My favorite part about DigiLibraries.com is that you can click on any of the categories on the left side of the page to quickly see free Kindle books that only fall into that category. It really speeds up the work of narrowing down the books to find what I'm looking for. Beside each of these free eBook titles, you can quickly see the rating of the book along with the number of ratings. This makes it really easy to find the most popular free eBooks. Unlike Project Gutenberg, which gives all books equal billing, books on Amazon Cheap Reads are organized by rating to help the cream rise to the surface. However, five stars aren't necessarily a guarantee of quality; many books only have one or two reviews, and some authors are known to rope in friends and family to leave positive feedback. If your public library has a subscription to OverDrive then you can borrow free Kindle books from your library just like how you'd check out a paper book. Use the Library Search page to find out which libraries near you offer OverDrive. As you'd expect, free ebooks from Amazon are only available in Kindle format - users of other ebook readers will need to convert the files - and you must be logged into your Amazon account to download them. International Digital Children's Library: Browse through a wide selection of high quality free books for children here. Check out Simple Search to get a big picture of how this library is organized: by age, reading level, length of book, genres, and more. Ensure you have signed the Google Books Client Service Agreement. Any entity working with Google on behalf of another publisher must sign our Google ... All of the free books at ManyBooks are downloadable — some directly from the ManyBooks site, some from other websites (such as Amazon). When you register for the site you're asked to choose your favorite format for books, however, you're not limited to the format you choose. When you find a book you want to read, you can select the format you prefer to download from a drop down menu of dozens of different file formats. Established in 1978, O'Reilly Media is a world renowned platform to download books, magazines and tutorials for free. Even though they started with print publications, they are now famous for digital books. The website features a massive collection of eBooks in categories like, IT industry, computers, technology, etc. You can download the books in PDF format, however, to get an access to the free downloads you need to sign up with your name and email address.
