Great Fashion Designs of the Belle Epoque Paper Dolls in

Full Color Tom Tierney.1982 In the late 19th and early 20th centuries, haute couture achieved its first real prominence and prestige, thanks to the elegant fashion creations of Worth, Lanvin, Paquin, Poiret, and a host of other brilliant couturiers. Now their finest designs - and the glittering era in which they were created - are recalled in this splendid new paper doll book from Dover. Noted fashion authority and artist Tom Tierney has rendered two dolls (one in the earlier wasp-waisted style, the second accenting a straighter figure) and 30 authentic, meticulously detailed costumes in full color. Encompassing fashions of the late Victorian period, the Edwardian era, and the early years of the First World War, the costumes comprise a rich array of ladies' apparel, usually designed for a specific function. Here are dinner gowns, opera cloaks, ball gowns, walking costumes, visiting dresses, tailored suits, bicycling dresses, at-home outfits, and many more. Fashion enthusiasts will appreciate such highlights as a stunning crepe-de-chine house dress by Lanvin, an elegantly simple hobble-skirted dinner gown by Poiret, a Scheherazade - inspired ball gown by Laferriere, and numerous other outstanding examples of the couturier's art. Custom-designed for well-to-do women, these elaborate confections of silk, satin, velvet, chiffon, lace, and other finery, not only set styles for the day, but established standards of excellence that profoundly influenced the course of high fashion. Tom Tierney has painstakingly researched the originals of each costume to insure their accuracy down to the last nuance of fabric and cut. He has also provided concise, informative captions supplying pertinent information about each costume: designer, date, fabric, accessories, etc. Paper doll enthusiasts, costume and cultural historians, anyone interested in an especially influential period of fashion design, will delight in this inexpensive full-color tribute to the inspiring and imaginative couture of the Belle Epoque.

Dollys and Friends Originals 1960s Paper Dolls Dollys

Friends.2019-03-07 Meet Dolly, Polly, Holly, Lolly, Jolly and Molly, new fashion paper dolls Dollys and Friends. You can begin creating your collection of paper dolls with this book which has 3 paper dolls and more than 50 outfits in 1960s styles of fashion. Please be aware that these paper dolls require careful hand cutting. For adults, paper dolls may be a gateway to childhood memories but they also make great gifts for children. Younger children may need the help to cut these dolls out since the dolls and clothes are not perforated. However, this is a nice opportunity for fun family time. Paper dolls can bring adults and children together, and collections of paper dolls have always passed down to younger generations. New generations can learn a lot while playing with paper dolls. In a digital era where dress up games allow us to change clothes on paper dolls by only touching a screen, cutting these dolls the traditional way is a great help for developing motor skills. Playing together also helps to develop communication and cooperation between friends and family. Playing games goes hand in hand with storytelling, role-playing and fantasy so everyone can treasure the time spent playing with these paper dolls as memories full of creativity and imagination. Paper dolls have a long history, and although inspired by antique and vintage paper dolls, Dollys and Friends are modern fashion dolls. Still, most of their wardrobe pieces are vintage fashions or period costumes. While these clothes are created after research, each outfit may not be authentic for that time period. Although there are many costumes and designer fashions for vintage themed books, it is still best to describe them as inspired by historical periods but not exact period costumes. Especially undergarments are more modern for the dolls to be used with different wardrobe choices. Every new outfit from Dollys and Friends Originals Books you will get will be wearable by these Original Dolls. Collecting these paper dolls and sharing

them with children can also make fashion and history become one of their passions. Paper doll fans and children of all ages can enjoy these creations . Anyone who is cutting out these dolls and trying the outfits can have a great time with this entertaining activity whether they are fashion enthusiasts, history lovers, paper doll collectors, children or adults.
