LibGen is a unique concept in the category of eBooks, as this Russia based website is actually a search engine that helps you download books and articles related to science. It allows you to download paywalled content for free including PDF downloads for the stuff on Elsevier's Science Direct website. Even though the site continues to face legal issues due to the pirated access provided to books and articles, the site is still functional through various domains. From books, magazines to tutorials you can access and download a lot for free from the publishing platform named Issuu. The contents are produced by famous and independent writers and you can access them all if you have an account. You can also read many books on the site even if you do not have an account. For free

eBooks, you can access the authors who allow you to download their books for free that is, if you have an account with Issuu. Because this site is dedicated to free books, there's none of the hassle you get with filtering out paid-for content on Amazon or Google Play Books. We also love the fact that all the site's genres are presented on the homepage, so you don't have to waste time trawling through menus. Unlike the bigger stores, Free-Ebooks.net also lets you sort results by publication date, popularity, or rating, helping you avoid the weaker titles that will inevitably find their way onto open publishing platforms (though a book has to be really quite poor to receive less than four stars). 4eBooks has a huge collection of computer programming ebooks. Each downloadable ebook has a short review with a description. You can find over thousand of free ebooks in every computer programming field like .Net, Actionscript, Ajax, Apache and etc. GOBI Library Solutions from EBSCO provides print books, e-books and

collection development services to academic and research libraries worldwide. Looking for a new way to enjoy your ebooks? Take a look at our guide to the best free ebook readers. We now offer a wide range of services for both traditionally and self-published authors. What we offer. Newsletter Promo. Promote your discounted or free book. The split between “free public domain ebooks” and “free original ebooks” is surprisingly even. A big chunk of the public domain titles are short stories and a lot of the original titles are fanfiction. Still, if you do a bit of digging around, you’ll find some interesting stories.
