Women with Big Eyes Angeles Mastretta.2004-11-02 The award winning author of Tear This Heart Out writes a compilation of deeply personal stories imbued with the human spirit, driven by different powerful women connected by desire. Each story in this remarkable collection (Kirkus Reviews) reveals a different woman, yet all are linked by a single thread: the strength of desire. Vibrant, sly, wise, earthy, and full of life, these are stories that mesmerize.

Public Speaking Dale Carnegie.1926

[Bibliotheca nicotiana; a first catalogue of books about tobacco. together with a catalogue of objects connected with the use of tobacco](#) William Bragge.1880

[Cecilia Valdés or El Angel Hill](#) Cirilo Villaverde.2005-09-29 Cecilia Valdés is arguably the most important novel of 19th century Cuba. Originally published in New York City in 1882, Cirilo Villaverde's novel has fascinated readers inside and outside Cuba since the late 19th century. In this new English translation, a vast landscape emerges of the moral, political, and sexual depravity caused by slavery and colonialism. Set in the Havana of the 1830s, the novel introduces us to Cecilia, a beautiful light-skinned mulatta, who is being pursued by the son of a Spanish slave trader, named Leonardo. Unbeknownst to the two, they are the children of the same father. Eventually Cecilia gives in to Leonardo's advances; she becomes pregnant and gives birth to a baby girl. When Leonardo, who gets bored with Cecilia after a while, agrees to marry a white upper class woman, Cecilia vows revenge. A mulatto friend and suitor of hers kills Leonardo, and Cecilia is thrown into prison as an accessory to the crime. For the contemporary reader Helen Lane's masterful translation of Cecilia Valdés opens a new window into the intricate problems of race relations in Cuba and the Caribbean. There are the elite social circles of European and New World Whites, the rich culture of the free people of color, the class to which Cecilia herself belonged, and then the slaves, divided among themselves between those who were born in Africa and those who were born in the New World, and those who worked on the sugar plantation and those who worked in the households of the rich people in Havana. Cecilia Valdés thus presents a vast portrait of sexual, social, and racial oppression, and the lived experience of Spanish colonialism in Cuba.

The Shadow of the Wind Carlos Ruiz Zafon.2005-01-25 The New York Times bestseller "The Shadow of the Wind is ultimately a love letter to literature, intended for readers as passionate about storytelling as its young hero." —Entertainment Weekly (Editor's Choice) "One gorgeous read." —Stephen King Barcelona, 1945: A city slowly heals in the aftermath of the Spanish Civil War, and Daniel, an antiquarian book dealer's son who mourns the loss of his mother, finds solace in a mysterious book entitled *The Shadow of the Wind*, by one Julián Carax. But when he sets out to find the author's other works, he makes a shocking discovery: someone has been systematically destroying every copy of every book Carax has written. In fact, Daniel may have the last of Carax's books in existence. Soon Daniel's seemingly innocent quest opens a door into one of Barcelona's darkest secrets--an epic story of murder, madness, and doomed love.

The Spanish Atlantic World in the Eighteenth Century Allan J. Kuethe, Kenneth J.

Andrien.2014-05-12 This book covers the evolution of royal policy in Spanish America as eighteenth-century Spain modernized its empire and transformed itself into a power of the first order. Tracing the interplay between war and reform, the analysis confronts the diverse realities of the Spanish Atlantic world, which stretched from the northern Mexican borderlands to Argentina and Chile. Unlike earlier studies on eighteenth-century Spain, this work incorporates the early Bourbon experience into the narrative and integrates the impressive reemergence of the Royal Armada into a fuller picture of administrative, commercial, fiscal, ecclesiastical, and military change.

Early Bourbon Spanish America .2013-05-23 Growing out of the first Anglophone academic

workshop to focus exclusively on the early Bourbon Spanish America, this collective volume offers a new perspective on the key changes experienced in Spanish America during the first half of the eighteenth century.

Children's Literature Seth Lerer.2009-04-01 Ever since children have learned to read, there has been children's literature. *Children's Literature* charts the makings of the Western literary imagination from Aesop's fables to Mother Goose, from Alice's Adventures in Wonderland to Peter Pan, from *Where the Wild Things Are* to Harry Potter. The only single-volume work to capture the rich and diverse history of children's literature in its full panorama, this extraordinary book reveals why J. R. R. Tolkien, Dr. Seuss, Laura Ingalls Wilder, Beatrix Potter, and many others, despite their divergent styles and subject matter, have all resonated with generations of readers. *Children's Literature* is an exhilarating quest across centuries, continents, and genres to discover how, and why, we first fall in love with the written word. "Lerer has accomplished something magical. Unlike the many handbooks to children's literature that synopsise, evaluate, or otherwise guide adults in the selection of materials for children, this work presents a true critical history of the genre. . . . Scholarly, erudite, and all but exhaustive, it is also entertaining and accessible. Lerer takes his subject seriously without making it dull."—*Library Journal* (starred review) "Lerer's history reminds us of the wealth of literature written during the past 2,600 years. . . . With his vast and multidimensional knowledge of literature, he underscores the vital role it plays in forming a child's imagination. We are made, he suggests, by the books we read."—*San Francisco Chronicle* "There are dazzling chapters on John Locke and Empire, and nonsense, and Darwin, but Lerer's most interesting chapter focuses on girls' fiction. . . . A brilliant series of readings."—Diane Purkiss, *Times Literary Supplement*

Juan Soldado Paul J Vanderwood.2004-11-01 Paul J. Vanderwood offers a fascinating look at the events, beliefs, and circumstances that have motivated popular devotion to Juan Soldado, a Mexican folk saint. In his mortal incarnation, Juan Soldado was Juan Castillo Morales, a twenty-four-year-old soldier convicted of and quickly executed for the rape and murder of eight-year-old Olga Camacho in Tijuana in 1938. Immediately after Morales's death, many people began to doubt the evidence of his guilt, or at least the justice of his brutal execution. People reported seeing blood seeping from his grave and hearing his soul cry out protesting his innocence. Soon the "martyred" Morales was known as Juan Soldado, or John the Soldier. Believing that those who have died unjustly sit closest to God, people began visiting Morales's grave asking for favors. Within months of his death, the young soldier had become a popular saint. He is not recognized by the Catholic Church, yet thousands of people have made pilgrimages to his gravesite. While Juan Soldado is well known in Tijuana, southern California's Mexican American community, and beyond, this book is the first to situate his story within a broader exploration of how and why popular canonizations such as his take root and flourish. In addition to conducting extensive archival research, Vanderwood interviewed central actors in the events of 1938, including Olga Camacho's mother, citizens who rioted to demand Morales's release to a lynch mob, those who witnessed his execution, and some of the earliest believers in his miraculous powers. Vanderwood also interviewed many present-day visitors to the shrine at Morales's grave. He describes them, their petitions—for favors such as health, a good marriage, or safe passage into the United States—and how they reconcile their belief in Juan Soldado with their Catholicism. Vanderwood puts the events of 1938 within the context of Depression-era Tijuana and he locates people's devotion, then and now, within the history of extra-institutional religious activity. In *Juan Soldado*, a gripping true-crime mystery opens up into a much larger and more elusive mystery of faith and belief.

Mea Cuba Guillermo Cabrena Infante.1995-10-31 Quirky, unpredictable, often hilarious, Infante's book tells us much about the effect of the Cuban revolution on Cuban literature. - *Publishers Weekly* With bitter irony, the author tells a story sadly repeated during this century. A dictatorship that silences the intellectuals, a regime that lies and kills, and a propaganda war that has yet to end. One of the best compilations of documents on recent Cuban history.

Andrés Bello Ivan Jaksic.2006-11-02 This is the first book-length biography of Andrés Bello, the

nineteenth-century Latin American intellectual, to appear in English. Bello was also a poet, a literary critic, and an influential statesman whose contributions to nation-building and Spanish American identity are widely recognized across the region. This work provides a comprehensive interpretation of Bello's work, gives an account of Bello's life based on new information from archives in four countries, and sheds new light on this critical period in Latin American history.

Elegy for Joseph Cornell María Negroni.2020-08-11 Elegy for Joseph Cornell is at once a monologue; a collection of metafictional microfictions; a series of prose poems; an artist's quest; the hero's journey; a filmography, biography, bibliography, and inventory; a travel scrapbook; and a guidebook for creativity. Argentinian writer María Negroni transcends form and genre as she explores, with both luminous and illuminating results, the life of Joseph Cornell, a solitary urban artist whose work also defied conventional classification.

Ismaelillo José Martí.2017-09-30 Ismaelillo, el libro que Martí dedicara a su único hijo, ha sido ilustrado para esta edición de Letras Cubanas por el pintor y poeta José Luis Fariñas (1972).

Evidentemente, estas viñetas no pretenden comentar cada uno de los quince poemas que integran el estremecedor cuaderno martiano. Sin embargo, la sensibilidad del trazo de Fariñas les tiende un homenaje desde el arte, que el lector de cualquier edad sabrá de seguro apreciar.

Pot Pourri Eugenio Cambaceres.2003-05-01 Eugenio Cambaceres was the first to introduce the naturalist manner of Emile Zola to Argentinean literature in the late nineteenth century. The work of Cambaceres, a precursor to the contemporary Argentinean novel, is crucial for an understanding of the period of consolidation of Argentina, the formation of a national identity, and especially for the role of the intellectual during that transition. This generation theoretically and methodically built up a literature with features of its own, stressing the cultural primacy of Buenos Aires par excellence, to enhance the evolution of the cosmopolitan metropolis. A rich dandy narrates Pot Pourri, relating a story of marriage and adultery during the carnival celebrations. The volume editor, Josefina Ludmer, describes the dandy as an ambiguous protagonist who acts both as a reflection and a critic of the liberal state. As a new addition to the already-acclaimed Library of Latin America, Pot Pourri should find its rightful place with the ever-growing audience for Latin American literature.

Bibliografía española .2006

El Despertar de Las Musas Beatriz Luengo.2020-07 Beatriz Luengo discovers us the most intimate part of twelve creative muses, who weren't recognized at their times, and in which, as in a mirror, she reflects herself confessing her own truth as a woman and artist. This sincere self portrait, in which she undresses before the reader, is an admirable literary mosaic that joins history, fiction, poetry and personal thoughts and vindicates the need to understand the feminist plight as it truly is: a movement for human rights.

Count of Monte Cristo Alexandre Dumas.2010-09-01 Alexandre Dumas's classic tale of betrayal and revenge follows the life of Edmond Dantes. After young Dantes is falsely imprisoned in the Chateau d'If, he is taken under the wing of another prisoner and taught to be a gentleman. By deceiving his jailers, Dantes escapes prison and sets off to take revenge on those who had betrayed him. Follow the powerful story of friendship, betrayal, and revenge in the Calico Illustrated Classics adaptation of Dumas's The Count of Monte Cristo.

Argentina: Legend and History Garibaldi G B Laguardia,Cincinato G B Laguardia.2018-11-09 This work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it. This work is in the public domain in the United States of America, and possibly other nations. Within the United States, you may freely copy and distribute this work, as no entity (individual or corporate) has a copyright on the body of the work. Scholars believe, and we concur, that this work is important enough to be preserved, reproduced, and made generally available to the public. To ensure a quality reading experience, this work has been proofread and republished using a format that seamlessly blends the original graphical elements with text in an easy-to-read typeface. We appreciate your support of the preservation process, and thank you for

being an important part of keeping this knowledge alive and relevant.

The Cowboy Bible and Other Stories Carlos Velázquez.2016-01-26 The provocateur and cult sensation Carlos Velazquez has earned comparisons to Hunter S. Thompson, Charles Bukowski and William S. Burroughs, and has been called 'a grand storyteller' (Diario Jornada), 'an icon'(Frente) and 'one of the most original and entertaining voices of contemporary Mexican literature' (Revista Gatopardo). His English-language debut, a collection of seven surreal, unrelentingly ironic and unsettling tales, portrays the comedy and brutal tragedies of a region that occupies a unique place in the North American imagination.

Delibros .2005-07

Diccionario Inglés de la Universidad de Chicago María Irene Moyna,Gary K. Baker,University of Chicago.2002 Presents thousands of entries in American English and Latin American and Iberian Spanish, and includes grammar notes, verb lists, and guidance on word choice.

Holy Smoke Guillermo Cabrera Infante.2003-06

New Grammar of the Spanish Language F. C. Meadows.1846

His Excellency Carlos Casares.2017-05-25 Against a background of perceived attacks on established religion by the politicians of the day, and the introduction of the newfangled cinematograph to the city of Ourense, the local bishop, His Excellency, faces dissent in the ranks. His assistant, Don Xenaro, while struggling to preserve his loyalty to the bishop, is drawn to side with the canon theologian, Don Telesforo, who is vehemently opposed to the new invention. No less an opponent is the much revered, and soon to be sainted, local nun, Sister Sabina, who appeals to the bishop to save his soul. The bishop seeks solace in food, in the once intellectual but now ailing company of his aged vicar, in memories of a better time, when he studied at the seminary, but ghosts rarely lie down easily, and he will have to chase them away if he doesn't wish to be defeated. A visit to the cinema, where he witnesses the rowdy atmosphere, the impressive images and the poverty of its pioneers, an indulgent attitude... If he's not careful, others at the start of this tumultuous twentieth century will take matters into their own hands, and dissent will turn into open revolt. A hilarious look at the internal politics of a cathedral chapter, at the confrontation between conservative and liberal elements, His Excellency is one of Galician writer Carlos Casares' best-loved and most enduring novels.

Uncle Tungsten Oliver Sacks.2013-12-11 Long before Oliver Sacks became a distinguished neurologist and bestselling writer, he was a small English boy fascinated by metals-also by chemical reactions (the louder and smellier the better), photography, squids and cuttlefish, H.G. Wells, and the periodic table. In this endlessly charming and eloquent memoir, the author of *The Man Who Mistook His Wife for a Hat* and *Awakenings* chronicles his love affair with science and the magnificently odd and sometimes harrowing childhood in which that love affair unfolded. In *Uncle Tungsten* we meet Sacks' extraordinary family, from his surgeon mother (who introduces the fourteen-year-old Oliver to the art of human dissection) and his father, a family doctor who imbues in his son an early enthusiasm for housecalls, to his "Uncle Tungsten," whose factory produces tungsten-filament lightbulbs. We follow the young Oliver as he is exiled at the age of six to a grim, sadistic boarding school to escape the London Blitz, and later watch as he sets about passionately reliving the exploits of his chemical heroes-in his own home laboratory. *Uncle Tungsten* is a crystalline view of a brilliant young mind springing to life, a story of growing up which is by turns elegiac, comic, and wistful, full of the electrifying joy of discovery.

Bibliografía de Hernán Cortés Rafael Heliodoro Valle.1953

Dance and Dream Javier Marías.2007 *Your Face Tomorrow*, Javier Marias s dazzling unfolding magnum opus is a novel in three parts which began with *Fever and Spear* (Chatto 2005). Described as an intriguing and audacious experiment (Sunday Times) and an outstanding spy

A Dictionary of the English Language Noah Webster.1831

The Path Between the Seas David McCullough.2001-10-27 The National Book Award-winning epic chronicle of the creation of the Panama Canal, a first-rate drama of the bold and brilliant engineering feat that was filled with both tragedy and triumph, told by master historian David McCullough. From the Pulitzer Prize-winning author of *Truman*, here is the national bestselling epic chronicle of the creation of the Panama Canal. In *The Path Between the Seas*, acclaimed historian David McCullough delivers a first-rate drama of the sweeping human undertaking that led to the creation of this grand enterprise. *The Path Between the Seas* tells the story of the men and women who fought against all odds to fulfill the 400-year-old dream of constructing an aquatic passageway between the Atlantic and Pacific oceans. It is a story of astonishing engineering feats, tremendous medical accomplishments, political power plays, heroic successes, and tragic failures. Applying his remarkable gift for writing lucid, lively exposition, McCullough weaves the many strands of the momentous event into a comprehensive and captivating tale. Winner of the National Book Award for history, the Francis Parkman Prize, the Samuel Eliot Morison Award, and the Cornelius Ryan Award (for the best book of the year on international affairs), *The Path Between the Seas* is a must-read for anyone interested in American history, the history of technology, international intrigue, and human drama.

Devoted to Death R. Andrew Chesnut.2018 R. Andrew Chesnut offers a fascinating portrayal of Santa Muerte, a skeleton saint whose cult has attracted millions of devotees over the past decade. Although condemned by mainstream churches, this folk saint's supernatural powers appeal to millions of Latin Americans and immigrants in the U.S. Devotees believe the Bony Lady (as she is affectionately called) to be the fastest and most effective miracle worker, and as such, her statuettes and paraphernalia now outsell those of the Virgin of Guadalupe and Saint Jude, two other giants of Mexican religiosity. In particular, Chesnut shows Santa Muerte has become the patron saint of drug traffickers, playing an important role as protector of peddlers of crystal meth and marijuana; DEA agents and Mexican police often find her altars in the safe houses of drug smugglers. Yet Saint Death plays other important roles: she is a supernatural healer, love doctor, money-maker, lawyer, and angel of death. She has become without doubt one of the most popular and powerful saints on both the Mexican and American religious landscapes.

Fireflies Ana María Matute.1998 *Fireflies*, although set in Barcelona during the Spanish Civil War, could readily take place in a bellicose situation anywhere in the world. It contains an expose of the chasm between generations, between rich and poor, between materialism and idealism. This novel has a socioeconomic/psychological relevance that leaves the reader pondering the consequences of war and the nugatory effects of imposing status quo values on adolescents who are in search of their own truth, their *raison d'etre*. The story centers on the lives of two adolescents from opposite levels of society whose redemption lies in their short-lived mutual love, which ends tragically.

Your Face Tomorrow Javier Mariás.2005 Part spy novel, part romance, part Henry James, *Your Face Tomorrow* is a wholly remarkable display of the immense gifts of Javier Mariás. With *Fever and Spear*, Volume One of his unfolding novel *Your Face Tomorrow*, he returns us to the rarified world of Oxford (the delightful setting of *All Souls* and *Dark Back of Time*), while introducing us to territory entirely new--espionage. Our hero, Jaime Deza, separated from his wife in Madrid, is a bit adrift in London until his old friend Sir Peter Wheeler--retired Oxford don and semi-retired master spy--recruits him for a new career in British Intelligence. Deza possesses a rare gift for seeing behind the masks people wear. He is soon observing interviews conducted by Her Majesty's secret service: variously shady international businessmen one day, would-be coup leaders the next. Seductively, this metaphysical thriller explores past, present, and future in the ever-more-perilous 21st century. This compelling and enigmatic tour de force from one of Europe's greatest writers continues with Volume

Two, Dance and Dream.

62 Julio Cortázar.2000 First published in English in 1972 and long out of print, 62: A Model Kit is Julio Cortázar's brilliant, intricate blueprint for life in the so-called City.

The Club Dumas Arturo Pérez-Reverte.2006 Lucas Corso, a rare book hunter, is called in to authenticate a fragment of the original manuscript of Alexandre Dumas's The Three Musketeers, found in the possession of a murdered bibliophile, and soon finds himself involved in an adventure in which life imitates literature.
