Wikibooks is a useful resource if you're curious about a subject, but you couldn't reference it in academic work. It's also worth noting that although Wikibooks' editors are sharp-eyed, some less scrupulous contributors may

plagiarize copyright-protected work by other authors. Some recipes, for example, appear to be paraphrased from well-known chefs. Similar to PDF Books World, Feedbooks allows those that sign up for an account to download a multitude of free e-books that have become accessible via public domain, and therefore cost you nothing to access. Just make sure that when you're on Feedbooks' site you head to the "Public Domain" tab to avoid its collection of "premium" books only available for purchase. Established in 1978, O'Reilly Media is a world renowned platform to download books, magazines and tutorials for free. Even though they started with print publications, they are now famous for digital books. The website features a massive collection of eBooks in categories like, IT industry, computers, technology, etc. You can download the books in PDF format, however, to get an access to the free downloads you need to sign up with your name and email address. You can also browse Amazon's limited-time free Kindle books

to find out what books are free right now. You can sort this list by the average customer review rating as well as by the book's publication date. If you're an Amazon Prime member, you can get a free Kindle eBook every month through the Amazon First Reads program. PixelScroll lists free Kindle eBooks every day that each includes their genre listing, synopsis, and cover. PixelScroll also lists all kinds of other free goodies like free music, videos, and apps. Users can easily upload custom books and complete e-book production online through automatically generating APK eBooks. Rich the e-books service of library can be easy access online with one touch. Social media pages help you find new eBooks from BookGoodies, but they also have an email service that will send the free Kindle books to you every day. FreeComputerBooks goes by its name and offers a wide range of eBooks related to Computer, Lecture Notes, Mathematics, Programming, Tutorials and Technical books, and all for free! The site

features 12 main categories and more than 150 sub-categories, and they are all well-organized so that you can access the required stuff easily.
