**Ringleaders of Redemption** Kathryn Dickason.2021-01-15 In popular thought, Christianity is often figured as being opposed to dance. Conventional scholarship traces this controversy back to the Middle Ages. Throughout the medieval era, the Latin Church denounced and prohibited dancing in religious and secular realms, often aligning it with demonic intervention, lust, pride, and sacrilege. Historical sources, however, suggest that medieval dance was a complex and ambivalent phenomenon. During the High and Late Middle Ages, Western theologians, liturgists, and mystics not only tolerated dance; they transformed it into a dynamic component of religious thought and practice. This book investigates how dance became a legitimate form of devotion in Christian culture. Sacred dance functioned to gloss scripture, frame spiritual experience, and imagine the afterlife. Invoking numerous manuscript and visual sources (biblical commentaries, sermons, saints' lives, ecclesiastical statutes, mystical treatises, vernacular literature, and iconography), this book

highlights how medieval dance helped shape religious identity and social stratification. Moreover, this book shows the political dimension of dance, which worked in the service of Christendom, conversion, and social cohesion. In *Ringleaders of Redemption*, Kathryn Dickason reveals a long tradition of sacred dance in Christianity, one that the professionalization and secularization of Renaissance dance obscured, and one that the Reformation silenced and suppressed.

European War pamphlets .1917

*La contredanse* Jean-Michel Guilcher.2003 Etude l'émergence de la contredanse française et sa transmission à travers l'histoire. Les différents mouvements qui traversent la société de l'Ancien Régime sont abordés, ses attentes, ses réponses et son évolution. Ainsi, il apparaît que les dispositifs de la danse récréative révèlent les mentalités et leur évolution.

**The Carole: A Study of a Medieval Dance** Robert Mullally.2017-07-05 The carole was the principal social dance in France and England from c. 1100 to c. 1400 and was frequently mentioned in French and English medieval literature. However, it has been widely misunderstood by contributors in recent citations in dictionaries and reference books, both linguistic and musical. The carole was performed by all classes of society - kings and nobles, shepherds and servant girls. It is described as taking place both indoors and outdoors. Its central position in the life of the people is underlined by references not only in what we might call fictional texts, but also in historical (or quasi-historical) writings, in moral treatises and even in a work on astronomy. Dr Robert Mullally's focus is very much on details relevant to the history, choreography and performance of the dance as revealed in the primary sources. This methodology involves attempting to isolate the term carole from other dance terms not only in French, but also in other languages. Mullally's groundbreaking study establishes all the characteristics of this dance: etymological, choreographical, lyrical, musical and iconographical.

**Le Chant des Ève, la danse des Adam** Stéphanie Del Regno.2018-01-18 Pourquoi danse-t-on, pourquoi chante-t-on ? Aussi loin que remonte l'histoire de l'homme, un point commun réunit toutes les civilisations : l'art du chant et de la danse, une manière pour lui d'extérioriser ses sentiments.

Quelle place occupent le chant et la danse dans l'histoire de l'Homme ? Pourquoi ces deux disciplines sont-elles si intimement liées ? Tantôt signe de communication, tantôt marque de soumission ou d'affection, l'évolution du chant et de la danse reste quasiment fidèle à ses débuts chez la plupart des peuples en rupture avec le monde occidental contemporain, quand ce dernier tend à donner à ces deux modes d'expression un nouveau souffle : l'Art. Ce livre dresse un état des lieux inédit sur la position et la dimension prêtées au chant et à la danse dans notre histoire, depuis l'Antiquité jusqu'à aujourd'hui et à travers le monde. Au fil des documents anciens et contemporains, vous trouverez une iconographie sélectionnée, des interviews de divers spécialistes et des références incontournables. Cet ouvrage se veut à la portée de tous, et vous dévoilera pourquoi l'être humain ne peut résister à l'appel du chant et de la danse. Cet ouvrage à la portée de tous vous dévoilera pourquoi l'être humain ne peut résister à l'appel du chant et de la danse. EXTRAIT L'un des principaux traits significatifs de l'être vivant est sûrement son aptitude à interpréter, via son corps, toutes sortes d'émotions. Que ce soit la joie, la peine, la colère, l'excitation ou encore la souffrance, bien au-delà du langage parlé, il y a l'interprétation du corps. Mais cela ne s'apparente pas seulement à l'être humain. Le règne animal repose, lui aussi, sur des codes d'expressions vocales et corporelles. CE QU'EN PENSE LA CRITIQUE S'entourant d'intervenants de renom (...), elle recueille la trace du monde sur le corps dansant et chantant - et tente par l'aventure du livre le déchiffrement d'une pulsion vitale la danse est aussi une manière d'exister, de faire corps avec son semblable - et de faire société- tout comme le chant. - Michel Loetscher, Le Moniteur Ce livre, qui répond à beaucoup de questions restées en suspens, invite tous ceux qui sont sensibles à la danse et au chant dans un voyage à travers le temps, à travers le monde et à la découverte d'un certain art de vivre : le chant et la danse dans tous leurs états et sous toutes les latitudes. - Blog de Marie Mainville À PROPOS DE L'AUTEUR Stéphanie Del Regno naît en 1978 à Domont (95) et grandit à Pau (64). Elle démarre son parcours professionnel dans l'informatique, à Paris puis à Toulouse où elle réside depuis 2001, qui lui fait enchaîner plusieurs missions chez Airbus et au STNA. Amoureuse des livres depuis sa plus tendre enfance, c'est de sa rencontre avec un éditeur, Luigi Zuccante, en 2002, que va naître sa passion pour l'édition. Pendant trois années, il l'initiera au métier, en particulier à la chaîne de fabrication du livre, et l'incitera à créer sa propre structure éditoriale associative : Luce di Notte. Elle quitte alors l'informatique, devenant responsable éditoriale aux éditions Dangles avant de se mettre à son compte en sa double qualité créative de conceptrice et rédactrice. Elle collabore aujourd'hui activement à différents projets littéraires propres à satisfaire sa curiosité protéiforme.
