ManyBooks is one of the best resources on the web for free books in a variety of download formats. There are hundreds of books available

here, in all sorts of interesting genres, and all of them are completely free. One of the best features of this site is that not all of the books listed here are classic or creative commons books. ManyBooks is in transition at the time of this writing. A beta test version of the site is available that features a serviceable search capability. Readers can also find books by browsing genres, popular selections, author, and editor's choice. Plus, ManyBooks has put together collections of books that are an interesting way to explore topics in a more organized way. Get in touch with us! From our offices and partner business' located across the globe we can offer full local services as well as complete international shipping, book online download free of cost. The free Kindle books here can be borrowed for 14 days and then will be automatically returned to the owner at that time. Authorama.com features a nice selection of free books written in HTML and XHTML, which basically means that they are in easily readable format. Most books here are featured in English, but there are quite a few German language texts as well. Books are organized alphabetically by the author's last name. Authorama offers a good selection of free books from a variety of authors, both current and classic. You can search for a specific title or browse by genre (books in the same genre are gathered together in bookshelves). It's a shame that fiction and non-fiction aren't separated, and you have to open a bookshelf before you can sort books by country, but those are fairly minor quibbles. Free ebooks are available on every different subject you can think of in both fiction and non-fiction. There are free ebooks available for adults and kids, and even those tween and teenage readers. If you love to read but hate spending money on books, then this is just what you're looking for. After you register at Book Lending (which is free) you'll have the ability to borrow books that other individuals are loaning or to loan one of your Kindle books. You can search through the titles, browse through the list of recently loaned books, and find eBook by genre. Kindle books can only be loaned once, so if you see a title you want, get it before it's gone. Now you can make this easier and filter out the irrelevant results. Restrict your search results using the search tools to find only free Google eBooks. If you are not a bittorrent

person, you can hunt for your favorite reads at the SnipFiles that features free and legal eBooks and softwares presented or acquired by resale, master rights or PLR on their web page. You also have access to numerous screensavers for free. The categories are simple and the layout is straightforward, so it is a much easier platform to navigate.
