Agents of the Apocalypse David Jeremiah.2014-10-07 Who Will Usher in Earth's Final Days? Are we living in the end times? Is it possible that the players depicted in the book of Revelation could be out in force today? And if they are, would you know how to recognize them? In *Agents of the Apocalypse*, noted prophecy expert Dr. David Jeremiah does what no prophecy expert has done before. He explores the book of Revelation through the lens of its major players—the exiled, the martyrs, the elders, the victor, the king, the judge, the 144,000, the witnesses, the false prophet, and the beast. One by one, Dr. Jeremiah delves into their individual personalities and motives, and the role that each plays in biblical prophecy. Then he provides readers with the critical clues and information needed to recognize their presence and power in the world today. The stage is set, and the curtain is about to rise on Earth's final act. Will you be ready?

Truth Matters, Life Matters More Hank Hanegraaff.2019-11-12 America's Bible Answer Man contributes a treatise on the importance of absolute truth in a time of turmoil, doubt, and ambiguity. But after his own life-altering bout with cancer, longtime popular theologian and radio personality Hank Hanegraaff also affirms that theological truth is not the goal but rather a roadmap on the path to the ultimate truth of union with God. Is there more to the Christian life than what you're currently experiencing? Leading Christian apologist Hank Hanegraaff has dedicated his life to defending truth, because truth matters. However, his life and ministry were radically transformed by this three-word phrase: life matters more. In essence, *Truth Matters, Life Matters More* is two books in one. Because truth matters, part 1 explicates the essentials of the Christian faith in a memorable way to equip readers to communicate Christian truth. In part 2, Hank explains why life matters more and how we can experience the height of human existence—union with God. Simply put, the map is not the territory. The menu is not the meal. We cheat ourselves of unadulterated union with Christ when we elevate the message above the Messenger. *Truth Matters, Life Matters More* is a modern classic and the magnum opus of one of the great theological minds of our time. Prepare to discover the unexpected beauty of an authentic Christian life.

The Jesus I Know Kathie Lee Gifford.2021-11-30 New York Times bestselling author Kathie Lee Gifford reveals heartwarming, entertaining conversations between people and personalities who both agree and disagree about who Jesus is, his role throughout history, and his presence in our lives today. For decades Kathie Lee has had deep conversations about her faith with anyone who is interested in talking about it. What she discovered early on is most people are very willing to talk about Jesus: atheists, agnostics, Scientologists, Jews, broken-hearted Catholics, confused Baptists, Pentecostals, Sikhs, Buddhists, and Hindus alike. While some of the people Kathie Lee has spoken with do not share her belief that Jesus is the Messiah—as prophesied for centuries by prophets in the Hebrew scriptures—they nonetheless have a universal fascination with Him. This singular man who lived more than two thousand years ago, and never traveled more than one hundred miles from where He was born, managed to change the entire world. Even the way we delineate history (BC/AD) comes from His short thirty-three years of life. In *The Jesus I Know*, Kathie Lee shares cherished conversations that she's had with others who find Jesus to be an ancient historical figure who somehow continues to be an undeniably magnetic, relevant presence in the modern world. Those conversations include actors like Kristin Chenoweth and Cynthia Garrett, with stories of Craig Ferguson and Kevin Costner, newsmakers and news personalities like Kris Jenner, Megyn Kelly, Jason Kennedy, and Janice Dean, performers like Chynna Phillips Baldwin, Brian Welch, Jimmie Allen, and Jimmy Wayne, hitmakers like Louis York and David Pomeranz, as well as those coming from other faith traditions. Using Kathie Lee's favorite Scripture passages as scaffolding, these thought-provoking exchanges will bring His teachings to life before your very eyes.

**Unbelievers** Alec Ryrie.2019-11-19 “How has unbelief come to dominate so many Western societies? The usual account invokes the advance of science and rational knowledge. Ryrie's alternative, in which emotions are the driving force, offers new and interesting insights into our past and present.” —Charles Taylor, author of *A Secular Age* Why have societies that were once overwhelmingly Christian become so secular? We think we know the answer, pointing to science and reason as the twin culprits, but in this lively, startlingly original reconsideration, Alec Ryrie argues that people embraced unbelief much as they have always chosen their worldviews: through the heart more than the mind. Looking back to the crisis of the Reformation and beyond, he shows how, long before philosophers started to make the case for atheism, powerful cultural currents were challenging traditional faith. As Protestant radicals eroded time-honored certainties and ushered in an age of anger and anxiety, some defended their faith by redefining it in terms of ethics, setting in motion secularizing forces that soon became transformational. *Unbelievers* tells a powerful emotional history of doubt with potent lessons for our own angry and anxious times. “Well-researched and thought-provoking...Ryrie is definitely on to something right and important.” —Christianity Today “A beautifully crafted history of early doubt...*Unbelievers* covers much ground in a short space with deep erudition and considerable wit.” —The Spectator “Ryrie traces the root of religious skepticism to the anger, the anxiety, and the ‘desperate search for certainty’ that drove thinkers like...John Donne to grapple with church dogma.” —New Yorker

**What Did the Biblical Writers Know and When Did They Know It?** William G. Dever. 2001-05-10 For centuries the Hebrew Bible has been the fountainhead of the Judeo-Christian tradition. Today, however, the entire biblical tradition, including its historical veracity, is being challenged. Leading this assault is a group of scholars described as the minimalist or revisionist school of biblical studies, which charges that the Hebrew Bible is largely pious fiction, that its writers and editors invented ancient Israel as a piece of late Jewish propaganda in the Hellenistic era. In this fascinating book noted Syro-Palestinian archaeologist William G. Dever attacks the minimalist position head-on, showing how modern archaeology brilliantly illuminates both life in ancient Palestine and the sacred scriptures as we have them today. Assembling a wealth of archaeological evidence, Dever builds the clearest, most complete picture yet of the real Israel that existed during the Iron Age of ancient Palestine (1200 600 B.C.). Dever's exceptional reconstruction of this key period points up the minimalists' abuse of archaeology and reveals the weakness of their revisionist histories. Dever shows that ancient Israel, far from being an invention, is a reality to be discovered. Equally important, his recovery of a reliable core history of ancient Israel provides a firm foundation from which to appreciate the aesthetic value and lofty moral aspirations of the Hebrew Bible.

In *Champagne for the Soul*, bestselling author Mike Mason explains that the Bible does make this offer. Yet most of us hang back, reluctant and skeptical. What you now hold in your hands is a call to throw off all worries and complaints and to come and share your master's happiness (Matthew 25:21). Is it possible to live every day in joy? *Ark of God* David Hatcher Childress.2015-10-27 David Childress, popular author and star of the History Channel's show Ancient Aliens, takes us on an incredible journey in search of the truth about (and science behind) the fantastic Biblical artifact known as the Ark of the Covenant. This object made by Moses at Mount Sinai—part wooden-metal box and part golden statue—had the power to create "lightning" to kill people, and also to fly and lead people through the wilderness. Featured in such popular movies as Raiders of the Lost Ark by Lucas and Spielberg, the Ark of the Covenant is probably the most mysterious object in the Old Testament—what was it? Was it an ancient electrical device? The Ark of the Covenant suddenly disappears from the Bible record and what happened to it is not mentioned. Was it hidden in the underground passages of King Solomon's temple and later discovered by the Knights Templar? Was it taken through Egypt to Ethiopia as many Coptic Christians believe? Childress looks into hidden history, astonishing ancient technology, and a 3,000-year-old mystery that continues to fascinate millions of people today.

*Angels* Dr. David Jeremiah.2013-10-16 The remarkable truth about angels, the agents of Heaven, unveiled through Scripture—from the New York Times best-selling author of *Everything You Need* “Outstanding! As one would expect from David Jeremiah, this book reflects a theologian’s concern, a pastor’s heart, and a Biblicist’s accuracy.”—Dr. Bruce Wilkinson People have long been fascinated by stories of angel sightings, yet many contemporary beliefs about angels are based on misconception and myth rather than solid, biblical truth. As he’s done so brilliantly for decades, respected Bible teacher Dr. David Jeremiah of Turning Point Ministries uses Scripture to unveil the remarkable truth about these agents of heaven and their role in our world and our lives. What are angels? What is their role in God’s plan? Are they present? Do they appear? Do they give us personal insight about our work and our worship? In this broad and thorough survey of Scripture, Dr. Jeremiah clearly and simply separates fact from fiction as it relates to angels. His enlightening findings are supported with illustrations and insights from prominent teachers, such as Billy Graham, Corrie ten Boom, C. S. Lewis, and more. **Four Blood Moons** John Hagee.2013-10-08 ...There will be signs in the sun, in the moon, and in the stars...Now when these things begin to happen, look up and lift up your heads, because your redemption draws near. *The Wormwood Prophecy* Thomas Horn.2019-12-03 Does the Bible predict an asteroid...or something else? This book will challenge your interpretation of end-times theology and help you sharpen your understanding in light of current times. Does Revelation 8:10-11 describe an asteroid? Is the Wormwood star from Revelation 8 already headed toward Earth? Are NASA and high-level government officials aware of an asteroid that is on a collision course with our planet? Is that why President Trump sanctioned a colossal increase to planetary defense? Do the prophecies from ancient cultures and religions across the globe all point to a catastrophic planetary event that has scientists and politicians taking extreme preventative measures under the public radar? Earth is not currently prepared for the scope of impact that may be just around the corner, and people in high places know it... But what will the biblical Wormwood actually be? Traditional scholarly interpretation claims it will be an asteroid. Others postulate that the eschatological poisoning of one-third of all Earth's waters and the devastation of our planet's ecology might not be as detectable as we may believe: it could hit suddenly and without warning, like an angel of God appearing in the sky with fire and light, bringing judgment in an instant. Follow Thomas Horn as he blazes a trail through these questions and many others, posing answers that very few in the church today are willing to provide. **FEATURES AND BENEFITS:** Examines asteroid threats to Earth, including Apophis (named after the Egyptian god of chaos), which is a topic of serious discussion among experts in planetary defense Includes interviews with government impact specialists, scientists, Bible scholars, and prophecy experts

*The Last Hour* Amir Tsarfati.2018-09-04 Avoiding sensationalism and date-speculating, respected Bible teacher Amir Tsarfati uses his unique perspective as an Israeli Christian to lead you through a fascinating modern-day description of God's plan for the end of the world. Grounded from start to finish in Scripture, the book reveals how the Rapture, the imminent rise of the Antichrist, and the tragic horrors of the Great Tribulation will play out in our world today. He also helps you understand the roles--and fates--of Russia, Iran, Syria, Turkey, the European Union, the United States of America, and Israel in the end times, showing just how biblical prophecies are being fulfilled in our time. But above all, he offers hope that in the midst of chaos and horror, God is ultimately in control, and those who belong to him will be safe with him.

**Faith in Conservation** Martin Palmer,Victoria Finlay.2003-01-01 This book, arising from over twenty years experience of working with the world's major faiths, draws extensively upon joint World Bank and ARC (Alliance of Religion and Conservation)/WWF (World Wildlife Fund for Nature) projects world wide. It shows, through stories, land management, myths, investment policies, legends, advocacy and celebration, the role the major faiths have, do and can play in making the world a better place. The major faiths are the oldest institutions in the world and have survived essentially because they are constantly evolving and changing. There is much to be learnt by newer institutions such as the World Bank and the multitudes of NGOs about how to remain true to what you believe but change and grow as you develop. The book explores issues of climate change, forestry, asset management, education and biodiversity protection and does so using the techniques of the great faiths storytelling, example and celebration. It reveals a variety of world views and it asks us to see that our personal view may be just one amongst many. The challenge of living with integrity in a pluralist world underlies the book and it offers models of how diversity is crucial in attempting to ensure we have a sustainable world.

*Ancient Conquest Accounts* K. Lawson Younger, Jr..1990-05-01 Works on Old Testament historiography, the 'Conquest', and the origins of ancient Israel have burgeoned in recent days. But while others have been issuing new reconstructions this novel work presents a close reading of the biblical text. The focus is on the literary techniques that ancient writers employed in narrating stories of conquest, and the aim is to pinpoint their communicative intentions in their own contexts. This reading is enhanced by engagement with the important discipline of the philosophy of history. *Ancient Conquest accounts*, replete with extensive quotations from Assyrian, Hittite and Egyptian conquest accounts, is a learned and methodologically sensitive study of a wide range of ancient Near Eastern texts as well as of Joshua 9-12.

There are also direct Hebrew quotes in both the Hebrew language and transliterated Hebrew for the English reader. These portions include the prayer, called the our Father, the statements made at the Last Supper, the statement at the cross, the quotation of Yesha'yahu (Isaiah) 61, plus others.
