AvaxHome is a pretty simple site that provides access to tons of free eBooks online under different categories. It is believed to be one of the major non-torrent file sharing sites that features an eBooks&eLearning section among many other categories. It features a massive database of free eBooks collated from across the world. Since there are thousands of pages, you need to be very well versed with the site to get the exact content you are looking for. There are over 58,000 free Kindle books that you can download at Project Gutenberg. Use the search box to find a specific book or browse through the detailed categories to find your next great read. You can also view the free Kindle books here by top downloads or recently added. Scribd offers a fascinating collection of all kinds of reading materials: presentations, textbooks, popular reading, and much more, all organized by topic. Scribd is one of the web's largest sources of published content, with literally millions of documents published every month. Looking for the next great book to sink your teeth into? Look no further. As the year rolls on, you may find yourself wanting to set aside time to catch up on reading. We have good news for you, digital bookworms — you can get in a good read without spending a dime. The internet is filled with free e-book resources so you can download new reads and old classics from the comfort of your iPad. Here is an updated version of the \$domain website which many of our East European book trade customers have been using for some time now, more or less regularly. We have just introduced certain upgrades and changes which should be interesting for you. Please remember that our website does not replace publisher websites, there would be no point in duplicating the information. Our idea is to present you with tools that might be useful in your work with individual, institutional and corporate customers. Many of the features have been introduced at specific requests from some of you. Others are still at preparatory stage and will be implemented soon. All of the free books at ManyBooks are downloadable — some directly from the ManyBooks site, some from other websites (such as Amazon). When you register for the site you're asked to choose your favorite format for books, however, you're not limited to the format you choose. When you find a book you want to read, you can select the format you prefer to download from a drop down menu of dozens of different file formats. You can literally eat, drink and sleep with eBooks if you visit the Project Gutenberg website. This site features a massive library hosting over 50,000 free eBooks in ePu, HTML, Kindle and other simple text formats. What's interesting is that this site is built to facilitate creation and sharing of e-books online for free, so there is no registration required and no fees. There are specific categories of books on the website that you can pick from, but only the Free category guarantees that you're looking at free books. They also have a Jr. Edition so you can find the latest free eBooks for your children and teens. Better to search instead for a particular book title, author, or synopsis. The Advanced Search lets you narrow the results by language and file extension (e.g. PDF, EPUB, MOBI, DOC, etc).
