Poems of the Late T'ang .2008-01-22 Classical Chinese poetry reached its pinnacle during the T'ang Dynasty (618-907 A.D.), and the poets of the late T'ang—a period of growing political turmoil and violence—are especially notable for combining striking formal innovation with raw emotional intensity. A. C. Graham's slim but indispensable anthology of late T'ang poetry begins with Tu Fu, commonly recognized as the greatest Chinese poet of all, whose final poems and sequences lament the pains of exile in images of crystalline strangeness. It continues with the work of six other masters, including the "cold poet" Meng Chiao, who wrote of retreat from civilization to the remoteness of the high mountains; the troubled and haunting Li Ho, who, as Graham writes, cultivated a "wholly personal imagery of ghosts, blood, dying animals, weeping statues, whirlwinds, the will-o'-the-wisp"; and the shimmeringly strange poems of illicit love and Taoist initiation of the enigmatic Li Shang-yin. Offering the largest selection of these poets' work available in English in a translation that is a classic in its own right, *Poems of the Late T'ang* also includes Graham's searching essay "The Translation of Chinese Poetry" as well as helpful notes on each of the poets and on many of the individual poems.

Four Quartets T. S. Eliot.2014-03-10 The last major verse written by Nobel laureate T. S. Eliot, considered by Eliot himself to be his finest work *Four Quartets* is a rich composition that expands the spiritual vision introduced in "The Waste Land." Here, in four linked poems ("Burnt Norton," "East Coker," "The Dry Salvages," and "Little Gidding"), spiritual, philosophical, and personal themes emerge through symbolic allusions and literary and religious references from both Eastern and Western thought. It is the culminating achievement by a man considered the greatest poet of the twentieth century and one of the seminal figures in the evolution of modernism.

Loves & Lamentations of a Life Watcher Hanna Saadah.2016-08-01 This, my first book of verse, was published in 1987. I have revised it, added an introduction to each poem, and brought the writing up to current standards. It contains 44 rhymed poems, 8 of which are sonnets. Love and longing are the main themes that permeate this youthful work. If René Descartes had been a poet, he might have said, 'I feel, therefore I am.' If life is not felt, then, for the poet, it does not exist. Feelings are our windows to the world; through them we love, hate, desire, fight, flee, find happiness, joy, romance, satisfaction, sadness, and most importantly, develop impressions. Beauty is felt not seen; we see many things all the time, but one has to feel things to perceive them as beautiful. Moreover, all artistic creations are but renditions of our feelings and perceptions. The satisfaction we derive from any art form is through the feelings it evokes in us. Art emanates from feelings and evokes feelings. Poetry is one art form where feelings can be accurately recorded and in turn, reciprocally evoked. When you appreciate a poem, you really appreciate the feelings it evokes in you. It may make you feel love, sadness, nostalgia, pity, anger, beauty, or it may remind you of past feelings, experiences, impressions, and states. The poet does not always feel more deeply than others; the poet has the gift to record feelings in such a way that, whoever reads or hears these recordings, has similar feelings evoked. Feelings are emotions, and emotions are the basis for all human values. If something is important to us, we really are saying that we feel that it is valuable and significant. Without feelings we cannot evaluate, judge, react, experience life, have faith in God, or believe in anyone or anything. Feelings fuel life; they provide us with zest, zeal, energy, enthusiasm, and color. Honor, shame, pride, fear, patriotism, character, honesty, right, wrong, and all the spectra of human laws, histories, wars, cults, religions and civilizations are based on feelings. Feelings are not only important; they also are very personal emotions. I cannot understand a poem without some insight into the time, place, and circumstances under which it was written. In order to be able to identify with his or her feelings and appreciate their depth and beauty, I, also, need to know something about the life and personality of the poet. Therefore, I have provided for

every poem an appropriate introduction to elucidate the emotional setting and the metaphorical meaning. Moreover, I have arranged the poems chronologically to allow the reader to see the inevitable growth and change that occur with time. Finally, my poetry has rhyme and rhythm. If it is read correctly, there is a lot of music in it that adds to its beauty and makes it easier to remember. These poems are feelings put to music via words. They are condensed, concentrated, intense, and provocative. To be appreciated, they should be recited and heard; reading them quietly or alone tempers their impact. Like all forms of art, poetry thrives only when there is a good audience. I wish I could read them to all of you.

Just in Time Robert Creeley. 2001 Three of Robert Creeley's collections *Memory Gardens*, *Windows and Echoes* (first time in paper) together in a convenient paperback edition. *Just in Time: Poems 1984-1994* continues the consolidation of Robert Creeley's later work begun with *So There: Poems 1976-1983* (1998). *Just in Time* combines *Memory Gardens* (1986), *Windows* (1990), and *Echoes* (1994) in a volume that further validates the Lifetime Achievement Award conferred on Creeley by the Before Columbus Foundation in 2000. The poet himself comments about his later work: Much echoes in these poems from the necessary 'voyage to oblivion' they prepare for, but they are fact of no simple despair. Each day stays specific, possible, each relation defining, whether of life or of death. As my longtime mentor, W.C. Williams, best put it, 'The descent beckons as the ascent beckoned...' One continues and learns despite.

Leaves of Grass, by Walt Whitman (Poetry) Walt Whitman. 2016-07-26 *Leaves of Grass* is a poetry collection by the American poet Walt Whitman (1819-1892). Though the first edition was published in 1855, Whitman spent most of his professional life writing and re-writing *Leaves of Grass*, revising it multiple times until his death. This resulted in vastly different editions over four decades—the first a small book of twelve poems and the last a compilation of over 400. The poems of *Leaves of Grass* are loosely connected, with each representing Whitman's celebration of his philosophy of life and humanity. This book is notable for its discussion of delight in sensual pleasures during a time when such candid displays were considered immoral. Where much previous poetry, especially English, relied on symbolism, allegory, and meditation on the religious and spiritual, *Leaves of Grass* (particularly the first edition) exalted the body and the material world. Influenced by Ralph Waldo Emerson and the Transcendentalist movement, itself an offshoot of Romanticism, Whitman's poetry praises nature and the individual human's role in it. However, much like Emerson, Whitman does not diminish the role of the mind or the spirit; rather, he elevates the human form and the human mind, deeming both worthy of poetic praise. With one exception, the poems do not rhyme or follow standard rules for meter and line length. Among the poems in the collection are *Song of Myself*, *I Sing the Body Electric*, *Out of the Cradle Endlessly Rocking*. Later editions included Whitman's elegy to the assassinated President Abraham Lincoln, *When Lilacs Last in the Dooryard Bloom'd*. *Leaves of Grass* was highly controversial during its time for its explicit sexual imagery, and Whitman was subject to derision by many contemporary critics. Over time, the collection has infiltrated popular culture and been recognized as one of the central works of American poetry. Walter Walt Whitman (May 31, 1819 - March 26, 1892) was an American poet, essayist, and journalist. A humanist, he was

a part of the transition between transcendentalism and realism, incorporating both views in his works. Whitman is among the most influential poets in the American canon, often called the father of free verse. His work was very controversial in its time, particularly his poetry collection *Leaves of Grass*, which was described as obscene for its overt sexuality. Born in Huntington on Long Island, Whitman worked as a journalist, a teacher, a government clerk, and in addition to publishing his poetry was a volunteer nurse during the American Civil War. Early in his career, he also produced a temperance novel, *Franklin Evans* (1842). Whitman's major work, *Leaves of Grass*, was first published in 1855 with his own money. The work was an attempt at reaching out to the common person with an American epic. He continued expanding and revising it until his death in 1892. After a stroke towards the end of his life, he moved to Camden, New Jersey, where his health further declined. When he died at age 72, his funeral became a public spectacle....

Dispositions: An Epic Poem: English Version K. F. Oelke. 2019-06-24 A futuristic metaphysical fantasy. The man walks, the beach, the desert, the city, the forest. Or is it a girl? The progression is thematic. The mind of a romantic exacerbated sensitivity, eroticizing whatever it regards. Perhaps on a quest, this is an epic after all, but for what meaning, what metaphysical sense? Or is it a beautiful virgin fairy forever lost in an evil world, and forever damned? In her struggle with Destiny does she finally give in, or is she pretending? *Dispositions* is not Milton, Blake, Byron or Shelly, and Paradise might be Hell.

Time and Space Juan Ramón Jiménez. 2000 Written while in exile in the United States, *Time and Space* were originally intended to appear together in a single volume. Not until 1986, however, did they appear so in Spanish and not until 1988 were they published together in English. By presenting them together, Jiménez had wanted them to convey the same continuity of emotion, the same philosophical intensity, that he had experienced while writing them. All My Life, he wrote in his introduction, I have toyed with the idea of writing a continuous poem...with no concrete theme, sustained only by its own surprise, its rhythm, its discoveries, its light, its successive joys; that is, its intrinsic elements, its essence. That continuous poem is *Time and Space* the last book Jiménez wrote. Presented here in a bilingual edition, *Time and Space* will take readers of both English and Spanish on the longest and most sustained ride on the crest of poetry they will ever enjoy. The greatest poem in this Century... Octavio Paz Antonio T. de Nicolás, translator and editor of *Time and Space* is also widely known for his highly acclaimed translation of the Juan Ramón Jiménez classic, *Platero and I*, as well as many other works in Spanish. His first book of poetry, *Remembering the God to Come*, is also being published by iUniverse.com.

The Middle English Lyric and Short Poem Rosemary Greentree. 2001 This Bibliography assembles annotation of collections and criticism of lyrics of religious and secular love, carols and songs, and rhymes of everyday life. The Middle English lyrics and short poems form a varied group that ranges over most aspects of life to include lyrics of religious and secular love, carols and songs, and mundane rhymes of everyday life. Thus there are expressions of devotion, ethereal or earthly,

theological expositions, and knowledge needed for life. The poems are disparate and generally anonymous, and their survival owes much to chance. The bibliography assembles neutral annotation of collections and criticism of the works, arranged chronologically to show the course of criticism and the growing appreciation of these poems and all they can tell us. The introduction considers these matters, problems of definition of the genre, and the isolable lyrics, and seeks to reconcile some first impressions of the poems, as disparate and slight, with the rewards of close study.

ROSEMARY GREENTREE is currently Visiting Research Fellow, Dept of English, University of Adelaide.

Time of Sky Ayane Kawata. 2010 Poetry. East Asia Studies. Finalist for the 2011 Best Translated Book Award in Poetry. Translated from the Japanese by Sawako Nakayasu. Cover art by Mauro Zamora. *TIME OF SKY & CASTLES IN THE AIR* is the first full-length translation of Ayane Kawata's poetry to be published in English. This single volume contains Kawata's first book of poems, *Time of Sky* (first published in Japanese by Kumo Publishers, 1969), and her sixth, *Castles in the Air: A Dream Journal* (first published in Japanese by Shoshi Yamada, 1991). In *TIME OF SKY* we find terse lines that are unresolved--the tension is neither built nor released, but exists as if in its natural state, a note of music forever in suspension. It never arrives--it is and never was home.... Its poems are derived from a notebook the author kept for 15 years, in which she recorded her dreams every morning upon waking... The logic in these prose poems may feel familiar to us as dream logic, but we also find in them the complexity and anxiety attendant to of a lifetime spent living in a culture not one's own, an ongoing reckoning with one's dangers and desires, and the difficulty (and absurdity) of trying to communicate with others.--Sawako Nakayasu from the Afterword In Japan, Kawata's work is noted primarily for its stark, vivid depictions of life--not so much life as lived by a specific person, but more the sense of 'living-ness.' To the Japanese eye and ear, Kawata's poetry cuts through to the 'overwhelming mysteries' that lie beneath everyday activities, and it does so with necessity. Hers are aggressive poems that look frankly at what it means to be a Japanese woman both inside Japan and away.--Melinda Markham

Time Is a Mother Ocean Vuong. 2022-04-05 The New York Times--bestselling collection of poems from the award-winning writer Ocean Vuong "Take your time with these poems, and return to them often." —The Washington Post How else do we return to ourselves but to fold The page so it points to the good part In this deeply intimate second poetry collection, Ocean Vuong searches for life among the aftershocks of his mother's death, embodying the paradox of sitting within grief while being determined to survive beyond it. Shifting through memory, and in concert with the themes of his novel *On Earth We're Briefly Gorgeous*, Vuong contends with personal loss, the meaning of family, and the cost of being the product of an American war in America. At once vivid, brave, and

propulsive, Vuong's poems circle fragmented lives to find both restoration as well as the epicenter of the break. The author of the critically acclaimed poetry collection *Night Sky With Exit Wounds*, winner of the 2016 Whiting Award, the 2017 T. S. Eliot Prize, and a 2019 MacArthur fellow, Vuong writes directly to our humanity without losing sight of the current moment. These poems represent a more innovative and daring experimentation with language and form, illuminating how the themes we perennially live in and question are truly inexhaustible. Bold and prescient, and a testament to tenderness in the face of violence, *Time Is a Mother* is a return and a forging forth all at once.

The Cambridge History of Early Medieval English Literature Clare A. Lees.2012-11-29 Informed by multicultural, multidisciplinary perspectives, *The Cambridge History of Early Medieval English Literature* offers a new exploration of the earliest writing in Britain and Ireland, from the end of the Roman Empire to the mid-twelfth century. Beginning with an account of writing itself, as well as of scripts and manuscript art, subsequent chapters examine the earliest texts from England, Ireland, Scotland and Wales, and the tremendous breadth of Anglo-Latin literature. Chapters on English learning and literature in the ninth century and the later formation of English poetry and prose also convey the profound cultural confidence of the period. Providing a discussion of essential texts, including *Beowulf* and the writings of Bede, this History captures the sheer inventiveness and vitality of early medieval literary culture through topics as diverse as the literature of English law, liturgical and devotional writing, the workings of science and the history of women's writing.

A Time Between Ashes and Roses Adonis.2004-11-01 Adonis's poetry and prose writings have aroused much controversy in the Arab world, both for their provocative content and their arresting style. Grounded in traditional poetic styles, Adonis developed a new way of expressing modern sentiments. Although influenced by classical poets, Adonis started at a relatively early age to experiment with the prose poem, giving it density, tension, metaphors, and rhythm. He also broke with the diction and style of traditional poems, introducing a new and powerful syntax and new imagery. Through his innovative use of language, imagery, and narrative technique, Adonis has played a leading role in the revolutionizing of Arabic literature. He has garnered many of the world's major poetry prizes. In *A Time Between Ashes and Roses* Adonis evokes the wisdom of Whitman's *Leaves of Grass*, liberally excerpting from and remolding its images; the modernism of William Carlos Williams; and the haunting urban imagery of poets such as Baudelaire, Cavafy, and Lorca. Three long poems allow him to explore profoundly the human condition, by examining language and love, race and favor, faith and dogma, war and ruin. In the lyrical "This Is My Name" and "Introduction to the History of the Petty Kings," Adonis ponders Arab defeat and defeatism. In "A Grave for New York," he reflects on the same theme by interrogating Vietnam-era America. This bilingual edition, presenting the poems in Arabic and English on facing pages, is enhanced by a critical bibliography of Adonis's works, providing an accessible and crucial reference for scholars of modern and Middle Eastern poetry and culture. Shawkat M. Toorawa's vivid and eloquent translation finally makes the poet's signature work available to an English-speaking audience; the effect is no less powerful than were the first translations of Pablo Neruda into English.

Ordinary Time Paul Mariani.2020-01-15 With *Ordinary Time*, his eighth collection, the distinguished poet and biographer Paul Mariani shares a vision of the world in which the sacred and the quotidian mingle, sometimes quietly and sometimes with revelatory force. These poems treat not only the social and historical issues of the time--the poor, the marginalized, the casualties of war, the forgotten--but the importance of family and friends, especially in those moments we all share of illness and desolation. What saves us is not only beauty but the wit and humor to see the reader through. A grandfather now, Mariani celebrates a new generation and remembers the dead. If the poems often deal with the ordinary--everything from memories of New York City back in the 1940s to the Mississippi Delta and the Canadian Rockies, to Sweden, the Baltic Sea, and finally Jerusalem--they do so under the shadow of the sacred, which these poems keep reaching out to with word after word after Word.

The Bond of Time John Puhiaata Pule.2014 *The Bond of Time* is an epic love poem that has been described by Jeffrey Paparoa Holman as a precocious masterpiece and one of the great poems of Oceania produced in the last century. John Puhiaata Pule was just 21 years old living in Auckland when he wrote *The Bond of Time: an Epic Love Poem*, composed as a lyrical address by a lover to his beloved. The love that preoccupies the youthful poet in *The Bond of Time* is multi-faceted; it combines the erotic and surreal with the earthy and the mundane, the classical with modern. Pule says that *The Bond of Time* is classic Pacific poetry written in English and also about living in the Pacific and New Zealand. It is partly a love song to Polynesia. When I wrote it I was influenced profoundly by the New Zealand landscape, by Niue, and by the Pacific Ocean, and by world literature, from the English Romantics to modern European literature. I was delving into history and spending a lot of time in museums. Pule published it in a limited edition in 1985. A second edition was published in 1998 by the Pacific Writing Forum University of the South Pacific, Fiji, when Pule was a writer in residence, but the poem has been out of print for 16 years. Poet Jeffrey Paparoa Holman has written the introduction for the new edition, and is delighted that *The Bond of Time*, which he describes as an all-but-forgotten classic of Pasifika poetry in English, will now have the opportunity to reach new hearts and minds.
