Same-Sex Love in India NA NA.2016-04-30 Lambda literary award finalist, Same-Sex Love in India presents a stunning array of writings on same-sex love from over 2000 years of Indian literature. Translated from more than a dozen languages and drawn from Hindu, Buddhist, Muslim, and modern fictional traditions, these writings testify to the presence of same-sex love in various forms since ancient times, without overt persecution. This collection defies both stereotypes of Indian culture and Foucault's definition of homosexuality as a 19th-century invention, uncovering instead complex discourses of Indian homosexuality, rich metaphorical traditions to represent it, and the use of names and terms as early as medieval times to distinguish same-sex from cross-sex love. An eminent group of scholars have translated these writings for the first time or have re-translated well-known texts to correctly make evident previously underplayed homoerotic content. Selections range from religious books, legal and erotic treatises, story cycles, medieval histories and biographies, modern novels, short stories, letters, memoirs, plays and poems. From the Rigveda to Vikram Seth, this anthology will become a staple in courses on gender and queer studies, Asian studies, and world literature.

Majestic Nights Carolyne Wright.2008 How do Bengali women love in times of social transition and political upheaval? These poems look at how Bengali women tell their truths of the heart and mind through their struggles for equality, opportunity, and recognition in a changing society. The poems follow a subtle trajectory through the stages of love: first love; marriage; separation; aging and death; and ultimate supreme, universal love, of which romantic love is an imperfect reflection. Carolyne Wright spent four years collecting and translating Bengali women's poetry. Wright is a poet herself, and her most recent collection is A Change of Maps.

Acrobat Nabaneeta Dev Sen.2021-05-11 A deeply humane new collection by a luminary of Bengali literature A radiant collection of poetry about womanhood, intimacy, and the body politic that together evokes the arc of an ordinary life. Nabaneeta Dev Sen's rhythmic lines explore the joys and agonies of first love, childbirth, and decay with a restless, tactile imagination, both picking apart and celebrating the rituals that make us human. When she warns, know that blood can be easily drawn by lips, her words tune to the fierce and biting depths of language, to the treachery that lingers on tongue tips. At once compassionate and unsparing, conversational and symphonic, these poems tell of a rope shivering beneath an acrobat's nimble feet or of a twisted, blood-soaked umbilical cord -- they pluck the invisible threads that bind us together.

Love Poems of Taslima Nasreen Tasalimā Nāsarina.2005 Love Poems of Taslima Nasreen is a selection of Nasreen's love poems from several books. She is renowned for her work as an activist for women's rights and against religion fundamentalism.Internationally known and widely travelled, Taslima Nasreen was born in Mymensingh, Bangladesh. She studied medicine and worked as a gynaecologist and anesthesiologist in hospitals in Dhaka. During her medical studies, she gained prominence as a strongly feminist columnist. Her novel Shame was banned in Bangladesh in 1993, on the ground that its 'inflammatory' tone excited tensions between Muslims and Hindus. Conservative elements in Bangladesh demanded her execution some years back for blasphemy. Nasreen secretly left Bangladesh and took asylum in Sweden where she now lives.

Text to Tradition Deven M. Patel.2014-01-07 Written in the twelfth century, the Naisadhiyacarita (The Adventures of Nala, King of Nisadha) is a seminal Sanskrit poem beloved by South Asian literary communities for nearly a millennium. This volume introduces readers to the poem's author, his reading communities, the modes through which the poem has been read and used, the contexts through which it became canonical, its literary offspring, and the emotional power it still holds for the culture that values it. Text to Tradition privileges the intellectual, affective, and social forms of cultural practice that inform a region's people and institutions. It also proposes a new way to conduct literary historiography, understanding literary texts as traditions in their own right and emphasizing the various players and critical genres involved in their reception. The book underscores the importance of the close study of individual works to building a history of literary cultures. In addition, it creates a groundbreaking model for approaching the study of other venerated South Asian texts.

Love Poems of Ghanānand .1991 The poetry of Ghananand depicts love in all its aspects. Breaking away from the orthodox poetic traditions he gave Hindi poetry spontaneity and freshness and brought it nearer to life. He fell in love with Sujana a courtesan in the darbar of emperor Mohammad Shah. Having refused to sing when asked by the Emperor he agreed when requested by her.

India and the British Empire Douglas M. Peers,Nandini Gooptu.2017-02-09 South Asian History has enjoyed a remarkable renaissance over the past thirty years. Its historians are not only producing new ways of

thinking about the imperial impact and legacy on South Asia, but also helping to reshape the study of imperial history in general. The essays in this collection address a number of these important developments, delineating not only the complicated interplay between imperial rulers and their subjects in India, but also illuminating the economic, political, environmental, social, cultural, ideological, and intellectual contexts which informed, and were in turn informed by, these interactions. Particular attention is paid to a cluster of binary oppositions that have hitherto framed South Asian history, namely colonizer/colonized, imperialism/nationalism, and modernity/tradition, and how new analytical frameworks are emerging which enable us to think beyond the constraints imposed by these binaries. Closer attention to regional dynamics as well as to wider global forces has enriched our understanding of the history of South Asia within a wider imperial matrix. Previous impressions of all-powerful imperialism, with the capacity to reshape all before it, for good or ill, are rejected in favour of a much more nuanced image of imperialism in India that acknowledges the impact as well as the intentions of colonialism, but within a much more complicated historical landscape where other processes are at work.

Makers of Modern India Rabinder Nath Tagore Jagdish Chander, Manoj Kumar. 2023-08-22 The book explores into the life and contributions of the legendary poet, philosopher, and Nobel laureate. Indian English and 'Vernacular' India Paranjape, Makarand R., Prasad, G. J. V.. Indian English and 'Vernacular' India examines the uneasy relationship of English with Indian languages by tracing its lineage in the country and reassessing its character in the age of globalization. The book promotes a symbiotic multilingualism that would enable the consolidated presence of English and Indian languages in the world's largest democracy. This volume will be of interest to researchers and students of literature, language resource studies, Indian writing in English, media studies, culture studies and sociolinguistics.

Makers of Modern Orissa J. K. Samal, Pradip Kumar Nayak. 1996 This work, drawn largely from Oriya sources, provides a much-needed analysis of an important but often neglected topic. This is the first book that provides a comprehensive assessment of the many-sided contributions of Gourisankar Roy, Fakir Mohan Senapati, Radhanath Roy, Baikunthanath De and Maharaja Krushana Chandra Bhanj who were some of the foremost among the makers of modern Orissa. It explores the evolution of this area, its problems and triumphs, and studies the thoughts and deeds of these five towering personalities of Orissa in the second half of 19th century. It provides an overall picture of the different aspects of 19th century Orissa, social, political and cultural. The text is accessible to a broad readership and will be of service to students and scholars at all levels.

Poems Rabindranath Tagore. 2007 Tagore's English writings originals and translations have not received the attention that they deserve. The purpose of this edition is to make the English writings of Tagore available to the widest possible range of readers interested in the writings of Tagore all over the world, with just the bare, minimum information necessary for appreciating the writings, and leave the critical assessment to the readers themselves. There may be two possible reasons for the neglect of Tagore's English writings. Firstly, Tagore's prolific output, Shakespearean felicity and protean plasticity as a Bengali poet, who, though well-versed in English, chose to write in the medium of his mother tongue for nearly the first fifty years of his life, and there is hardly any literary form that he did not touch upon and turn into gold. His creative genius found expression in poems, plays, novels, essays, short stories, satirical pieces, textbooks for children, and songs of all kinds. The only literary form that he did not try is epic. But in his long, eventful and creative eighty years of life he virtually lived an epic. It is largely due to his mighty stature as a Bengali poet that nobody really bothered about his English writings and his own translations of his own writings. Secondly, it is owing to the supposedly poor quality of his translations subsequent to the translation of *Gitanjali*. It was only after Tagore received the Nobel Prize for literature in 1913 that there was a growing demand for his writings in the West, and as Tagore was not apparently satisfied by the translations that others mainly his admirers made, he began to translate his writings himself. But the tremendous haste with which he had to translate, possibly affected the quality of translations. Come what may, the point is whether Tagore's English translations are good or bad, whether the translation furthered his reputation or damaged it, is immaterial. The fact of the matter is that they are his, and his own translation of whatever quality it may be is more valuable to a Tagore lover than the best translation made by somebody else, as Van Gogh's one original single scratch is more valuable than the best possible copy by some other artist. The value of Tagore's English writings lies here: they constitute an important part of his total oeuvre, add a new magnificent dimension to it and offer us a glimpse into the mystique of the creative anxiety that could have haunted even the greatest writer of the twentieth century, about his possible reception in an alien culture.

For You, Neera Sunil Gangopadhyaya. 1993

The Bilingual Text Jan Walsh Hokenson, Marcella Munson. 2014-06-03 Bilingual texts have been left outside the mainstream of both translation theory and literary history. Yet the tradition of the bilingual writer, moving between different sign systems and audiences to create a text in two languages, is a rich and venerable one, going back at least to the Middle Ages. The self-translated, bilingual text was commonplace in the multilingual world of medieval and early modern Europe, frequently bridging Latin and the vernaculars. While self-translation persisted among cultured elites, it diminished during the consolidation of the nation-states, in the long era of nationalistic monolingualism, only to resurge in the postcolonial era. *The Bilingual Text* makes a first step toward providing the fields of translation studies and comparative literature with a comprehensive account of literary self-translation in the West. It tracks the shifting paradigms of bilinguality across the centuries and addresses the urgent questions that the bilingual text raises for translation theorists today: Is each part of the bilingual text a separate, original creation or is each incomplete without the other? Is self-translation a unique genre? Can either version be split off into a single language or literary tradition? How can two linguistic versions of a text be fitted into standard models of foreign and domestic texts and cultures? Because such texts defeat standard categories of analysis, *The Bilingual Text* reverses the usual critical gaze, highlighting not dissimilarities but continuities across versions, allowing for dissimilarities within orders of correspondence, and englobing the literary as well as linguistic and cultural dimensions of the text. Emphasizing the arcs of historical change in concepts of language and translation that inform each case study, *The Bilingual Text* examines the perdurance of this phenomenon in Western societies and literatures.

Modern Bengali Poetry. 2021

A History of Classical Poetry Siegfried Lienhard. 1984

Rabindranath Tagore and Germany Dietmar Rothermund, Satinder Kumar Lambah, Martin Kämpchen. This commemorative volume is being published by the Federation of Indo-German Societies in India (FIGS), New Delhi, in association with Hanns-Seidel-Stiftung, Munich, to celebrate the 150th birth anniversary of Gurudev Rabindranath Tagore. Tagore received unprecedented welcome in Germany during his visits to that

country in 1921, 1926 and 1930. The book is in three parts. The first part of this book entitled Rabindranath Tagore in Germany : A Cross Section of Contemporary Reports, edited and translated by Prof. Dietmar Rothermund, was first published in 1961 to celebrate Tagore's centenary by the Max Mueller Bhavan, New Delhi. The contributions by contemporary scholars and writers who came in contact with him at that time are not only interesting because of what they tell us about Tagore, but also illustrate contemporary German thought in its quest for new values and ideals. It ends with Tagore's poem in English, The Child, which he wrote in 1930 in Germany, that Prof. Rothermund describes as a testimony of a sudden inspiration and a surprising vision. The second part carries an article entitled Tagore and Germany by Satinder Kumar Lambah, former Ambassador of India in Germany, first published by the Indian Council for Cultural Relations in the journal 'Indien in der Gegenwart' in 1996. The author reviews Tagore's three visits to Germany, emphasizing the vitality of the cultural interaction that was set off by this spiritual ambassador of India ... interpreting through his works and lectures the timeless message of an ancient country to a world that, in the wake of the First World War, was restless, confused and uncertain. The third part contains three essays on Rabindranath Tagore based on lectures delivered by Dr. Martin Kampchen in India and Bangladesh. Through his translations of Tagore's poetry, his biography of the poet in German and several studies on Tagore's relationship with Germany, the author has contributed substantially to introducing Tagore to a wider public.

Thing of Beauty Jackson Mac Low.2009-05 Jackson Mac Low's poetry and prose exceeds narrow definitions of artists by movements or poets by style. His work began with and returned to timeless subjects such as children, animals, love, war, death, and God, diverging at points into rigorously imposed structures, systems, and chance operations in an effort to suppress the ego in his art. At one point, embarrassed by his depth of feeling, Mac Low confesses to being an 'existential poet,' a declaration that the title of the poem A Lack of Balance But Not Fatal contradicts with modest and generous humor. This is an important and often very moving anthology of Mac Low's thought, at the same time as it reflects the preoccupations of his generation and ranges over a wide variety of approaches to writing and art making. Thing of Beauty is a manifesto, the term Mac Low would use to describe expressions of personal truth; and his are beautiful.—Kristine Stiles, Professor of Art History, Duke University In this generous selection of Jackson Mac Low's work, we can see, first hand, the poet's profound understanding of the physics of language and his exuberant articulation of the sounds of words in unpredictable motions. The multiplicity of Mac Low's forms and his rejection of any hierarchy among the forms of poetry (objective and subjective, expository or nonrepresentational, lyric and epic), along with his refusal to identify poetic composition with a characteristic 'voice' of the poet and his rejection of traditional aesthetic standards of beauty, are among the chief marks of his iconoclastic genius. Mac Low's magnificent and multidimensional poems open vast expanses for the imagination to inhabit.—Charles Bernstein This is one of the great watershed events in recent publishing history. Mac Low's reputation has exploded on the poetry scene since his death.—Hannah Higgins, author of Fluxus Experience

Mother of My Heart, Daughter of My Dreams Rachel Fell McDermott.2001 This text chronicles the rise and subsequent fortunes of goddess worship (Saktism) in the region of Bengal from the middle of the 18th century to the present. McDermott places the advent of the Sakta lyric in its historical context.

The Gitagovinda of Jayadeva Barbara Stoler Miller.2016-01-01 Jayadeva's dramatic lyrical poem Gitagovinda is a unique work in Indian literature and a source of inspiration in both medieval and contemporary Vaisnavism. It concentrates on Krsna's love with the Cowherdess Radha. Intense earthly passion is the example Jayadeva uses to express the complexities of divine and human love. It describes the loves of Krsna and Radha in twelve cantos containing twenty-four songs. The songs are sung by Krsna or Radha or Radha's maid and are connected by a brief narrative of descriptive passages. The appropriate musical mode and rhythm for each song are noted in the text. This poem is really a kind of drama, of the ragakavya type, since it is usually acted. Critical acclaim of the poem has been high, but its frank eroticism has led many Indian commentators to interpret the love between Radha and Krsna as an allegory of the human soul's love for God. Learned and popular audiences in India and elsewhere have continued to appreciate the emotional lyricism the poem expresses in its variations on the theme of separated lover's passion.

[gopichandra (bengali Text) Dinesh Chandra Ed] [Sen.2023-07-18 This book is a collection of Bengali-language poems and songs, written by the 16th-century poet Gopichandra. The poems cover a wide range of themes, including love, devotion, and nature, and are notable for their lyrical beauty and emotional depth. The book includes both the original Bengali text and an English translation, as well as an introduction and notes by the editor, Dinesh Chandra Sen. A must-read for anyone interested in Bengali literature. This work has been selected by scholars as being culturally important, and is part of the knowledge base of civilization as we know it. This work is in the public domain in the United States of America, and possibly other nations. In the Shade of the Golden Palace Thibaut d'Hubert.2018-03-01 In the Shade of the Golden Palace explores the work of the prolific Bengali poet Alaol (fl. 1651-71), who translated five narrative poems and one versified treatise from medieval Hindi and Persian into Bengali. The book maps the genres, structures, and themes of Alaol's works, paying special attention to his discourse on poetics and his literary genealogy, which included Sanskrit, Avadhi, Maithili, Persian, and Bengali authors. D'Hubert focuses on courtly speech in Alaol's poetry, his revisiting of classical categories in a vernacular context, and the prominent role of performing arts in his conceptualization of the poetics of the written word. The foregrounding of this audacious theory of meaning in Alaol's poetry is a crucial contribution of the book, both in terms of general conceptual analysis and for its significance in the history of Bengali poetry. This book shows how multilingual literacy fostered a variety of literary experiments in the remote kingdom of Arakan, which lay between present-day southeastern Bangladesh and Myanmar, in the mid-17th century. D'Hubert also presents a detailed analysis of Middle Bengali narrative poems, as well as translations of Old Maithili, Brajabuli, and Middle Bengali lyric poems that illustrate the major poetic styles in the regional courts of eastern South Asia. In the Shade of the Golden Palace therefore fulfills three functions: it is a unique guide for readers of Middle Bengali poetry, a detailed study of the cultural history of the frontier region of Arakan, and an original contribution to the poetics of South Asian literatures.

Farewell Song (Modern Classics) Rabindranath Tagore. 2011-05 Rabindranath Tagore reinvented the Bengali novel with Farewell Song, blurring the lines between prose and poetry and creating an effervescent blend of romance and satire. Through Amit and Labanya and a brilliantly etched social milieu, the novel addresses contemporary debates about 'good' and 'bad' writing, the nature of love and conjugality, and the influence of Western culture on Bengali society. Set against the idyllic backdrop of Shillong and the mannered world of elite Calcutta society, this sparkling novel expresses the complex vision and the mastery of style that characterized Tagore's later works. Tagore was not only an immensely versatile poet; he was also a great short story writer, novelist, playwright, essayist, and composer of songs. Amartya Sen
