Communism bell hooks.2021-10-12 “When truth teller and careful writer bell hooks offers a book, I like to be standing at the bookshop when it opens.” -Maya Angelou Renowned visionary

bell hooks explored the meaning of love in American culture with the critically acclaimed bestseller *All About Love: New Visions*. She continued her national dialogue with the bestselling *Salvation: Black People and Love*. Now hooks culminates her triumphant trilogy of love with *Communion: The Female Search for Love*. Intimate, revealing, provocative, *Communion* challenges every woman to courageously claim the search for love as the heroic journey we must all choose to be truly free. In her trademark commanding and lucid language, hooks explores the ways ideas about women and love were changed by the feminist movement, by women's full participation in the workforce, and by the culture of self-help, and reveals how women of all ages can bring love into every aspect of their lives, for all the years of their lives. *Communion* is the heart-to-heart talk every woman -- mother, daughter, friend, and lover -- needs to have.

An Arab Melancholia Abdellah Taïa.2012-03-09 An autobiographical portrait of a gay Arab man, living between cultures, seeking an identity through love and writing. I had to rediscover who I was. And that's why I left the apartment.... And there I was, right in the heart of the Arab world, a world that never tired of making the same mistakes over and over.... I had no more leniency when it came to the Arab world... None for the Arabs and none for myself. I suddenly saw things with merciless lucidity.... —An Arab Melancholia Salé, near Rabat. The mid 1980s. A lower-class teenager is running until he's out of breath. He's running after his dream, his dream to become a movie director. He's running after the Egyptian movie star, Souad Hosni, who's out there somewhere, miles away from this neighborhood—which is a place the teenager both loves and hates, the home at which he is not at home, an environment that will only allow him his identity through the cultural lens of shame and silence. Running is the only way he can stand up to the violence that is his Morocco. Irresistibly charming, angry, and wry, this autobiographical novel traces the emergence of Abdellah Taïa's identity as an openly gay Arab man living between cultures. The book spans twenty years, moving from Salé, to Paris, to Cairo. Part incantation, part polemic, and part love letter, this extraordinary novel creates a new world where the self is effaced by desire and love, and writing is always an act of

The Gospel of Blood Nico Claux.2021-01-27 *The Gospel of Blood* is the autobiography of Nico Claux, a French morgue attendant whose morbid obsessions led him to grave robbery, cannibalism and murder in the early 1990s. It is a bone-chilling chronicle of a real-life vampire who prowled the Gothic cemeteries of Paris, unearthing coffins and mutilating the bodies inside. A practicing Satanist, Claux escalated to murder after working for a year in several morgues, receiving orders to kill from the corpses he had autopsied. *The Gospel of Blood* provides a rare insight into a killer's tortured mind, as he relates the graphic details of his crimes, including never-before revealed confessions. It is a fascinating look inside the thoughts of a psychotic murderer who has found redemption in prison through art.

THE SADIST Karl Berg.2015-08-02 In 1929, the German city of Dusseldorf was afflicted by a horrifying series of brutal, random and often fatal attacks upon women and young girls. With weapons ranging from knives and hammers to his bare strangling hands, a shadowy predator left a mounting trail of sexual assault, carnage and murder in his wake, fomenting mortal terror amongst the local populace. Police finally arrested Peter Kurten, a convicted felon, in connection with the crimes; his subsequent confessions revealed a staggering career of evil, documented in at least 69 cases of theft, arson, rape, throttling, stabbing, hammering, hacking, mutilation, blood-drinking and corpse immolation spanning some 30 years. THE SADIST, an in-depth forensic and psychiatric report on Kurten by Dr. Karl Berg, was published in 1931 in the *Deutschen Zeitschrift für die Gesamte Gerichtliche Medizin*”, revealing fully for the first time the irreconcilable lusts, compulsions, obsessions, pathologies and atrocities of a remorseless and psychopathic sex-killer - the inhuman monster known as the Vampire of Dusseldorf. The report is illustrated by 8 pages of detailed and disturbing forensic photographs.

In Praise of Love Alain Badiou,Nicolas Truong.2012-11-27 The renowned French philosopher’s “ode to love’s power to unite in the face of eternity, and its optimism in the face of pain”

(Publishers Weekly). In a world rife with consumerism, where online dating promises risk-free romance and love is all too often seen as a mere variant of desire and hedonism, Alain Badiou believes that love is under threat. Taking to heart Rimbaud's famous line "love needs reinventing," *In Praise of Love* is the celebrated French intellectual's passionate treatise in defense of love. For Badiou, love is an existential project, a constantly unfolding quest for truth. This quest begins with the chance encounter, an event that forever changes two individuals, challenging them "to see the world from the point of view of two rather than one." This, Badiou believes, is love's most essential transforming power. Through thought-provoking dialogue edited from a conversation between Badiou and Truong, a vibrant cast of thinkers are invoked: Kierkegaard, Plato, de Beauvoir, Proust, and more, create a new narrative of love in the face of twenty-first-century modernity. Moving, zealous, and wise, Badiou's "paean to the anticapitalist, antiessentialist, unifying power of love" urges us not to fear it but to see it as a magnificent undertaking that compels us to explore others and to move away from an obsession with ourselves (Publishers Weekly). "Finally, the cure for the pornographic, utilitarian exchange of favors to which love has been reduced in America. Alain Badiou is our philosopher of love." —Simon Critchley, author of *The Faith of the Faithless*
