, advanced graduate students, genealogists, documentary filmmakers, set and costume designers, artists, actors, novelists, photo researchers, and general readers.

Vanity Fair's Women on Women Radhika Jones, David Friend. 2020-10-27 Looking back at the last thirty-five years of Vanity Fair stories on women, by women, with an introduction by the magazine's editor in chief, Radhika Jones Gail Sheehy on Hillary Clinton. Ingrid Sischy on Nicole Kidman. Jacqueline Woodson on Lena Waithe. Leslie Bennetts on Michelle Obama. And two Maureens (Orth and Dowd) on two Tinas (Turner and Fey). Vanity Fair's Women on Women features a selection of the best profiles, essays, and columns on female subjects written by female contributors to the magazine over the past thirty-five years. From the viewpoint of the female gaze come penetrating profiles on everyone from Gloria Steinem to Princess Diana to

Whoopi Goldberg to essays on workplace sexual harassment (by Bethany McLean) to a post-#MeToo reassessment of the Clinton scandal (by Monica Lewinsky). Many of these pieces constitute the first draft of a larger cultural narrative. They tell a singular story about female icons and identity over the last four decades—and about the magazine as it has evolved under the editorial direction of Tina Brown, Graydon Carter, and now Radhika Jones, who has written a compelling introduction. When Vanity Fair’s inaugural editor, Frank Crowninshield, took the helm of the magazine in 1914, his mission statement declared, “We hereby announce ourselves as determined and bigoted feminists.” Under Jones’s leadership, Vanity Fair continues the publication’s proud tradition of highlighting women’s voices—and all the many ways they define our culture.

Rightfully Ours Kerrie Logan Hollihan. 2012-08-01 Though the Declaration of Independence stated that “all men are created equal,” married women and girls in the early days of the United States had few rights. For better or worse, their lives were controlled by their husbands and fathers. Married women could not own property, and few girls were educated beyond reading and simple math. Women could not work as doctors, lawyers, or in the ministry. Not one woman could vote, but that would change with the tireless efforts of Lucretia Mott, Lucy Stone, Elizabeth Cady Stanton, Sojourner Truth, Susan B. Anthony, Carrie Chapman Catt, Jeannette Rankin, Alice Paul, and thousands of women across the nation. *Rightfully Ours* tells of the century-long struggle for woman suffrage in the United States, a movement that began alongside the abolitionist cause and continued through the ratification of the 19th amendment. In addition to its lively narrative, this history includes a time line, online resources, and hands-on activities that will give readers a sense of everyday lives of the suffragists. Children will create a banner for suffrage, host a Victorian tea, feel what it was like to wear a corset, and more. And through it all, readers will gain a richer appreciation for

women who secured the right to fully participate in American democracy—and why they must never take that right for granted. Kerrie Logan Hollihan is the author of *Isaac Newton and Physics for Kids*, *Theodore Roosevelt for Kids*, and *Elizabeth I, The People's Queen*. She lives in Blue Ash, Ohio.

Extraordinary Women of the Rocky Mountain West .2010

Contains papers presented at the fourth annual Pikes Peak Regional History Symposium held June 9, 2007 in Colorado Springs, Colorado. Profiles a number of prominent and exceptional women throughout the history of the Rocky Mountain West and highlights the political, cultural, economic and social conditions which these women helped to shape.

Woman as Force in History Mary Ritter Beard.1976 In this classic, pioneering work on the status and position of women, Mary R. Beard challenges the widely held belief that women have been subject to men throughout the ages. She tests this idea of subjection against historical realities--legal, religious, economic, social, intellectual, military, political, and philosophical--and finds it to be meritless. Beard traces the error back to Sir William Blackstone's interpretation of women's legal status after marrying (the very being or legal existence of the woman is suspended during marriage) and argues against this view. In answer to male historians who have failed to acknowledge the real influence of women in history, she provides a lengthy record of outstanding women and their contributions throughout history.

Project for a National Monument to the Women of the Civil War Military Order of the Loyal Legion of the United States. New York Commandery.1911

Womens History Month Library Congress: Bestsellers in 2023 The year 2023 has witnessed a noteworthy surge in literary brilliance, with numerous captivating novels enthralling the hearts of readers worldwide. Lets delve into the realm of top-selling books,

exploring the captivating narratives that have captivated audiences this year. Womens History Month Library Congress : Colleen Hoover's "It Ends with Us" This heartfelt tale of love, loss, and resilience has gripped readers with its raw and emotional exploration of domestic abuse. Hoover masterfully weaves a story of hope and healing, reminding us that even in the darkest of times, the human spirit can prevail. Womens History Month Library Congress : Taylor Jenkins Reid's "The Seven Husbands of Evelyn Hugo" This spellbinding historical fiction novel unravels the life of Evelyn Hugo, a Hollywood icon who defies expectations and societal norms to pursue her dreams. Reid's compelling storytelling and compelling characters transport readers to a bygone era, immersing them in a world of glamour, ambition, and self-discovery. Discover the Magic : Delia Owens' "Where the Crawdads Sing" This mesmerizing coming-of-age story follows Kya Clark, a young woman who grows up alone in the marshes of North Carolina. Owens crafts a tale of resilience, survival, and the transformative power of nature, captivating readers with its evocative prose and mesmerizing setting. These popular novels represent just a fraction of the literary treasures that have emerged in 2023. Whether you seek tales of romance, adventure, or personal growth, the world of literature offers an abundance of compelling stories waiting to be discovered. The novel begins with Richard Papen, a bright but troubled young man, arriving at Hampden College. Richard is immediately drawn to the group of students who call themselves the Classics Club. The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics

Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is a exceptional and thrilling novel that will keep you guessing until the very end. The novel is a warning tale about the dangers of obsession and the power of evil.

Womens History Month Library Congress has opened up a world of possibilities. Downloading Womens History Month Library Congress provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Womens History Month Library Congress has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth.

There are numerous websites and platforms where individuals can download Womens History Month Library Congress. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Womens History Month Library Congress. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to

utilize reputable websites that prioritize the legal distribution of content. When downloading Womens History Month Library Congress, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Womens History Month Library Congress has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By

doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About Womens History Month Library Congress Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer webbased readers or mobile apps that
