There are thousands of ebooks available to download legally - either because their copyright has expired, or because their authors have chosen to release them without charge. The difficulty is tracking down exactly what you want in the correct format, and avoiding anything poorly written or formatted. We've searched through the masses of sites to bring you the very best places to download free, high-quality ebooks with the minimum of hassle. It's worth remembering that absence of a price tag doesn't necessarily mean that the book is in the public domain; unless explicitly stated otherwise, the author will retain rights over it, including the exclusive right to distribute it. Similarly, even if copyright has expired on an original text, certain editions may still be in copyright due to editing, translation, or extra material like annotations. Talking Book Services.
