Ephrem the Syrian Saint Ephraem (Syrus).1989 In this volume is a translation of a collection of hymns of Christ, composed by Ephrem the Syrian (c. 306-373), the most famous and prolific of the Fathers of the Syriac-speaking Church.

Do You Believe? Paul David Tripp.2021-11-05 Best-Selling Author Paul David Tripp Unpacks 12 Doctrines for Everyday Christian Living Doctrine—what Christians believe—directly influences how they live. The biblical truths about God, humanity, and the world are not merely about knowing more—they are also about loving God and making sense of this life and the life to come. But what happens when there is disparity between what believers confess and how they live? In his latest book, *Do You Believe?*, pastor and best-selling author Paul David Tripp takes a close look at 12 core doctrines and how they engage and transform the human heart and mind. According to Tripp, “true belief is always lived.” To demonstrate, he unpacks each doctrine and presents its relevance for the Christian life. As readers explore topics such as the doctrine of God, the holiness of God, and the doctrine of Scripture, they will be fueled to fall deeper in love with and stand in awe of their Creator and Father—putting the truths of God’s word on display for all the world to see.

Held at a Distance Rebecca G. Haile.2014-08-01 This powerful book gives readers a chance to experience Ethiopia through the personal experience of a writer who is both Ethiopian and American. It takes readers beyond headlines and stereotypes to a deeper understanding of the country. This is an absorbing account of the author's return trip to Ethiopia as an adult, having left the country in exile with her family at age 11. She profiles relatives and friends who have remained in Ethiopia, and she writes movingly about Ethiopia's recent past and its ancient history. She offers a clear-eyed analysis of the state of the country today, and her keen observations and personal experience will resonate with readers. This is a unique glimpse into a fascinating African country by a talented writer.

Love is a Stranger Mevlana Jalaluddin Rumi.2016-10-11 Love is a stranger and speaks a strange language, wrote Rumi, one of the world's most beloved mystical poets. His poems of spiritual love still speak directly to our hearts after more than seven hundred years. These classic selections contemplate separation and longing, intoxication and bliss, union and transcendence.

Emotionally Healthy Discipleship Peter Scazzero.2021-03-30 The global church is facing a discipleship crisis. Here's how we move forward into transformative discipleship... Pastors and church leaders want to see lives changed by the gospel. They work tirelessly to care for people, initiate new ministries, preach creatively, and keep up with trends. Sadly, much of this effort does not result in deeply changed disciples. Traditional discipleship strategies fail because they only address surface issues and do not go deep enough into the emotional health of individuals. But transformative, emotionally healthy discipleship is a methods-based biblical theology that, when fully implemented, informs every area of a church, ministry, or organization. It is a discipleship structure built from the center that: Slows down our lives so we can cultivate a deep, personal relationship with Jesus. Challenges the values of Western culture that have compromised the radical call to follow the crucified Jesus. Integrates sadness, loss, and vulnerability, that, when left out, leave people defensive and easily triggered. Acknowledges God's gift of limits in our lives. Connects how our family and personal history influence our discipleship in the present. Measures our spiritual maturity by how we are growing in our ability to love others. In *Emotionally Healthy Discipleship*, bestselling author Pete Scazzero takes leaders step-by-step through how to create an emotionally

healthy culture and multiply deeply-changed people in every aspect of church life, including: Leadership and team development Marriage and single ministry Small groups and youth and children's ministry Preaching, worship, and administration Outreach Complete with assessments and practical strategies, Emotionally Healthy Discipleship will help you move people to the beneath-the-surface discipleship that actually has the power to change the world. **Winner of the 2022 ECPA Christian Book Award for Ministry Resources**

Infinite Words Zane.2015-03-17 New York Times bestselling author Zane shares the lessons she's learned over the years about successful book publishing, filmmaking, and TV production. Drawing on decades of experience as a mega-bestselling novelist, successful publisher, and executive producer of two TV shows, Zane offers practical advice on writing and publishing to aspiring writers across all media, including books, TV, and film. With her signature wit and straightforward style, Zane tells it like it is, emphasizing hard work, discipline, and commitment as the keys to a successful writing career. Part One covers the writing and creative process, including how to define your writing style, how to outline a story, how to develop characters, typical mistakes to avoid, writing for your medium, and the revision process. Part Two covers the book publishing process, from finding a literary agent who best understands your work, to getting your work in the hands of publishers, to building an audience for your work. Zane also shares wisdom from her early years as a self-published author for those seeking an alternative to traditional publishing. *Infinite Words* isn't just a reference guide; it's an essential companion for writers facing the unique challenges and opportunities of today's ever-evolving world.

Education, Politics and Social Change in Ethiopia Paulos Milkias,Messay Kebede.2010-01-01 In a multi-disciplinary approach, this seminal work examines, among others, the role of western education, impact of being instructed in English, the invention and imposition of a new WoGaGoDa language in the South, and the national educational strategic plans. With scholarly rigor, eminent Ethiopian scholars offer to enlighten readers on the role of education over the last 100 years. I recommend this book to anyone interested to feed their intellectual-soul on education, development, and politics in Ethiopia.--Worku Negash, Ph.D., Vice President, Mission College, Santa Clara, California [Review via publisher's website]

Researching Scots-Irish Ancestors William J. Roulston.2005 One of the greatest frustrations for generations of genealogical researchers has been that reliable guidance on sources for perhaps the most critical period in the establishment of their family's links with Ulster, the period up to 1800, has proved to be so elusive. Not any more. This book can claim to be the first comprehensive guide for family historians searching for ancestors in seventeenth- and eighteenth-century Ulster. Whether their ancestors are of English, Scottish, or Gaelic Irish origin, it will be of enormous value to anyone wishing to conduct research in Ulster prior to 1800. A comprehensive range of sources from the period 1600-1800 are identified and explained in very clear terms. Information on the whereabouts of these records and how they may be accessed is also provided. Equally important, there is guidance on how effectively they might be used. The appendices to the book include a full listing of pre-1800 church records for Ulster; a detailed description of nearly 250 collections of seventeenth- and eighteenth-century estate papers; and a summary breakdown of the sources available from this period for each parish in Ulster.

Native Colonialism Yirga Gelaw Woldeyes.2016-12 *Native Colonialism* examines the cause and consequence of native colonialism, the process whereby a country colonises itself with foreign institutions and ideals. The book draws its evidence from a variety of Ethiopian sources that have rarely been studied or utilised in academic research. It provides never-before seen interpretations of indigenous sources of knowledge and features ground breaking empirical research on traditional and modern schools in the county, as well as interviews with students, teachers and traditional leaders.

Tracing Your Aristocratic Ancestors Anthony Adolph.2013-03-19 Do you believe you are descended from the aristocracy, or even from royalty? Or do you have a line of descent from a blue-blooded family, but want to know more? How far back do noble and royal lines go? How do coats of arms work, and how can heraldic records tell you more? How can genetics help you find your aristocratic origins? In *Tracing Your Aristocratic Ancestors* leading British genealogist, Anthony Adolph explains how to decode family stories, to find the truth and prove your descent from blue-blooded forebears. His book shows you how to expand your aristocratic pedigree sideways and backwards, incorporating heraldic records and printed pedigrees such as those in *Burkes Peerage*. In a series of concise, fact-filled chapters he explains how to find out about and prove aristocratic ancestry, defines who is blue-blooded, and describes all the sources that researchers can use to explore this fascinating subject. Under Adolph's guidance, you will travel back into the distant past, using cutting-edge DNA technology and arcane genealogies, back to the evolution of the human race, and the point where real ancestors fade into mythical ones Adam and Eve, the heroes of old and, ultimately, the very gods themselves.

The Love Poems Of Rumi Deepak Chopra.2008-09-04 Born Jalal ad-Din Mohammed Balkhi in Persia early in the thirteenth century, the poet known as Rumi expressed the deepest feelings of the heart through his poetry. This volume consists of new translations edited by Deepak Chopra to evoke the rich mood and music of Rumi's love poems. Exalted yearning, ravishing ecstasy, and consuming desire emerge from these poems as powerfully today as they did on their creation more than 700 years ago. 'These poems reflect the deepest longings of the human heart as it searches for the divine. They celebrate love. Each poetic whisper is urgent, expressing the desire that penetrates human relationships and inspires intimacy with the self, silently nurturing an affinity for the Beloved. Both Fereydoun Kia, the translator, and I hope that you will share the experience of ravishing ecstasy that the poems of Rumi evoked in us. In this volume we have sought to capture in English the dreams, wishes, hopes, desires, and feelings of a Persian poet who continues to amaze, bewilder, confound, and teach, one thousand years after he walked on this earth' - Deepak Chopra

One Thousand Gifts Ann Voskamp.2011-01-04 More than 1.5 million copies sold! What if you discovered that the life you already have is the life you've always wanted? What if joy is possible right where you are? New York Times bestselling author Ann Voskamp invites you to embrace everyday blessings and embark on the transformative journey of chronicling God's gifts. How can you find joy in the midst of deadlines, debt, drama, and even the death of loved ones? What does the Christ-life really look like when your days are gritty, long, and sometimes even dark? How is God even here? "It is in the dark that God is passing by . . . our lives shake not because God has abandoned but the exact opposite. God is passing by. God is in the tremors. Dark is the holiest ground, the glory passing by. In the blackest, God is closest, at work, forging His perfect and right will. Though it is black and we can't see and our world seems to be free-falling and we feel utterly alone, Christ is most present to us..." In *One Thousand Gifts*, Ann Voskamp invites you to discover a way of seeing that opens your eyes to ordinary amazing grace, a way of living that is fully alive, and a way of becoming present to God that brings deep and lasting joy. It's only in the expression of gratitude for the life we already have, we discover the life we've always wanted . . . a life we can take, give thanks for, and break for others. Come to feel and know the impossible right down in your bones: you are wildly loved by God. As Ann invites you into her own beautiful, heart-aching moments of amazing grace, she gently teaches you how to: Biblically lament loss and turn pain into poetry Intentionally embrace a lifestyle of radical gratitude Slow down and catch God in the moment Not a book merely to read, *One Thousand Gifts* is an invitation to engage with truths that will serve up the depths of God's joy and transform your life forever. Leave pride, fear, and control behind, and abandon yourself to the God who overflows your cup.

Where Do We Go From Here? Bible Study Guide Dr. David Jeremiah.2021-11-16 Jesus Will Show You the Way Forward Today's headlines shout of modern plagues, social tensions, economic crises, and rampant depression. Many are asking, "What day is it on God's prophetic calendar?" Trusted Bible teacher and pastor Dr. David Jeremiah answers this question by opening up the Word of God to reveal what it has to say about the days in which we are living and offer hope to believers. In this ten-lesson accompanying study guide, Dr. Jeremiah deals with ten prophetic issues as current as the morning news. You will thread your way through problems that Jesus predicted—precursors of the Tribulation—and learn what steps you should take to navigate them. Even as the world collapses, you can be sure that the Lord is building His Church! You can say something, do something, pray something, preach something, and live by the convictions of Christ. Each lesson includes: An outline of the main subjects and Scriptures covered during the lesson. An overview of Dr. Jeremiah's teaching on the topic being studied. Application questions to help both individuals and small groups delve into the content and the Bible. A Did You Know? Section that adds a point of interest to the lesson. This is no time to be discouraged. Your risen and exalted Lord Jesus Christ—your enthroned Savior—knows the way forward. He will show you where to go from here.

The Jews of Ethiopia Tudor Parfitt, Emanuela Trevisan Semi.2013-04-15 This book offers the results of the most recent research carried out in European and Israeli universities on Ethiopian Jews. With a special focus on Europe and the role played by German, English and Italian Jewish communities in creating a new Jewish Ethiopian identity, it investigates such issues as the formation of a new Ethiopian Jewish elite and the transformation of the identity from Ethiopian Falashas to the Jews of Ethiopia during the twentieth century.

Scottish Genealogy (Fourth Edition) Bruce Durie.2012-01-01 Scottish Genealogy is a comprehensive guide to tracing your family history in Scotland. Written by an authority on the subject and based on established genealogical practice, it is designed to exploit the rich resources that Scotland, the country with possibly the most complete and best-kept set of records and other documents in the world, has to offer. Using worked examples, and addressing the questions of DNA, palaeography and the vexed issues of Clans, Families and tartans, Bruce Durie covers both physical and electronic sources, and explains how to get beyond the standard 'births, marriages and deaths plus census' research, reminding the reader that there are more routes to follow than just the internet, and that not everything written down is correct! Comparisons are made with records in England, Ireland and elsewhere, and all of the 28 million people throughout the world who claim Scottish ancestry will find something in this book to help, challenge and stimulate. Informative and entertaining, this is the definitive reader-friendly guide to genealogy and family history in Scotland.
The Death of Porn Ray Ortlund.2021-08-19 Your Battle against Porn Isn't about Porn. It's about Hope. Pornography may seem inescapable, but God can free us from its destructive power. The gospel replaces the dehumanizing lies of pornography with this surprising truth: God created us as royalty. How then can we reclaim our God-given identity to take a stand against—and ultimately starve—the predatory porn industry? In *The Death of Porn*, Ray Ortlund writes six personal letters, as from a father to his son. Ideal for individuals and small groups, it will give hope to men who have been misled by porn into devaluing themselves and others. Through Scripture and personal stories, Ortlund assures readers that God loves them the most tenderly in their moments of deepest shame. *The Death of Porn* inspires men to come together in new ways to fight the injustice of porn and build a world of nobility for every man and woman—for the sake of future generations.

Where God Was Born Bruce Feiler.2005-09-13 At a time when America debates its values and the world braces for religious war, Bruce Feiler, author of the New York Times bestsellers *Walking the*

Bible and Abraham, travels ten thousand miles through the heart of the Middle East—Israel, Iraq, and Iran—and examines the question: Is religion tearing us apart ... or can it bring us together? *Where God Was Born* combines the adventure of a wartime chronicle, the excitement of an archaeological detective story, and the insight of personal spiritual exploration. Taking readers to biblical sites not seen by Westerners for decades, Feiler's journey uncovers little-known details about the common roots of Judaism, Christianity, and Islam, and affirms the importance of the Bible in today's world. In his intimate, accessible style, Feiler invites readers on a never-in-a-lifetime experience: Israel Feiler takes a perilous helicopter dive over Jerusalem, treks through secret underground tunnels, and locates the spot where David toppled Goliath. Iraq After being airlifted into Baghdad, Feiler visits the Garden of Eden and the birthplace of Abraham, and makes a life-threatening trip to the rivers of Babylon. Iran Feiler explores the home of the Bible's first messiah and uncovers the secret burial place of Queen Esther. In *Where God Was Born*, Feiler discovers that at the birth of Western religion, all faiths drew from one another and were open to coexistence. Feiler's bold realization is that the Bible argues for interfaith harmony. It cannot be ceded to one side in the debate over values. Feiler urges moderates to take back the Bible and use its powerful voice as a beacon of shared ideals. In his most ambitious work to date, Bruce Feiler has written a brave, uplifting story that stirs the deepest chords of our time. *Where God Was Born* offers a rare, universal vision of God that can inspire different faiths to an allegiance of hope.

Hidden Treasures of Ethiopia Marie-Jose Friedlander, Bob Friedlander. 2019-08-22 Ethiopia is a land of hidden treasures, and among the greatest are its remote churches, whose richly decorated interiors amaze and astound with their vibrant colours and extraordinary illustration. Yet steeped in ancient legend, and often situated in remote locations, a true appreciation and understanding of these unique churches and their spectacular murals has been restricted to a select few. Now, in *Hidden Treasures of Ethiopia*, Maria-Jose Friedlander provides a unique guide to the churches, their architecture and decoration. Ranging from the rock-hewn churches of the Tigray region to the spectacular timber-built cave church of Yemrehane Krestos, Maria-Jose Friedlander provides detailed descriptions of the wonderful murals and of the stories behind them. Many of the wall paintings contain inscriptions in Ge'ez - the ancient language of Ethiopia - and full translations of these scripts are given. Detailed plans show the exact location of the paintings within the churches and the superb colour photographs by Bob Friedlander show the many aspects of the churches and their decoration in rich detail.

Like this Jalāl-Dīn Rūmī. 1990 As Barks writes in his introduction to this collection, Silence is a deeper way that lovers have found. Rumi's silence is that of the chef who hands you a spoon to let you taste, now that the recipe-reading is over. The silence becomes an inward communion, an experience beyond any doctrinal description. Somehow, in these poems, Rumi uses words to take us over into that silence.

Unwrapping the Names of Jesus Asheritah Ciuciu. 2017-10-03 How to focus on Christ during Advent Most Christians agree that Christmas is all about Jesus, yet most of us spend little time preparing our hearts to celebrate Him. Why is this? Partly because we don't know how. In *Unwrapping the Names of Jesus*, Asheritah Ciuciu leads readers through the four weeks of Advent (Hope, Preparation, Joy, and Love). Each week: Begins with an interactive family devotional that equips readers to celebrate Advent together Offers five daily reflections that focus on that week's name of Jesus Includes suggestions for fun-filled family activities or service projects This devotional can be used by readers in their own personal worship times or as a tool to engage in family worship during the busy holiday season. Either way, participants will gain a greater sense of awe and wonder at who Jesus is. By focusing on the person and character of Jesus throughout the Advent season, readers will prepare their hearts so that when they admire the live nativity, sit in the candlelight

service, or wake up on Christian morning, they can join the faithful who sing from the bottom of their hearts, O come, let us adore Him, Christ the Lord!

Tracing Your Ancestors Using DNA Graham S. Holton.2019-09-19 DNA research is one of the most important and rapidly advancing areas in modern science and the practical use of DNA testing in genealogy is one of its most exciting applications. Yet there is no recent British publication in this field. That is why this accessible, wide-ranging introduction is so valuable. It offers a clear and practical way into the subject, explaining the scientific discoveries and techniques and illustrating with case studies how it can be used by genealogists to gain an insight into their ancestry. The subject is complex and perhaps difficult for traditional genealogists to understand but, with the aid of this book, novices who are keen to take advantage of it will be able to interpret test results and use them to help answer genealogical questions which cannot be answered by documentary evidence alone. It will also appeal to those with some experience in the field because it places the practical application of genetic genealogy within a wider context, highlighting its role as a genealogical tool and suggesting how it can be made more effective.

The Surnames Handbook Debbie Kennett.2012-10-04 Every surname has its own story to tell, and a surname study is a natural complement to family history research. The study of surnames has been revolutionised in the last decade with the increasing availability of online resources, and it is now easier than ever before to explore the history, evolution, distribution and meaning of your family name. The Surnames Handbook provides a comprehensive guide to researching your surname using genealogical methods in conjunction with the latest advances in DNA testing and surname mapping. The book explores the key resources that are used to study a surname and is packed with links to relevant websites giving you everything you need to research your surname in one compact volume.

Deeper Dane C. Ortlund.2021-08-13 "Grow in the grace and knowledge of our Lord and Savior Jesus Christ." —2 Peter 3:18 How do Christians grow? Few question the call of the Bible to grow in godliness, but the answer to exactly how this happens is often elusive. In this book, Dane Ortlund points believers to Christ, making the case that sanctification does not happen by doing more or becoming better, but by going deeper into the wondrous gospel truths that washed over them when they were first united to him. Drawing on wisdom from figures throughout church history, Ortlund encourages readers to fix their gaze on Jesus in the battle against sin, casting themselves upon his grace and living out their invincible identity in Christ.
