Project Gutenberg: More than 57,000 free ebooks you can read on your Kindle, Nook, e-reader app, or computer. ManyBooks: Download more than 33,000 ebooks for every e-reader or reading app out there. Free ebook download sites: - They say that books are one's best friend, and with one in their hand they become oblivious to the world. While With advancement in technology we are slowly doing away with the need of a paperback and entering the world of eBooks. Yes, many may argue on the tradition of reading books made of paper, the real feel of it or the unusual smell of the books that make us nostalgic, but the fact is that with the evolution of eBooks we are also saving some trees. In

addition to the sites referenced above, there are also the following resources for free books: WorldBookFair: for a limited time, you can have access to over a million free ebooks. WorldLibrary: More than 330,000+ unabridged original single file PDF eBooks by the original authors. FreeTechBooks: just like the name of the site, you can get free technology-related books here. FullBooks.com: organized alphabetically; there are a TON of books here. Bartleby eBooks: a huge array of classic literature, all available for free download. Booktastik has free and discounted books on its website, and you can follow their social media accounts for current updates. Unlike the other sites on this list, Centsless Books is a curator-aggregator of Kindle books available on Amazon. Its mission is to make it easy for you to stay on top of all the free ebooks available from the online retailer. DailyCheapReads.com has daily posts on the latest Kindle book deals available for download at Amazon, and will

sometimes post free books. You can browse the library by category (of which there are hundreds), by most popular (which means total download count), by latest (which means date of upload), or by random (which is a great way to find new material to read). For other formatting issues, we've covered everything you need to convert ebooks. Books Pics is a cool site that allows you to download fresh books and magazines for free. Even though it has a premium version for faster and unlimited download speeds, the free version does pretty well too. It features a wide variety of books and magazines every day for your daily fodder, so get to it now!
