

The Eternity Gene

A Genetic History of the New England Theology Frank Hugh Foster.1907

Stalinist Genetics Dmitri Stanchevici.2017-03-02 Stalinist Genetics focuses on the rhetoric of T. D. Lysenko, the founder of an agrobiological doctrine (Lysenkoism) in the Stalinist Soviet Union. Using not only scientific but also political and ideological arguments, Lysenko achieved an official ban on Soviet Mendelian genetics. Though the ban was brief and Lysenkoism, as a leading biological doctrine, was eventually deposed in favor of Mendelism, Lysenkoism remains a paradigmatic example of pernicious political interference in science. In this study, the critical orientation for reading Lysenko's major speeches is constitutional rhetoric. It combines Kenneth Burke's dialectic of constitutions and rhetoric of the subject. Painting a nuanced picture of intellectual, economic, ideological, and political life in the Soviet Union of the 1930s and 1940s, the book demonstrates how the rhetorics of Lysenkoism and Mendelism interacted with Stalinist culture in the fight for dominating Soviet science. The reader will learn how Lysenko's constitutional rhetoric created a space where scientific terms transformed into political and ideological ones, and vice versa. The book also shows how, in a dialectical flip, the Lysenkoist rhetoric eventually turned from tool to master. Contrary to Lysenko's intentions, his language gave his opponents, Soviet Mendelians, grounds on which to defend their science and criticize Lysenkoism. Stanchevici forcefully reasserts the blurriness of the boundaries between science and politics, and argues that scientific language reveals more plasticity and adaptability to the political situation than has hitherto been assumed. Intended Audience: Scholars in rhetoric, history, and philosophy of science; graduate or upper-division undergraduate course in the rhetoric of science or technical communication.

An inquiry into the Doctrine of the Eternal Sonship of Our Lord Jesus Christ Richard Treffry.1837

All Hell Broke Loose Evelyn Mundell.2010-12-08 ANCIENT SECRETS REVEALED The delivery of a grubby package to Doctor Etienne Naude, a theologian and computer programmer, set an amazing chain of events in motion one that defied all imagination. The ensuing rollercoaster ride draws together a most unlikely team of most unlikely heroes. As they strive to unravel the puzzles, they uncover the secrets of a ten thousand year-old malignant, unspeakable Evil an Evil far beyond any human comprehension one that has pervaded the very fabric of every facet of human society, and is well on its way to achieve its goal Total Earth Domination. They discover that the realities of the Biblical Deluge are a far cry from the commonly accepted stories. The conventional accounts do not even come close. The poignant, eye-witness account of what really happened is in total harmony with the scientific and historical facts at our disposal. The team is faced with the raw realities of Gods awesome anger as well as His amazing mercy, providence and love. The convoluted roller-coaster ride continues to build up velocity and draws in the combined efforts of the Israeli MOSSAD, British SAS, and American and South African security forces.

Sūlāsūt Jūl Kūtūūb. A treatise on the momentous controversy regarding salvation pending between Christians and Mahommedans: in which the current unfounded traditions of the Mahommedans are refuted, etc William Robertson AIKMAN.1868

The Acolytes of Eternity Paul Polakis.2023-09 What if you could live forever? Ankh Biotech has cracked the code on immortality and is offering it to the world at an affordable price. Get inoculated with a pair of gene editing viruses, ingest a few pills and stop aging. Public interest in not dying is extremely robust, but Ethan has some real concerns. Sandy, one of Ankh's four genius Principal Officers agrees to field his complaints. Unexpectedly,

they fall in love, and Ethan uncovers the real purpose behind Ankh's otherworldly mission of immortality. This story, although lighthearted, with a mix of science both real and fanciful, explores the ramifications of expanding the human lifespan.

The Eternity Brigade Stephen Goldin.1999-12 Hundreds of human bodies have been placed in coffins in a military warehouse. But they are not dead, merely frozen in a cryogenic process meant to preserve an army of men to be restored to life if ever they are needed. The Earth they arise to inhabit is a world completely different from any they have known or imagined. Their only task is to fight and kill in the wars that plague the planet. They are not treated as men, but as fighting machines to be endlessly duplicated and used up. By having had their genetic patterns programmed into a computer, they are doomed to live over and over again, as part of an army that will not die and cannot escape. Yet one man is determined to break the pattern and free himself, truly believing that there must be a way out ... of eternity.

Stella Rose Gold for Eternity (The Immortal Mistakes, Book 1) Sandra L. Vasher.2019-09-01 How long is eternity? Stella Rose knows her doting boyfriend, Myles, will do anything for her. Then she tests positive for a gene that gives her a 96% chance of developing Early Alzheimer's by age fifty, and their future together falls apart. Stella's best chance is to apply for the Immortality Program. If Stella applies, Myles will too, but Myles has everything going for him as a mortal. Plus, his incredibly conservative, wealthy, powerful family abhors immortality. Stella must choose between thirty years of mortal bliss with Myles or a forever without him, unless Myles has other plans... Stella Rose Gold for Eternity is the first of The Immortal Mistakes, a set of novellas leading up to Sandra L. Vasher's upcoming young adult sci-fi /fantasy series, the Mortal Heritage.

The Eternity Gene Pauline A. Harris.2013-01-05 Magic seeds itself indiscriminately on the habitable planets of the universe. One such planet is Chyron. But what seems a blessing to the Merins of Chyron can present a possible challenge for power to those in charge of the universe. Can the Leaders of Chyron survive when the Guardians arrive bearing strange gifts with consequences that last forever...?

The Philosophy of Religion on the Basis of Its History: Genetic-speculative philosophy of religion (2 vols.) Otto Pflleiderer.1888

Soulless Jacinta Maree.2015-10-01 Reincarnation; what was once considered a gift of immortality has become an eternity of nightmares. In a society that ignores death, nineteen year old Nadia appears to be the one exception to the reincarnation trap. Her deformity turns her into the ultimate prize to end the vicious cycle, or for some, to evade death forever.

The Apology of Benjamin Ben Mordecai to His Friends for Embracing Christianity; in Seven Letters to Elisha Levi ... With Notes and

Illustrations by the Author and Editor pseud BENJAMIN BEN MORDECAI.1771

Genetic Soul Brothers Wayne E. Criss.2019-04-05 Genetic Soul Brothers is a human science mystery. It involves identical quadruplet boys whose lives were initiated at the same fertility clinic, born to four different mothers at the same time in four different cities. They have the same genes and same souls but will have very different lives. When they discover each other as adults, the impossible becomes the possible where the age-old question genetics versus eternity is explored.

Biblical Repertory .1829

The High and Deep Searching Out of the Threefold Life of Man Through Jakob Böhme.1909

Three Windows on Eternity Allerd Stikker.2013-10-03 Three Windows on Eternity is an exploratory voyage past the frontiers of our knowledge and scientific understanding. It has led the author to inspirational insights about the role of the individual human being in the current phase of the evolutionary process. The author takes the reader on a journey through evolution from the Big Bang to the 21st century. Based on scientific research and personal observation, he argues and concludes that of the 13.5 billion years of evolution, the first 10 billion years, a so-called inorganic evolutionary period lasting from the Big Bang until the emergence of life, was irrefutably governed by a magnificent design. By 'design' he does not mean 'intelligent' design but a state resulting from the eight fundamental constants of nature that emerged in the first nanoseconds following the birth of the universe. That state is a question of personal interpretation, inspired by religious belief or otherwise. The story of evolution presented in this book can raise awareness and inspiration in today's younger generations as they try to realize a controlled transition within the next 25 years, thus avoiding an uncontrolled overshoot/collapse scenario. In this respect, we are playing with time. The author is convinced that many young people who will populate the world in that period are keen to learn from the new story of evolution and are eager to act and contribute to a constructive new phase in that evolution in the 21st century.

The Gene Edwards Signature Collection: A Tale of Three Kings / The Prisoner in the Third Cell / The Divine Romance Gene Edwards.2016-10-04 This collection bundles three titles from beloved author Gene Edwards into one e-book for a great value! *A Tale of Three Kings* This best-selling tale is based on the biblical figures of David, Saul, and Absalom. For the many Christians who have experienced pain, loss, and heartache at the hands of other believers, this compelling story offers comfort, healing, and hope. Christian leaders and directors of religious movements throughout the world have recommended this simple, powerful, and beautiful story to their members and staff. You will want to join the thousands who have been profoundly touched by this incomparable story. *The Prisoner in the Third Cell* Imprisoned by Herod, John the Baptist struggles to understand a Lord who did not meet his expectations—a dramatic account offering insight into the ways of God. *The Divine Romance* A breathtakingly beautiful saga spanning from eternity to eternity, presented from the view of angels. Experience creation, the crucifixion, and the resurrection from this unique viewpoint, and gain a better understanding of the majestic love of God. Gene Edwards's classic tale is the greatest love story ever told.

The Eternity Gene Robert Don Hughes.1999 The fascinating follow-up to Hughes' *The Fallen*. Dr. Jack Brennan is led on a series of thrilling adventures through the fabric of time and the history of civilization as he finds himself in the middle of a sinister alien conspiracy.

A new uniform edition of the works of the rev. Robert Hawker, revised by the author Robert Hawker.1829

The Eternity Gene Russell Fine.2021-08-21 Dr. Pamela Reed was convinced human aging was caused by a single gene and she was determined to find it. After years of research using lab mice, she was sure she had proof her theory was correct. A meeting was set up with the owner of Dearborn Pharmaceuticals to discuss the next step, but the meeting never occurred. Dr. Reed's research would profoundly affect future generations and someone didn't want that to happen. She and her assistant were murdered to prevent her discovery from being made public. The President personally requested that Frank Carver, a policeman turned CIA agent, be assigned the task of tracking down her killer. But this turned out to be far more than just a simple homicide.

The Selfish Gene Richard Dawkins.1989 Science need not be dull and bogged down by jargon, as Richard Dawkins proves in this entertaining look at evolution. The themes he takes up are the concepts of altruistic and selfish behaviour; the genetical definition of selfish interest; the evolution of aggressive behaviour; kinship theory; sex ratio theory; reciprocal altruism; deceit; and the natural selection of sex differences. 'Should be read, can be read by almost anyone. It describes with great skill a new face of the theory of evolution.' W.D. Hamilton, *Science*

The Works of Thomas Jackson, D.D. Thomas Jackson.1844

The Borealis Genome Tom Wise Ph D,Nancy Wise.2013-05-30 Is this the secret to eternal life? Or is it the start of Armageddon... Advances in science outpace the ability to retain individuality, challenging the understanding and definition of one's mortality. Micro robots and nanotechnology, combine to alter human consciousness when Mr. Oldham's algorithm using AI, and genetic engineering create the ability for the world's greatest minds to live on forever, moving from life to life perfecting their craft. Tim and his fiance discover the dark side of eternity, and threaten to expose the source of the mysterious wave of gruesome attacks. Conspiracies uncovered create a battle for life and humanity from the sinister byproduct of evolution.

Letters on the Eternal Generation of the Son of God Moses Stuart.2010-09-20 This is a clean and complete reprint of Moses Stuart's Letters on the Eternal Generation of the Son of God, Addressed to the Rev. Samuel Miller, D.D. It was originally published in Andover, MA in 1822. Stuart (1780-1852), a noted evangelical biblical scholar and theologian, examines the doctrine of the eternal generation of the Son in light of the early church fathers, scripture, and reason.
