curator-aggregator of Kindle books available on Amazon. Its mission is to make it easy for you to stay on top of all the free ebooks available from the online retailer. All the books are listed down a single page with thumbnails of the cover image and direct links to Amazon. If you'd rather not check Centsless Books' website for updates, you can follow them on Twitter and subscribe to email updates. Authorama offers up a good selection of high-quality, free books that you can read right in your browser or print out for later. These are books in the public domain, which means that they are freely accessible and allowed to be distributed; in other words, you don't need to worry if you're looking at something illegal here. Where to Get Free eBooks Project Gutenberg is one of the largest sources for free books on the web, with over 30,000 downloadable free books available in a wide variety of formats. Project Gutenberg is the oldest (and quite possibly the largest) library on the web,

with literally hundreds of thousands free books available for download. The vast majority of books at Project Gutenberg are released in English, but there are other languages available. After you register at Book Lending (which is free) you'll have the ability to borrow books that other individuals are loaning or to loan one of your Kindle books. You can search through the titles, browse through the list of recently loaned books, and find eBook by genre. Kindle books can only be loaned once, so if you see a title you want, get it before it's gone. Besides being able to read most types of ebook files, you can also use this app to get free Kindle books from the Amazon store. Questia Public Library has long been a favorite choice of librarians and scholars for research help. They also offer a world-class library of free books filled with classics, rarities, and textbooks. More than 5,000 free books are available for download here, alphabetized both by title and by author. FeedBooks provides

you with public domain books that feature popular classic novels by famous authors like, Agatha Christie, and Arthur Conan Doyle. The site allows you to download texts almost in all major formats such as, EPUB, MOBI and PDF. The site does not require you to register and hence, you can download books directly from the categories mentioned on the left menu. The best part is that FeedBooks is a fast website and easy to navigate.
