

Sample Immigration Character Reference Letter From Friend

Dreaming in Cuban Cristina García.2011-06-08 “Impressive . . . [Cristina García’s] story is about three generations of Cuban women and their separate responses to the revolution. Her special feat is to tell it in a style as warm and gentle as the ‘sustaining aromas of vanilla and almond,’ as rhythmic as the music of Beny Moré.”—Time Cristina García’s acclaimed book is the haunting, bittersweet story of a family experiencing a country’s revolution and the revelations that follow. The lives of Celia del Pino and her husband, daughters, and grandchildren mirror the magical realism of Cuba itself, a landscape of beauty and poverty, idealism and corruption. *Dreaming in Cuban* is “a work that possesses both the intimacy of a Chekov story and the hallucinatory magic of a novel by Gabriel García Márquez” (The New York Times). In celebration of the twenty-fifth anniversary of the novel’s original publication, this edition features a new introduction by the author. Praise for *Dreaming in Cuban* “Remarkable . . . an intricate weaving of dramatic events with the supernatural and the cosmic . . . evocative and lush.”—San Francisco Chronicle “Captures the pain, the distance, the frustrations and the dreams of these family dramas with a vivid, poetic prose.”—The Washington Post “Brilliant . . . With tremendous skill, passion and humor, García just may have written the definitive story of Cuban exiles and some of those they left behind.”—The Denver Post

To America Stephen E. Ambrose.2002-11-11 In *To America*, Stephen E. Ambrose, one of the country's most influential historians, reflects on his long career as an American historian and explains what an historian's job is all about. He celebrates America's spirit, which has carried us so far. He confronts its failures and struggles. As always in his much acclaimed work, Ambrose brings alive the men and women, famous and not, who have peopled our history and made the United States a model for the world. Taking a few swings at today's political correctness, as well as his own early biases, Ambrose grapples with the country's historic sins of racism, its neglect and ill treatment of Native Americans, and its tragic errors (such as the war in Vietnam, which he ardently opposed on campus, where he was a professor). He reflects on some of the country's early founders who were progressive thinkers while living a contradiction as slaveholders, great men such as Washington and Jefferson. He contemplates the genius of Andrew Jackson's defeat of a vastly superior British force with a ragtag army in the War of 1812. He describes the grueling journey that Lewis and Clark made to open up the country, and the building of the railroad that joined it and produced great riches for a few barons. Ambrose explains the misunderstood presidency of Ulysses S. Grant, records the country's assumption of world power under the leadership of Theodore Roosevelt, and extols its heroic victory of World War II. He writes about women's rights and civil rights and immigration, founding museums, and nation- building. He contrasts the presidencies of Dwight Eisenhower, John F. Kennedy, Richard Nixon, and Lyndon B. Johnson. Throughout, Ambrose celebrates the unflappable American spirit. Most important, Ambrose writes about writing history. The last five letters of the word 'history' tell us that it is an account of the past that is about people and what they did, which is what makes it the most fascinating of subjects. *To America* is an instant classic for all those interested in history, patriotism, and the love of writing.

Letters for Special Situations Anne McKinney.2012-04-02 In an era when many feel that letter writing is the lost art, this book can be a resource to help anyone create letters to use in the special situations in life. Have you ever been asked to prepare a written letter of reference for someone to use in getting a job or applying to an academic program? Wouldn't some great sample letters be a great help in such a situation? Here's a book that can help. Have you ever wanted to resign gracefully from a position so that you don't burn your bridges behind you? Here is a book that can help you write such a letter to an employer or supervisor so that you gain good will and respect during the resignation process. Sometimes it is necessary to

write a special letter for a special situation in life. You will find great letters to be used as models for business and personal reasons including: Letters asking for a raise, Letters of resignation, Letters of reference, Letters notifying a vendor of a breach of contract, Letter to a congressman, Letters of complaint, Letters requesting reinstatement to an academic program, Follow-up letters after an interview, Letters requesting bill consolidation, Letters to professionals disputing their charges, collection letters, thank-you letters and letters to accompany resumes in job hunting. This book will be a valuable how-to resource to those who seek guidance in composing letters for business or personal reasons. Some of the letters shown are letters of complaint, letters of appeal, business marketing letters, press releases, letters appealing a job dismissal, letters appealing a supervisor's rating, letters of application to law school and medical school, cover letters to accompany resumes, follow-up letters after job interviews, collections letters, letters related to consumer credit and finance, legal letters and notices, letters of apology, letters of appreciation, letters of reference and letters of recommendation, letters of nomination, letters of opposition, letters of reprimand, letters of termination, letters of solicitation, letters of intent, letters to public officials, networking letters, promissory notes, letters requesting a raise, letters requesting a promotion, letters of resignation, and many more letters designed to assist in personal and business matters. Rave reviews for this book! This book has a wide range of letters covering various topics. This book would be useful to any population. - Catholic Library World Testimonials from some who used this book: Writing letters is so time-consuming, and I get frequent requests from former employees and others who want me to provide a reference. I found just the right samples in this book to make my life easy so that I could produce the multiple letters yearly that are requested of me. Sonya S. I am not a professional writer, but I feel that this book took my mediocre skills and helped them blossom by showing me samples of effective letters. I especially liked the letters protesting charges, and I created effective letters protesting medical charges. People assume you are more serious when you write a letter instead of trying to handle problems verbally. This book helped me leave a 'paper trail' and get taken seriously so that I could resolve some chronic financial problems. Julio G. When I wanted to get reinstated to my academic program, I didn't give myself much of a chance, but I took my best shot by following samples in this book. I will be graduating soon, and I got a second chance at academic eligibility because of this book. Fritz H. It blew me away when I found samples of business marketing letters I could use to find potential new customers. I have discovered that everyone likes reading letters, and the business marketing letters I now use-thanks to the samples in this book-have dramatically boosted my sales. Nadal S.

The Canadian Woman's Legal Guide Mary Joy Dymond.1987

A Nation of Immigrants John F. Kennedy.2018-10-16 This significant contribution to the debate on immigration reform was President John F. Kennedy's final book and is as timely now as it was when it was first published—now reissued for its 60th anniversary, with a new introduction and foreword. “In this book, President Kennedy tells us what immigrants have done for America, and what America has done for its immigrants. It is one of the dramatic success stories of world history.... It can stand as a testament to a cause President Kennedy cherished, and which we should carry on.” — Robert F. Kennedy Throughout his presidency, John F. Kennedy was passionate about the issue of immigration reform. He believed that America is a nation of people who value both tradition and the exploration of new frontiers, people who deserve the freedom to build better lives for themselves in their adopted homeland. This 60th anniversary edition of his posthumously published, timeless work—with a new introduction, a new foreword by Jonathan Greenblatt, the national director and CEO of the Anti-Defamation League, and updated information on immigration policy reform—offers the late president's inspiring suggestions for immigration policy and presents a chronology of the main events in the history of immigration in America. As continued debates on immigration engulf the nation, this paean to the importance of immigrants to our nation's prominence and success is as timely as ever.

Albion's Seed David Hackett Fischer.1991-03-14 This fascinating book is the first volume in a projected cultural history of the United States, from the earliest English settlements to our own time. It is a history of American folkways as they have changed through time, and it argues a thesis about the importance for the United States of having been British in its cultural origins. While most people in the United States today have no British ancestors, they have assimilated regional cultures which were created by British colonists, even while preserving ethnic identities at the same time. In this sense, nearly all Americans are Albion's Seed, no matter what their ethnicity may be. The concluding section of this remarkable book explores the ways that regional cultures have continued to dominate national politics from 1789 to 1988, and still help to shape attitudes toward education, government, gender, and violence, on which differences between American regions are greater than between European nations.

The Lines We Cross Randa Abdel-Fattah.2017-05-09 A remarkable story about the power of tolerance from one of the most important voices in contemporary Muslim literature, critically acclaimed author Randa Abdel-Fattah. Michael likes to hang out with his friends and play with the latest graphic design software. His parents drag him to rallies held by their anti-immigrant group, which rails against the tide of refugees flooding the country. And it all makes sense to Michael.Until Mina, a beautiful girl from the other side of the protest lines, shows up at his school, and turns out to be funny, smart -- and a Muslim refugee from Afghanistan. Suddenly, his parents' politics seem much more complicated.Mina has had a long and dangerous journey fleeing her besieged home in Afghanistan, and now faces a frigid reception at her new prep school, where she is on scholarship. As tensions rise, lines are drawn. Michael has to decide where he stands. Mina has to protect herself and her family. Both have to choose what they want their world to look like.

Earning Freedom Michael G Santos.2021-08-26 Michael Santos helps audiences understand how to overcome the struggle of a lengthy prison term. Readers get to experience the mindset of a 23-year-old young man that goes into prison at the start of America's War on Drugs. They see how decisions that Santos made at different stages in the journey opened opportunities for a life of growth, fulfillment, and meaning. Santos tells the story in three sections: Veni, Vidi, Vici. In the first section of the book, we see the challenges of the arrest, the reflections while in jail, the criminal trial, and the imposition of a 45-year prison term. In the second section of the book, we learn how Santos opened opportunities to grow. By writing letters to universities, he found his way into a college program. After earning an undergraduate degree, he pursued a master's degree. After earning a master's degree, he began work toward a doctorate degree. When authorities blocked his pathway to complete his formal education, Santos shifted his energy to publishing and creating business opportunities from inside of prison boundaries. In the final section, we learn how Santos relied upon critical-thinking skills to position himself for a successful journey inside. He nurtured a relationship with Carole and married her inside of a prison visiting room. Then, he began building businesses that would allow him to return to society strong, with his dignity intact. Through Earning Freedom! readers learn how to overcome struggles and challenges. At any time, we can recalibrate, we can begin working toward a better life. Santos served 9,135 days in prison, and another 365 days in a halfway house before concluding 26 years as a federal prisoner. Through his various websites, he continues to document how the decisions he made in prison put him on a pathway to succeed upon release. Contact Michael Santos PrisonProfessors.com 32565 Golden Lantern Street Box B-1026 Dana Point, CA 92692

The Professor Is In Karen Kelsky.2015-08-04 The definitive career guide for grad students, adjuncts, post-docs and anyone else eager to get tenure or turn their Ph.D. into their ideal job Each year tens of thousands of students will, after years of hard work and enormous amounts of money, earn their Ph.D. And each year only a small percentage of them will land a job that justifies and rewards their investment. For every comfortably tenured professor or well-paid former academic, there are countless underpaid and overworked adjuncts, and many more who simply give up in frustration. Those who do make it share an important asset that separates them from the pack: they have a plan. They understand exactly what they need to do to

set themselves up for success. They know what really moves the needle in academic job searches, how to avoid the all-too-common mistakes that sink so many of their peers, and how to decide when to point their Ph.D. toward other, non-academic options. Karen Kelsky has made it her mission to help readers join the select few who get the most out of their Ph.D. As a former tenured professor and department head who oversaw numerous academic job searches, she knows from experience exactly what gets an academic applicant a job. And as the creator of the popular and widely respected advice site *The Professor is In*, she has helped countless Ph.D.'s turn themselves into stronger applicants and land their dream careers. Now, for the first time ever, Karen has poured all her best advice into a single handy guide that addresses the most important issues facing any Ph.D., including: -When, where, and what to publish -Writing a foolproof grant application -Cultivating references and crafting the perfect CV -Acing the job talk and campus interview -Avoiding the adjunct trap -Making the leap to nonacademic work, when the time is right *The Professor Is In* addresses all of these issues, and many more.

The Complete Personal Legal Guide American Bar Association.2008 Presents thousands of United States laws and legal questions involving all aspects of life, including marriage, estate planning, disabilities, and consumer credit.

Immigration Matters Ruth Milkman,Deepak Bhargava,Penny Lewis.2021-04-27 A provocative, strategic plan for a humane immigration system from the nation's leading immigration scholars and activists During the past decade, right-wing nativists have stoked popular hostility to the nation's foreign-born population, forcing the immigrant rights movement into a defensive posture. In the Trump years, preoccupied with crisis upon crisis, advocates had few opportunities to consider questions of long-term policy or future strategy. Now is the time for a reset. *Immigration Matters* offers a new, actionable vision for immigration policy. It brings together key movement leaders and academics to share cutting-edge approaches to the urgent issues facing the immigrant community, along with fresh solutions to vexing questions of so-called "future flows" that have bedeviled policy makers for decades. The book also explores the contributions of immigrants to the nation's identity, its economy, and progressive movements for social change. *Immigration Matters* delves into a variety of topics including new ways to frame immigration issues, fresh thinking on key aspects of policy, challenges of integration, workers' rights, family reunification, legalization, paths to citizenship, and humane enforcement. The perfect handbook for immigration activists, scholars, policy makers, and anyone who cares about one of the most contentious issues of our age, *Immigration Matters* makes accessible an immigration policy that both remediates the harm done to immigrant workers and communities under Trump and advances a bold new vision for the future.

Ethics Manual United States. Department of Justice.2001

Ask a Manager Alison Green.2018-05-01 From the creator of the popular website *Ask a Manager* and New York's work-advice columnist comes a witty, practical guide to 200 difficult professional conversations—featuring all-new advice! There's a reason Alison Green has been called "the Dear Abby of the work world." Ten years as a workplace-advice columnist have taught her that people avoid awkward conversations in the office because they simply don't know what to say. Thankfully, Green does—and in this incredibly helpful book, she tackles the tough discussions you may need to have during your career. You'll learn what to say when • coworkers push their work on you—then take credit for it • you accidentally trash-talk someone in an email then hit "reply all" • you're being micromanaged—or not being managed at all • you catch a colleague in a lie • your boss seems unhappy with your work • your cubemate's loud speakerphone is making you homicidal • you got drunk at the holiday party Praise for *Ask a Manager* "A must-read for anyone who works . . . [Alison Green's] advice boils down to the idea that you should be professional (even when others are not) and that communicating in a straightforward manner with candor and kindness will get you far, no matter where you work."—Booklist (starred review) "The author's friendly, warm, no-nonsense writing is a pleasure to read, and her advice can be widely applied to relationships in all areas of readers'

lives. Ideal for anyone new to the job market or new to management, or anyone hoping to improve their work experience.”—Library Journal (starred review) “I am a huge fan of Alison Green’s Ask a Manager column. This book is even better. It teaches us how to deal with many of the most vexing big and little problems in our workplaces—and to do so with grace, confidence, and a sense of humor.”—Robert Sutton, Stanford professor and author of *The No Asshole Rule* and *The Asshole Survival Guide* “Ask a Manager is the ultimate playbook for navigating the traditional workforce in a diplomatic but firm way.”—Erin Lowry, author of *Broke Millennial: Stop Scraping By and Get Your Financial Life Together*

The Immigration and Ethnic History Newsletter. 2008

The Merchant of Venice William Shakespeare. 1917

The Arrival Shaun Tan. 2014 What drives so many to leave everything behind and journey alone to a mysterious country, a place without family or friends, where everything is nameless and the future is unknown. This silent graphic novel is the story of every migrant, every refugee, every displaced person, and a tribute to all those who have made the journey.

I Will Always Write Back Martin Ganda, Caitlin Alifirenka. 2015-04-14 The New York Times bestselling true story of an all-American girl and a boy from Zimbabwe and the letter that changed both of their lives forever. It started as an assignment... Everyone in Caitlin's class wrote to an unknown student somewhere in a distant place. Martin was lucky to even receive a pen-pal letter. There were only ten letters, and fifty kids in his class. But he was the top student, so he got the first one. That letter was the beginning of a correspondence that spanned six years and changed two lives. In this compelling dual memoir, Caitlin and Martin recount how they became best friends—and better people—through their long-distance exchange. Their story will inspire you to look beyond your own life and wonder about the world at large and your place in it.

United States Congressional Serial Set. 1908

Nothing Personal? Nick Gill. 2015-12-10 In this groundbreaking new study, Nick Gill provides a conceptually innovative account of the ways in which indifference to the desperation and hardship faced by thousands of migrants fleeing persecution and exploitation comes about. Features original, unpublished empirical material from four Economic and Social Research Council (ESRC) funded projects Challenges the consensus that border controls are necessary or desirable in contemporary society Demonstrates how immigration decision makers are immersed in a suffocating web of institutionalized processes that greatly hinder their objectivity and limit their access to alternative perspectives Theoretically informed throughout, drawing on the work of a range of social theorists, including Max Weber, Zygmunt Bauman, Emmanuel Levinas, and Georg Simmel

Social Work with Immigrants and Refugees Elaine P. Congress, DSW, Mr. Fernando Chang-Muy, JD. 2008-10-27 This book is an optimal tool for instructors and students of graduate classes in social work and related disciplines. --Journal of Immigrant and Minority Health I applaud social work students, professors, and social workers who seek to serve and empower the immigrant community. This text is a great tool toward raising awareness of the many issues immigrants face, and helping them find solutions. --Frank Sharry, Executive Director, America's Voice The book is a major contribution to social workers and their clients as it addresses advocacy on behalf of immigrants and refugees during a social, economic and political period that restricts immigrants' rights and service access. --Dr. Diane Drachman, Associate Professor, University of Connecticut School of Social Work Successful social work with immigrants must begin with an understanding of their legal status and how that status impacts their housing, employment, health care, education, and virtually every other aspect of life. Chang-Muy and Congress present social workers with the only book on the market to emphasize the legal aspect of immigrant issues as well as critical practice and advocacy issues. Topics discussed include historical and current trends in immigration, applicable theories for practice with immigrants, policy and advocacy methods, and the need for cultural competence.

By providing comprehensive coverage of both the legal and practice issues of this complex field, this book will help social service professionals and graduate students increase their cultural sensitivity and work more effectively with immigrants. Key Features: Covers the latest aspects of the immigration debate and discusses how social workers are affected by emerging immigration policies Discusses special populations such as refugees, elderly immigrants, and victims of international trafficking Includes case studies on the most critical issues immigrants face today: legal processes, physical and mental health issues, employment difficulties, family conflicts, and more Instructional Materials Available! Free to instructors with a verified order of seven or more copies. Email marketing@springerpub.com to request syllabus and PowerPoint slides.

'Of Varying Language and Opposing Creed' Javier Pérez-Guerra,Charles Jones.2007 This volume includes a selection of fifteen papers delivered at the Second International Conference on Late Modern English. The chapters focus on significant linguistic aspects of the Late Modern English

period, not only on grammatical issues such as the development of pragmatic markers, for-to infinitive constructions, verbal subcategorisation, progressive aspect, sentential complements, double comparative forms or auxiliary/negator cliticisation but also on pronunciation, dialectal variation and other practical aspects such as corpus compilation, which are approached from different perspectives (descriptive, cognitive, syntactic, corpus-driven).

Academic Vocabulary Amy E. Olsen.2010 *Academic Vocabulary* presents vocabulary building with a visually stimulating, full-color design to pique students' interest and make the process fun. This attractive, highly-interactive workbook improves academic word knowledge through academic readings and interactive exercises. Repetition of the words and getting the students to see the words used in multiple contexts improves memorization.

How to Write Successful Letters of Recommendation Kimberly Sarmiento.2014-12-22 Letters of recommendation are a part of every standard school or job application. As an employer, professor, colleague, peer, or friend, chances are that at one point or another, you will be asked to put a person on paper and every word counts. *How to Write Successful Letters of Recommendation* is your one-stop source for painting the perfect picture in just one short letter. You will learn everything you need to know about writing the perfect letter of recommendation that will get your friend, colleague, or student accepted or hired. The most effective letters of recommendation are accurate, succinct, descriptive, and powerful, and include realistic evaluations of performance and capability. With ideas about how to start your letter and topics to include, this complete guide will teach you how to do just that, as you construct the perfect letter from start to finish. Outlined in ten easy steps, this complete guide gives you the tools you need to write reference letters that your employees, colleagues, students, and friends will appreciate. This book is filled with tips and tricks for personalizing the letter and making your friend, student, employee, or coworker shine. With a word bank of powerful phrases and descriptive words, you'll have everything you need to make your letter stand out at your fingertips. Sample letters of recommendation are also included, along with explanations of why each one is effective and tips for replicating these letters in just minutes. You will learn about the different types of recommendation letters, from employment to academic to volunteer, and how to direct your letter to the appropriate audience. You'll even learn what to do if someone you haven't worked with closely asks you to be a reference, or how to deal with being asked for hundreds of recommendations at once. This exhaustively researched book will even teach you how to politely avoid writing letters for those people you aren't quite comfortable recommending. The Companion CD-ROM is filled with templates, examples, word banks, and worksheets, so that you can easily learn to verify experience, confirm competence, build credibility, and bolster confidence with just a simple letter. A recommendation is more than just a letter; it's often make-or-break in a candidate's application for school, volunteering, or employment. With the step-by-step instructions and writing guidelines in this book, you will learn how to write introductions; opening statements; the body, including a well-written, vivid assessment of character and work ethic; and a strong conclusion. This new book will also teach you how to appropriately sign your letter, and will provide you with tips of re-reading and editing it to make sure you gave an effective recommendation. We spent hundreds of hours interviewing high school teachers, college professors, employers, and more who have nailed the art of composing effective communications. With *How to Write Successful Letters of Recommendation*, your employees, colleagues, students, and friends will see you as their go-to source to helping them succeed in their next big venture.

Sifting the Arrivals Jennifer Gee.1999

Black Identities Mary C. WATERS.2009-06-30 The story of West Indian immigrants to the United States is generally considered to be a great success. Mary Waters, however, tells a very different story. She finds that the values that gain first-generation immigrants initial success--a willingness to work hard, a lack of attention to racism, a desire for education, an incentive to save--are undermined by the realities of life and race

relations in the United States. Contrary to long-held beliefs, Waters finds, those who resist Americanization are most likely to succeed economically, especially in the second generation.

Between the World and Me Ta-Nehisi Coates. 2015-07-14 #1 NEW YORK TIMES BESTSELLER • NATIONAL BOOK AWARD WINNER • NAMED ONE OF TIME'S TEN BEST NONFICTION BOOKS OF THE DECADE • PULITZER PRIZE FINALIST • NATIONAL BOOK CRITICS CIRCLE AWARD FINALIST • ONE OF OPRAH'S "BOOKS THAT HELP ME THROUGH" • NOW AN HBO ORIGINAL SPECIAL EVENT Hailed by Toni Morrison as "required reading," a bold and personal literary exploration of America's racial history by "the most important essayist in a generation and a writer who changed the national political conversation about race" (Rolling Stone) NAMED ONE OF THE MOST INFLUENTIAL BOOKS OF THE DECADE BY CNN • NAMED ONE OF PASTE'S BEST MEMOIRS OF THE DECADE • NAMED ONE OF THE TEN BEST BOOKS OF THE YEAR BY The New York Times Book Review • O: The Oprah Magazine • The Washington Post • People • Entertainment Weekly • Vogue • Los Angeles Times • San Francisco Chronicle • Chicago Tribune • New York • Newsday • Library Journal • Publishers Weekly In a profound work that pivots from the biggest questions about American history and ideals to the most intimate concerns of a father for his son, Ta-Nehisi Coates offers a powerful new framework for understanding our nation's history and current crisis. Americans have built an empire on the idea of "race," a falsehood that damages us all but falls most heavily on the bodies of black women and men—bodies exploited through slavery and segregation, and, today, threatened, locked up, and murdered out of all proportion. What is it like to inhabit a black body and find a way to live within it? And how can we all honestly reckon with this fraught history and free ourselves from its burden? *Between the World and Me* is Ta-Nehisi Coates's attempt to answer these questions in a letter to his adolescent son. Coates shares with his son—and readers—the story of his awakening to the truth about his place in the world through a series of revelatory experiences, from Howard University to Civil War battlefields, from the South Side of Chicago to Paris, from his childhood home to the living rooms of mothers whose children's lives were taken as American plunder. Beautifully woven from personal narrative, reimagined history, and fresh, emotionally charged reportage, *Between the World and Me* clearly illuminates the past, bravely confronts our present, and offers a transcendent vision for a way forward.

Island H. Mark Lai, Genny Lim, Judy Yung. 1980

Great on the Job Jodi Glickman. 2011-05-10 A much-needed people skills primer and master class in all facets of workplace communication Do you know how to ask for help at work without sounding dumb? Do you know how to get valuable and useful feedback from your colleagues? Have you mastered your professional elevator pitch so that every time you meet someone, they remember and are impressed by you? If you answered no to any of these questions, you need *Great on the Job*. In 2008, Jodi Glickman launched *Great on the Job*, a communications consulting firm whose distinguished client list includes Harvard Business School, Wharton, The Stern School of Business, Merrill Lynch, and Citigroup. Now, Glickman's three-step training program is available in book form for the first time. With case studies, micro strategies, and example language, readers will learn communication skills that can be practiced and implemented immediately. In today's economy, it's not typically the smartest, hardest working or most technically savvy who succeed. Instead, the ability to communicate well is often the most important precursor to success in the workplace. So whether you're a star performer or a struggling novice, *Great on the Job* will give you the building blocks you need for every conversation you'll have at work.

A Guide to Writing for Human Service Professionals Morley D. Glicken.2017-08-01 Straightforward and concise, the second edition of A Guide to Writing for Human Service Professionals offers students and professionals practical tools to improve their writing. In his animated and highly accessible teaching voice, Glicken presents the rules of punctuation, grammar, and APA style in jargon-free language that's easy to understand. Chapters include detailed, real-world examples on how to write academic papers, client assessments and evaluations, business letters, research proposals and reports, papers for mass audiences, requests for funding, and much more. Glicken provides the most comprehensive writing guide available in an engaging and digestible format, including end-of-chapter exercises that allow readers to further practice their writing and critical thinking skills. A Guide to Writing for Human Service Professionals is an invaluable resource for current and future human service professionals across social work, psychology, and counseling. Updates to the Second Edition include: New writing exercises in every chapter to help current and future human service professionals improve critical thinking and expository writing skills New discussion on social media writing, cyberslang, and writing articles for the mass media on issues related to the human services A greater emphasis on the difference between politically correct writing and writing that shows sensitivity to diversity Expanded coverage of critical thinking and writing, conducting research, and plagiarism New examples of resume writing, business letters, and reference letters Expanded discussion of the importance of writing clear mission statements and agency goals

Americanized: Rebel Without a Green Card Sara Saedi.2018-02-06 In development as a television series from Reese Witherspoon's Hello Sunshine production company and ABC Studios! This hilarious, poignant and true story of one teen's experience growing up in America as an undocumented immigrant from the Middle East is an increasingly necessary read in today's divisive world. Perfect for fans of Mindy Kaling and Trevor Noah's books. "Very funny but never flippant, Saedi mixes '90s pop culture references, adolescent angst and Iranian history into an intimate, informative narrative." —The New York Times At thirteen, bright-eyed, straight-A student Sara Saedi uncovered a terrible family secret: she was breaking the law simply by living in the United States. Only two years old when her parents fled Iran, she didn't learn of her undocumented status

until her older sister wanted to apply for an after-school job, but couldn't because she didn't have a Social Security number. Fear of deportation kept Sara up at night, but it didn't keep her from being a teenager. She desperately wanted a green card, along with clear skin, her own car, and a boyfriend. *Americanized* follows Sara's progress toward getting her green card, but that's only a portion of her experiences as an Iranian-American teenager. From discovering that her parents secretly divorced to facilitate her mother's green card application to learning how to tame her unibrow, Sara pivots gracefully from the terrifying prospect that she might be kicked out of the country at any time to the almost-as-terrifying possibility that she might be the only one of her friends without a date to the prom. This moving, often hilarious story is for anyone who has ever shared either fear. **FEATURED ON NPR'S FRESH AIR A NYPL BEST BOOK OF THE YEAR A CHICAGO PUBLIC LIBRARY BEST OF THE BEST BOOK SELECTION A SCHOOL LIBRARY JOURNAL BEST BOOK OF THE YEAR FOUR STARRED REVIEWS!** "A must-read, vitally important memoir. . . . Poignant and often LOL funny, *Americanized* is utterly of the moment."—*Bustle* "Read Saedi's memoir to push out the poison."—*Teen Vogue* "A funny, poignant must read for the times we are living in today."—*Pop Sugar*
