*Manage Your Money Like a F*cking Grown-Up* Sam Beckbessinger.2019-04-18 You're going to earn plenty of money over your lifetime. Are you going to waste it on stupid crap that doesn't make you happy, or let it buy your freedom and your most audacious dreams? We never get an instruction manual about how money works. Most of what we learn about money comes from advertising or from other people who know as little as we do. No wonder we make such basic mistakes. No wonder we feel disempowered and scared. No wonder so many of us just decide to stick our heads in the damn sand and never deal with it. In *Manage Your Money Like a F*cking Grown Up*, Sam Beckbessinger tells it to you straight: how to take control of your money to take control of your life. In this clear and engaging basic guide to managing your finances, you will learn: - How to trick your dumb brain into saving more, without giving up fun - How to make a bona fide grown-up budget - Why you need to forget what you've learned about credit - How to negotiate a raise - Why buying a house (probably) won't make you rich - The one super-simple investment you need With helpful exercises, informative illustrations (also: kittens) and straightforward advice, this book doesn't shy away from the psychology of money, and is empowering, humorous and helpful. The book you wish you'd had at 25, but is never too late to read.

CultureShock! Shanghai Sharol Gauthier.2019-09-15 *CultureShock! Shanghai* is the complete guide for those who are trying to get a handle on China's glittering crown jewel that is both charmingly ancient yet stunningly ultra-modern. Can you tell your xiaolongbao from your xiaolongxia? What is this nebulous concept called guan xi? Is being called a laowai a pejorative? Boasting some of the world's tallest buildings, largest businesses, longest bridges, fastest trains and elevators, and finest restaurants, Shanghai is a megacity and world-class financial centre that may well be the world's first cashless society, but it also has cosy streets filled with napping bicyclists, dancers in full costume and seniors with bird cages. With impressive light shows, backlit freeways and luminous skylines, Shanghai is truly a city of light. Get the most out of your stay with this guide to the Asian metropolis par excellence. The Series *CultureShock!* is a dynamic, indispensable series of guides for travellers looking to truly understand the countries they are visiting, working in or moving to. Each title explains the country's customs, traditions and social and business etiquette in a lively, informative style. *CultureShock!* authors, all of whom have experienced the joys and pitfalls of cultural adaptation, are ideally placed to provide warm and helpful advice to those who seek to integrate seamlessly into diverse cultures.

Key Themes in Health and Social Care Adam Barnard,Verusca Calabria,Louise Griffiths.2023-04-10 This revised and expanded second edition of *Key Themes in Health and Social Care* is a learning resource for students in health and social care. It provides an overview of foundational issues and core themes in the field and introduces key areas of debate, moving from an introductory level to in-depth discussion as the book progresses. Divided into three parts: the first part sets the scene, addressing introductory psychology and sociology, social policy, equality and diversity, skills for practice, and working with people the second part considers key themes such as mental health and wellbeing; management of services; the relationship between place and wellbeing; research in health and social care; and person-centred interventions the third part looks at discrete areas of practice such as mental health; ageing, leading and managing health and social care; working with vulnerable populations; and health promotion Each chapter begins with an outline of the content and learning outcomes and includes reflective exercises to allow students to reflect on what they have read, review their learning and consolidate their understanding. Time-pressed readers wanting to 'dip into' the book for relevant areas can do so but, read from cover to cover, the book provides a comprehensive introduction to the key areas of contemporary health and social care practice. It will be particularly helpful for students undertaking health and social care undergraduate and foundation degrees.

Saving Social Ryan Holmes.2021 Social media is broken -- or at least it appears that way. To many, the industry seems to have come undone, but what if, in fact, it's just coming together? As social media has become integrated into both business and mainstream culture, we've seen euphoric novelty give way to hysteria around the ill effects of misinformation, data privacy and polarizing echo chambers. Now, as everything from the ethics behind algorithms to the legal shield social networks use to protect themselves from liability is being discussed at the highest levels of government, many are wondering if social media's problems are simply too

great to fix. Against the backdrop of a global crisis, Ryan Holmes, the Founder and Chairman of Hootsuite, takes a sobering look at concerns surrounding the social media industry today and offers an optimistic view of where it's headed. Holmes argues that the hysteria we're experiencing now is part of a natural lifecycle all game-changing communication technologies go through before finding balance. As North America faces a global pandemic and societal unrest, social media has become more crucial than ever. Holmes' incisive combination of history and future-think will help industry insiders and average readers alike understand the potential and pitfalls of social media and map out a plan to thrive in the years ahead.

How to Survive Losing a Loved One Karen Jackson Taylor, Christine Pearson. 2021-02-11 A practical, empowering guide to navigating your partner's diagnosis of a terminal or life-limiting illness, or death. Receiving the news that your partner has a terminal or life-limiting illness, or has died unexpectedly, is among the worst experiences in life. At a time when you are least able to cope, you are faced with a multitude of difficult decisions, some of which must be made quickly. What you need is a friend who has experienced everything you are about to face, who can support you as you navigate some tough, important choices. This book is that friend. There is plenty of information out there but where to start looking? What information is needed and how can it be accessed? What decisions are essential in the immediate term and what can be left until later? Throughout the book, the emphasis is on protecting and supporting those left behind by presenting almost every choice you may need to make and the possible implications of each decision. You will learn: - The importance of creating a will, arranging power of attorney, organising advanced decisions of treatment, and even getting married or entering a civil partnership - What you are entitled to from the state, the NHS and your employer - How to stabilise your finances and prepare to run a household alone - Where your partner ought to be during treatment and/or palliative care, and how to go about achieving this - Which decisions need to be made after death, from planning the funeral to accessing your partner's estate - How to navigate the grieving process and take control of a happy future No matter where you are in the process, *How to Survive Losing a Loved One* is a comprehensive, practical and empowering guide to coping with your partner's terminal illness and death, and building the next chapter in your life.

The Broadview Anthology of Social and Political Thought - Volume 1: From Plato to Nietzsche Andrew Bailey, Samantha Brennan, Will Kymlicka, Jacob T. Levy, Alex Sager, Clark Wolf. 2008-03-06 This comprehensive volume contains much of the important work in political and social philosophy from ancient times until the end of the nineteenth century. The anthology offers both depth and breadth in its selection of material by central figures, while also representing other currents of political thought. Thucydides, Seneca, and Cicero are included along with Plato and Aristotle; Al-Farabi, Marsilius of Padua, and de Pizan take their place alongside Augustine and Aquinas; Astell and Constant are presented in the company of Locke, Rousseau, and Wollstonecraft. The editors have made every effort to include translations that are both readable and reliable. Every selection has been painstakingly annotated, and each figure is given a substantial introduction highlighting his or her major contribution within the tradition. In order to ensure the highest standards of accuracy and accessibility, the editors have consulted dozens of leading academics during the course of the anthology's development (a number of whom have contributed introductory material as well as advice). The result is an anthology with unparalleled pedagogical benefits, and one that truly breaks new ground.

Critical Thinking in Health and Social Care Stella Jones-Devitt, Liz Smith. 2007-10-25 'This book will serve well a diverse audience - in policy formulation and practice determination at all levels - who are committed to the nation's health and well-being' - Dianne Willcocks, Vice Chancellor, York St John University *Critical Thinking in Health & Social Care* is designed to equip practitioners with the knowledge and tools they need to critically examine practice in their own workplace. The book presents a range of different approaches, which have particular relevance in the context of health and social care. Each approach is explained and grounded in practice using case studies, problem-solving scenarios and workplace examples. The practical tools which form the core of the book are contextualised by an exploration of what constitutes knowledge and evidence and the types of assumptions which are commonly held and which have a bearing on practice. This is an essential text for advanced post-graduate health and social care students, and for those who are moving into more senior and strategic roles. *Critical Thinking in Health & Social Care* provides an array of tools which can be used to challenge and change existing practice and to solve problems. Stella Jones-Devitt is Head of Subject for Health Studies and Community Engagement at York St John University. Liz Smith is Programme Leader for Health Professional Studies, Faculty of Health and Social Care, University of Hull

The Spirit of Democracy Sofia Näsström. 2021-06-20 How does one revitalize democracy in times of crisis? Democracy is today challenged by populism and elitism, as well as by the resurgence of new forms of authoritarianism. *The Spirit of Democracy: Corruption, Disintegration, Renewal* shows that while we have good reasons to worry about the corruption of democratic practices and ideals, these worries are often attributable to questionable assumptions about what democracy is. Drawing on Montesquieu's classical work on the spirit of laws, the book sets out to reconceive the ways in which we understand and conceptualise modern democracy: from sovereignty to spirit. According to Montesquieu, different political forms are animated and sustained by different spirits: a republic by virtue, a monarchy by honour, and a despotic form by fear. This book argues that modern democracy is a sui generis political form animated and sustained by a spirit of emancipation. The removal of divine, natural, and historical authorities in political affairs unleashes a fundamental uncertainty about the purpose and direction of society. In a democracy, we respond to that uncertainty by sharing and dividing it equally. It emancipates us from a state of self-incurred tutelage. Based on this argument, the book develops a new theoretical framework for studying the corruption, disintegration, and renewal of democracy: what it is, how it begins, and where in society it plays out.
