This informative and practical "how-to" guide shares new techniques that are proven to work. Solutions Revealed! Discover step-by-step methods for improving your exposure on Amazon and increasing your authority. Secrets Exposed! Increase your profitability by learning the secrets to short-discounting Amazon with just twenty percent Success Discovered! Learn top-secret tactics that earn authors tens-of-thousands of dollars in royalties every month Amazon Approved! Find, understand, and control every Amazon possibility for maximum book sales. Are you holding a manuscript in your hand that you wish Amazon was selling? Or do you already have a book on Amazon that you wish was selling better? In either case, Sell Your Book on Amazon will help you. You will experience what I have seen first-hand as the president of Outskirts Press - that marketing success on Amazon can be the difference between hundreds and tens-of-thousands of dollars a month. You will learn why self-publishing guru Dan Poynter says, "Bookstores are a lousy place to sell books." In his foreword, he says publishing as if it is still the 20th century is for historians. Publishing in this new millennium is for writers. Are you a writer or historian? Sell Your Book on Amazon shows you how to publish and market your book in the 21st Century. Amazon provides a phenomenal and gigantic (global) platform from which to sell your book. In fact, the opportunities may seem almost too colossal! But now, Sell Your Book on Amazon unveils it all for the first time. This book provides an easy-to-understand approach to increase your book sales on Amazon by exploring the steps you can take immediately. Table of Contents Foreword by Dan Poynter Introduction: Amazon - A Brief History Chapter 1: Get Your Book Listed Chapter 2: AuthorConnect & Author Profile Pages Chapter 3: The Book Sales Page Chapter 4: Listmania! Chapter 5: So You'd Like to... Guides Chapter 6: Additional Amazon Possibilities Chapter 7: Pricing & Profitability Conclusion Resources Index As Penny C. Sansevieri of Author Marketing Experts says, "Finally! A book that helps you demystify Amazon. If you have a book to sell, you simply must own Sell Your Book on Amazon." Why is increasing a book's exposure important? Because readers have to learn about your book before they can buy it. Authors who know how to use Amazon's own system and algorithms to their advantage sell more books simply because more people learn about their books (and therefore buy them!). Once a book finds success on Amazon, it appears higher in the search results, leading to MORE exposure and more sales, and so on. It's the Amazon "virtuous circle" and the key to unlocking that brass ring is in your hands. Introducing the exclusive NEW TACTIC RANKING SYSTEM! Marketing tactics are only as valuable as the profits they generate. Sell Your Book on Amazon ranks every technique so you can quickly and efficiently locate the marketing secrets that will lead to superior results: \*\*\*\*\*Highly recommended. Receive the greatest exposure compared to time spent. \*\*\*\* Very recommended. An acceptable investment is required for a profitable return. \*\*\* Somewhat recommended. Check your profit margin. Driving Book Sales Linn Random.2021-03-24 Once at a Writers conference, I was approached by a new author. She asked me, "How can I make my book a best seller?" I smiled. "First write a great book." She answered quickly, "I've written a great book, how can I increase my book sales?" I could see she was sincere. "You must create interest and demand for your book through publicity and promotion. Publicity and promotion will drive book sales." She frowned. "I don't know where to begin?" The reality is you simply cannot depend on your publisher to help sell your book, nor do you need a million-dollar advertising budget. You can create interest and demand for your book through publicity and promotion. Publicity and promotion will drive your book sales. Driving Book Sales is primer on every aspect of publicity, marketing, advertising and public relations in the real world and online. This book will tell you how in the real world and on the world wide web.

Indie Author's Toolbox: How to create, publish, and market your Kindle book Nick Vulich.2014-06-29 Read this if you want to sell more books, make more money as an author, or rank higher in your category. My name is Nick Vulich. The first thing you should know about me is I'm not a writer, and I'm not an expert on self-publishing either. I never worked in the industry, and I don't have any experience working for the big publishers. In fact, the only thing I consider myself an expert in is how to sell on eBay, Amazon, and Fiverr... So why should you listen to me? Like most indie authors, I came into publishing through the back door. I had a story to tell, and one day I just sat down and let it all come out. What I wrote wasn't pretty, or polished...but, it helped a lot of people sell more stuff on eBay. What I couldn't say with fancy prose, I made up for with enthusiasm. Because of that, my books sold. I'm not going to lie to you. It wasn't easy. I read just about every book available on self-publishing. I studied up on KDP Free days, Countdown Deals, price pulsing...

Aiming at Amazon Aaron Shepard.2009-12-31 This 2009 version of the book is the last version available. For partial updates, please visit Aaron Shepard's Publishing Page. Please note also that this book describes Amazon publishing BEFORE the introduction of Kindle books, which are discussed in later books of Aaron's. There has never been a self publishing manual like this. Aiming at Amazon is NOT about getting your book into bookstores. Instead, it lays out an innovative approach that targets sales on Amazon.com. It reveals how to make a book sell well online, with tips never before offered. And it shows you how Amazon REALLY works -- not how self-proclaimed experts wish it did! You will learn -- Why Amazon sales offer your best chance of success in self publishing. -- Why letting Amazon order books directly from you is the least profitable approach. -- How to make your book most visible on Amazon. -- How to make your cover image most prominent. -- How to optimize content on Amazon's page for your book. -- How to increase Customer Reviews without violating Amazon's terms and conditions, as well as professional ethics. -- Why many Amazon marketing techniques highly recommended by other authors are nearly useless. -- Why it takes a full year for Amazon sales of your book to reach their peak. -- Where to go on Amazon to get the help you need. Avoid publishing plans that handicap you almost before you begin, and marketing plans that waste your time and money. Let Aiming at Amazon introduce you to the NEW business of self publishing. // Aaron Shepard is a foremost proponent of the new business of profitable self publishing through print on demand, which he has practiced and helped develop since 1998. Unlike most authorities on self publishing, he makes the bulk of his living from his self-published books -- not from consulting, speaking, freelance writing, or selling publishing services. In a parallel life, Aaron is an award-winning children's author with numerous books from publishers large and small. // Aaron Shepard has been more successful selling through Amazon than any other self publisher I know. If you want to self publish and get the most from it, this book is for you. -- Morris Rosenthal, author, Print-on-Demand Book Publishing Solid gold advice. . . . Aiming At Amazon will dramatically increase your odds of success. A few hours with this book will give you the benefit of years worth of hard-earned experience. -- Steve Weber, author, The Home-Based Bookstore If you want to learn how to sell more books on Amazon, this is the best book I've read on the subject. . . . Thanks to books like this, self-published authors have a chance to succeed against traditionally-published competitors. -- Stacie Vander Pol, author, Top Self Publishing Firms Shepard is considered one of the pioneers of marketing print-on-demand (POD) books through Amazon. . . . I highly recommend Aiming At Amazon to self-publishers and authors who want to publish a book at little cost. The model pioneered by Shepard, Rosenthal, and others is probably the best way for a newcomer to enter the world of self-publishing. -- Peter Hupalo, Midwest Book Review

Many of these mistakes are often overlooked by new and experienced publishers alike. And these mistakes cost you money every time you publish a book. So it pays to know what you're doing wrong. In this book you'll discover: The #1 problem non-fiction authors have with their books Why just a single word could make or break your book sales The boxing blindfold problem most books have The one kind of punctuation you should avoid in your book title How to accidentally get ideas for multiple books Why these kinds of book titles fail nearly every time, and what to do instead Doing less of this equals more book sales (most unsuccessful authors are doing the opposite) One vital step in book descriptions that most authors completely miss So even if you haven't published your first book yet, this comprehensive interview series will put you on the right path To get your hands on this profit-producing book, scroll up and click add to cart

*The Kindle Publishing Bible* Tom Corson-Knowles.2013 How To Sell More Kindle Ebooks In 7 Days I Believe Kindle Publishing Should Be Fun, Profitable And Very, Very Easy If you want your book to become a Kindle best seller I can show you how! In this best selling book with over 25,000 copies

sold, you will learn how to: Increase Your Book's Amazon And Google Search Traffic By 423% In 30 Minutes If you're a self-published author without a large platform or following, you will never be able to promote more than the published authors with huge marketing budgets. But you can outrank them on Amazon search every time! Why? Because 99% of Kindle authors don't know how to increase their search engine rankings in Amazon and Google. But I do - and I'm going to show you how in this book (it won't cost you a dime to implement these strategies). Most authors (even the ones with publishers and big marketing budgets) have no idea how to do keyword research, tag their book, add the right search keywords when they publish their book or insert keywords in their book description without it sounding like it was written by a robot. For New Authors: Step-By-Step Instructions With Picture Tutorials If you're a first-time Kindle publisher or technologically challenged then this book is for you! I even had my Grandma Ann Knowles follow the instructions step by step and she gave it a big thumbs up for easy to use instructions. The playing field has been leveled with ebook publishing - and if my Grandma can do it I guarantee you can too! For Existing Authors: How To Sell More Books In 5 Days Than You Did Last Month I'm going to share with you my KDP Select Free Promotion Marketing Formula for getting tens of thousands of readers to download your book in just 5 days. All you have to do is read the Marketing Formula instructions and follow them (it takes about 3 hours of work to get thousands of new readers). How To Sell On Kindle Using Your Book Description If you think your book is going to sell itself think again! If you're a fiction author or novelist, you have to show your readers the story and engage them in it or they won't buy a book from an unknown author. And if you're a non-fiction author, you have to tell potential readers how your book is going to help them solve their problem fast or they'll click away without buying. I'm going to show you the Show And Tell system for selling more books on Kindle by giving you readers what they want and overcoming objections in your book description! Kindle marketing isn't about having a big marketing budget or publisher behind you - but you still need exposure and a great offer. This book will help you with get more exposure with Amazon search and other great marketing tips. You also have to make buying your book an irresistible offer so that when browsers get done reading your book description they say, I have to buy this book! You can't do that without a strategic plan and a well-written book description. Bonus! Video interviews with best-selling Kindle authors as they share their coveted book marketing strategies. About The Author My poetry was first published at age 16 in Teen Ink magazine and I started writing books at age 19 but had no idea how to get my message out to anyone other than my friends and family. Finally, I discovered Amazon's Kindle Publishing platform and published my first book on Kindle on February 10, 2012. Since then, I've sold tens of thousands of ebooks on Kindle and now earn a full-time income as a part-time Kindle author. I've since helped hundreds of self-published authors like myself sell more books on Kindle. If I can do it you can too! Learn how to sell more books on Amazon today. *How to Publish a Book on Amazon* Matt Voss.2020-02-14 From e-commerce to cloud computing, Amazon continues to disrupt industry after industry. For some time now, their wide reach has extended into publishing. Since its inception in 2007, Kindle Direct Publishing (KDP) has taken the industry by storm, enabling fledgling writers to bypass the hurdles of traditional publishing and appeal directly to their readership. The stigmas have faded, self-publishing is the future of publishing, and--from the looks of things--Amazon KDP is the future of self-publishing. Not only is it the future, but as of now, KDP is the best option for writers looking to self-publish while making a real, livable income. The benefits of publishing through Amazon are immense. There are virtually no barriers to entry. If you have your manuscript and book cover ready right now, your book can be

listed on the Amazon marketplace by tomorrow. Moreover, KDP gives you free and immediate access to the largest reader base in the world. Do you have an idea for a book but are not sure what exact action steps to take? Are you simply looking for a way to make a few thousand dollars (or potentially more) in passive income per month? If so, then you've come to the right place. In this book, I will show you exactly how to turn your idea into a professional Amazon listing that will earn you-- assuming you follow my guidelines closely--at least \$500 per month for each book you publish. This book covers everything you need to know about publishing on Amazon, including how to find the most profitable book ideas, how to obtain cover designs that sell, how to format your book for KDP, how to grow sales with Amazon Ads, and much more! I hold nothing back in this comprehensive book on self-publishing. Learn everything I've picked up over my many years of experience as a self-published author, and see for yourself how I make at least \$500 per month on every book I write.

*Kindle Promotion Made Easy* Sourabh Aryabhata.2015-05-20 If you are fully satisfied with your current sales, then DON'T PURCHASE this book! The moment that you visited this page or downloaded my book, probably thousands of more books got published at that very moment. Now-a-days, it is really difficult to determine the life-cycle of a book, specially when you are a newbie author. Nobody knows about you, your book and the message that you wanna spread to your readers. If you enroll your book for promotional campaign(s), then it might remain featured for a little more time. But after that time, it will disappear from the list, because more books are already waiting in the pipeline and Amazon needs to satisfy those books too. So how will you survive in this ocean of books? Obviously you are neither a top celebrity nor a billionaire powerful man to spread your book with the help of your popularity and money. But you have a strong will to make your book #1 in Amazon store and my book will help you to make your dream true. *Kindle Promotion Made Easy* reveals the ultimate secrets in Kindle Promotion and Marketing exclusively. If you're a first-time Kindle author or publisher then this book is just for you! It will immediately benefit your Kindle promotion and marketing plan in less than 5 minutes.
