The Business Coach James S. Doyle.1999-02-22 In this book, author James S. Doyle demonstrates how to apply the coach concept to the game of business and establish a successful coaching relationship with any employee, within any organization. More than just tips and techniques, The Business Coach is a highly practical guide that leads the reader through a step-by-step process of growth and mastery. The coaching relationship, according to Doyle, grows from the inside-out. It is not a role that can be picked up and put on like a uniform. It requires a shift in thinking and behavior, as well as a true commitment to being a coach, not just the desire to act like one. This book provides the necessary mind set, skills, and attributes needed to allow this internal transformation.

Hockey Sucks: Let's Fix It Michael Munro.2017-10-10 The game of hockey has drastically changed over the past two decades and not for the better. Gone are the days of goal scorers, stick handlers, tough guys and passers. When they left so did the excitement and the unexpected. Now it is a game played by drones in exactly the same fashion by every team. Former hockey reporter Michael Munro examines the impact manufactured hockey players are having on the National Hockey League and its feeder systems. In this Western based critique Munro explains how the NHL ended up eliminating goal scorers and entertainers with a series of rule changes and management decisions. And it is a discussion of how Canada lost its role as the dominant hockey nation and started developing only supporting players and not lead actors. An honest and sometimes disturbing 250 page essay that is a must read for anyone who loves hockey and wants to see it become a global success.

This book stands out from other coaching books by starting with the basics of field hockey and then taking you to the medium to professional level. About the Expert Sohaib Khan has learned hockey from his school hockey club. He participated in various hockey tournaments at college, school and club level. He got a chance to learn hockey from professional coaches at these competitions, which were highly competitive and made his hockey skills better, as he played against the best hockey players of the region. Sohaib Khan now plays hockey for a regional club which has a ground near his home. This helps him to stay in touch with his hockey skills and his professional hockey coaches. Sohaib Khan has played at various positions in

hockey, but during his club level days he realized that he was most effective at the right-in position, which is an attacking position in the hockey field. To play at this position, a player has to be agile and quick to move around. He played in different competitions and managed to do well and receive accolades from former hockey players, who were always there for him. Sohaib Khan's expert opinion is to always seek advice from the greats of the game. HowExpert publishes quick 'how to' guides on all topics from A to Z by everyday experts.

Hockey Andreu Enrich.2023-10-30 You are holding the second volume of 50 Tips from Intelligent Players, a book designed with the intention to promote your game intelligence and develop your hockey skills. Within these pages, you'll discover 50 fresh tips that complement those in the first volume. These tips also encompass various facets of the game, including tactics, skill execution, mindset, training, scoring, and more. These tips draw from my personal journey, beginning as a player and evolving into a coach across various countries and competitive levels. They're insights I've gathered firsthand and observed in the most intelligent players I've encountered on the pitch. Take these 50 tips as suggestions that you can adapt to your unique style and circumstances. I hope that by reading this book, you will not only learn some useful tips, but also discover some new ways of thinking about the game, and about yourself as a player. I wish to help you in the development of your game intelligence and, most importantly, in your capacity to enjoy our beloved sport. Andreu Enrich (Terrassa, 1984) is a former international hockey player and currently a hockey coach. He played most of his time in Atlètic Terrassa Hockey Club and also worked for the Spanish Hockey Federation. He also had hockey experiences in the Netherlands (Pinoké), Belgium (KHC Leuven and Royal Belgian Hockey Association) and Germany (Hamburger Polo Club and Mannheimer HC). He has published four other hockey books: Small-Sided Games (2019), Hockey: A Philosophical Game (2020), Hockey: 50 Tips from Intelligent Players (2020) and Hockey: Tactical Dilemmas (2022)
