Just like with library books, when you check out an eBook from OverDrive it'll only be loaned to you for a few weeks before being automatically taken off your Kindle. You can also borrow books through their mobile app called Libby. Wikibooks is a useful resource if you're curious about a subject, but you couldn't reference it in academic work. It's also worth noting that although Wikibooks' editors are sharp-eyed, some less scrupulous contributors may plagiarize copyright-protected work by other authors. Some recipes, for example, appear to be paraphrased from well-known chefs. Free ebooks for download are hard to find unless you know the right websites. This article lists the seven best sites that offer completely free ebooks. If you're not sure what this is all about, read our introduction to ebooks first. Scribd offers a fascinating collection of all kinds of reading materials: presentations, textbooks, popular reading, and much more, all organized by topic. Scribd is one of the web's largest sources of published content, with literally millions of documents published every month. My favorite part about DigiLibraries.com is that you can click on any of the categories on the left side of the page to quickly see free Kindle books that only fall into that category. It really speeds up the work of narrowing down the books to find what I'm looking for. Besides being able to read most types of ebook files, you can also use this app to get free Kindle books from the Amazon store. After you register at Book Lending (which is free) you'll have the ability to borrow books that other individuals are loaning or to loan one of your Kindle books. You can search through the titles, browse through the list of recently loaned books, and find eBook by genre. Kindle books can only be loaned once, so if you see a title you want, get it before it's gone. Most free books on Google Play are new titles that the author has self-published via the platform, and some classics are conspicuous by their absence; there's no free edition of Shakespeare's complete works, for example. FeedBooks provides you with public domain books that feature popular classic novels by famous authors like, Agatha Christie, and Arthur Conan Doyle. The site allows you to download texts almost in all major formats such as, EPUB, MOBI and PDF. The site does not require you to register and hence, you can download books directly from the categories mentioned on the left menu. The best part is that FeedBooks is a fast website and easy to navigate.
