**No Disrespect** Sister Souljah.1996-01-30 From the #1 New York Times bestselling author, rapper, and activist—Sister Souljah uses her passionate voice to deliver what is at once a fiercely candid autobiography and a survival manual for any Black woman determined to keep her heart open and her integrity intact in modern America. Each chapter of *No Disrespect* is devoted to someone who made a difference in Sister Souljah's life—from the mother who raised her to the men who educated (and mis-educated) her about love—and each bares a controversial truth about the Black condition in America: the disintegration of families; the unremitting combat between the sexes; and the thousand and one ways in which racism continues to circumscribe how Black people see themselves and treat one another. The result is an outspoken and often courageous rejoinder to the pieties of race, class, and gender by a writer who is at once wise, bawdy, brutally funny, and as sensitive a lightning rod in a thunderstorm.

Separated from his love, his city, and his family, *Midnight* must cling to his Muslim beliefs to stay strong. But

**Dataclysm** Christian Rudder.2014-09-09 A New York Times Bestseller An audacious, irreverent investigation of human behavior—and a first look at a revolution in the making Our personal data has been used to spy on us, hire and fire us, and sell us stuff we don't need. In Dataclysm, Christian Rudder uses it to show us who we truly are. For centuries, we've relied on polling or small-scale lab experiments to study human behavior. Today, a new approach is possible. As we live more of our lives online, researchers can finally observe us directly, in vast numbers, and without filters. Data scientists have become the new demographers. In this daring and original book, Rudder explains how Facebook likes can predict, with surprising accuracy, a person's sexual orientation and even intelligence; how attractive women receive exponentially more interview requests; and why you must have haters to be hot. He charts the rise and fall of America's most reviled word through Google Search and examines the new dynamics of collaborative rage on Twitter. He shows how people express themselves, both privately and publicly. What is the least Asian thing you can say? Do people bathe more in Vermont or New Jersey? What do black women think about Simon & Garfunkel? (Hint: they don't think about Simon & Garfunkel.) Rudder also traces human migration over time, showing how groups of people move from certain small towns to the same big cities across the globe. And he grapples with the challenge of maintaining privacy in a world where these explorations are possible. Visually arresting and full of wit and insight, Dataclysm is a new way of seeing ourselves—a brilliant alchemy, in which math is made human and numbers become the narrative of our time.

*Reading Is My Window* Megan Sweeney.2010-02-15 Drawing on extensive interviews with ninety-four women prisoners, Megan Sweeney examines how incarcerated women use available reading materials to come to terms with their pasts, negotiate their present experiences, and reach toward different futures. Foregrounding the voices of African American women, Sweeney analyzes how prisoners read three popular genres: narratives of victimization, urban crime fiction, and self-help books. She outlines the history of reading and education in U.S. prisons, highlighting how the increasing dehumanization of prisoners has resulted in diminished prison libraries and restricted opportunities for reading. Although penal officials have sometimes endorsed reading as a means to control prisoners, Sweeney illuminates the resourceful ways in which prisoners educate and empower themselves through reading. Given the scarcity of counseling and education in prisons, women use books to make meaning from their experiences, to gain guidance and support, to experiment with new ways of being, and to maintain connections with the world.

*Friends and Lovers* Eric Jerome Dickey.2000-05-01 Hailed as one of "the most successful Black authors of the last quarter-century" (The New York Times), Eric Jerome Dickey captures the humor and heartache of modern love in this sexy, soulful tale. Attraction can be instant. So can the consequences. Just ask Leonard, Debra, Tyrel, and Shelby. Four friends with so much in common: They're good-hearted, loyal, and vulnerable to the complicated state of relations between men and women. They're all searching for love—or at least unqualified affection. Either way, their lives are about to change.... A witty, honest portrait of the choices we make in the search for happy ever after, Friends and Lovers chronicles the lives of four young Black people through the joy, laughter, and pain of not-so-everyday life.

**Fly Girl** Omar Tyree.2001-08-01 From a fresh new voice with talent to burn comes this brash bitter sweet novel about Tracy Ellison, a young girl with knockout looks, slanted hazel eyes, tall hair, and attitude, as she comes of age during the hip-hop era. Motivated by the material life, Tracy, her friends, and the young men who will do anything to get next to them are plunged into a world of violence, gratuitous sex, and heartbreak. Slowly, Tracy begins to examine her life, her goals, and her sexuality—as she evolves from a Fly Girl into a woman. A captivating tale, written with fluid narrative and contemporary dialect, Fly Girl captures the complete feel and sounds of the streets and is destined to become an urban classic.
