

Emancipation By Russell Freedman

Kids at Work Russell Freedman.1994 A documentary account of child labor in America during the early 1900s and the role Lewis Hine played in the crusade against it.

Lincoln Russell Freedman.1989-09-25 The Newbery Medal-winning book for young readers presents “a human portrait of a politician honorably confronting the most vexing issues of his era” (The New York Times Book Review). Abraham Lincoln stood out in a crowd as much for his wit and rollicking humor as for his height. This Newbery Medal-winning biography of our Civil War president is warm, appealing, and illustrated with dozens of carefully chosen photographs and prints. Russell Freedman begins with a lively account of Abraham Lincoln's boyhood, his career as a country lawyer, and his courtship and marriage to Mary Todd. Then the author focuses on Lincoln's presidency, skillfully explaining the many complex issues he grappled with as he led a deeply divided nation through the Civil War. The book's final chapter is a moving account of his tragic death at Ford's Theatre on April 14, 1865. The volume concludes with a sampling of Lincoln writings and a detailed list of Lincoln historical sites. Few, if any, of the many books written for children about Lincoln can compare with Freedman's contribution...This is an outstanding example of what (juvenile) biography can be. Like Lincoln himself, it stands head and shoulders above its competition. —School Library Journal

Freedom Walkers Russell Freedman.2009-02-28 A riveting account of the civil rights boycott that changed history by the foremost author of history for young people. Now a classic, Freedman's book tells the dramatic stories of the heroes who

stood up against segregation and Jim Crow laws in 1950s Alabama. Full of eyewitness reports, iconic photographs from the era, and crucial primary sources, this work brings history to life for modern readers. This engaging look at one of the best-known events of the American Civil Rights Movement feels immediate and relevant, reminding readers that the Boycott is not distant history, but one step in a fight for equality that continues today. Freedman focuses not only on well-known figures like Claudette Colvin, Rosa Parks, and Martin Luther King Jr., but on the numerous people who contributed by organizing carpools, joining protests, supporting legal defense efforts, and more. He showcases an often-overlooked side of activism and protest-- the importance of cooperation and engagement, and the ways in which ordinary people can stand up for their beliefs and bring about meaningful change in the world around them. Freedom Walkers has long been a library and classroom staple, but as interest in the history of protest and the Civil Rights Movement grows, it's a perfect introduction for anyone looking to learn more about the past-- and an inspiration to take action and shape the future. Recipient of an Orbis Pictus Honor, the Flora Stieglitz Straus Award, and the Jane Addams Peace Association Honor Book Award, Freedom Walkers received five starred reviews. A map, source notes, full bibliography, and other backmatter is included.

What's the Big Deal About Freedom Ruby Shamir.2017-05-02

From the Constitution to civil rights, from women's rights to the four freedoms, this kid-friendly picture book filled with fun facts and historical trivia shows how America got the nickname land of the free. It's a "free country"! Why? Because in America we're free speak our minds, choose our leaders and set the rules. Since way back when Thomas Jefferson wrote the Declaration of Independence, Americans have stood up for freedom again and again - but it wasn't always easy! Did you know that Henry "Box" Brown escaped slavery by shipping himself north in a box? Or

that Susan B. Anthony was arrested when she tried to vote? Did you know that even young kids protested for the right to go to school? This entertaining, fact-filled book celebrates how, with every generation, more and more Americans won the right to be free. Find out how they did it and why standing up for the "land of the free" is such a big deal! Perfect for fans of The One and Only Declaration of Independence, John, Paul, George & Ben, and Shh! We're Writing the Constitution - and a great way to talk about America, its values, and the rights we all enjoy. Praise for What's the Big Deal About Freedom: Bolstering the upbeat tone of the writing while emphasizing the racial and religious diversity of Americans, the lively watercolor-and-pencil illustrations are consistently engaging and occasionally endearing. A hopeful, idealistic portrayal of freedom in America. --Booklist An effective place for children to begin learning about the concept of freedom. --School Library Journal

A People's History of the United States Howard Zinn.2003-02-04 Since its original landmark publication in 1980, *A People's History of the United States* has been chronicling American history from the bottom up, throwing out the official version of history taught in schools -- with its emphasis on great men in high places -- to focus on the street, the home, and the workplace. Known for its lively, clear prose as well as its scholarly research, *A People's History* is the only volume to tell America's story from the point of view of -- and in the words of -- America's women, factory workers, African-Americans, Native Americans, the working poor, and immigrant laborers. As historian Howard Zinn shows, many of our country's greatest battles -- the fights for a fair wage, an eight-hour workday, child-labor laws, health and safety standards, universal suffrage, women's rights, racial equality -- were carried out at the grassroots level, against bloody resistance. Covering Christopher Columbus's arrival through President Clinton's first term, *A People's History of the United States*, which was nominated for the American Book Award in

1981, features insightful analysis of the most important events in our history. Revised, updated, and featuring a new afterword by the author, this special twentieth anniversary edition continues Zinn's important contribution to a complete and balanced understanding of American history.

Life Upon These Shores Henry Louis Gates. 2011 A director of the W. E. B. Du Bois Institute at Harvard presents a sumptuously illustrated chronicle of more than 500 years of African-American history that focuses on defining events, debates and controversies as well as important achievements of famous and lesser-known figures, in a volume complemented by reproductions of ancient maps and historical paraphernalia. (This title was previously listed in Forecast.)

Becoming Ben Franklin Russell Freedman. 2021-08-17 In 1723 Ben Franklin arrived in Philadelphia as a poor and friendless seventeen-year-old who had run away from his family and an apprenticeship in Boston. Sixty-two years later he stepped ashore in nearly the same spot but was greeted by cannons, bells, and a cheering crowd, now a distinguished statesman, renowned author, and world-famous scientist. Freedman's riveting story of how a rebellious apprentice became an American icon comes in an elegantly designed book filled with art and includes a timeline, source notes, bibliography, and index

moving criticism and publication of nonfiction into the fullest realm of appreciation and development. Freedman claims the narrative power of nonfiction as capable of igniting the reader's imagination, evoking pictures and scenes in the reader's mind. Authors Susan P. Bloom and Cathryn M. Mercier explore all aspects of Freedman's work: his publications of nonfiction for young people; his essays and speeches about the art of nonfiction; his language and style; and his themes and narrative arcs. Through interviews with Freedman, this book speaks about his process as a writer of nonfiction, discussing how he chooses subjects and how he views research as a process of discovery. Readers will gain a deeper understanding of and appreciation for this storyteller who writes about the stories that compel him and invites his readers to share his interest.

of slave emancipation? Did the change in legal status conceal underlying continuities in American plantation societies? Was there a common postemancipation pattern of economic development? How did emancipation affect the politics and culture of race and class? This comparative study addresses precisely these types of questions as it makes a significant contribution to a new a growing field.

Illusions of Emancipation Joseph P. Reidy.2019-01-15 As students of the Civil War have long known, emancipation was not merely a product of Lincoln's proclamation or of Confederate defeat in April 1865. It was a process that required more than legal or military action. With enslaved people fully engaged as actors, emancipation necessitated a fundamental reordering of a way of life whose implications stretched well beyond the former slave states. Slavery did not die quietly or quickly, nor did freedom fulfill every dream of the enslaved or their allies. The process unfolded unevenly. In this sweeping reappraisal of slavery's end during the Civil War era, Joseph P. Reidy employs the lenses of time, space, and individuals' sense of personal and social belonging to understand how participants and witnesses coped with drastic change, its erratic pace, and its unforeseeable consequences. Emancipation disrupted everyday habits, causing sensations of disorientation that sometimes intensified the experience of reality and sometimes muddled it. While these illusions of emancipation often mixed disappointment with hope, through periods of even intense frustration they sustained the promise that the struggle for freedom would result in victory.

Anti-slavery Days James Freeman Clarke.1972

Black Reconstruction in America (The Oxford W. E. B. Du Bois) W.

Downloaded from

gws.ala.org on

2018-12-31 by guest

E. B. Du Bois. 2014-02-01 W. E. B. Du Bois was a public intellectual, sociologist, and activist on behalf of the African American community. He profoundly shaped black political culture in the United States through his founding role in the NAACP, as well as internationally through the Pan-African movement. Du Bois's sociological and historical research on African-American communities and culture broke ground in many areas, including the history of the post-Civil War Reconstruction period. Du Bois was also a prolific author of novels, autobiographical accounts, innumerable editorials and journalistic pieces, and several works of history. *Black Reconstruction in America* tells and interprets the story of the twenty years of Reconstruction from the point of view of newly liberated African Americans. Though lambasted by critics at the time of its publication in 1935, *Black Reconstruction* has only grown in historical and literary importance. In the 1960s it joined the canon of the most influential revisionist historical works. Its greatest achievement is weaving a credible, lyrical historical narrative of the hostile and politically fraught years of 1860-1880 with a powerful critical analysis of the harmful effects of democracy, including Jim Crow laws and other injustices. With a series introduction by editor Henry Louis Gates, Jr., and an introduction by David Levering Lewis, this edition is essential for anyone interested in African American history.

Scenes of Subjection: Terror, Slavery, and Self-Making in Nineteenth-Century America Saidiya Hartman. 2022-10-11 The groundbreaking debut by the award-winning author of *Wayward Lives, Beautiful Experiments*, revised and updated. Saidiya Hartman has been praised as “one of our most brilliant contemporary thinkers” (Claudia Rankine, *New York Times Book Review*) and “a lodestar for a generation of students and, increasingly, for politically engaged people outside the academy” (Alexis Okeowo, *The New Yorker*). In *Scenes of Subjection*—Hartman’s first book, now revised and

expanded—her singular talents and analytical framework turn away from the “terrible spectacle” and toward the forms of routine terror and quotidian violence characteristic of slavery, illuminating the intertwining of injury, subjugation, and selfhood even in abolitionist depictions of enslavement. By attending to the withheld and overlooked at the margins of the historical archive, Hartman radically reshapes our understanding of history, in a work as resonant today as it was on first publication, now for a new generation of readers. This 25th anniversary edition features a new preface by the author, a foreword by Keeanga-Yamahtta Taylor, an afterword by Marisa J. Fuentes and Sarah Haley, notations with Cameron Rowland, and compositions by Torkwase Dyson.

The Essential Feminist Reader Estelle Freedman.2007-09-18
Including: Susan B. Anthony Simone de Beauvoir W.E.B. Du Bois
Hélène Cixous Betty Friedan Charlotte Perkins Gilman Emma
Goldman Guerrilla Girls Ding Ling • Audre Lorde John Stuart Mill
Christine de Pizan Adrienne Rich Margaret Sanger Huda
Shaarawi • Sojourner Truth Mary Wollstonecraft Virginia Woolf
The Essential Feminist Reader is the first anthology to present the full scope of feminist history. Prizewinning historian Estelle B. Freedman brings decades of teaching experience and scholarship to her selections, which span more than five centuries. Moving beyond standard texts by English and American thinkers, this collection features primary source material from around the globe, including short works of fiction and drama, political manifestos, and the work of less well-known writers. Freedman’s cogent Introduction assesses the challenges facing feminism, while her accessible, lively commentary contextualizes each piece. The Essential Feminist Reader is a vital addition to feminist scholarship, and an invaluable resource for anyone interested in the history of women.

This work has been selected by scholars as being culturally

important and is part of the knowledge base of civilization as we know it. This work is in the public domain in the United States of America, and possibly other nations. Within the United States, you may freely copy and distribute this work, as no entity (individual or corporate) has a copyright on the body of the work. Scholars believe, and we concur, that this work is important enough to be preserved, reproduced, and made generally available to the public. To ensure a quality reading experience, this work has been proofread and republished using a format that seamlessly blends the original graphical elements with text in an easy-to-read typeface. We appreciate your support of the preservation process, and thank you for being an important part of keeping this knowledge alive and relevant.

In Defense of Liberty Russell Freedman.2003

The Hammer and the Anvil Dwight Jon Zimmerman.2012-07-17

The period leading up to the Civil War was one of great change. Congress divided itself between Northerners and Southerners, citizens on the frontier took up arms against one another, and movements for secession and abolition were more urgent than ever. In *The Hammer and the Anvil*, the award-winning author Dwight Jon Zimmerman and the renowned artist Wayne Vansant vividly depict the tumultuous time through the lives of two men who defined it: Frederick Douglass and Abraham Lincoln. With a foreword by the Pulitzer Prize-winning historian James M. McPherson, *The Hammer and the Anvil* reveals that its protagonists each wrestled with the question of slavery from a young age. Douglass, a slave who was spared no brutality, once fought an especially cruel master and eventually escaped north to freedom. Lincoln, who was hired out by his father to do manual labor on neighbors' farms, found this harsh life intolerable. As a senator, Lincoln sought ways to end the westward spread of slavery, believing that adding free states to the Union would diminish the power of the Southern states and lead to the gradual disappearance of the peculiar institution. Douglass was less

*Downloaded from
gws.ala.org on
2018-12-31 by guest*

patient. He had become a skilled orator and an influential editor of Northern abolitionist journals, and called on white Americans to honor their nation's founding commitment to liberty. When the Civil War erupted in April 1861, Douglass hoped that the conflict would mean the end of slavery. But Lincoln delayed emancipation, and Douglass despaired--until he met the president face-to-face and recognized that their causes were one and the same.

Featuring evocative and dramatic scenes of this seminal time, *The Hammer and the Anvil* will engage both Civil War buffs and young people new to the study of American history.

Nothing But Freedom Eric Foner.1991

America's greatest leader. In this award-winning biography, Lincoln steps forward out of the shadow of myth as a recognizable, fully drawn American whose remarkable life continues to inspire and inform us today. Oates masterfully charts, with the pacing of a novel, Lincoln's rise from bitter poverty in America's midwestern frontier to become a self-made success in business, law, and regional politics. The second half of this riveting work examines his legendary leadership on the national stage as president during one of the country's most tumultuous and bloody periods, the Civil War years, which concluded tragically with Lincoln's assassination.

Honey, the Dog Who Saved Abe Lincoln Shari

Swanson.2021-12-07 Based on a little-known tale from Abraham Lincoln's childhood, this charming picture book written by debut author Shari Swanson and illustrated by acclaimed artist Chuck Groenink tells a classic story of a boy, his dog, and a daring rescue. Deeply researched and charmingly told, this is the true story of one extra-special childhood rescue--a dog named Honey. Long before Abraham Lincoln led the nation or signed the Emancipation Proclamation, he was just a barefoot kid running around Knob Creek, Kentucky, setting animals free from traps and snatching frogs out of the jaws of snakes. One day, young Abe found a stray dog with a broken leg and named him Honey. He had no idea that the scruffy pup would find his way into Abe's heart, become his best friend, and--one fateful day--save his life. Whether shared at home or in the classroom, this is a good choice for young readers interested in true stories of U.S. presidents.

horizons and gain insights from experts in various disciplines. One of the most significant advantages of downloading PDF books and manuals lies in their portability. Unlike physical copies, digital books can be stored and carried on a single device, such as a tablet or smartphone, saving valuable space and weight. This convenience makes it possible for readers to have their entire library at their fingertips, whether they are commuting, traveling, or simply enjoying a lazy afternoon at home. Additionally, digital files are easily searchable, enabling readers to locate specific information within seconds. With a few keystrokes, users can search for keywords, topics, or phrases, making research and finding relevant information a breeze. This efficiency saves time and effort, streamlining the learning process and allowing individuals to focus on extracting the information they need. Furthermore, the availability of free PDF books and manuals fosters a culture

of continuous learning. By removing financial barriers, more people can access educational resources and pursue lifelong learning, contributing to personal growth and professional development. This democratization of knowledge promotes intellectual curiosity and empowers individuals to become lifelong learners, promoting progress and innovation in various fields. It is worth noting that while accessing free Emancipation By Russell Freedman PDF books and manuals is convenient and cost-effective, it is vital to respect copyright laws and intellectual property rights. Platforms offering free downloads often operate within legal boundaries, ensuring that the materials they provide are either in the public domain or authorized for distribution. By adhering to copyright laws, users can enjoy the benefits of free access to knowledge while supporting the authors and publishers who make these resources available. In conclusion, the availability of

Emancipation By Russell Freedman free PDF books and manuals for download has revolutionized the way we access and consume knowledge. With just a few clicks, individuals can explore a vast collection of resources across different disciplines, all free of charge. This accessibility empowers individuals to become lifelong learners, contributing to personal growth, professional development, and the advancement of society as a whole. So why not unlock a world of knowledge today? Start exploring the vast sea of free PDF books and manuals waiting to be discovered right at your fingertips.

FAQs About Emancipation By Russell Freedman Books

What is a Emancipation By Russell Freedman PDF? A PDF (Portable Document Format) is a file format developed by Adobe that

preserves the layout and formatting of a document, regardless of the software, hardware, or operating system used to view or print it. **How do I create a Emancipation By Russell Freedman PDF?** There are several ways to create a PDF: Use software like Adobe Acrobat, Microsoft Word, or Google Docs, which often have built-in PDF creation tools. Print to PDF: Many applications and operating systems have a "Print to PDF" option that allows you to save a document as a PDF file instead of printing it on paper. Online converters: There are various online tools that can convert different file types to PDF. **How do I edit a Emancipation By Russell Freedman PDF?** Editing a PDF can be done with software like Adobe Acrobat, which allows direct editing of text, images, and other elements within the PDF. Some free tools, like PDFescape or Smallpdf, also offer basic editing capabilities. **How do I convert a Emancipation By Russell Freedman PDF to**

*Downloaded from
gws.ala.org on
