The Curious Incident of the Dog in the Night-Time Mark Haddon.2009-02-24 A bestselling modern classic—both poignant and funny—narrated by a fifteen year old autistic savant obsessed with Sherlock Holmes, this dazzling novel weaves together an old-fashioned mystery, a contemporary coming-of-age story, and a fascinating excursion into a mind incapable of processing emotions. Christopher John Francis Boone knows all the countries of the world and their capitals and every prime number up to 7,057. Although gifted with a superbly logical brain, Christopher is autistic. Everyday interactions and admonishments have little meaning for him. At fifteen, Christopher's carefully constructed world falls apart when he finds his neighbour's dog Wellington impaled on a garden fork, and he is initially blamed for the killing. Christopher decides that he will track down the real killer, and turns to his favourite fictional character, the impeccably logical Sherlock Holmes, for inspiration. But the investigation leads him down some unexpected paths and ultimately brings him face to face with the dissolution of his parents' marriage. As Christopher tries to deal with the crisis within his own family, the narrative draws readers into the workings of Christopher's mind. And herein lies the key to the brilliance of Mark Haddon's choice of narrator: The most wrenching of emotional moments are chronicled by a boy who cannot fathom emotions. The effect is dazzling, making for one of the freshest debut in years: a comedy, a tearjerker, a mystery story, a novel of exceptional literary merit that is great fun to read.

Excerpt: ...must not this noble emulation be wholly extinct in the heart of your Persians, among whom employments and honours are only derived from the caprice of the sovereign? Reputation and virtue are there only considered as imaginary, if not accompanied by the favour of the prince, with which alone they spring up, and die. A man who enjoys the public esteem, is never sure that he shall not be dishonoured the next day. You see him to-day the general

of an army; it may be the next the prince makes him his cook, ., and leaves him no other praise to hope for, but' that of having made a good ragout. LETTER XC. Usbaek to the Same, at Smyrna. From this general passion which the French nation have for glory, there is sprung up in the minds of the people, a certain--I know not what, which they call a point of honour: this is properly the character of every profession, but more remarkable in the men of the sword; and among them it is the point of honour by way of excellence. It will be very difficult to me to make thee understand what this is, because we have not a right idea of it. The French, formerly, especially the nobility, followed scarcely any other laws than those of this point of honour: they regulated the whole conduct of their lives; and they were so strict, that they could not, without suffering what was worse than death, I I do not say infringe, but not even elude, the least punctilio of them. When they had occasion to settle any difference, they seldom prescribed more than one method to decide it, that was by duel, which cut off all difficulties. But what was the worst part of it, was, that frequently the trial was made between other parties besides those who were interested in the affair. How little soever a person might know another, he

Remote Vision Alessandro De Francesco.2016 *Remote Vision* contains an English-Italian bilingual version of the most significant works in poetry and conceptual writing produced so far by Alessandro De Francesco. It is both a self-standing, coherent book and the most exhaustive collection of his poetry ever published in any language; containing a new version of the 2008 book *Objects Displaced*, the complete 2010 book *Redefinition*, the composite and still partially unpublished *Cistern*, the prose *Foreign Body in Ascending Motion* and the very recent work *Inhabited Spaces*. All the sections were rearranged for this publication by the author who decided that each section contain the complete English text followed by the complete Italian version, avoiding a face to face translation in order not to interrupt the flow of the reading. The whole book was beautifully translated by poets and Brown University alumni Belle Cushing and Dusty Neu, under the coordination of the acclaimed poet and Comparative Literature scholar Forrest Gander. This book condenses and proposes under a new light all the conceptual and emotional intensity of Alessandro De Francesco's poetry.

**Life Of Galileo** Bertolt Brecht. 2015-02-13 This Student Edition of Brecht's classic dramatisation of the conflict between free enquiry and official ideology features an extensive introduction and commentary that includes a plot summary, discussion of the context, themes, characters, style and language as well as questions for further study and notes on words and phrases in the text. It is the perfect edition for students of theatre and literature Along with *Mother Courage*, the character of Galileo is one of Brecht's greatest creations, immensely live, human and complex. Unable to resist his appetite for scientific investigation, Galileo's heretical discoveries about the solar system bring him to the attention of the Inquisition. He is scared into publicly abjuring his theories but, despite his self-contempt, goes on working in private, eventually helping to smuggle his writings out of the country. As an examination of the problems that face not only the scientist but also the whole spirit of free inquiry when brought into conflict with the requirements of government or official ideology, *Life of Galileo* has few equals. Written in exile in 1937-9 and first performed in Zurich in 1943, Galileo was first staged in English in 1947 by Joseph Losey in a version jointly prepared by Brecht and Charles Laughton, who played the title role. Printed here is the complete translation by John Willett.

**Letters to Milena** Franz Kafka.2015-11-03 In no other work does Franz Kafka reveal himself as in Letters to Milena, which begins as a business correspondence but soon develops into a passionate but doomed epistolary love affair. Kafka's Czech translator, Milena Jesenská, was a gifter and charismatic twenty-three-year-old who was uniquely able to recognize Kafka's complex genius and his even more complex character. For thirty-six-year-old Kafka, she was a living fire, such as I have never seen. It was to Milena that he revealed his most intimate self and, eventually, entrusted his diaries for safekeeping.

**Survival In Auschwitz** Primo Levi.1996 A work by the Italian-Jewish writer, Primo Levi. It describes his arrest as a member of the Italian anti-fascist resistance during the Second World War, and his incarceration in the Auschwitz concentration camp from February 1944 until the camp was liberated on 27 January 1945.

**The Drowned and the Saved** Primo Levi.2017-06-20 In his final book before his death, Primo Levi returns once more to his time at Auschwitz in a moving meditation on memory, resiliency, and the struggle to comprehend unimaginable tragedy. Drawing on history, philosophy, and his own personal experiences, Levi asks if we have already begun to forget about the Holocaust. His last book before his death, Levi returns to the subject that would define his reputation as a writer and a witness. Levi breaks his book into eight essays, ranging from topics like the unreliability of memory to how violence twists both the victim and the victimizer. He shares how difficult it is for him to tell his experiences with his children and friends. He also debunks the myth that most of the Germans were in the dark about the Final Solution or that Jews never attempted to escape the camps. As the Holocaust recedes into the past and fewer and fewer survivors are left to tell their stories, *The Drowned and the Saved* is a vital first-person testament. Along with Elie Wiesel and Hannah Arendt, Primo Levi is remembered as one of the most powerful and perceptive writers on the Holocaust and the Jewish experience during World War II. This is an essential book both for students and literary readers. Reading Primo Levi is a lesson in the resiliency of the human spirit.

**Marcovaldo** Italo Calvino.2012-10-26 A charming portrait of one man's dreams and schemes, by "the greatest Italian writer of the twentieth century" (The Guardian). In this enchanting book of linked stories, Italo Calvino charts the disastrous schemes of an Italian peasant, an unskilled worker in a drab northern industrial city in the 1950s and '60s, struggling to reconcile his old country habits with his current urban life. Marcovaldo has a practiced eye for spotting natural beauty and an unquenchable longing for the unspoiled rural world of his imagination. Much to the continuing puzzlement of his wife, his children, his boss, and his neighbors, he chases his dreams and gives rein to his fantasies, whether it's sleeping in the great outdoors on a park bench, following a stray cat, or trying to catch wasps. Unfortunately, the results are never quite what he anticipates.

Spanning from the 1950s to the 1960s, the twenty stories in Marcovaldo are alternately comic and melancholy, farce and fantasy. Throughout, Calvino's unassuming masterpiece "conveys the sensuous, tangible qualities of life" (The New York Times).
