He created a place of wonder and imagination, and now, decades later, Universal Studios is filled with rumors of ghosts. Frank Stites, an aviator killed while performing stunts during the grand opening celebrations in 1915, is said to still roam the backlot. Lon Chaney, a silent film actor, plagues sound stage no. 28, while Alfred Hitchcock haunts Steven Spielberg's office. Even Lucille Ball has been spotted more than once long after her death.

The White Coat Investor James M. Dahle.2014-01 Written by a practicing emergency physician, *The White Coat Investor* is a high-yield manual that specifically deals with the financial issues facing medical students, residents, physicians, dentists, and similar high-income professionals. Doctors are highly-educated and extensively trained at making difficult diagnoses and performing life saving procedures. However, they receive little to no training in business, personal finance, investing, insurance, taxes, estate planning, and asset protection. This book fills in the gaps and will teach you to use your high income to escape from your student loans, provide for your family, build wealth, and stop getting ripped off by unscrupulous financial professionals. Straight talk and clear explanations allow the book to be easily digested by a novice to the subject matter yet the book also contains advanced concepts specific to physicians you won't find in other financial books. This book will teach you how to: Graduate from medical school with as little debt as possible Escape from student loans within two to five years of residency graduation Purchase the right types and amounts of insurance Decide when to buy a house and how much to spend on it Learn to invest in a sensible, low-cost and effective manner with or without the assistance of an advisor Avoid investments which are designed to be sold, not bought Select advisors who give great service and advice at a fair price Become a millionaire within five to ten years of residency graduation Use a Backdoor Roth IRA and Stealth IRA to boost your retirement funds and decrease your taxes Protect your hard-won assets from professional and personal lawsuits Avoid estate taxes, avoid probate, and ensure your children and your money go where you want when you die Minimize your tax burden, keeping more of your hard-earned money Decide between an employee job and an independent contractor job Choose between sole proprietorship, Limited Liability Company, S Corporation, and C Corporation Take a

Ask a Manager Alison Green.2018-05-01 From the creator of the popular website Ask a Manager and New York's work-advice columnist comes a witty, practical guide to 200 difficult professional conversations—featuring all-new advice! There's a reason Alison Green has been called “the Dear Abby of the work world.” Ten years as a workplace-advice columnist have taught her that people avoid awkward conversations in the office because they simply don't know what to say. Thankfully, Green does—and in this incredibly helpful book, she tackles the tough discussions you may need to have during your career. You'll learn what to say when • coworkers push their work on you—then take credit for it • you accidentally trash-talk someone in an email then hit “reply all” • you're being micromanaged—or not being managed at all • you catch a colleague in a lie • your boss seems unhappy with your work • your cubemate's loud speakerphone is making you homicidal • you got drunk at the holiday party Praise for Ask a Manager “A must-read for anyone who works . . . [Alison

Green's] advice boils down to the idea that you should be professional (even when others are not) and that communicating in a straightforward manner with candor and kindness will get you far, no matter where you work."—Booklist (starred review) "The author's friendly, warm, no-nonsense writing is a pleasure to read, and her advice can be widely applied to relationships in all areas of readers' lives. Ideal for anyone new to the job market or new to management, or anyone hoping to improve their work experience."—Library Journal (starred review) "I am a huge fan of Alison Green's Ask a Manager column. This book is even better. It teaches us how to deal with many of the most vexing big and little problems in our workplaces—and to do so with grace, confidence, and a sense of humor."—Robert Sutton, Stanford professor and author of *The No Asshole Rule* and *The Asshole Survival Guide* "Ask a Manager is the ultimate playbook for navigating the traditional workforce in a diplomatic but firm way."—Erin Lowry, author of *Broke Millennial: Stop Scraping By and Get Your Financial Life Together*

Make Your Story a Movie John Robert Marlow.2012-12-11 \$50 Billion of Advice in One Book* Have you ever wondered why some books and stories are adapted into movies, and others aren't? Or wished you could sit down and pick the brains of the people whose stories have been adapted--or the screenwriters, producers, and directors who adapted them? Author John Robert Marlow has done it for you. He spoke to book authors, playwrights, comic book creators and publishers, as well as Hollywood screenwriters, producers and directors responsible for adapting fictional and true stories

into Emmy-winning TV shows, Oscar-winning films, billion-dollar megahits and smaller independents. Then he talked to the entertainment attorneys who made the deals. He came away with a unique understanding of adaptations--an understanding he shares in this book: which stories make good source material (and why); what Hollywood wants (and doesn't); what you can (and can't) get in a movie deal; how to write and pitch your story to maximize the chances of a Hollywood adaptation--and how much (and when) you can expect to be paid. *This book contains the distilled experience of creators, storytellers and others whose works have earned over \$50 billion worldwide. Whether you're looking to sell film rights, adapt your own story (alone or with help), or option and adapt someone else's property--this book is for you.
