She will be married by thirty, done having kids by thirty-five, and move out to the New York City suburbs, all while climbing the professional ladder in the cutthroat art auction world. She’s an associate specialist at Sotheby’s now, but her boss has hinted at a promotion if she can close a deal with a high-profile client. She’s not engaged just yet, but she knows her boyfriend, Finn, a surgical resident, is about to propose on their romantic getaway to the Galápagos—days before her thirtieth birthday. Right on time. But then a virus that felt worlds away has appeared in the city, and on the eve of their departure, Finn breaks the news: It’s all hands on deck at the hospital. He has to stay behind. You should still go, he assures her, since it would be a shame for all of their nonrefundable trip to go to waste. And so, reluctantly, she goes. Almost immediately, Diana’s dream vacation goes awry. Her luggage is lost, the Wi-Fi is nearly nonexistent, and the hotel they’d booked is shut down due to the pandemic. In fact, the whole island is now under quarantine, and she is stranded until the borders reopen. Completely isolated, she must venture beyond her comfort zone. Slowly, she carves out a connection with a local family when a teenager with a secret opens up to Diana, despite her father’s suspicion of outsiders. In the Galápagos Islands, where Darwin’s theory of evolution by natural selection was formed, Diana finds herself examining her relationships, her choices, and herself—and wondering if when she goes home, she too will have evolved into someone completely different.

The Song of the Sea Jenn Alexander.2019-06-25 The ocean has always been a place of freedom for Lisa Whelan, and after her newborn son passes away, she returns to her family home by the sea to seek freedom from her grief. She’s not expecting to meet anyone, and is caught off guard by the attraction she feels for Rachel, the part-owner of a local restaurant. That initial spark is dampened, however, when Lisa realizes that Rachel has a child. Rachel Murray has worked hard to build a life for herself and her son but raising Declan has not been without its challenges. Each day when Rachel picks him up from school, she says a silent prayer that he will be waiting for her in his classroom, and not in the principal’s office. Again. Her son’s behavior has grown increasingly disruptive, and Rachel is at a loss at how to help him. Despite her grief, Lisa finds herself drawn to both Rachel and Declan. She thinks she can keep her emotions at bay— keep from drowning in grief and keep from falling in love—but she finds both to be a tidal wave, washing over her, sweeping her off her feet. Lisa never intended on falling in love with anyone, and she certainly cannot allow herself to fall for someone whose son is a constant reminder of the child she lost. Or can she?

The Centurion's Wife (Acts of Faith Book #1) Janette Oke,Davis Bunn.2009-01-01 Janette Oke has dreamed for years of retelling a story in a biblical time frame from a female protagonist's perspective, and Davis Bunn is elated to be working with her again on this sweeping saga of the dramatic events surrounding the birth of Christianity...and the very personal story of Leah, a young Jewess of mixed heritage trapped in a vortex of competing political agendas and private trauma. Caught up in the maelstrom following the death of an obscure rabbi in the Roman backwater of first-century Palestine, Leah finds herself also engulfed in her own turmoil--facing the prospect of an arranged marriage to a Roman soldier, Alban, who seems to care for nothing but his own ambitions. Head of the garrison near Galilee, he has been assigned by Palestine's governor to ferret out the truth behind rumors of a political execution gone awry. Leah's mistress, the governor's wife, secretly commissions Leah also to discover what really has become of this man whose death--and missing body--is causing such furor. This epic drama is threaded with the tale of an unlikely romance and framed with dangers and betrayals from unexpected sources. At its core, The Centurion's Wife unfolds the testing of loyalties--between two young people whose inner searchings they cannot express, between their irreconcilable heritages, and ultimately between their humanity and the Divine they yearn to encounter.

Crafted by two masters of inspirational fiction--Janette Oke and T. Davis Bunn--and combining the engaging historical settings, rich characterization, and heartwarming messages quintessential to both authors, The Meeting Place is another timeless story for you to cherish. Set along the rugged coastline of 18th century Canada in what was then called Acadia (now Nova Scotia and New Brunswick), The Meeting Place re-creates a world that was home to native Indians, French settlers, and English garrisons. Such diverse populations did not live in accord, however. Instead, they were isolated within their own groups by a brewing political tension under the difficult English rule. Amid such chaotic times two women, both about to become brides and both trying to live lives of quiet peace, meet in a lush field of wildflowers. Louisa, a Frenchwoman, and Catherine, who is English, continue to meet secretly through the seasons, sharing both friendship and growing faith. The outside world does not mirror their own tranquil happiness, and the dreaded crackdown by the English throne threatens far more than their growing bond. In the face of a heart-wrenching dilemma, Louisa and Catherine strive to maintain their faith and cling to their dreams of family and home. Winner of the Christy Award, presented by the Christian Bookseller Association to honor the best in Christian fiction.

When the British once again invade the nation's capital and leave death and destruction in their wake, Erica is left to deal with the creditors circling around the crumbling family business. It seems her only recourse is to travel to England to collect on outstanding debts held in British banks. Arriving in London at the home of the United States ambassador, Erica is gradually immersed in a secret mission that brings her face-to-face with her most feared and reviled enemy. She discovers that Gereth Powers is part of a group of Christian activists headed up by William Wilberforce himself. **Yes We (Still) Can** Dan Pfeiffer.2018-06-19 From Obama's former communications director and current co-host of Pod Save America comes a colorful account of how politics, the media, and the Internet changed during the Obama presidency and how Democrats can fight back in the Trump era. On November 9th, 2016, Dan Pfeiffer woke up like most of the world wondering WTF just happened. How had Donald Trump won the White House? How was it that a decent and thoughtful president had been succeeded by a buffoonish reality star, and what do we do now? Instead of throwing away his phone and moving to another country (which were his first and second thoughts), Pfeiffer decided to tell this surreal story, recounting how Barack Obama navigated the insane political forces that created Trump, explaining why everyone got 2016 wrong, and offering a path for where Democrats go from here. Pfeiffer was one of Obama's first hires when he decided to run for president, and was at his side through two presidential campaigns and six years in the White House. Using never-before-heard stories and behind-the-scenes anecdotes, Yes We (Still) Can examines how Obama succeeded despite Twitter trolls, Fox News (and their fake news), and a Republican Party that lost its collective mind. An irreverent, no-BS take on the crazy politics of our time, Yes We (Still) Can is a must-read for everyone who is disturbed by Trump, misses Obama, and is marching, calling, and hoping for a better future for the country.

And that included being prepared to marry the son of a business associate of the family. Fifteen years later—long after she'd hitch-hiked to Los Angeles, long after she'd worked nights to put herself through college, and long after she'd written her first best seller, No Place For Family—Jacqueline is persuaded to go back to the tiny town of Pine Springs after her father's death.
