The Contemporary Qur'an Muhammad 'Abdul Mannan.2021-02-13 The Glorious Qur'an is God's divine book of guidance for all mankind. And The Contemporary Qur'an is an English translation of the Glorious Qur'an written in simple modern English for the reading pleasure of everyone who understands English. This translation is named The Contemporary Qur'an for three main reasons. Firstly because the Qur'an is always relevant at all times, hence it must be read and understood in the context of how its message can be related with and applied to the modern and contemporary setting that we live in today. Secondly because the passages are translated contextually instead of literally to bring out their meaning clearer and more accurately. And finally because wherever applicable, the interpretation takes into account of relevant historical and scientific facts that have only been made available by recent advancements in science and technology. Other than helping Muslims and new converts to gain better understanding of the meaning of God's literal words, The Contemporary Qur'an also strives to address the most fundamental question asked by non-Muslims about the Qur'an and Islam, which typically is: How do you prove that the Qur'an is truly God's words and how can I be convinced that Islam is the true religion to follow? The following approaches were taken to address this question: 1. In the book's Foreword section, I discussed about my own

experience in seeking the truth and how I applied simple logic to show that Islam stands out from the other religions. 2. Through irrefutable historical and scientific evidence that have been proven by recent advancements in science and technology, I impressed on how impossible it is for the Qur'an to be authored by a mortal, especially so for someone who lived in the 7th century; and I also briefly explained how its linguistic beauty is a miracle that can never be rivaled until the end of time. 3. I also showed passages from the Qur'an that Islam is a truly universal religion for all which transcends race and ethnicity as it places very high emphasis on social justice for all. There is no racial supremacy in Islam. Everyone is equal in the sight of God and will be solely judged by their true faith and piety towards Him and the good deeds that they do. A true religion must have this universal feature because everyone is equal before his/her Creator. God cannot be God if He practices racial discrimination. 4. Through my footnotes on certain selected verses, I endeavored to make non-Muslims see that there is actually nothing wrong with Islam even though many of its followers and nations are besieged with woeful conditions mired by corruption and disunity. The problem is not with Islam, but with Muslims themselves who taint its beauty with their ignorance and over-emphasis on rituals that are not authentically prescribed by Islam but are instead products of culture and tradition that have been blindly inherited from earlier generations. Because of this, they become occupied with many unprescribed acts of worship until they unwittingly neglect the more important social responsibilities that have been commanded by God to address, such as the pursuit for quality education and equality before the law. Even worse, some tarnish and betray Islam simply because of their hypocrisy that is brought out from their insatiable greed for worldly gains. In summary, the Qur'an is truly a book of divine guidance for mankind which should not be ignored as it addresses the real concerns and challenges faced by every society at all times. And The

Contemporary Qur'an is truly special in its own distinctive way which sets it apart from other English Qur'an translations as it aims to help us see Islam as a well balanced religion in living a blessed life in this world and emerge victorious in the next life to come if its true concept and teachings are properly understood and adhered to.

Book Of Allah (AL QURAN AL KARIM Or The Holy Quran) ENGLISH TRANSLATION □□□□□□□□ □□□□

Muhammad Messenger of God.2020-11-20 Book Of Allah (AL QURAN AL KARIM or The Holy Quran) The Quran (Arabic □□□□□□□□, al-Qur'ān, the recitation) is the sacred text of Islam . For Muslims, it takes verbatim the word of God (Allah). This book is to this day the first and oldest authentic literary document known in Arabic; Muslim tradition presents it as the first work in Arabic, with the specific character of inimitability in beauty and in ideas. For Muslims, the Koran groups together the words of God, revelations (āyāt) made to the last prophet and messenger of God Muhammad (□□□□, Muḥammad, the praised) from 610-612 until his death in 632 by l' archangel Gabriel (□□□□□□, jibril). The Koran is sometimes called simply al-kitāb (the Book), adh-dhikr (the Reminder) or al-furqān (the Discernment). In this sense, it is, for Muslims, the expression of an uncreated attribute of God addressed to the intention of all humanity .

The Koran in English Bruce B. Lawrence.2020-10-06 The untold story of how the Arabic Qur'an became the English Koran For millions of Muslims, the Qur'an is sacred only in Arabic, the original Arabic in which it was revealed to the Prophet Muhammad in the seventh century. To many Arab and non-Arab believers alike, the book literally defies translation, yet English translations are growing in both number and importance. Bruce Lawrence tells the remarkable story of the centuries-long quest to translate the Qur'an's lyrical verses—and to make English itself an Islamic language. A translation saga like no other, this panoramic book looks at cyber Korans, versions by feminist translators, and even a graphic Qur'an by the acclaimed visual artist Sandow Birk.

English Translation of the Meaning of Al-Qur'an: The Guidance for Mankind (English Only)

Muhammad Farooq-i-Azam Malik.1997-01-01 Al-Qur'an, the Guidance for mankind, is a unique translation of the Holy Qur'an in contemporary American English. It includes the Biography of the Prophet Muhammad, peace be upon him, his mission as a Prophet, his ranking as in the human history. Text is paragraphed by theme and theme is written in the margins on each page for easy reference. Its features include - (1) Field Testing the Communication of Divine Message: The unique feature of this translation is its field testing for over 3 1/2 years to improve the communication and understanding of the Divine Message. Translation passages were given to the New Muslim and Non-Muslim high school and college students for reading under the supervision of various Ulema (scholars). After reading, the person was asked to explain as to what he/she understood from the passage. If his/her understanding was the same as is in the Arabic Text of the Holy Qur'an then we concluded that we have been successful in conveying the Divine Message properly. If his/her understanding was different than what the Qur'anic verses were stating, we kept on rewording the translation until those verses were understood properly. It was tremendous patience on part of the

participants. May Allah reward them all. (2) Simplicity: In this translation Simple Language and Direct Approach is used for appealing to the common sense of scholars and common people. (3) Understandability: There are no foot notes to refer and no commentary or lengthy explanations to read. All necessary explanations have been incorporated right there in the text with italic type setting to differentiate from the translation of the meanings of Qur'anic Arabic Text. (4) Outline of Pertinent Information: Before the start of each Srah, information relating to its Period of Revelation, Major Issues, Divine Laws and Guidance has been presented as an outline. Then a summary of the preceding events has been tabulated for the reader to understand the historical background to grasp the full meaning of the Divine Message. (5) Reviews, Input and Approvals: This project was started in 1991 and initial draft completed in 1994. Then the Translation was sent to different Ulama (Scholars) in Town and throughout United States for their review and input. After their reviews and input it was sent to Jme Al-Azhar Al-Sharif in Egypt, Ummal Qur in Saudi Arabia and International Islamic University in Pakistan for their review, input and approval. This translation was published after their reviews and approvals.

Quran: A Simple English Translation (Goodword ! Koran) Maulana Wahiduddin Khan (Translator) .2013-12-19 The Quran, a book which brings glad tidings to mankind along with divine admonition, stresses the importance of man's discovery of truth on both spiritual and intellectual planes. Every book has its objective and the objective of the Quran is to make man aware of the Creation plan of God. That is, to tell man why God created this world; what the purpose is of settling man on earth; what is required from man in his pre-death life span, and what he is going to confront after death. The purpose of the Quran is to make man aware of this reality, thus serving to guide man on his entire journey through life into the after-life. The main themes of the Quran are enlightenment, closeness to God, peace and spirituality. The Quran uses several terms, tawassum,

tadabbur, and tafakkur, which indicate the learning of lessons through reflection, thinking and contemplation on the signs of God scattered across the world. The present translation of the Quran and its explanatory notes are written keeping in mind these very themes. Koran, Qur'an, Coran, Kuran, Islam, Prophet Muhammad

The Holy Daniel Quinn.2011-03-01 They knew us before we began to walk upright. Shamans called them guardians, mythmakers called them tricksters, pagans called them gods, churchmen called them demons, folklorists called them shape-shifters. They've obligingly taken any role we've assigned them, and, while needing nothing from us, have accepted whatever we thought was their due - love, hate, fear, worship, condemnation, neglect, oblivion. Even in modern times, when their existence is doubted or denied, they continue to extend invitations to those who would travel a different road, a road not found on any of our cultural maps. But now, perceiving us as a threat to life itself, they issue their invitations with a dark purpose of their own. In this dazzling metaphysical thriller, four who put themselves in the hands of these all-but-forgotten Others venture across a sinister American landscape hidden from normal view, finding their way to interlocking destinies of death, terror, transcendental rapture, and shattering enlightenment. From the Trade Paperback edition.

The Holy Quran Mohamed Talal.2022-02-13 In the Qur'an, a pious Muslim hears God's voice guiding and encouraging, consoling and reproaching, promising the righteous mercy and eternal bliss, while threatening the wicked with wrath and eternal torment. For Muslims, the Qur'an is the word of God, which has entered human time to shape history. According to Muslim sources, the Angel Gabriel revealed himself to Prophet Muhammad in 610 CE while he was in prayerful retreat in a cave on Mount Hira, outside Mecca.

Al-Qur'an, the Guidance for Mankind - English Translation of the Meanings of Al-Qur'an with Arabic Muhammad Farooq-i-Azam Malik. 2001 Al-Qur'an, the Guidance for mankind, is a unique translation of the Holy Qur'an in contemporary American English. It includes the Biography of the Prophet Muhammad, peace be upon him, his mission as a Prophet, his ranking as in the human history. Text is paragraphed by theme and theme is written in the margins on each page for easy reference. Its features include - (1) Field Testing the Communication of Divine Message: The unique feature of this translation is its field testing for over 3 1/2 years to improve the communication and understanding of the Divine Message. Translation passages were given to the New Muslim and Non-Muslim high school and college students for reading under the supervision of various Ulema (scholars). After reading, the person was asked to explain as to what he/she understood from the passage. If his/her understanding was the same as is in the Arabic Text of the Holy Qur'an then we concluded that we have been successful in conveying the Divine Message properly. If his/her understanding was different than what the Qur'anic verses were stating, we kept on rewording the translation until those verses were understood properly. It was tremendous patience on part of the participants. May Allah reward them all. (2) Simplicity: In this translation Simple Language and Direct Approach is used for appealing to the common sense of scholars and common people. (3) Understandability: There are no foot notes to refer and no commentary or lengthy explanations to read. All necessary explanations have been incorporated right there in the text with italic type setting to differentiate from the translation of the meanings of Qur'anic Arabic Text. (4) Outline of Pertinent Information: Before the start of each Srah, information relating to its Period of Revelation, Major Issues, Divine Laws and Guidance has been presented as an outline. Then a summary of the preceding events has been tabulated for the reader to understand the historical background to grasp the full meaning of

the Divine Message. (5) Reviews, Input and Approvals: This project was started in 1991 and initial draft completed in 1994. Then the Translation was sent to different Ulema (Scholars) in Town and throughout United States for their review and input. After their reviews and input it was sent to Jme Al-Azhar Al-Sharif in Egypt, Ummal Qur in Saudi Arabia and International Islamic University in Pakistan for their review, input and approval. This translation was published after their reviews and approvals.
