*Big 4 Accounting Firms Interview Questions* Christian Wolfe.2017-12-29 Need help with Big 4 Interview Questions? The most important part of the big 4 interview process is...confidence. How can you get confidence? You can gain access to the questions that you will be asked, and you can also learn how to answer those questions. Imagine walking into a big 4 interview and knowing the type of questions that you will be asked and how to answer them? Wouldn't that feel amazing? That what the Big 4 Interview Questions book offers. Blow the big 4 recruiters and big 4 partners that you interview with away with your confidence and knowledge after you read this book. We've made the

questions in our interview book so thorough so that you won't stumble on any questions on your big 4 interviews. Brought to you by the team behind the Amazon ebook -- The Big 4 Accounting Firms Recruiting Guide We are a team of Certified Public Accountants (CPA's) who work at the Big Four (Pricewaterhousecoopers, KPMG, Ernst & Young or Deloitte). We all have at least 8 years of Big 4 experience. This book offers:

- questions that you can ask your big 4 recruiter
- questions that you can ask your big 4 partner
- a free resume template at the end of the book.
- over 30 interview questions and answers to help you get ready

This book will help you shed your fear of not having enough knowledge about the big 4 interview process and how the big 4 operate. You don't need to know every single thing about how the big 4 operate, but we focus you in on the key simple areas that will 10X your chances of being one of the top big 4 candidates. The format of the book is to first provide you with the question that will be asked in the interview. Then we provide the reason around why the big 4 ask that question. Then we give what a bad answer would be to the questions, and what a good answer would be. The reason we formatted the book this way is to help you understand the types of questions that you will be asked and why you are being asked those questions. There are too many times where I have interviewed candidates, and they answered with an inappropriate answer. They didn't respond inappropriately because they are stupid or bad people. They responded inappropriately because they didn't practice or no one taught them how to interview. There are several categories that the big four public accounting firms like EY, Deloitte, PwC and KPMG test you on when they interview you. We try to cover as many of the categories as possible in this book. The big 4 interview questions are split into these categories. The skills that the top 4 accounting firms will test you on are:

1. Ability to face change
2. Ability to learn on the job
3. Your courage and integrity
4. You client relationship skills
5. Can you build and sustain relationships?
6. Can you coach

others? These and many other categories are covered in the big 4 interview questions books. We categorize our questions to help you think about your answers in a more thoughtful manner. Big 4 Accounting Firms Interview Questions will help you understand the: □ PwC interview questions and answers □ KPMG interview questions and answers □ EY interview questions and answers □ Deloitte interview questions and answers Don't forget to use the Look Inside feature to get a preview of what our book has to offer including a Free Big 4 Accounting Resume Template. You might also have a negative mindset that you feel like you can't shake. We have some tips on how to stay positive throughout the recruiting process. Even if you aren't a positive person, we tell you how to come off to Big 4 professionals as a positive individual.

**The Proximity Principle** Ken Coleman.2019-05-13 Right now, 70% of Americans aren't passionate about their work and are desperately longing for meaning and purpose. They're sick of "average"

and know there's something better out there, but they just don't know how to reach it. One basic principle—The Proximity Principle—can change everything you thought you knew about pursuing a career you love. In his latest book, *The Proximity Principle*, national radio host and career expert Ken Coleman provides a simple plan of how positioning yourself near the right people and places can help you land the job you love. Forget the traditional career advice you've heard! Networking, handing out business cards, and updating your online profile do nothing to set you apart from other candidates. Ken will show you how to be intentional and genuine about the connections you make with a fresh, unexpected take on resumes and the job interview process. You'll discover the five people you should look for and the four best places to grow, learn, practice, and perform so you can step into the role you were created to fill. After reading *The Proximity Principle*, you'll know how to connect with the right people and put yourself in the right places, so opportunities will come—and you'll be prepared to take them.

**Ask a Manager** Alison Green. 2018-05-01 From the creator of the popular website Ask a Manager and New York's work-advice columnist comes a witty, practical guide to 200 difficult professional conversations—featuring all-new advice! There's a reason Alison Green has been called "the Dear Abby of the work world." Ten years as a workplace-advice columnist have taught her that people avoid awkward conversations in the office because they simply don't know what to say. Thankfully,

Green does—and in this incredibly helpful book, she tackles the tough discussions you may need to have during your career. You'll learn what to say when • coworkers push their work on you—then take credit for it • you accidentally trash-talk someone in an email then hit “reply all” • you're being micromanaged—or not being managed at all • you catch a colleague in a lie • your boss seems unhappy with your work • your cubemate's loud speakerphone is making you homicidal • you got drunk at the holiday party Praise for Ask a Manager “A must-read for anyone who works . . . [Alison Green's] advice boils down to the idea that you should be professional (even when others are not) and that communicating in a straightforward manner with candor and kindness will get you far, no matter where you work.”—Booklist (starred review) “The author's friendly, warm, no-nonsense writing is a pleasure to read, and her advice can be widely applied to relationships in all areas of readers' lives. Ideal for anyone new to the job market or new to management, or anyone hoping to improve their work experience.”—Library Journal (starred review) “I am a huge fan of Alison Green's Ask a Manager column. This book is even better. It teaches us how to deal with many of the most vexing big and little problems in our workplaces—and to do so with grace, confidence, and a sense of humor.”—Robert Sutton, Stanford professor and author of The No Asshole Rule and The Asshole Survival Guide “Ask a Manager is the ultimate playbook for navigating the traditional workforce in a diplomatic but firm way.”—Erin Lowry, author of Broke Millennial: Stop Scraping By and Get Your Financial Life Together

FreeComputerBooks goes by its name and offers a wide range of eBooks related to Computer, Lecture Notes, Mathematics, Programming, Tutorials and Technical books, and all for free! The site features 12 main categories and more than 150 sub-categories, and they are all well-organized so that you can access the required stuff easily. So, if you are a computer geek FreeComputerBooks can be one

of your best options. If you have an internet connection, simply go to BookYards and download educational documents, eBooks, information and content that is freely available to all. The web page is pretty simple where you can either publish books, download eBooks based on authors/categories or share links for free. You also have the option to donate, download the iBook app and visit the educational links. Most free books on Google Play are new titles that the author has self-published via the platform, and some classics are conspicuous by their absence; there's no free edition of Shakespeare's complete works, for example. If you are a book buff and are looking for legal material to read, GetFreeEBooks is the right destination for you. It gives you access to its large database of free eBooks that range from education & learning, computers & internet, business and fiction to novels and much more. That's not all as you can read a lot of related articles on the website as well. It's worth

remembering that absence of a price tag doesn't necessarily mean that the book is in the public domain; unless explicitly stated otherwise, the author will retain rights over it, including the exclusive right to distribute it. Similarly, even if copyright has expired on an original text, certain editions may still be in copyright due to editing, translation, or extra material like annotations. Looking for the next great book to sink your teeth into? Look no further. As the year rolls on, you may find yourself wanting to set aside time to catch up on reading. We have good news for you, digital bookworms — you can get in a good read without spending a dime. The internet is filled with free e-book resources so you can download new reads and old classics from the comfort of your iPad. If you have an eBook, video tutorials, or other books that can help others, KnowFree is the right platform to share and exchange the eBooks freely. While you can help each other with these eBooks for educational needs, it also helps for self-practice.
