New Chapters in the History of Rhetoric Laurent

Pernot.2009-09-28 This volume gathers over forty papers by leading scholars in the field of the history of rhetoric. It illustrates the current trends of this new area of research and covers the Bible, Classical Antiquity, Medieval and Modern Europe, Chinese and Korean civilization, and the contemporary world. One major topic is Rhetoric and Religion.

Reasonableness and interpretation .2003 The 2002 issue of the Yearbook concerns the notion of reasonableness in philosophical, legal and economic domains. After going back over the main definition of the concept of reasonable in greek philosophy, the analysis carried out in this volume deals with the role played by the notion of reasonableness in practical philosophy and namely according to hermeneutical view of it. With regard to legal field, the notion of reasonableness is a core notion in constitutional law and it assumes specific meanings in private, criminal, international, and administrative law. Reasonableness turns out to be crucial with regard to many topics, such as interpretation of rights, balancing of fundamental rights, and interpretation of standards.

Volume 9: Aesthetics and Philosophy of Art Guttorm

Fløistad.2007-03-16 This book continues the series Contemporary Philosophy (International Institute of Philosophy), which surveys significant trends in contemporary philosophy. The new volume on Aesthetics, comprising nineteen surveys, shows the variety of

approaches to Aesthetics in various cultures. The close connection between aesthetics and religion and between aesthetics and ethics is emphasized in several contributions.

Wisdom in Israel and in the Ancient Near East .2014-09-03

L'art de la sagesse DALAÏ-LAMA.2019-10-16

The Expression of the Passions Jennifer Montagu, Charles Le Brun.1994-01-01 In 1688, Charles Le Brun, a French academician, delivered a lecture on expression that was so popular it was published in sixty-three separate editions and influenced all discussion of the subject throughout Europe for over a century. This book reconstructs and translates the text of the lecture (badly garbled in all previous versions), explores the context in which it was conceived, delivered, received, and finally rejected, and reproduces the images that accompanied the lecture.

Montaigne and the Low Countries (1580-1700) .2007-04-30 This volume studies the Netherlandish presence in Montaigne's Essays, represented by Erasmus and Lipsius. It also deals with Montaigne's translations and editions in the Dutch Golden Age, and his readership: Scaliger, Hooft, Cats, the painter Pieter van Veen and many others.

The Cambridge Platonists in Philosophical Context G.A. Rogers.J.-M. Vienne,Y.C. Zarka.2013-03-14 The Cambridge Platonists were defenders of tolerance in the political as well as the moral sphere ; they held that practical judgment came down in the last instance to individual conscience ; and they laid the foundations of our modern conceptions of conscience and liberty. But at the same time they maintained the existence of eternal truths , and of a Good-in-itself , identical with Truth and

Being, refusing to admit that freedom of conscience i m p l i e d moral relativism. They were critics of dogmatism, and of the sectarian notion of enthusiasm as a source of illumination , on the grounds that both were disruptive of social harmony; they pleaded the cause of reason , in the hope that it could become the foundation of all human knowledge . Yet , for all that , they ma intained that a certain sort of mystical illumination lay at the heart of all true thought , and that human reason had validity only in virtue of i t s divine origin . They debated with Des cartes and took a keen interest in his mech- ism and his dualism ; they brought the atomistic theories of Democritus back into repute; and they sought to provide a detailed account of the causality link ing all phenomena.

L'Art de la joie Nicolas Go.2012 La joie est au désir ce que la vérité est à la raison : une nécessité et une exigence. En la plaçant au centre de sa réflexion, Nicolas Go ne fuit pas les tourments du monde, bien au contraire, puisque la joie assume à la fois la finitude, la barbarie et le mal, dressant devant les déchaînements de la violence sa puissance silencieuse, rappelant la perfection dont l'homme est capable. C'est qu'elle est liberté et sagesse, rire aussi, source enfin de toute création. Loin de tout repli nihiliste, de tout quiétisme égoïste, de toute lamentation impuissante, se dessine alors une authentique voie d'humanité.

The Christian Observer Josiah Pratt, Zachary Macaulay. 1819
Magic, Witchcraft, and Ghosts in the Enlightenment Michael R. Lynn. 2022-03-17 Magic, Witchcraft, and Ghosts in the Enlightenment argues for the centrality of magical practices and ideas throughout the long eighteenth century. Although the hunt for witches in Europe declined precipitously after 1650, and the intellectual justification for natural magic came under fire by 1700, belief in magic among the general population did not come to a sudden stop. The philosophes continued to take aim at magical practices, alongside religion, as examples of superstitions that an enlightened age needed to put behind them. In addition to a continuity of beliefs and practices, the eighteenth century also saw improvement and innovation in magical ideas, the understanding of ghosts, and attitudes toward witchcraft. The volume takes a broad geographical approach and includes essays focusing on Great Britain (England and Ireland), France, Germany, and Hungary. It also takes a wide approach to the subject and includes essays on astrology, alchemy, witchcraft, cunning folk, ghosts, treasure hunters, and purveyors of magic. With a broad chronological scope that ranges from the end of the seventeenth century to the early nineteenth century, this volume is useful for undergraduates, postgraduates, scholars, and those with a general interest in magic, witchcraft, and spirits in the Enlightenment.

Aphorismes sur la sagesse dans la vie (L'édition intégrale) Arthur Schopenhauer. 2015-09-22 Ce livre numérique présente Aphorismes sur la sagesse dans la vie (L'édition intégrale) avec une table des matières dynamique et détaillée. Notre édition a été spécialement conçue pour votre tablette/liseuse et le texte a été relu et corrigé soigneusement. Aphorismes sur la sagesse dans la vie est un essai publié par Arthur Schopenhauer en 1851.

Schopenhauer introduit ainsi son essai : « Je prends ici la notion

Downloaded from
gws.ala.org on 2020-12-16
by guest

de sagesse dans la vie dans son acception immanente, c'est-à-dire que j'entends par là l'art de rendre la vie aussi agréable et aussi heureuse que possible. Cette étude pourrait s'appeler également l'Eudémonologie ; ce serait donc un traité de la vie heureuse. » Schopenhauer précise qu'il ne traite pas du sujet dans une perspective métaphysique: « J'ai dû m'éloigner entièrement du point de vue élevé, métaphysique et moral auquel conduit ma véritable philosophie. Tous les développements qui vont suivre sont donc fondés, dans une certaine mesure, sur un accommodement, en ce sens qu'ils se placent au point de vue habituel, empirique. » Arthur Schopenhauer (1788-1860) est un philosophe allemand, il se réfère à Platon, se place en unique héritier légitime de Kant, et se démarque surtout ouvertement des post-kantiens de son époque; en effet, dès que l'occasion se présente, il critique féroce non seulement les personnalités - de façon souvent « comique » par l'outrance de ses imprécations et de ses « insultes » - mais aussi et surtout les idées de Fichte, Hegel et Schelling, philosophes qu'il exclut non seulement de la filiation de la philosophie kantienne en arguant de leur incompréhension de celle-ci mais aussi, parfois, purement et simplement, de la philosophie.

Religion et rationalité : Philon d'Alexandrie et sa postérité

.2020-11-30 Dans Religion et rationalité, dix chercheurs proposent un nouveau regard sur la façon dont Philon d'Alexandrie élabore une rationalité originale au fil de son commentaire scripturaire et sur la postérité de cette démarche. In Religion et rationalité, ten scholars offer a new insight into the way Philo of Alexandria creates an original rationality while commenting on the Scripture, and into the posterity of this method.

textes fondateurs du bouddhisme tibétain - les célèbres Chemins du Bodhisattva du poète et philosophe indien Shantideva -, le dalai-lama nous enseigne comment élargir notre perception du monde et faire face à l'adversité. Le dalai-lama s'adresse à tous les hommes de bonne volonté, engagés ou non sur la voie bouddhique, et nous livre les clés de l'art de la sagesse au quotidien.

Art, Agency and Living Presence Caroline van Eck.2015-03-10

Throughout history, and all over the world, viewers have treated works of art as if they are living beings: speaking to them, falling in love with them, kissing or beating them. Although over the past 20 years the catalogue of individual cases of such behavior towards art has increased immensely, there are few attempts at formulating a theoretical account of them, or writing the history of how such responses were considered, defined or understood. That is what this book sets out to do: to reconstruct some crucial chapters in the history of thought about such reflections in Western Europe, and to offer some building blocks towards a theoretical account of such responses, drawing on the work of Aby Warburg and Alfred Gell.

Aphorismes Sur La Sagesse Dans La Vie Arthur

Schopenhauer.2021-01-30 Un simple coup d'oeil nous fait découvrir deux ennemis du bonheur humain: ce sont la douleur et l'ennui. Ce livre peut être considéré comme du développement personnel écrit en 1840. En outre, nous pouvons observer que, dans la mesure où nous réussissons à nous éloigner de l'un, nous nous rapprochons de l'autre, et réciproquement; de façon que notre vie représente en réalité une oscillation plus ou moins forte entre les deux. Édition originale optimisée pour une lecture agréable avec texte aéré et annotations. 220 pages. Table des matières INTRODUCTION CHAPITRE I: DIVISION FONDAMENTALE CHAPITRE II: DE CE QUE L'ON EST I. Les études philoniennes .2021-07-19 This volume gathers the proceedings of the Paris conference in Philonic studies (2017), consisting of 23 papers by contributors from 8 countries. Fifty years after the Lyon conference, it aimed at taking a retrospective look at the intellectual contexts and the academic fields in which Philonic studies have penetrated, as well as the ways in which they evolved. The work of the Alexandrian became of major importance in the history of philosophy. It has been studied as a source of cultured Christianity, in connection with Second Temple Judaism and the Alexandrian Jewish community, but also in the context of research on rabbinic Judaism, New Testament and philosophy of the imperial era. Ce volume rassemble les actes du colloque de Paris (2017), qui r eunit 23 intervenants de 8 nationalit es. Cinquante ans apr es le colloque de Lyon, il s'agissait de r efl echir aux milieux intellectuels et aux disciplines universitaires dans lesquels les  etudes philoniennes avaient p en etr e le monde de la recherche, les bases sur lesquelles elles avaient  evolu e. L' uvre de l'Alexandrin a pris une importance majeure dans l'histoire de la philosophie; elle a  et e explor ee comme source du christianisme lettr e, en lien avec le juda isme de l' poque du Second Temple et la communaut  juive d'Alexandrie, mais aussi dans le cadre des  etudes sur le juda isme rabbinique, dans le d veloppement des  etudes sur le Nouveau Testament et sur la philosophie de

The Value of Conversation Christoph Strosetzki.2023-07-27 What is the value of conversation measured by? Are there more valuable and inferior types of conversation? What role do the contents, the people, and the circumstances play? Do times and epochs shape their own conversations? Conversation norms from handbooks as well as conversations reproduced in texts or reconstructed from texts shed light on these questions. The contributions in this volume are grouped around conceptual questions, specific contexts such as the salon and the table conversation, bring studies on individual literary texts and cover the European cultural history from Plato to the 20th century.

1:20-33; 8:1-36 and 9:1-6, generally called the three speeches of Wisdom. The aim was to employ these speeches as starting points, from which the remaining material in Proverbs 1-9 is examined, evaluated and interpreted. Along with aspects of poeticity and literary value, this work also investigates how these speeches fit into the overall literary structure of Proverbs 1-9. In this respect and with its primary focus on these speeches of Wisdom, this book constitutes a unique treatment of these Hebrew Bible texts within one monograph.

www.gws.ala.org on 2020-12-16

browsing category that lists this week's most popular free downloads. This includes public domain books and promotional books that legal copyright holders wanted to give away for free. What You'll Need Before You Can Get Free eBooks. Before downloading free books, decide how you'll be reading them. A popular way to read an ebook is on an e-reader, such as a Kindle or a Nook, but you can also read ebooks from your computer, tablet, or smartphone. It may seem overwhelming when you think about how to find and download free ebooks, but it's actually very simple. With the steps below, you'll be just minutes away from getting your first free ebook. Most free books on Google Play are new titles that the author has self-published via the platform, and some classics are conspicuous by their absence; there's no free edition of Shakespeare's complete works, for example. Most ebook files open on your computer using a program you already have installed, but with your

smartphone, you have to have a specific e-reader app installed, which your phone probably doesn't come with by default. You can use an e-reader app on your computer, too, to make reading and organizing your ebooks easy. eReaderIQ may look like your typical free eBook site but they actually have a lot of extra features that make it a go-to place when you're looking for free Kindle books. In 2015 Nord Compo North America was created to better service a growing roster of clients in the U.S. and Canada with free and fees book download production services. Based in New York City, Nord Compo North America draws from a global workforce of over 450 professional staff members and full time employees—all of whom are committed to serving our customers with affordable, high quality solutions to their digital publishing needs.
