In God's Hands Rabbi Lawrence Kushner, Gary Schmidt.2011-11-08 A Charming tale to remind us all that our kindness works miracles. "When the sun sets and stars fill the sky, the square in the little town grows quiet and still. The cool air of distant hills mingles with the sweet scent of baking bread.

The moon rises and glows softly. It's the sort of place where miracles could happen." David and Jacob live in the same little, ordinary town, but it's almost as if they're from different worlds. David is so poor he can barely feed his family. Jacob is so consumed with staying rich he thinks about nothing but money. But the two men have one thing in common: they both believe that miracles are big, magical things that can only happen somewhere else, to someone else. But when Jacob wakes up from a nap in synagogue one day, sure that God has demanded twelve loaves of bread from him, all this changes in amazing ways you'd never expect. A delightful, timeless legend based on Jewish tradition, *In God's Hands* tells of the ordinary miracles that occur when we really, truly open our eyes to the world around us.

My First Book of Hakarat Hatov Jewish Life.2020-12-26 My First Journal of Hakarat Hatov for Jewish Kids Who LOVE Unicorns - for the daily practice of gratitude (and a lot of unicorn fun)! In Hebrew, hakarat hatov means acknowledging the goodness that comes into our life from G-d, our family, and friends, or long time gone strangers. This book is created with young children in mind (ages 6-10), to help them cultivate the virtue of hakarat hatov. It encourages self-reflection, spiritual growth, and gratitude. Each day has its own spread, starting with the Hebrew prayer Modeh/Modah Ani, which expresses thanks to G-d. The morning section helps the child to take a note of their mood and reflect on what might be the source of it. The evening section of the day asks them to show gratitude and describe or draw something that makes them happy. It ends with the short version of the bedtime Shema prayer. The children can start the day by thanking G-d and writing down their hopes and plans. Before they turn off their lights, they can also write the One Big Question of the day - building the habit of asking questions and cultivating intellectual curiosity. Both sides include cute images of a variety of unicorns for the kid to color if they want to. Shabbat's day section is unique. It respects the tradition of not writing or drawing on the day. Instead of regular prompts, it asks children to think and reflect and write/draw about the day only after Shabbat is over. This unique Gratitude Journal for Jewish Kids is sure to make a wonderful gift for any Jewish kiddo out

there! There are three versions of the journal available at the moment. They differ only in the drawings and graphic design, the text is the same in all three: My First Journal of Hakarat Hatov My First Journal of Hakarat Hatov for Kids who love unicorns (this one!) My First Journal of Hakarat Hatov for Kids who love animals. The two last ones have extra drawings the child might love to color. Click on the series names to see the other two. Highlights of My First Journal of Hakarat Hatov for Jewish Children: STRENGTHENING MIDDOT: A guided journal for young children to help them cultivate the middah (virtue) of hakarat hatov - acknowledging the good. EASY-TO-HANDLE SIZE: Practical size - 6x9 in, 185 pages for 13 weeks of journaling - 3 months is perfect to check if your kid likes it. RESPECTFUL OF SHABBAT: Special section for Shabbat is suitable also for kids who don't write/draw on that day. STARTING AND ENDING THE DAY WITH A PRAYER: Hebrew and English prayers of Modeh Ani and Shema Israel GENDER-NEUTRAL: The word Modeh in Modeh Ani has no vocalization, and as such can be said by both girls and boys (making it gender-neutral). RESPECTFUL OF JEWISH TRADITION: Hebrew text of prayers does not include a full Name of G-d. GREAT JEWISH GIFT IDEA: My First Journal of Hakarat Hatov is a great gift idea for your nieces and nephews, children, grandchildren, younger siblings, and all other Jewish kids in your life! CARES FOR THE CHILD'S MENTAL AND SPIRITUAL GROWTH: The scientists tell us that practicing gratitude increases happiness, lowers stress levels, and helps improve self-esteem. This journal is a great introduction to the world of giving thanks and living a more mindful life.

This Grateful Heart Alden Solovy.2017-04-01 This Grateful Heart offers an anthology of modern day psalms and prayers to lift us up, inspire our days, and mark our milestones. Written by Jewish poet and liturgist Alden Solovy, the collection provides nearly 100 readings, spanning topics from the simple delights of daily living to the complexities of grief; from the celebration of major turning points like bar and bat mitzvah to the more solemn commemoration of lost lives and ended

relationships; and from the awe-filled moments of the High Holy Days to the observance of secular holidays. For clergy, this collection offers supplementary material for use in services and life cycle rituals; for the individual, this collection can serve as a way to give voice to the joys and sorrows of everyday life. I hope people will see *This Grateful Heart* as a prayerbook, a resource kit, a spiritual practice, an inspiration, and a source of hope. Any day a prayer is needed, or any day someone decides to deepen a personal prayer practice, there's a doorway here, in this book. - Alden Solovy

Encountering God Rabbi Lawrence A. Hoffman, PhD.2016-07-26 It is time to recover rabbinic lessons of late antiquity: God is a God of grace and love; human beings can aspire to goodness and promise; on Yom Kippur the two of them meet—God's love energizes human potential and the world is reborn with hope restored. The God of Jewish tradition is far from the strict God of justice commonly understood to be the God of the Hebrew Bible. God's self-introduction to Moses atop Mount Sinai does indeed conclude with the image of punishment throughout the generations but begins with God merciful and gracious, the imagery that finds its way into rabbinic liturgy and lore as solely the God of grace and compassion, pardon and love. To arrive at this selective perception of biblical tradition, the Rabbis of the Talmud deliberately misread the biblical text, and then fashioned a myth of God who dresses up as a leader of prayer and promises pardon if Israel will only repeat these merciful attributes as part of its prayer ritual on that day. Ever since, the Thirteen Attributes—as the list comes to be known—becomes central to Jewish prayer, accompanying the liturgy for holidays generally, and framing the opening and closing services of the holiest day in the Jewish year, Yom Kippur, the “Day of Judgment” itself. In this seventh volume in the *Prayers of Awe Series*, contributors—men and women, rabbis and laypeople, scholars and artists from across the spectrum of Jewish life, and representing the US, Israel, the UK, Germany, France, Canada, and

Australia—chart the importance of these Thirteen Attributes of God. They explore the kind of God Jews meet in prayer and the consequent self-reflection about the human condition that Judaism recommends on the basis of its idealized image of God as, above all, merciful and gracious.

Hours of Devotion Dinah Berland.2008-11-26 Written in the nineteenth century, rediscovered in the twenty-first, timeless in its wisdom and beauty, *Hours of Devotion* by Fanny Neuda, (the daughter of a Moravian rabbi), was the first full-length book of Jewish prayers written by a woman for women. In her moving introduction to this volume--the first edition of Neuda's prayer book to appear in English for more than a century--editor Dinah Berland describes her serendipitous discovery of *Hours of Devotion* in a Los Angeles used bookstore. She had been estranged from her son for eleven years, and the prayers she found in the book provided immediate comfort, giving her the feeling that someone understood both her pain and her hope. Eventually, these prayers would also lead her back to Jewish study and toward a deeper practice of her Judaism. Originally published in German, Fanny Neuda's popular prayer book was reprinted more than two dozen times in German and appeared in Yiddish and English editions between 1855 and 1918. Working with a translator, Berland has carefully brought the prayers into modern English and set them into verse to fully realize their poetry. Many of these eighty-eight prayers, as well as Neuda's own preface and afterword, appear

here in English for the first time, opening a window to a Jewish woman's life in Central Europe during the Enlightenment. Reading "A Daughter's Prayer for Her Parents," "On the Approach of Childbirth," "For a Mother Whose Child Is Abroad," and the other prayers for both daily and momentous occasions, one cannot help but feel connected to the women who've come before. For Berland, Hours of Devotion served as a guide and a testament to the mystery and power of prayer. Fanny Neuda's remarkable spirit and faith in God, displayed throughout these heartfelt prayers, now offer the same hope of guidance to others.

The Merit of Our Mothers Tracy G Klirs.1992-05-01 For many centuries Jewish prayer was so dominated by its male creators and male readers that the Jewish woman's role in prayer seems to have been all but obliterated. Yet Jewish women have always prayed and, before prayer became standardized into a formal liturgy, Israelite women offered up spontaneous petitions and hymns to God as freely as did men. While they may not have been able to help constitute a minyan, and while many did not know Hebrew or Aramaic, women produced and used material for prayer at home. The Yiddish tkhines had its origin in a form of supplicatory prayer in the Talmud, whose original intent

was to allow for individual private devotion during the standard prayer service. The private Yiddish prayers and devotions for Jewish women continued to use this term. They emerged in the world of premodern Ashkenazic Jewry and represent one of the richest and least-known forms of Jewish religious literature. Because modern sensibility seemed to reject them, and because Yiddish was quickly forgotten by second and third generation Jews in the West, they have been sadly neglected. Although a few have been individually translated into English, this is the first bilingual anthology ever to appear. The prayers in this volume are characterized by a highly personal and intimate style and mark occasions in the religious calendar, such as the Tkhine for the Blessing of the New Moon, as well as occasions in the life of a woman, such as the Tkhine for a Mother who Leads Her Child to Kheyder for the First Time. The tkhines are of great appeal and value to those who wish to hear the voices of Jewish women in history, study Yiddish literature and culture, or create new expressions of spirituality.

Davening Rabbi Zalman Schachter-Shalomi.2012-10-01 Experience the living taste of prayer in your heart, the deep and gentle glow of prayer in your soul. Many who live their lives as Jews, even many who pray every day, live on a wrapped and refrigerated version of prayer. We go to synagogue dutifully enough. We rise when we should rise, sit when we should sit. We read and sing along with the cantor and answer 'Amen' in all the right places. We may even rattle through the prayers with ease. We sacrifice vitality for shelf-life, and the neshomeh, the Jewish soul, can taste the difference. —from the Introduction This fresh approach to prayer is for all who wish to appreciate the power of prayer's poetry and song, jump into its ceremonies and rituals, and join the age-old conversation

With rare warmth and authenticity, Reb Zalman shows you: How prayer can engage not just spirit, but mind, heart and body Meditations that open the door to kavanah, the focus or intention with which we pray How to understand the underlying "deep structure" of our prayer services How to find and feel at home in a synagogue How to sing and lead niggunim, the simple, wordless tunes that Jews sing to get closer to God and more

Reimagining the Landscape of Religious Education Zehavit Gross.2023-03-13 This book brings together new thinking and research on religious education's complex and evolving role in the multicultural, diverse postmodern era. It facilitates new realism and understanding of the current situation from empirical and reflective accounts relating to a variety of countries and political contexts, as well as providing innovative methodological approaches to the study of education and religion. In different contexts around the world, at different levels of education, and from different theoretical lenses, religious education occupies a contested space. The ongoing, changing nature of the world due to increasing secularization, rapid technological change, mass immigration,

globalization processes, conflict and challenging security issues, from inter to intra state levels, and with shifting geopolitical power balances, generates the need to reconceptualize where religious education is positioned. It claims that religious education on its own can be an agent of moral, social and spiritual transformation are disputed. There is significant controversy about whether special religious education, that is in-faith education, still has a role within the post-modern world.
