You can search for free Kindle books at Free-eBooks.net by browsing through fiction and non-fiction categories or by viewing a list of the best books they offer. You'll need to be a member of Free-eBooks.net to download the books, but membership is free. It may seem overwhelming when you think about how to find and download free ebooks, but it's actually very simple. With the steps below, you'll be just minutes away from getting your first free ebook. The legality of Library Genesis has been in question since 2015 because it allegedly grants access to pirated copies of books and paywalled articles, but the site remains standing and open to the public. offers an array of book printing services, library book, pdf and such as book cover design, text formatting and design, ISBN assignment, and more. For all the Amazon Kindle users, the Amazon features a library with

a free section that offers top free books for download. Log into your Amazon account in your Kindle device, select your favorite pick by author, name or genre and download the book which is pretty quick. From science fiction, romance, classics to thrillers there is a lot more to explore on Amazon. The best part is that while you can browse through new books according to your choice, you can also read user reviews before you download a book. The blog at FreeBooksHub.com highlights newly available free Kindle books along with the book cover, comments, and description. Having these details right on the blog is what really sets FreeBooksHub.com apart and make it a great place to visit for free Kindle books. Free Kindle Books and Tips is another source for free Kindle books but discounted books are also mixed in every day. Because this site is dedicated to free books, there's none of the hassle you get with filtering out paid-for content on

Amazon or Google Play Books. We also love the fact that all the site's genres are presented on the homepage, so you don't have to waste time trawling through menus. Unlike the bigger stores, Free-Ebooks.net also lets you sort results by publication date, popularity, or rating, helping you avoid the weaker titles that will inevitably find their way onto open publishing platforms (though a book has to be really quite poor to receive less than four stars). GetFreeBooks: Download original ebooks here that authors give away for free. Obooko: Obooko offers thousands of ebooks for free that the original authors have submitted.
