Marco Polo and Motherhood Kita Kanazeh.2020-07-07 Imagine with me for a second that life is one huge game of Marco Polo. Your inner self is screaming out to you, begging you to respond. The little girl inside you is begging for you to do something that makes you happy-ride your bike, take a walk through the park, enjoy life. Marco! The overachiever inside you is begging that you do something that makes you feel accomplished-write that chapter in your book, dress up and attend that meeting, make that important phone call. Marco! The athlete version of you is pleading, Let's go to the gym today, go for a hike, run. Marco! You are so beautifully complex. You have needs. Many, I'm guessing. It is time to stop putting those needs on the shelf. It is time to find you again. Are you ready, Mama? MARCO!

A.F.I.R.E. Achieving Financial Independence Retiring Early Melvin Greene.2020-05-04 A.F.I.R.E By: Melvin Greene Melvin Greene understood at an early age that serving a company for over thirty years would not allow him to retire at his desired age of fifty-five. He knew retirement was attainable but wondered if he would be able to afford a lifestyle of ease, comfort and freedom. The aim, at some point in life, was to experience and enjoy the residual of his hard work. The reality for most hard-working Americans is that after they retire, they will need a part-time job to support themselves financially. He knew concepts such as investment strategies, planning for retirement and estate planning were not freely shared. The people who could profit from these approaches were usually not privy to this information and the people who knew did not often share. Melvin was on a mission to discover what most people would not share. He worked the nine-to-five job and invested the money he would have spent on lunch. Instead of purchasing extravagant items, he invested. While others were buying fancy clothes, he was buying stocks and bonds. Melvin taught hundreds of others to do the same. It was a paradigm shift in thinking. A.F.I.R.E. will show you how to do the same! He is not knocking fancy items; in fact, he now owns them. But they came only after his nest egg was secured. Throughout this book, Melvin invites you to understand how to invest, so you can be in the driver's seat! He emphasizes that investing is a learned behavior. It should give you hope that you can do the same with the right coach. *The Sensitive Soul* Theresa Cheung.2020-05-15 Have you ever been told to toughen up or stop taking everything so seriously? Or do you feel that in a harsh world - where the way to get noticed is to shout the loudest - your heartfelt approach just doesn't cut it? Some of us are born sensitive. We live

our lives vividly through the lens of emotion and with our senses perpetually on high alert. Even those whom others might label 'insensitive', will experience times in their lives when their innate sensitivity is activated and they feel overwhelmed, or sense and feel things they can't explain. Based on strategies proven to be effective by scientists and psychologists, combined with her own research including real stories, Theresa Cheung will show you how to unlock the potential of your sensitivity. She'll guide you through the steps that will transform the challenges of being a gentle person into a strength and shine a light on how traits such as empathy, intuition, creativity and compassion have the power to unite us. The Sensitive Soul is a vital resource for the highly sensitive, anyone who has gone through sensitive times or simply longed for the world to be a little kinder. This book was previously published as The Sensitivity Code. Read what everyone is saying about The Sensitive Soul: 'Theresa Cheung provides a timely guide for individuals, who feel life deeply, to take a step back, and reflect upon sensitivity and how it fits in the modern world's emotion paradigm...It reminded me there are steps I can use in my life to increase my self-care. I recommend this book to anyone who wishes to explore sensitivity in themselves or others.' Goodreads Reviewer, 5 stars 'A thorough explanation of the highly sensitive individual, the problems they need to wrestle with in their day-to-day life and their amazing gifts they can deploy at work and at home. Once the book talked us through these basic ideas, it then moves on to offering solutions to this high sensitivity, and to enjoying its pros rather than dealing with its cons.' Affair With Psychology, 5 stars 'I found this book absolutely fascinating. As someone who has been told to toughen up a lot I could relate to it so much. I really feel like this book has given me some great strategies for both me and my very sensitive 4-year-old son. Fantastic and recommended to anyone who feels it could help them.' Goodreads Reviewer, 5 stars 'Looking at individual case studies really resonated with me. It is helpful on many levels from the identifying traits of being sensitive to acknowledging what people have said to you since a child. It makes you see the positives of being sensitive instead of the negatives. Unlike some psychology books it is very accessible and friendly and non-judgemental.' Karen Reads and Recommends 'The aim of The Sensitive Soul is to help gentle people recognise their own worth. To give them the coping tools to manage emotions and navigate insensitive environments. To help sensitive people identify the red flags of toxic relationships. It's truly helped me through the past few tricky weeks. Thank you.' Goodreads Reviewer, 5 stars

A Love Story for Susan Gordon E Kyle.2020-11-06 A Love Story for Susan is a story of hope in our world. This book describes the journey taken by the author into his mind. There, he faced the darkness of his personal hell, earning the right to stand in the brilliance of God's light at journey's end. The journey into self is a journey any person can choose to take. This book appeals to those people who are struggling with the meaning of their existence. It is a struggle many are choosing to face at this time because the desire to discover one's truth is a desire that lives in all of us. A Love Story for Susan convincingly demonstrates the importance of love in the healing of a human mind. The author's story is an inspirational example of how to transmute pain into strength and gain a new life by doing so. His goal was simply to find his true self. Little did he know that God waits patiently for those who make the journey to truth, the journey to self. A Love Story for Susan is the story of the author's journey home.

Alone Than Lonely: How to Live Life without Attachment & Enjoy your Company Deepak Gupta.2020-02-25 People meet and get attached in a minute, why? No one wants to offer a hand to people who always feel alone, is a big myth. It's the big myth I came to know with time. We encounter many people every day and get stuck in dilemmas to recognize how people are delighted all the time. Happiness all the time is also a big myth. 'Alone than lonely' book is written primarily to describe life and appreciate what aids us to live independently even with people than to live lonely.

Timeless Life: The 365 Day Self-improvement Plan Clayton W. Tylor.2020-02-03 If you can visualize the perfect body ... the feeling will accomplish the rest! Timeless Life is a 365-day self-improvement plan, which follows the cycle of the Moon through the twelve signs of the zodiac to re-program our attitude toward food. Each of the twelve signs sets into motion powerful changes that affect the processes, which are responsible for re-shaping the feeling of our body image. Timeless Life is both a diet and a spiritual discovery into the understanding of our emotions. If you happen to lose weight on it fine, but that would be because you understood that the powers of the Higher Self are your powers - the power to be yourself without the limited understanding that shapes our physical body. To live spiritually, is really just being yourself. Discovering the simplicity is the purpose of this book. We use the cycle of the Moon to understand the different layers that make up the total feeling of our Self. We then plant more meaningful suggestions, such as to lose weight or to make more money - and even, to heal. Whatever you wish - these inner powers are suggestions that are yours to use.

How to Start a Business on Your Kitchen Table Shann Nix Jones.2020-09-15 Inspired by the author's rags-to-riches business story, this book explains how to combine passion with innovation to start a business. Practical tools, expert advice and innovative ideas to help you create a successful business that reflects your values, supports your lifestyle and creates real fulfilment. In 2014, in her farmhouse kitchen in Wales, Shann Nix Jones started to manufacture a relatively unknown probiotic goat's milk called kefir. It was a powerful healing remedy that cured her son's eczema and even saved her husband from a life-threatening MRSA infection. Today, the business she started on her kitchen table has 300,000 customers and an annual turnover of £4.5 million. In this book, Shann shares the innovative methods that helped her turn her passion into a sustainable business. Following these steps, you'll learn how to: • develop an idea into a viable business that supports any lifestyle • operate with meaningful values and stand out from the competition • convert every obstacle into a launch pad • balance work and family - and even weave both together to enhance your family life Shann believes that anyone can start a business following her 13 steps, and that doing so can bring you closer to creating a life in which you are the CEO of your business and your destiny.

The ISIS Reader Haroro J. Ingram, Craig Whiteside, Charlie Winter. 2020-01-01 In the wake of its Caliphate declaration in 2014, the self-described Islamic State has been the focus of countless academic papers, government studies, media commentaries and documentaries. Despite all this attention, persistent myths continue to shape—and misdirect—public understanding and strategic policy decisions. A significant factor in this trend has been a strong disinclination to engage critically with Islamic State's speeches and writings—as if doing so reflects empathy with the movement's goals or, even more absurdly, may itself lead to radicalisation. Going beyond the descriptive and the sensationalist, this volume presents and analyses a series of milestone Islamic State primary source materials. Scholar-practitioners with field experience in confronting the movement explore and contextualise its approach to warfare, propaganda and governance, examining the factors behind its dramatic evolution from failed proto-state in 2010 to standard-bearer of global jihadism in 2014, to besieged insurgency in 2018. The ISIS Reader will help anyone—students and journalists, military personnel, civil servants and inquisitive observers—to better understand not only the evolution of Islamic State and the dynamics of asymmetric warfare, but the importance of primary sources in doing so.

Although at the expense of several failed relationships, Tiffany felt blessed to give birth to her son. Later in life, Tiffany found true love when she dated someone she believed was the man of her dreams. Unfortunately, Tiffany's son made a stunning allegation which divided her family and caused what would become an emotional avalanche. Hit with a series of blows to her personal and professional life, Tiffany found herself at the edge of her rope. After having hit rock bottom, Tiffany was admitted into a facility with others who struggled to cope with their problems and rebuild their lives. While there, she became close friends with a Caucasian female, a Native American male, and a Hispanic male. Eventually, they banded together and became their own support network. Later, each of them discovered they had been given a gift from God. Finally, they were grateful for a second chance at life and were excited to share their newfound gifts with others! Millions of families have been negatively impacted by tragedies that stemmed from suicide, suicidal intents, and/or mental illness. One Gift to Give illustrates a picture of the pain and desperation a person may endure before he or she decides to take their own life. This book will neither judge nor condemn anyone. However, it does affirm the belief that God has given a gift to everyone with which to live a purposeful life. It is much harder—if not impossible—to take your own life when you have discovered the gifts that God has given for your fulfillment in life and for his glory and honor!

22 life lessons. Shivam Attree. 2020-07-12 22 life lessons . Through this book, I want to highlight the importance of moment which is in front of us. We all go through some hard times, we all face difficulties in life where everything just seems impossible but during those hard times is when we can either discover ourselves or lose ourselves completely. Every chapter in this book is a life lesson which I experience or which I want to remember till the end. This is not a motivational book, I tried to put the reality as clearly as I can. This book is not supposed to motivate you, but it will enlighten you "how is it that you can make your life worth-while." What is your role in life? Why are you here? What difference are you going to make while you are here? I ask these questions to myself every now and then. We didn't just took birth to please everybody else around us. Why do we follow some certain beliefs that are embedded in our minds from childhood? Why do we find it so hard to live a happy life alone? Why are we not satisfied with ourselves? What is it that we are in constant search for, all the time? Meaning in life is what we all should seek instead of happiness because happiness is subjective. You can always find someone more happier than yourself. But if we show courage and seek meaning in our life, then maybe we achieve the ultimate prize, which is satisfaction.

God Is in Control of All Things at All Times Tina Tanner. 2020-11-04 This book is the story of one person's life; however, in the broader sense, it touches the lives of a multitude of people everywhere It is a story about faith, love, and hope. It's a story first of my faith in God, although a shallow faith at times, stemming from a lack of knowledge and understanding of His word and being raised in an environment that lacked the promotion of God's word as a way of life. Next, the love of God that is never ending, unfailing, consistent, loyal, faithful, and an unconditional love. Finally, hope—a four-letter word that has the supernatural power to transform that which was once dead into life, a beautiful life with a good future. In addition, hope is the push behind perseverance that helps a person achieve success in spite of challenges, great or small. Hope is the propeller that helps to lift a person out of the lowest times in their life and propels them to unimaginable heights. As you read this book, you will see how my life was catapulted into seasons of darkness, yet through that darkness, the light shown greater as it came bursting through the darkness from the power of who is on the inside. Greater is He that is in you, than he that is in the world (1 John 4:4, KJV). When you read this book, instead of focusing on the bad events or words of darkness by the evil one that were intended to destroy me, focus on the acts of the Heavenly Father and my beloved Savior Jesus, who lives in my heart, for all of the miraculous things they have done in my life. We may go through bad events in life, but we don't go through them alone, and Jesus won't allow them to destroy us. Scripture tells us in Revelation that we overcome (conquer, prevail, be victorious over), by the blood

of Jesus and the word of our testimony (what you witnessed). And they [God's people] overcame him [Satan] by the blood of the Lamb [Jesus] and by the word of their testimony (Rev. 12:11, KJV). This book is a testimony that God is in total control of all things and that we are overcomers through Jesus the Christ (the Anointed One). In life, we may face situations that are unbearable, hurtful, sad, or challenging; but we can trust that God will never fail us.

Time, Money, Freedom Ray Higdon, Jessica Higdon. 2020-11-17 10 secrets to gaining personal and financial freedom for you and your family, from two top marketing experts and entrepreneurs From living on Jess's wages as a makeup counter sales clerk, to achieving dramatic success as network marketing partners, to running a multi-million-dollar coaching and training company today, Ray and Jessica Higdon have built their lives on a shared desire for freedom and balance. This book is for people who are ready to experience the life of their dreams. If you feel like you are stuck in a rut and life is working against you, this book is for you. If you feel like you have been reading self-development books for years and you are not living your best life, this book is for you. If you are living a great life, but feeling stressed or unfulfilled, this book is for you.

Money Talks Ronnie Lee Johnson. 2020-02-26 Come on now! Coins don't talk. Or, do they? In Money Talks certain coins seem to rattle on about some of the most significant principles there are when it comes to spending and saving money. The coins from a parabolic approach, teach us about one of life's most important subjects—money. Most Americans lead quiet, private lives of financial and legal desperation. Money Talks will help you see the light when it comes to pinching pennies. As the author points out, "If you don't pinch your pennies, they will pinch you."

Enjoy Life Fu-mei Chen. 2022-10-24 Life is too short and unpredictable. When we try to achieve, there will be roadblocks. I have had them; everybody has had them. But obstacles do not have to stop us. Each chapter of this book tells the challenges, experiences I have encountered and overcome. This book also includes some self-massages and my visions for a better world.

Live-it up with nostalgic memories K L JAGANMOHAN. 2020-09-18 Life is full of surprises. It undergoes several changes as we grow up, emotional, physical and environmental. At various stages, we tend to recall our nostalgic memories and attempt to compare the past with the present. These thoughts are sometimes pleasing, sometimes appalling and tend to make an impression in your life in different ways. In the quest to explore his journey from childhood to the present day, the writer has attempted to reminisce his past. He speaks about how he has dealt with the twists and turns that had occurred, how these thoughts have helped him learn from his experiences, and ushered in positivity that facilitated in shaping his future. You cannot change whatever has already happened during your lifetime. It is therefore important to leave the past behind, believe in the present, plan for the future and keep moving on. Life is all about living and you get only one chance. So, live-it up with nostalgic memories.
