

I Stood With Wellington

Wellington's Men, Some Soldier Autobiographies William Henry Fitchett.1900

Forlorn Hope James Mace.2012-03-28 Lieutenant James Webster is in mourning, following the loss of his wife, and volunteers to lead the small group that will lead the assault.

On the Road with Wellington August Ludolf Friedrich

Schaumann.1924 August Schaumann was a natural born storyteller. He describes his Peninsular adventures so vividly that you get the feeling that you are there, riding next to him dodging French cavalry patrols and conquering the hearts and bodies of Spanish and Portuguese ladies. But who was August Schaumann? He was born in Hanover in 1778. At the age of 16 he was compelled to join the army against his will, but he eventually rose through the ranks to the rank of junior-subaltern. In 1799 his father, a severe and harsh man, removed his son from the army and procured him a position at the postal service. In 1803 he left his home in Hanover and proceeded to England where he was employed as a clerk at a Newcastle firm. In 1807 he decided to move to Russia. He never made it there because heavy storms forced him to take refuge in Goteborg, Sweden. Here too he found a brief employment as a clerk. When the English fleet sailed back to England after its Swedish expedition in 1808 August boarded one of its ships and was taken to England to start a new career as war commissary in the Kings German Legion. On the 28th August 1808 August Schaumann set foot on the shores of Maceira Bay in Portugal. From here on he tells us in great detail and in a style that captivates the reader about his Peninsular adventures. As a war commissary Schaumann saw, did, and lived it all. Not only does he tell us about his perilous and difficult duties as a commissary, but he also tells us about his numerous

romantic adventures and about life in Spanish and Portuguese billets. Because he was a keen observer and a great storyteller he was able to describe some of the great battles of the Peninsular War and the invasion of France in 1814. He also describes the gruesome retreat from Coruna, the endless marches and counter marches, and the hardships that the common soldiers had to endure in a way that puts you, the reader, right in the middle of it. August ended his military career in 1816 and returned to his native town of Hanover where he obtained a post as civil servant. He died in 1840. I have enjoyed these memoirs very much. Not only because they give a very precise and clear picture of the military operations that Schaumann was involved in, but also -- and foremost-- because they give an insight into aspects of the Napoleonic Wars that dont get much attention in other memoirs. I am referring to the logistic problems that all Napoleonic and in particular the British army faced in those days and how the civilian population of Spain and Portugal lived and coped during this dark period of their history.

Wellington: The Iron Duke (Text Only) Richard

Holmes.2012-06-28 In this compelling book, Richard Holmes tells the exhilarating story of the Duke of Wellington, Britain's greatest ever soldier.

The Life of Arthur, Duke of Wellington George Robert Gleig.1865

The Lines of Torres Vedras John Grehan.2015-11-30 "This is a well-researched, well-written, closely argued and fascinating contribution to the historiography of the Peninsular War."—The Spectator In 1809 French armies controlled almost every province of Spain and only Wellington's small force in Portugal stood between Napoleon and the conquest of Iberia. The French invaded Portugal in the summer of 1810, but found their way blocked by the most extensive field fortifications the world had ever seen—the Lines of Torres Vedras. Unable to penetrate the Lines, the French were driven back into Spain having suffered the

Downloaded from
gws.ala.org on 2020-12-27

heaviest defeat yet experienced by Napoleon's armies. The retreat from Portugal marked the turning point in the Peninsular War and, from the security of the Lines, Wellington was able to mount the offensive campaigns that swept France's Imperial armies back across the Pyrenees. The Lines of Torres Vedras is an authoritative account of the planning, construction and occupation of the Lines and of the battles, sieges and horrors of the French invasion. It is also an important study of Wellington's strategy during the crucial years of the war against Napoleon. "Essential reading for every Peninsula enthusiast, this is recommended highly."—Military Illustrated

The Dispatches of Field Marshal the Duke of Wellington, During His Various Campaigns in India, Denmark, Portugal, Spain, the Low Countries, and France Arthur Wellesley of Wellington. 1844

Wellington's Redjackets Steve Brown. 2015-10-30 The assault was failing. Wellington's men had stormed the walls of the great frontier fortress of Badajoz only to be beaten back with terrible losses. Then on the keep of the old castle the French flag was torn down and a British officer's red jacket was hauled up the flagpole. It was the signal the British were inside Badajoz! This was one of the most famous incidents during the Peninsular War and marked not only the turning point in the capture of Badajoz but of the entire conflict. The jacket belonged to Lieutenant James MacPherson of the 45th (Nottinghamshire) Regiment. The 45th had landed with Wellington at Mondego Bay in 1808 and fought with him throughout the entire Peninsular War gaining more battle honours than any other line regiment. Wellington's Redjackets, The 45th (Nottinghamshire) Regiment on Campaign in South America and the Peninsular War is one of the most detailed unit histories ever published of a regiment during the Napoleonic era. As the first, and only, study of this regiment, Wellington's Redjackets will undoubtedly be an essential purchase for those interested in Napoleonic warfare.

Arthur Wellesley Duke of Wellington.1873

Supplementary Despatches and Memoranda of Field Marshal Arthur, Duke of Wellington, K.G.: Peninsula, 1810-1813 Arthur Wellesley Duke of Wellington.1860

I Stood With Wellington James Mace.2012-11-30 In February, 1815, after nine months in exile, Napoleon Bonaparte, the deposed Emperor of the French, escaped from the Isle of Elba. Seizing the initiative while the European powers bicker amongst themselves at the Congress of Vienna, Napoleon advances towards Belgium with an enormous army, where the combined forces of Prussia and England are cantoned. The French Emperor knows that if he can achieve a decisive capture in Brussels, it will shatter the already fragile European alliance. Leading the allies is Sir Arthur Wellesley, Duke of Wellington; the venerable British field marshal who defeated Napoleon's best generals in Spain, yet who the emperor had never personally met in battle. Napoleon knows that if he can draw away Wellington's chief Prussian ally, Gebhard von Blucher, and destroy his army first, he can unleash his entire might against the British. A victory over the unbeaten Wellington will cripple the alliance even further, as it will then deprive them of both English soldiers and financing. In Belgium, Captain James Henry Webster has finally returned to a line regiment after being terribly wounded at the Siege of Badajoz three years prior. He is given command of a line company within the 1st Regiment of Foot Guards, the elite of the British Infantry. A series of indecisive clashes will lead to a collision between the two greatest military minds of the age and the bloodiest single day of the entire century, as Wellington and Napoleon lead their armies to either immortality or oblivion. For Captain Webster, he fights for both his nation and to protect his young daughter in Brussels. Along with the rest of the Guards Division, he finds himself at the apex of the battle, where the fate

Downloaded from
gws.ala.org on 2020-12-27

of the entire world will be decided; at a place called Waterloo.

The Wellington and Napoleon Quartet: Young Bloods, The Generals, Fire and Sword, Fields of Death Simon

Scarrow.2015-05-21 Simon Scarrow's four classic novels based on the lives of the Duke of Wellington and Napoleon Bonaparte are published together in one superb-value ebook volume not to be missed by readers of Bernard Cornwell. Arthur, Duke of Wellington, and Emperor Napoleon Bonaparte were adversaries on an epic scale. Across Europe and beyond, the armies of Great Britain and France clashed, from the Iberian Peninsula to India, from Austerlitz to the final confrontation at Waterloo. What drove the two clever, ambitious, determined men who masterminded these military campaigns? How did the underdog from Corsica develop the strategic military skills and the political cunning that gave him power over swathes of Europe? And how did Wellington, born to be a leader, hone his talents and drive an army to victory after victory? From an outstanding historian and novelist come four epic novels, now available in one volume for the first time, which tell the full story of both these men, from their very early days till the momentous battle at Waterloo which decided the future of Europe. INCLUDES MAPS

Despatches, Correspondence and Memoranda of Field Marshal Arthur Duke of Wellington Arthur Wellesley Duke of Wellington.1868

Napoleon and Wellington Andrew Roberts.2010-12-16 A dual biography of the greatest opposing generals of their age who ultimately became fixated on one another, by a bestselling historian. 'Thoroughly enjoyable, beautifully written and meticulously researched' Observer On the morning of the battle of Waterloo, the Emperor Napoleon declared that the Duke of Wellington was a bad general, the British were bad soldiers and that France could not fail to win an easy victory. Forever afterwards historians have accused him of gross overconfidence,

Downloaded from
gws.ala.org on 2020-12-27

and massively underestimating the calibre of the British commander opposed to him. Andrew Roberts presents an original, highly revisionist view of the relationship between the two greatest captains of their age. Napoleon, who was born in the same year as Wellington - 1769 - fought Wellington by proxy years earlier in the Peninsula War, praising his ruthlessness in private while publicly deriding him as a mere 'sepoy general'. In contrast, Wellington publicly lauded Napoleon, saying that his presence on a battlefield was worth forty thousand men, but privately wrote long memoranda lambasting Napoleon's campaigning techniques. Although Wellington saved Napoleon from execution after Waterloo, Napoleon left money in his will to the man who had tried to assassinate Wellington. Wellington in turn amassed a series of Napoleonic trophies of his great victory, even sleeping with two of the Emperor's mistresses.

Wellington at Waterloo Jac Weller.2010-10-18 Jac Weller studies every move and counter-move of the battle, recreating not only the actions and tactics of the two great leaders but the epic engagements and clashes between the troops themselves that were pivotal for the victory or defeat. The author also studies the related battles of Quatre Bras and Ligny. He takes the reader with him onto the battlefield of Waterloo, a terrain whose features are still recognisable today, and which is brought to life for the reader by detailed maps and by the authors vivid and riveting descriptions of the progress of the fighting. This completely original approach, appreciated by the Times Literary Supplement on the book's first publication, strikes as fresh today, and this new edition, with an introduction specially written for it by the author, will be eagerly read by military enthusiasts and general reader alike.

Wellington Against Massena David Buttery.2007-07-19

Wellington's clash with Massena was one of the most remarkable contests between two commanders in the Peninsular War. These two formidable generals carried on a campaign of maneuver,

Downloaded from
gws.ala.org on 2020-12-27
by guest

battle and attrition across Spain and Portugal in 1810 and 1811 which had a decisive impact on the outcome of the war. Wellington's reputation was enhanced, Massena's was ruined. David Buttery's close analysis of this extraordinary encounter offers a penetrating insight into the personalities of these two outstanding soldiers. Using a variety of sources, in particular eyewitness accounts from both sides, he reassesses the famous confrontations at Ciudad Rodrigo, Almeida, Busaco, the lines of Torres Vedras and the final bitterly fought battle at Fuentes de Ooro. He sheds new light on this pivotal episode in the Napoleonic Wars and his account corrects the one-sided view of the campaign that has survived to the present day. In particular he reconsiders the true cost of the scorched earth policy that was employed against the French

Wellington's American General Nicholas Fogg. 2022-03-15 Based on the journals of a New Yorker who would become one of Wellington's senior generals, the story of a remarkable military career from The American War of Independence to the Peninsula, Tobago and Canada.

Wellington after Waterloo Neville Thompson. 2015-12-22 First published in 1986. In this book Neville Thompson traces Wellington's life after 1815 using then new archival and documentary records. The work examines the development of Wellington's character and outlook, and assesses the significance of his persistent involvement in politics over three decades. It shows the Duke was a crucial figure in the development of the compromise between reform and the preservation of traditional institutions and practices. This title will be of interest to students of history.

Wellington Jane Wellesley.2010-12-30 A highly personal, anecdotal family memoir of the Wellington legacy. Jane Wellesley is a member of one of Britain's most illustrious families. Her father, the 8th Duke of Wellington, was born in 1915, a hundred years after the first Duke's momentous victory over Napoleon at Waterloo, but only a little over sixty years after the death of his celebrated ancestor. When the 'Iron Duke' died Queen Victoria wept with the nation, mourning the loss of 'the greatest man England has known'. A million and a half people swarmed London's streets to watch his cortege pass on its way to St Paul's. Few facts can now be added about the public man, but Jane's family memoir animates the First Duke as husband and father, as brother and several degrees of grandfather. Her journey through this richly compelling family history begins and ends with the first Duke, visiting the battlefield of Waterloo with her father to set her fascinating tale in motion. Through her parents she reaches back to earlier generations, weaving together characters and places, establishing connections, and exploring in greater depth than usual the Wellington women, who are often reduced to footnotes in conventional histories. She unearths memories, visits places from her parents' past, and discovers much about the lives of her grandparents and the generations before them. Most of us view the First Duke of Wellington as an iconic figure, whose name has been claimed by pubs, squares, streets, and, of course, rubber boots. In this highly personal account, the public man gives way to the private, and Wellington's legacy is seen through the eyes of those who have followed in his footsteps. Jane Wellesley triumphantly succeeds in wresting the Duke from his lonely column to reclaim him for his family, and so for the reader. *Dispatches, Correspondence and Memoranda of Field Marshal Arthur Duc of Wellington, K.G.* Arthur Wellesley Duke of Wellington.1868

Wellington's Peninsular War Julian Paget.2005-11-18 This history and battlefield guide is an essential reference for anyone visiting

Downloaded from
gws.ala.org on 2020-12-27

the sites of Wellington's war with Napoleon in Spain and Portugal. Wellington's Peninsular War provides a concise and comprehensive account of the battlefields as they exist today, with historic context and practical details to help readers find and explore them. The Peninsular War of 1808 to 1841 was a major part of the twenty-year struggle against Napoleon Bonaparte's imperial ambitions. Military historian Julian Paget presents a balanced picture of the conflict, covering the Duke of Wellington's campaigns as well as the crucially important efforts of the Spanish and Portuguese. Paget begins with an overview of the war and its background, followed by a complete year-by-year account. He then presents a chapter on each of the major battles, includes maps and photographs of the battlefields, orders of battle, and helpful information about the battlefield today. The maps show the ground as it was at the time but also include modern features for easier identification.

The Men of Wellington's Light Division Gareth Glover, Robert Burnham. 2022-10-20 Some of the most famous memoirs of Britain's long war against Napoleon have come from the pens of members of Wellington's Light Division, but many wonderful accounts were never published and have sat in archives, libraries, museums, and private collections, forgotten for 200 years. The regiments of the Light Division, and its predecessor, the Light Brigade, were involved in almost every major battle and skirmish fought by Wellington and Sir John Moore in the Peninsular War. Unlike the line infantry, these men were encouraged to think and fight independently and were, often, of a higher educational standard, resulting in vivid descriptions of warfare and campaign life. However, these memoirs do not simply cover old ground. Many of these accounts were produced within hours, or at most days, after the incidents they describe, and they often portray a very different view of many famous events and cause us to question numerous claims made in those later published memoirs. Never intended to be published, the memoirs in this book were

Downloaded from
[gws.ala.org](https://www.gws.ala.org) on 2020-12-27
by guest

written only for the men themselves and their families, being penned without the dreaded influence of 'hindsight' to alter and temper their views. Consequently, they provide brutally honest assessments of their senior officers, how operations were handled and who made mistakes that have subsequently been quietly covered over. The Men of Wellington's Light Division is certain to be welcomed by historians and enthusiasts alike, providing a glimpse into the past that has not been seen before.

Wellington's Lieutenants Alexander Innes Shand.1902

Journal of the Legislative Council New South Wales. Parliament. Legislative Council.1901

Wellington's Foot Guards at Waterloo Robert Burnham,Ron McGuigan.2018-11-30 During the Waterloo Campaign, Wellington had only one division that was composed entirely of British infantry, the 1st Division. This consisted of two brigades of the most famous regiments of the British Army the three regiments of Guards.The exploits of the Guards at Waterloo have passed into legend. On that day, Wellington entrusted the most crucial part of his line to the men he knew would hold their position at all cost. That vital position was the Chteau d'Hougoumont, and those men were the Guards.As the great battle unfolded, the French threw more and more troops at the walls of Hougoumont, setting some of the Chteaus buildings on fire and almost forcing their way in through its northern gateway. Though almost an entire French corps was engaged in the struggle for Hougoumont, the detachment of the Guards valiantly resisted every attack.Then, as the battle reached its climax, Napoleon launched his Imperial Guard at the centre of Wellingtons line. Just as the French believed that victory was in their grasp, up stood the 1st Guards Brigade to deliver a devastating volley, followed by a ferocious bayonet charge from which the French never recovered.The experienced duo of Robert Burnham and Ron McGuigan have compiled the first comprehensive study of the Guards Division throughout the entire Waterloo campaign, from the initial

Downloaded from
gws.ala.org on 2020-12-27
by guest

deployment in Belgium to the Occupation of Paris. The book also includes an explanation of the organisation and composition of the two brigades and personal details of many of the Guards officers the men who saved the day at Waterloo.

Wellington's Men W. H. Fitchett.2009-04 Wellington's Peninsula Campaign as told by four soldiers who lived through it: John Kincaid - Adventures in the Rifle Brigade, Benjamin Harris - Rifleman Harris, James Anton - Military Life, Cavalie Mercer - Waterloo. Wellington's Men is perhaps best summarized by the words of the author in the opening sentence of the book. This volume is an attempt to rescue from undeserved oblivion a cluster of soldierly autobiographies; and to give to the general reader some pictures of famous battles, not as described by the historian or analysed by the philosopher, but as seen by the eyes of men who fought in them. Fitchett attempts that rescue with a brilliant rendering and analysis of parts of four biographies-written by two junior officers, a sergeant, and a private soldier. Each of these men were eye-witnesses to the major events of Wellington's Peninsula Campaign, and write about both what they saw, and what they thought about what they saw. They are the ...actual human documents, with the salt of truth, of sincerity, and of reality in every syllable. Each of these books is presented and discussed by one of the finest historians of his day: William Henry Fitchett - Wellington's Men

Wellington Rory Muir.2013-12-03 The leading Wellington historian's fascinating reassessment of the Iron Duke's most famous victory and his role in the turbulent politics after Waterloo. For Arthur Wellesley, First Duke of Wellington, his momentous victory over Napoleon was the culminating point of a brilliant military career. Yet Wellington's achievements were far from over: he commanded the allied army of occupation in France to the end of 1818, returned home to a seat in Lord Liverpool's cabinet, and became prime minister in 1828. He later served as a senior minister in Peel's government and remained commander-

Downloaded from
gws.ala.org on 2020-12-27

by guest

in-chief of the army for a decade until his death in 1852. In this richly detailed work, the second and concluding volume of Rory Muir's definitive biography, the author offers a substantial reassessment of Wellington's significance as a politician and a nuanced view of the private man behind the legend of the selfless hero. Muir presents new insights into Wellington's determination to keep peace at home and abroad, achieved by maintaining good relations with the Continental powers and resisting radical agitation while granting political equality to the Catholics in Ireland rather than risk civil war. And countering one-dimensional pictures of Wellington as a national hero, Muir paints a portrait of a well-rounded man whose austere demeanor on the public stage belied his entertaining, gossipy, generous, and unpretentious private self. "[An] authoritative and enjoyable conclusion to a two-part biography." —Lawrence James, *Times* (London) "Muir conveys the military, political, social and personal sides of Wellington's career with equal brilliance. This will be the leading work on the subject for decades." —Andrew Roberts, author of *Napoleon and Wellington: The Long Duel*

Maxims and Opinions of Field-Marshal His Grace the Duke of Wellington with a Biographical Memoir

The Duke of Wellington. 2016-04-12 This collection of literature attempts to compile many of the classic works that have stood the test of time and offer them at a reduced, affordable price, in an attractive volume so that everyone can enjoy them.

Nivelle, Nive, Orthes, Croix d'Orade and the final battle of the war at Toulouse. He was wounded at Mendionde in a clash with French cavalry as Wellington advanced into France. He also served in the 1815 campaign, being at Waterloo and the march to Paris. What is most remarkable is that Woodberry found time to record events at length in his journal almost every single day. This enables the reader to trace accurately the movements of the 18th Hussars and Wellington's army in general with precision. It also provides an insight into life on campaign in Spain, France and Belgium with the British Army of the early nineteenth century. His lively, detailed and entertaining account of his time in Wellington's army is matched by the unusual story of the history of his journal. It was published once before, in 1898, but in French by a Paris-based publisher. The original journal, in two leather-bound volumes, has since been lost, but the French edition has now been translated back into English by renowned Napoleonic historian Gareth Glover and is published in the UK for the first time.

battlefields as they are today and how to find and explore them. The Peninsular War (1808-1841) was part of the twenty year struggle against Napoleon Bonaparte that involved campaigns in Europe, the Middle East, Russia, the West Indies, South America and South Africa and until 1914 was known as 'The Great War'. The author has presented a balanced picture of the whole campaign and gives due credit to the Spanish and Portuguese efforts without which victory would not have been possible. Arranged in sections, the author starts with a review of the whole war and the background to it and follows with a complete chronological account of the war year by year. Finally a chapter on each of the major battles includes maps and photographs of the battlefields, orders of battle and instructions on how to find the battlefield today and what to see there. The maps show the ground as it was at the time but also include modern features to identify where the fighting took place enabling the reader to stand where Wellington would have stood when surveying the battlefield.

I Stood With Wellington Introduction

In today's digital age, the availability of I Stood With Wellington books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of I Stood With Wellington books and manuals for download, along with some

popular platforms that offer these resources. One of the significant advantages of I Stood With Wellington books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing I Stood With Wellington versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, I Stood With Wellington books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible

means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing I Stood With Wellington books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another

popular platform for I Stood With Wellington books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast

collection of digitized books and historical documents. In conclusion, I Stood With Wellington books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of I Stood With Wellington books and manuals for download and embark on your journey of knowledge?

FAQs About I Stood With

Wellington Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer webbased readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive

Find I Stood With Wellington

Finding the Free Ebooks. Another easy way to get Free Google eBooks is to just go to the Google Play store and browse. Top Free in Books is a browsing category that lists this week's most popular free downloads. This includes public domain books and promotional books that legal copyright holders wanted to give away for free. PixelScroll lists free Kindle eBooks every day that each includes their genre listing, synopsis, and from

gws.ala.org on 2020-12-27

cover. PixelScroll also lists all kinds of other free goodies like free music, videos, and apps. Overdrive is the cleanest, fastest, and most legal way to access millions of ebooks—not just ones in the public domain, but even recently released mainstream titles. There is one hitch though: you'll need a valid and active public library card. Overdrive works with over 30,000 public libraries in over 40 different countries worldwide. The split between “free public domain ebooks” and “free original ebooks” is surprisingly even. A big chunk of the public domain titles are short stories and a lot of the original titles are fanfiction. Still, if you do a bit of digging around, you'll find some interesting stories. You can search for free Kindle books at Free-eBooks.net by browsing through fiction and non-fiction categories or by viewing a list of the best books they offer. You'll need to be a member of Free-eBooks.net to download the books, but membership is free. Books. Sciendo can meet all publishing needs for authors

of academic and ... Also, a complete presentation of publishing services for book authors can be found ... Most of the ebooks are available in EPUB, MOBI, and PDF formats. They even come with word counts and reading time estimates, if you take that into consideration when choosing what to read. If you're having a hard time finding a good children's book amidst the many free classics available online, you might want to check out the International Digital Children's Library, where you can find award-winning books that range in length and reading levels. There's also a wide selection of languages available, with everything from English to Farsi. FeedBooks: Select the Free Public Domain Books or Free Original Books categories to find free ebooks you can download in genres like drama, humorous, occult and supernatural, romance, action and adventure, short stories, and more. Bookyards: There are thousands upon thousands of free ebooks here.
