Sykes.2021-07-15 This collection includes three books in the Captive Series: Stolen Innocence (prequel), Stealing Beauty, and Pretty Hostage! Stolen Innocence I was sold like property on the day of my father's funeral. I'd thought his death would set me free, but I'd never truly understood what it meant to have all my

freedoms stripped away. Until that day, I'd been living in a child's fantasy. Then my brother sells me to Vicente Rodríguez, a ruthless drug lord. My only reprieve from my hellish reality is in the strained companionship I share with his son, Adrián. Sometimes, I think he hates me. He can be cold and cruel, his burning green eyes glowering when he looks at me. But the longer I'm trapped in his home, the more heated those looks become, and not just with hatred. They make something burn within me, too. My innocence is no longer mine to give, but Adrián might be the first one to claim it for himself. Stealing Beauty Valentina hates me. That doesn't stop me from kidnapping her, stealing her away for myself. She was brought into my home when we were teenagers, sold to my father to pay a debt. She became the only light in my dark criminal underworld, and I couldn't help loving her. Now, ten years have separated us, and I've established my reputation as the most notorious, ruthless drug lord on the west coast. I don't care if she's grown to hate me. I'm finally powerful enough to claim Valentina for myself, and no one can stop me. A decade hasn't dulled my obsessive need for her. I'll kill anyone who tries to take her from me. Valentina was always meant to be mine. Nothing will stop me from possessing her, body and soul. Pretty Hostage She's yours now. With those three words, my boss gives me a gift: permission to kidnap and keep the woman I've wanted for years. Ever since we were teenagers, I've denied my desire for Sofia. Despite her father's involvement in running our cocaine empire, Caesar Hernández has carefully sheltered her from the brutal realities of our world. She's always been far too innocent and pure for me to drag her out of her charmed life and into my depravities. But Caesar chose to betray my ruthless boss. He'll have to prove his loyalty once again if he doesn't want any harm to come to his beloved daughter. I have her now, and he's well aware of my darker tendencies. I tried to save her from this, but I can't fight my savage nature when Sofia is in my home and under my command.

I'll do whatever it takes to keep my pretty hostage. If anyone tries to steal her from me, I'll start a war to protect my most precious possession. Sofia is mine, and I'll never let her go.

He'd seen and done horrible things. There was a darkness in him now that wasn't there before, and he couldn't undo it. It was a part of him. He wouldn't taint her with his love; so he went far away. I shouldn't want the beautiful brunette who lives in that suburban cul-de-sac, but one glance and I can't think of anything else but taking her. The innocence in her dark eyes tells me she has no idea what life in my world is like. But she's going to find out. I control everything around me, and that includes Kaia now. At first, she'll beg for her freedom, but it won't take long before she's begging for something else. Her world has changed. She's mine now. Beneath The Surface He took me from my safe little house and now I'm his. Cason Varens, the terrifying and brutally beautiful enforcer for the Varens crime family, plucked me from my life to punish my father. I may be young, but I know how this works. Men like Cason take no prisoners. Unless you make them want something more than blood and death. He says for the next seven days, I'm his. His to have. His to take. it's just seven days. To me, it might be the rest of my life. Beyond The Lies He's claimed me, and now my life is in his hands. I only know him by his first name. King. Beautiful and savage, he promises if I obey him, I'll get out of this alive. But that's not how the world works, especially with men like him. I want to hate him, but I can't deny what he makes me feel. I tell myself it's the way I'll trick him to get free, but will I be able to leave him if I get the chance?
