**Goddess** Anthony Summers.2012-11-06 The updated bestselling biography—based on over six hundred interviews—and the inspiration for the Netflix documentary, *The Mystery of Marilyn Monroe*. Marilyn Monroe, born in obscurity and deprivation, became an actress and legend of the twentieth century, romantically linked to famous men from Joe DiMaggio to Arthur Miller to John F. Kennedy. But her tragic death at a young age, under suspicious circumstances, left behind a mystery that remains unsolved to this day. Anthony Summers interviewed more than six hundred people, laying bare the truths—sometimes funny, often sad—about this brilliant, troubled woman. The first to gain access to the files of Monroe's last psychiatrist, Summers uses the documents to explain her tangled psyche and her dangerous addiction to medications. He establishes, after years of mere rumor, that President Kennedy and his brother Robert were both intimately involved with Monroe in life—and in covering up the circumstances of her death. Written and updated by a Pulitzer Prize nominee who has authored works on JFK, J. Edgar Hoover, and the 9/11 attacks, this investigation of an iconic star's brief life and early death is "remarkable. . . . The ghost of Marilyn Monroe cries out in these pages" (*The New York Times*). Netflix's *The Mystery of Marilyn Monroe* will cement this work as the definitive biography of the unforgettable woman.

*Marilyn Monroe* Graham McCann.1988 This book is more than simply another biography of Marilyn Monroe: it analyzes the ways in which her life was interwoven with the images that were constructed of her and the myths that were spun around her. The book's claim to originality lies in its attempt to analyze in a serious way her life, her films and her relation to modern culture. Drawing on critical theory, feminism and film studies, the author re-examines the life and representations of Marilyn Monroe, from her first studio appearance in 1947 to her last tragic performance in *The Misfits*. He analyzes the writings of the (mostly male) biographers who, he argues, represent Monroe as other than she was or wanted to be and thus brings another Marilyn Monroe to light: he shows how this perceptive, intelligent and sensitive person was denied her own image. This book should appeal to a wide audience, and be used on courses in film and cultural studies. It is an analysis of the sexual politics and cultural mythology of our time. The work is aimed at a general readership interested in Marilyn Monroe, film and contemporary culture, as well as students and academics in media and cultural studies, sociology and social theory.

**Norma Jean** Fred Lawrence Guiles.2020-04-28 Marilyn Monroe remains the most provocative female legend of the twentieth century. What you may have known about her before was only the tip of the iceberg. For twenty years, the men and women who knew Marilyn best saw what they knew

suppressed because certain important people were still living, and the tenor of the times prohibited frankness. Instead, rumors ballooned. This book finally sets the record straight. Fred Guiles—whom Norman Mailer acknowledges as the chief source of fact about Marilyn—has written the life behind the legend. He reveals what really happened in the careening career of the pretty waif named Norma Jean Mortensen, who married the boy next door, became a model, an actress, movie star, married an incompatible legend named Joe DiMaggio, sought to improve the mind that came with her near-perfect body, married playwright Arthur Miller, lent herself to the Svengalilike ministrations of Paula and Lee Strasberg, became the mistress of John and then Robert Kennedy when they ran the country, kept camera crews and studios waiting—but not death, which took her under the most unusual circumstances by the age of thirty-six. A legend, by definition, is unaltered by fact, but the enthralled reader will find the revelations in this book no deterrent to the love of Marilyn Monroe by understanding at last what happened to the Queen of Need. Among the people interviewed for this book are Arthur Miller; James E. Dougherty, her first husband; Frank Taylor, the producer of *The Misfits*; Lee Strasberg; Otto Preminger; Billy Wilder; Joshua Logan and John Huston.

*Marilyn* Kathryn Dixon.2013-03-03 Marilyn Monroe, born Norma Jeane Mortenson on June 1, 1926, is one of the best-loved movie stars and sex goddesses of all time, although she died much too young at the age of thirty-six. Marilyn overcame multiple foster homes and an early, war-time marriage to become the wife of two of America's most famous men: first, the baseball all-star Joe DiMaggio, and then the playwright Arthur Miller. Not surprisingly, she even caught the eye of President John F. Kennedy to whom she famously sang "Happy Birthday" in 1962 in front of an overflow crowd at New York City's Madison Square Garden. A life-time struggle with self-confidence, tumultuous marriages, ill health, and drug and alcohol addictions, Marilyn's movie career suffered in the last years before her death. The filming of her last movie, *Something's Got to Give*, was never completed. She died during production. In death as in life, Marilyn Monroe fascinates. This book is a brief history of her short life. It is filled with photos of Marilyn throughout her life. Marilyn worked with some of the best directors of her day and pushed herself to excel in comedic, dramatic, and musical roles. She was only the second female movie star to create her own production company. Marilyn may have played the dumb blonde, but that was just one more role.

*Marilyn: Her Life in Her Own Words* George Barris.2009-04-28 The late actress's story, told in her own words as well as one hundred and fifty photographs, culled from conversations with the author in 1962.

*Cursum Perficio* Gary Vitacco-Robles.2000 *Cursum Perficio* is the name of Marilyn Monroe's last home. *Cursum Perficio*, the book, is author Gary Vitacco-Robles' exploration of Marilyn's last home as a touchstone to her brief and extraordinary life. A definitive testament of Marilyn Monroe's modest nature, simple tastes and spirituality was her selection of a house in which to settle at age 35. The Spanish Colonial hacienda symbolizes Marilyn's unfulfilled dreams and unfinished life. The Latin inscription on the tiles adorning the front doorstep, *Cursum Perficio* (translating to My journey ends), prophesied the screen goddess' death in the home in 1962. *Cursum Perficio* invites us inside Marilyn's private life through 120 illustrations and previously unpublished photos of her hacienda and its contents. See the interior, Marilyn's art and decorations purchased on a shopping spree in Mexico, and the furniture delivered days before her death. Vitacco-Robles reveals the events during Marilyn's last months, her

daily routine, and her random acts of kindness. *Cursum Perficio* is not a sensational exploitation of Marilyn Monroe but a celebration of the human being behind the legend. It is a rare and refreshing exploration for the most devout fan and an insightful introduction for those just discovering this enduring icon of the Twentieth Century. This expanded second edition contains added chapters and new images by Brandon Heidrick.

**Marilyn Monroe** Keith Badman. 2012-07-17 Published for the fiftieth anniversary of her tragic death, this definitive account dispels the rumors and sets the record straight on her last two years Marilyn Monroe passed away at the age of thirty-six under circumstances that have remained mysterious to this day. *Marilyn Monroe: The Final Years* separates the myths and rumors from the facts as Keith Badman takes readers through the concluding months of 1960 to that fateful day in August 1962. In this extraordinary book—the product of five years of exhaustive research—the author is both biographer and detective: Badman uncovers long-lost or previously unseen personal records, exclusive interviews, and eyewitness accounts that illuminate the final chapter of Marilyn's life as she navigates weight gain, drug use, and personal turmoil, along with drama on the set of the ill-fated movie *Something's Got to Give*. Badman dispels popular beliefs, such as her supposed affairs with John and Bobby Kennedy. (Monroe only had a one-night stand with the president at Bing Crosby's house, and never with Bobby.) Readers learn the long-concealed identity of her biological father, who refused Marilyn's attempt to contact him in 1951—and was then repaid with her apathy ten years later when he attempted to contact her. The author also reveals the details of her famous last sitting with photographer Bert Stern (which was not her last photo shoot) and describes the horror she endured after being tricked into being institutionalized at the Payne-Whitney Psychiatric Clinic, from which ex-husband Joe DiMaggio had to pull strings to secure her release. Perhaps most shockingly, we learn of the regrettable incident in which a drunken Monroe was sexually exploited by mobsters at a Lake Tahoe hotel co-owned by Frank Sinatra. Finally contrary to the salacious rumors that Marilyn was suicidal or the victim of a murder and cover-up, Badman discloses new information about her final days alive and reveals, in unequivocal detail, evidence that indicates Monroe's death was accidental. Above it all, Badman pays homage to Monroe by rescuing her final months from the realm of wild and sensationalized allegations popularized by those who sought to gain from them. *Marilyn Monroe: The Final Years* sheds new light on an immortal movie legend.

These bestselling novels represent just a fraction of the literary treasures that have emerged in 2023. Whether you seek tales of romance, adventure, or personal growth, the world of literature offers an abundance of engaging stories waiting to be discovered. The novel begins with Richard Papen, a bright but troubled young man, arriving at Hampden College. Richard is immediately drawn to the group of students who call themselves the Classics Club. The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is an exceptional and gripping novel that will keep you speculating until the very end. The novel is a cautionary tale about the dangers of obsession and the power of evil.
