State beaches, forests, nature reserves, and historic sites are also featured. 144 pages

Camping Texas Tom Behrens.2009-09-15 Camping Texas is an indispensable guide to hundreds of public campgrounds in the Lone Star State. From the Texas Gulf Coast to the mountains of West Texas, the camping opportunities in this book accommodate a range of outdoor interests, including fishing, boating, mountain biking, bird watching, and horseback riding. In addition to providing detailed site descriptions and directions, Camping Texas includes useful tips on camping etiquette, camping with children, and enjoying—or avoiding—the state's diverse and abundant wildlife.

NATL PARK SERVICE CAMPING GD 6 Roundabout Publications.2017-02-19 Enjoy camping in America's national parks? Let this book be your guide to over 400 public campgrounds managed by the National Park Service. It's a concise guide to campgrounds in over 120 national parks, recreation areas, national monuments, and other parks. Whether you enjoy tent camping or RV camping, the book gives you information about the number of sites, season of operation, nightly cost, availability of hookups, and the various amenities available such as restrooms, showers, and RV dump stations. RV length limits, length of stay limits, and reservation information is also provided.

Lone Star Travel Guide to Texas Parks and Campgrounds George Oxford Miller.2009-05-16 An up-to-date guidebook perfect for campers, hikers, mountain bikers, horseback riders, bird watchers, nature photographers and just about anyone else who enjoys the outdoors.

Guide to National Parks of the Southwest Rose Houk.2005 The southwestern United States, with its astounding collection of national parks and monuments, offers travel unlike any other. Here, canyons record geologic time in a tableau of color. Frontier history unfolds in hundred-year old adobe walls. Impressive archaeological sites connect us to the ancient people who lived here hundreds of years ago. Vast backcountries shelter flora and fauna found nowhere else on Earth. The Guide to National Parks of the Southwest is for anyone who yearns to explore America's greatest places. This guide covers fifty-two sites with great historical, biological, geological, or archaeological significance. Each one is different and unique; each has a story to tell. There are caves, canyons, rivers, deserts, mountains, frontier forts, Spanish churches, cliff dwellings, and million-acre wildernesses, all places of mystery and magic where the power of natural forces and human history can be directly witnessed and experienced. The Southwest's treasures were recognized early on, and the gems of the National Park Service are included in this volume - Montezuma Castle, Chaco Canyon, Natural Bridges, Navajo, Tonto, Petrified Forest, Gila Cliff Dwellings, and Grand Canyon. At these sites, and the many others included in The Guide to National Parks of the Southwest, visitors find nearly endless opportunities to camp, hike, boat, bicycle, picnic, sight-see; chances to explore, learn, participate, and contemplate. Through text and photographs, this guide describes each park and monument and gives practical information to help plan a visit. Over 175 stunning photographs are included, from some of the nation's most well-known landscape photographers. Discover parks that are in a geographic area that stretches from west Texas, through New Mexico and Arizona, and into southern Utah and Colorado. The book features descriptions of 52 National Park Service units, each with a detailed access map, descriptions of the area, and information on interpretive programs, hiking, camping, accommodations, hours, phone numbers, and addresses.

The Double Eagle Guide to Western State Parks .1996

Lone Star Guide to Texas Parks and Campgrounds George Oxford Miller.2003-04-16 This up-to-date guidebook is just the ticket for campers, hikers, mountain bikers, horseback riders, birdwatchers, nature photographers, and folks who just like to enjoy the outdoors. It offers all the details to every

state and national park, recreation area, national forest, and historical park in Texas. Where appropriate, maps are provided to identify specific campsites within the larger parks, and at a glance charts provide a quick and easy way to determine the extent of such amenities as showers, flush toilets, electricity, etc. The unique features of each park or campground are described, as well as the recreation available, be it boating or bird watching. Whether it's for a Saturday getaway or a two-week vacation, this handy book is a great guide to outdoor fun in Texas.

Texas Laurence Parent.2013-08-15 Texas is unique, not only because it is the only state to enter the Union by way of a treaty, but because a clause in that treaty gives Texas the right, in perpetuity, to divide into as many as five separate states. These Five States of Texas reflect the remarkable geographic variety of this vast landscape. From the plains and mountains, beaches and deserts, forests and rugged canyons, Laurence Parent captures the beauty of the Texas landscapes, places, and people that are as diverse as its many-faceted culture.
