**Ping-Pong Diplomacy** Nicholas Griffin.2014-01-02 It was one of the most significant developments of the post-war era: China finally abandoning its close relationship with the Soviet Union to begin detente with the USA. Astonishingly, the man who helped make it happen was a British aristocrat, Ivor Montagu, a Soviet spy who knew Stalin and dined with Trotsky. Even more remarkably, the means to this rapprochement was table tennis, a sport loved by both Chairman Mao and Montagu. For years, Montagu had lived a dual life, working to spread communism and also table tennis around the world. Surprisingly, the two strands of his career would come together in an event of global significance. Nicholas Griffin weaves a compelling story to reveal the background to the famous occasion in 1971, when the USA's Glenn Cowan, a 19-year-old hippie, befriended China's world champion Zhuang Zedong, who was imprisoned during the Cultural Revolution. Within days, the Americans would be playing the Chinese in front of 18,000 fans in Beijing, with the whole world watching. It was the beginning of a thaw in Sino-US relations that forced the Soviets into a crippling arms race that acted as a catalyst to pressuring them into errors that would draw the Cold War to an end. Sometimes sport truly can have the biggest consequences.

Because of this man, I even have become more fanatic about tennis Was introduced to the beautiful game of tennis by my parents whom i forever remain grateful for but the appreciation even became bigger when 4 years ago i became acquainted with Mr Harold Mollin. Not only does this man eat, speak and dream tennis, he has played and lived it and his match analysis and player profiles are spot on. Because of this man, I even have become more fanatic about tennis even more and its all thanks to him, my love for the sport has risen to greater heights. Since I left Bangkok last year after 7 great years, I still watch the game and love it with passion but its not the same with my man Harold by my side giving me the blow by blow bits of every game and play. He is a man who would be of great help to any individual with hopes of making it big on the tennis circuit. - Farai Ngoni B. It's an awesome book... "It's an awesome book... bought it for my kindle on amazon ... great tips and awesome drills. I really like your drills... My student and I do the serve and volley drill she calls it the serve and volley game first to 10 lose at point if you double fault or miss the 1st volley ... we also do the 8 deep volley or overheads without allowing any ball to bounce and the volley game half court only start the rally and play it out lose a point if the ball gets over your head ... your drill are on point in reinforcing skills and tactical lessons..." - Clay R. Thanks Harold Mollin ! You are the MAN ! "I used to have a weak serve because hitting the ball at below the highest point robbed me of a full swing. This simple but effective point about hitting at the highest point helped me hit stronger serves and slice as well.

Thanks Harold Mollin ! You are the MAN !” - Steve Teoh Get the best out of our students...

“Although I’ve been coaching for many years, and we all have our own methods to get the best out of our students, I will always look and listen to what my peers are doing. Quite often I will invite a coach to my sessions to look at my students with fresh eyes, i never feel threatened or worried about losing a student, in fact more often than not it makes them feel even more important, and are grateful, I have used many of your quotes thank you Harold, I am planning to visit Bangkok in the future.” - Roger Nadal Tennis

*Ping Pong for Fighters* Tahl Leibovitz.2014-11-01 This book is called Ping Pong for Fighters, and it's about fighting all the different elements that are attached to table tennis. The fight starts inward and eventually moves outward, from within ourselves, to the ball, to our opponents, to the environment and the external conditions. I think what's interesting about this book is that the reader takes the journey with me. All that I learned in over 20 years of competing in table tennis, is in this book. The goal of this book is to try and get the reader to approach the game differently. The book is basically a philosophy for the thinking and feeling player. A philosophy that encourages one to stay in the present moment, have self confidence and compete to the best of their ability. This book is also very direct and very easy to understand. It is not an intellectual discourse of any kind. The book reads more like a conversation consisting of helpful direction through experience and a philosophy of table tennis that is concerned more with experiencing what it feels like to think and play table tennis like a top table tennis player.

Zen Golf Joseph Parent.2002-06-18 A highly original and groundbreaking book from a noted PGA coach and Buddhist instructor • "The lessons in Zen Golf make the mental game seem so simple. Dr. Parent has given me very effective methods for working with thoughts and emotions, and for taking the negatives out of the picture." —Vijay Singh, Masters and PGA Champion By combining classic

insights and stories from Zen tradition, Zen Golf helps eliminate the mental distractions that routinely cause poor shots and loss of concentration, allowing golfers to feel in “the zone” that professionals have learned to master. The best players know that golf is a game of confidence, and most important, concentration—the ability to focus and block out distraction. The goal of achieving clear thought is also at the heart of Buddhist teachings. PGA coach and Buddhist instructor Dr. Joseph Parent draws on this natural connection and teaches golfers how to clear their minds, achieve ultimate focus, and play in the moment for each shot. Zen Golf presents a simple system for building “mental game mastery.” Dr Parent’s unique PAR Approach (focusing on Preparation, Action, and Response to Results) guides golfers with specific techniques for each aspect of their games. In chapters such as “How to Get From the Practice Tee to the First Tee”, “You Produce What You Fear”, and “How to Enjoy a Bad Round of Golf”, the author shares a personal teaching regimen that has helped improve the games of professionals and amateurs alike. Clear, concise, and enlightening, Zen Golf shows golfers how to prepare for, execute, and equally important, respond the results of any golf shot. A different approach to golf instruction, this book shapes ancient philosophies into new teachings.

**Strokes of Genius** L. Jon Wertheim.2009-06-01 The executive editor of *Sports Illustrated* offers an in-depth analysis and behind-the-scenes look at the historic 2008 match between tennis titans. In the 2008 Wimbledon men's final, Centre Court was a stage set worthy of Shakespearean drama. Five-time champion Roger Federer was on track to take his rightful place as the most dominant player in the history of the game. He just needed to cling to his trajectory. So, in the last few moments of daylight, Centre Court witnessed a coronation. Only it wasn't a crowning for the Swiss heir apparent

but for a swashbuckling Spaniard. Twenty-two-year-old Rafael Nadal prevailed, in five sets, in what was, according to the author, “essentially a four-hour, forty-eight-minute infomercial for everything that is right about tennis—a festival of skill, accuracy, grace, strength, speed, endurance, determination, and sportsmanship.” It was also the encapsulation of a fascinating rivalry, hard fought and of historic proportions. In the tradition of John McPhee’s classic *Levels of the Game*, *Strokes of Genius* deconstructs this defining moment in sport, using that match as the backbone of a provocative, thoughtful, and entertaining look at the science, art, psychology, technology, strategy, and personality that go into a single tennis match. With vivid, intimate detail, Wertheim re-creates this epic battle in a book that is both a study of the mechanics and art of the game and the portrait of a rivalry as dramatic as that of Ali-Frazier, Palmer-Nicklaus, and McEnroe-Borg. “Deftly touches on all the defining factors of contemporary tennis.” —San Francisco Chronicle “Illuminates a kingdom changing hands. An engrossing book.” —Bud Collins

**Expert in a Year** Sam Priestley, Ben Larcombe. 2015-08-18 Sam Priestley was never Mr Sporty. After failed attempts at rowing and running he had all but given up on the possibility of becoming a sportsman. That was until childhood friend, and table tennis coach, Ben Larcombe convinced him to act as the guinea pig in an experiment he had concocted - The Expert in a Year Challenge. Starting 1st January 2014 novice Sam was immersed in the world of competitive table tennis. He began training every day and over the course of the year notched up hundreds of hours of practice in an attempt to reach a seemingly impossible goal. There was blood, sweat, tears, injuries, frustrations and moments of elation as the pair travelled up and down the UK, and beyond, in their quest for training, mentors and competition. Sam found potential he never thought he had, got better at table tennis than most people thought possible, and discovered what it feels like when 1.5 million people

watch you fail. Here is their story, including all the ridiculous training methods and unreachable goals, and the surprising lessons they learnt from playing table tennis every day for a year.

*PLAY BETTER TENNIS IN TWO HOURS* Oscar Wegner, Steven Ferry. 2004-12-15 Can tennis really be this simple? But if playing tennis isn't so easy for you, if you never seem to play up to your potential, don't blame yourself—blame the coach who taught you a lot of uselessly complex techniques. *Play Better Tennis in 2 Hours* is your guide to tennis as the pros play it—more intuitive, more fluid, and more fun. World-renowned tennis coach and ESPN commentator Oscar Wegner shows you how to focus your efforts on one thing—hitting the ball correctly. Your own natural athleticism will take care of everything else. Follow the simple drills in this power-packed handbook, and you'll learn how to: Move to the ball efficiently and fluidly Stop worrying about foot position and stance Hit every stroke harder and more accurately Put a wicked topspin on your forehand Master both one- and two-handed backhands Combine control and power on your volleys Put more speed and spin into your serve and more punch in your return Known and respected all around the world, Oscar has given us another great contribution to tennis with this book.—Gustavo Kuerten, three-time French Open champion Oscar has broken the mold, demystifying the modern tennis stroke. There's genius in his analysis of pro techniques—the dynamics of what the racquet does to the ball, how power and spin are added. He understands how top pros really stroke the ball, and always have, all the way back to Tilden.—Andy Rosenberg, Director for NBC Sports Wimbledon and French Open

**Revelations of a Table Tennis Champion** Dan Seemiller. 2016-09-11 If you are in the sport of table tennis, then you know Danny Seemiller, USA's greatest modern champion. In *Revelations of a*

*The Inner Game of Tennis* W. Timothy Gallwey. 2010-06-30 The timeless guide to achieving the state of “relaxed concentration” that’s not only the key to peak performance in tennis but the secret to success in life itself—part of the bestselling Inner Game series, with more than one million copies sold! “Groundbreaking . . . the best guide to getting out of your own way . . . Its profound advice applies to many other parts of life.”—Bill Gates, GatesNotes (“Five of My All-Time Favorite Books”) This phenomenally successful guide to mastering the game from the inside out has become a touchstone for hundreds of thousands of people. Billie Jean King has called the book her tennis bible; Al Gore has used it to focus his campaign staff; and Itzhak Perlman has recommended it to young violinists. Based on W. Timothy Gallwey’s profound realization that the key to success doesn’t lie in holding the racket just right, or positioning the feet perfectly, but rather in keeping the mind uncluttered, this transformative book gives you the tools to unlock the potential that you’ve

possessed all along. “The Inner Game” is the one played within the mind of the player, against the hurdles of self-doubt, nervousness, and lapses in concentration. Gallwey shows us how to overcome these obstacles by trusting the intuitive wisdom of our bodies and achieving a state of “relaxed concentration.” With chapters devoted to trusting the self and changing habits, it is no surprise then, that Gallwey’s method has had an impact far beyond the confines of the tennis court. Whether you want to play music, write a novel, get ahead at work, or simply unwind after a stressful day, Gallwey shows you how to tap into your utmost potential. No matter your goals, The Inner Game of Tennis gives you the definitive framework for long-term success.

World Class American Table Tennis Players of the Classic Age Dean Johnson,Tim Boggan.2014-06-06

This Volume, No. 4 in our 6-Volume series of American Legends, features five of our most popular and beloved -- Bernie Bukiet, Bobby Gusikoff, Erwin Klein and Leah and Tybie Thall. Bernie Bukiet's life is an incredible story of survival. Table Tennis to Bernie was a passport to everything - to survival during World War II, to America and, finally, to becoming "a show business celebrity." One day, during WWII, at 3 a.m., there's a knock on Bernie's door. What's your name?...gather up your belongings, you're coming with us. He's put on a train and sent to a concentration camp in Russia. When he is finally released he has to go somewhere so he heads to Munich where he believes he may have some relatives. At a train station, by chance, he meets a man he's never seen before who says, Hey, aren't you the table tennis player from before the War? He takes Bernie home, gives him a room, and fixes him up with a job coaching at a club in Germany. Bernie went on to become a 3-time U.S. Men's Singles Champion, 6-time U.S. Men's Doubles champion, 3-time U.S. Mixed Doubles Champion and an 8-time Member of the U.S. Team to the World Championships -- not the

table tennis but some official had once called him...but a show-business celebrity. Bobby Gusikoff came from a very musical family. His mother's father, Bohumil Kryl, had played the cornet for John Philip Sousa; his mother was a very accomplished pianist; and his father was a noted violinist and symphony orchestra conductor. But there would be no performance-concerts in Bobby's future - his footsteps would have him traveling to a different kind of playing hall. Bobby's introduction to table tennis came on an evening in the late 1940s when his father brought him to the fabled Herwald Lawrence's Broadway Courts in Manhattan. "There was no way to know that in a few minutes my entire life would be changed," he said. "When the big steel door of Lawrence's opened we walked into a smoky, slightly seedy-looking room packed with people. It was standing room only, and there before me was Dick Miles playing Marty Reisman a money match. I had never before seen anything like this. That night I had found my love. Erwin Klein, at age 16, at the Canadian International in Toronto, won the Men's Singles, Men's Doubles, Mixed Doubles and Junior titles - in the Men's defeating John Somael, Bernie Bukiet, and Sol Schiff, the U.S.'s 3rd, 4th, and 5th ranked players. How can this be explained by anything other than "pure talent?" Erwin went on to win the U.S. Open Boys twice, the U.S. Open Juniors three times, Canadian Open Men's Singles four times, U.S. Open Men's Singles and Men's Doubles four times and the 1956 World's Mixed Doubles Championship (with Leah Neuberger). The Legacy of Erwin Klein may be that he was the greatest table tennis player America ever produced -- in terms of pure talent, rivaling the legendary careers of Dick Miles and Marty Reisman. Leah & Tybie Thall won nearly 170 titles between them! Leah won 71 U.S. and Canadian titles including 9 U.S. Open Women's Singles titles, 12 Women's Doubles and 9 Mixed Doubles. Her greatest triumph of course was at Tokyo in 1956 when she and teenager Erwin Klein won the World's Mixed Doubles from 14-10 down in the 5th over Ivan Andreadis and Ann Haydon,

both World Singles runner-ups. Tybie's greatest triumphs came in the years 1948 and 1949. In 1949 she was a member of the winning U.S. Corbillon Cup Team and the winner of the English Open Mixed and Women's Doubles Championships. But Tybie's greatest triumph of all? Winning the World's Mixed Doubles Championship with Dick Miles in 1948. Describing Tybie's play in this match, English Coach Jack Carrington said in *Table Tennis* that Tybie "treated us to a display of mixed doubles play which few women could ever equal." She "inspired her partner to fight. She chopped Vana's drives and services safely back, pushed his difficult chops, and drove with ferocity whenever possible."

*Game, Set, Cash!* Brad Hutchins. 2014-05-28 Inside the secret world of tennis court-siding. Brad Hutchins has been living a young bloke's dream: getting paid to travel the world and watch sport. Sitting court-side on the pro tennis circuit, he uses his phone to transmit results to a gambling syndicate, taking advantage of the time delay in TV broadcasts to beat other online punters to the big pay-offs. His stories from life on the road capture the adventures and mishaps that come with following the world's best tennis players and partying in a new country every week. But like card counters in casinos, court-siders are despised by the tennis establishment. The more time Brad spends at tournaments, the harder it becomes for him to evade the security guards who are hell-bent on ejecting him from matches. The resulting cat-and-mouse chases will appeal to anyone who loves the roguish spirit of *The Wolf of Wall Street* or *Catch Me If You Can*. Brad Hutchins spent his youth playing sports and travelling the world, before finding his dream job as a tennis trader. Born and raised in Brisbane, he has lived and worked in the UK and Canada, and now teaches primary school students on the Gold Coast. *Game, Set, Cash!* is his first book.
