**Fire Within** Thomas Dubay.2009-09-03 This book is the fruit of Fr. Dubay's many years of study and experience in spiritual direction and in it he synthesizes the teachings on prayer of the two great doctors of the Church on prayer--St. John of the Cross and St. Teresa of Avila--and the teaching of Sacred Scripture. But the teaching that Fr. Dubay synthesized is not collected from Teresa and John for contemplatives alone. It is meant for every Christian and is based on the Gospel imperative of personal prayer and the call to holiness. All the major elements of these great teachers are ordered, commented on and put in the context of their scriptural foundations. Here is an outstanding book on prayer and the spiritual life written by one of the best spiritual directors and retreat masters of our time, and based on the writings of the Church's two greatest mystical doctors.

**Instanity!** Kevin McGary.2010-08 Our common sense, the U.S. Constitution and Declaration of Independence, and our foundations of faith are under severe attack! This has compelled Kevin McGary to write about what he observes as a new era of illogical and completely irrational agendas dominating current U.S. government leadership. McGary presents a refreshing voice with compelling evidence that speaks to how 'we the people, ' through 'blind trust' and lack of involvement, may have been wholly complicit in supporting the erosion of rights, liberties, and freedoms. He contends, collective zeal for a new era of 'hope and change' has prompted irrational support for government leadership made up of charismatic personalities grounded in the strategic use of masterful rhetoric infused with intellectual dishonesty, and devoid of substance needed to move the country forward. Through thoughtful analysis presented from multiple

vantage points, McGary illuminates why and how a state of instant and selective insanity has permeated the current political spectrum. McGary is an African American with strong roots in voting democratic, and is a member of the NAACP. He confirms that while current party platforms and progressive agendas for healthcare, education and abortion have provided lofty rhetoric for the Democratic Party, they actually result in debilitating and oppressive social agendas and schemes that only perpetuate further enslavement of the 'under-privileged' and 'under-served!' He presents evidence confirming the actual social justice foundations proclaimed by our forefathers: 'life, liberty, and pursuit of happiness, ' and their human rights proclamation: 'liberty and justice for all, ' are even further undermined by current 'new era' politicians at the expense of the progressive agenda. In the end, McGary contends the U.S suffers from a lack of leadership in that there is a lack of competence and general lack of experience in the current administration. This has lead to a significant erosion of the primary foundations that have facilitated our history of success! Undermining of faith foundations and the U.S. Constitution and Declaration of Independence threatens to propel the country back into the state of oppression and tyranny it fled when becoming an independent nation. Needless to say, supporting this cycle is irrational and illogical. Doing the same things over again yet expecting different results, is Albert Einstein's definition of insanity. The culmination of the facts surrounding our current direction and support of 'progressive' leadership are carefully presented as evidence of our general state of...instansi

**Has Christianity Failed You?** Ravi Zacharias.2010-07-06 In 2006, Ravi Zacharias International Ministries (RZIM) held an open forum at the Fox Theater in Atlanta to address the subject: Has Christianity Failed You? Tickets were sold for the event and--to the complete surprise of everyone--the event was sold out with a capacity crowd of over 5,000. People lined up offering to buy

tickets from folks in line for higher prices. Before the event, an RZIM cameraman walked the streets and asked people if they had rejected the faith they held at one time. One answered that, because of a Christian's rejection of his gay lifestyle he had done just that. Another answered that she had left her faith because she had fallen into adultery and could never live it down in the church. Others had their own reasons. Some said it was just intellectually untenable in an age of reason. They chose to come to the event to judge if there were adequate answers. It is estimated that for every one person who writes a letter or attends an event, there are one thousand who agree. If the Atlanta crowd was any indication, the question is real and troubling. Why is it that many live with silent doubt, many leaving the evangelical fold for something else? Is there something wrong with the message, the communicator, the hearer . . . or is it all three? It's time to ask the hard questions of what it means to be a follower of Jesus Christ and why it seems as though God has made it so hard to continue believing. In fact, the son of a prominent US Senator phoned me with that very question. Why has God made it so hard to believe in Him? Such skepticism is not just representative of the hostile; it also represents many honest questioners. This book attempts to lay out the response to those within as well as those outside the Christian faith so as to understand what it is we believe and why it is so hard to do so. More to the point: Why it is actually so hard to deny God and still make sense out of life? In the end the answers should be both felt and real, with the added truth that God is nearer than you think. He desires that we sense Him very near to us and not distant. But closeness comes at a cost just as any relationship of love and commitment does.

international migration, technological revolution in media and travel generate circumstances that provide opportunities for the mobility of African new religious movements (ANRMs) within Africa and beyond. ANRMs are furthering their self-assertion and self-insertion into the religious landscapes of Europe, the Americas, and Asia. Their growing presence and public visibility seem to be more robustly captured by the popular media than by scholars of NRMs, historians of religion and social scientists, a tendency that has probably shaped the public mental picture and understanding of the phenomena. This book provides new theoretical and methodological insights for understanding and interpreting ANRMs and African-derived religions in diaspora. Contributors focus on individual groups and movements drawn from Christian, Islamic, Jewish and African-derived religious movements and explore their provenance and patterns of emergence; their belief systems and ritual practices; their public/civic roles; group self-definition; public perceptions and responses; tendencies towards integration/segregation; organisational networks; gender orientations and the implications of interactions within and between the groups and with the host societies. The book includes contributions from scholars and religious practitioners, thus offering new insights into how ANRMs can be better defined, approached, and interpreted by scholars, policy makers, and media practitioners alike.

**The Crucified Life** A.W. Tozer.2011-09-09 What Does it Mean to Be Crucified With Christ? During his lifetime, renowned teacher A.W. Tozer was often invited to speak at seminaries, churches, and Bible conferences on the topic of the cross and its meaning for the Christian life. Now, in this never-before-published distillation of his best teaching on the subject, you will gain a fresh understanding of the cross's centrality to your walk of faith in Christ. The apostle Paul declared in his letter to the Galatians that he had been crucified with Christ. But what does this mean? Is this a claim every believer can and should make? *The Crucified Life* is a comprehensive examination of these questions, answered with the deep, biblical thinking for which Tozer was revered. God is ingenious in developing crosses for His followers, Tozer was fond of saying. At the heart of this book, you will find a call to follow Christ to the cross and be raised to new life--a call to live the crucified life.

7 Myths about Singleness Sam Allberry.2019-02-14 If marriage shows us the shape of the gospel, singleness shows us its sufficiency. Much of what we commonly assume about singleness—that it is primarily about the absence of good things like intimacy, family, or meaningful ministry—is either flat-out untrue or, at the very least, shouldn't be true. To be single, we often think, is to be alone and spiritually hindered. But the Bible paints a very different picture of singleness: it is a positive gift and blessing from God. This book seeks to help Christians—married and unmarried alike—value singleness as a gift from God so that we can all encourage singles to take hold of the unique opportunities their singleness affords and see their role in the flourishing of the church as a whole.

says this wisdom is not the same as the wisdom of the world nor of the princes of this world that comes to naught. He is trying to show the un-surpassing excellency of this hidden wisdom that relative to the wisdom of the world and relative even to the wisdom of the princes of the world, it comes to naught, it can't be compared, but he says that this wisdom is hidden and that there is only one entity mandated with the responsibility of searching out this wisdom and bringing it to the saints but the bible says whoever by any means can access that wisdom, the destiny of that person regardless is the glory that it was hidden for, the glory of the saints, that means that I can look at your life and know that you have accessed that wisdom by the dimension of glory that vetoes your background, the dimension of glory that vetoes the limitation of glory around your life. There is a mystery that can lift men out of the grip of the terror and the vicissitude of this life, the bible says it is the hidden wisdom of God, a body of information privy to the seen that the holy spirit can grant you access to, that if by any means my brothers and sisters, regardless of your background, that you hold on to this wisdom, then your world will see you as a wonder and a marvel, they look at you and they see attributes that are not allowed for humans to have, your hidden wisdom revealed by the spirit. experience. We must give the Holy Spirit an opportunity to review the love and the power of Jesus through signs, wonders and miracles. There must be impartations of all sorts. An impartation is a transference of spiritual possibilities. Men can carry graces. Our possibilities in this kingdom are defined by the kinds and the levels of graces that we carry. Thou anointed my head with oil and I see the proof on my head by looking at my cup; it doesn't anoint my cup . If something is wrong with my cup, the problem is not my cup; the problem is what is on my head. We must always provide an opportunity for fellowship. How good and how pleasant it is when brethren dwell together in unity. It's like the oil that comes upon the head of Aaron down to his beard and his garment. It says, There, the Lord has commanded the blessing. What you're about to read will change your life in the name of Jesus Christ. The Lord put a very powerful teaching in my heart and I'm sent to the body of Christ primarily. It's regardless denomination, the doctrinal differences that seem to divide us (it's part of the reasons why He brought us to this city and has projected us to the nations as instruments of unity, balance, dexterity and groove). We are lifted and strengthened in this kingdom not based on our longevity in the faith. Time does not change anything. Time only reveals. A 10-year-old error can still destroy like a 1-year-old error provided it is error. It takes understanding. It says, for the people that sat in darkness have seen a great light. If you're distracted when the word of God is coming, be sure that it is an attack because it takes focus and concentration to receive. There is an intellectual dimension to the reception of the word. It's not just a spiritual affair alone; your mind has to be active and fruitful. So, even if your spirit is alive and your mind is distracted... That's why sometimes before the message comes, God quickly settles issues like these because some of those issues are the things that distract people from listening. While the word of God is coming, someone is thinking, How do I battle this issue, how do I battle that issue?

**Pentecostal Republic** Ebenezer Obadare.2018-10-15

Throughout its history, Nigeria has been plagued by religious divisions. Tensions have only intensified since the restoration of democracy in 1999, with the divide between Christian south and Muslim north playing a central role in the country's electoral politics, as well as manifesting itself in the religious warfare waged by Boko Haram. Through the lens of Christian-Muslim struggles for supremacy, Ebenezer Obadare charts the turbulent course of democracy in the Nigerian Fourth Republic, exploring the key role religion has played in ordering society. He argues the rise of Pentecostalism is a force focused on appropriating state power, transforming the dynamics of the country and acting to demobilize civil society, further providing a trigger for Muslim revivalism. Covering events of recent decades to the election of Buhari, Pentecostal Republic shows that religio-political contestations have become integral to Nigeria's democratic process, and are fundamental to understanding its future.

Steps to Personal Revival Helmut HAUBEIL.2020-03-17 On August 14, 2011, when I was in Kandergrund in the Bernese Highlands in Switzerland an important connection became very clear to me. I recognized a spiritual cause for why we are losing part of our youth. I was very shocked. I thought of my children and grandchildren. Since then I have been intensively occupied with this subject. Now I believe that the same spiritual cause is behind many of our problems; specifically the personal problems, in the local churches and the world-wide church. It is the lack of the Holy Spirit. If this is the cause, then we should urgently address this issue. If the cause can be eliminated or considerably reduced, then many problems will become superfluous or will be resolved.

one of the most powerful, moving pieces of Christian literature of modern times. Other books have recorded the crucifixion and resurrection, but never before has the reader been ushered into unseen realms to witness the power of the cross as seen from the view of God the Father. You will discover a whole world of new meaning of Christ's death as you witness the destruction of the world systems, the annihilation of the law, the end of Adam's fallen race...and the death of Death. Here is an unequalled drama of power and depth which Christian literature has rarely, if ever, achieved. Edward's *The Day I Was Crucified As Told By Jesus the Christ* now takes its place among the greatest of Christian literature. We will still be reading this book 200 years from now, and still weeping (and praising) as we read. This is one of those rare life-transforming books.

**The Seduction of the Nigerian Church** Gary S Maxey, Peter Ozodo.2020-07-28 This book is a daring and no-holds-barred description of the false teachings and dangerous trends that have sent much of the Nigerian Church off course over the past four decades. Gary Maxey is joined by Peter Ozodo in describing four major threats to Christian orthodoxy that are threatening the orthodoxy of Nigerian Christianity. The first is the unbalanced Prosperity Gospel that is shown to be an import from the

scripturally unbalanced American Word of Faith movement. The second is the revival of African Traditional Religion within the Church. The third threat is a subtle redefining of Christian spirituality, moving away from sound foundations in biblical morality. The fourth threat is the contemporary Hyper Grace movement, found in the teachings of Singapore's Joseph Prince and a host of American imitators. All four of these threats have become deeply entrenched in various sectors of the Nigerian Church. With a powerful Introduction by Gbile Akanni, this book is a must-read by every Nigerian pastor, as well as discerning lay people. Maxey and Ozodo not only point out the problems but they point to clear solutions. Their conviction is that before we can expect a national spiritual revival in Nigeria we must first see a clear reformation in which these and other errors are clearly dealt with.

He said Mass under cover, in constant danger of death. He heard confession of hundreds who could have betrayed him; he aided spiritually many who could have gained by exposing him. This is a remarkable story of personal experience. It would be difficult to write fiction that could honestly portray the heroic patience, endurance, fortitude and complete trust in God lived by Fr.
