National Parks and Protected Areas James Gordon Nelson, Rafal Serafin. 2013-06-29 National parks and protected areas offer a wealth of ecological and social contributions or services to humans and life on earth. This book describes the strengths of national parks and protected areas in different parts of Europe and North America and the challenges to the full realization of their goals. It shows that they are useful not only in conserving rare species and biodiversity, but also in protecting water supply and other resources necessary to tourism and to economic and social development generally. Ideas and information on useful planning, management and decision-making arrangements are presented, and research needs are identified.

American Mediterranean Matthew Pratt Guterl. 2013-03-11 How did slave-owning Southern planters make sense of the transformation of their world in the Civil War era? Matthew Pratt Guterl shows that they looked beyond their borders for answers. He traces the links that bound them to the wider fraternity of slaveholders in Cuba, Brazil, and elsewhere, and charts their changing political place in the hemisphere. Through such figures as the West Indian Confederate Judah Benjamin, Cuban expatriate Ambrosio Gonzales, and the exile Eliza McHatton, Guterl examines how the Southern elite connected—by travel, print culture, even the prospect of future conquest—with the communities of New World slaveholders as they redefined their world. He analyzes why they invested in a vision of the circum-Caribbean, and how their commitment to this broader slave-owning community fared. From Rebel exiles in Cuba to West Indian apprenticeship and the Black Codes to the “labor problem” of the postwar South, this beautifully written book recasts the nineteenth-century South as a complicated borderland in a pan-American vision.

Transnational Constitutionalism Nicholas Tsagourias. 2007-07-19 An interdisciplinary perspective is adopted to examine international and European models of constitutionalism. In particular the book reflects critically on a number of constitutional themes, such as the nature of European and international constitutional models and their underlying principles; the telos behind international and European constitutionalism; the role of the state and of central courts; and the relationships between composite orders. Transnational Constitutionalism brings together a group of European and international law scholars, whose thought-provoking contributions provide the necessary intellectual insight that will assist the reader in understanding the political and legal phenomena that take place beyond the state. This edited collection represents an original and pioneering contribution to the international and European constitutional discourse.

Ungewisse und diffuse Diskriminierung Henrik Schramm. 2013 Auswahlentscheidungen gehen nicht ohne Ungleichbehandlung einher. Aber unter welchen Umständen ist es verbotene Diskriminierung, wenn etwa ein Bewerber um einen Miet- oder Arbeitsvertrag kein Angebot erhält? Henrik Schramm spürt der in Rechtsprechung und Literatur zum Allgemeinen Gleichbehandlungsgesetz (AGG) verbreiteten Unsicherheit über subjektive und objektive Komponenten des Diskriminierungsunrechts nach. Dabei wird deutlich, dass die unmittelbare Diskriminierung zwar nicht nur verwerfliche Motive erfasst, sondern jedwedes Anknüpfen an ein geschütztes Merkmal und die mittelbare Diskriminierung unverhältnismäßig nachteilige Auswirkungen neutraler Kriterien. Aber das heißt im Privatrechtsverkehr nichts anderes als aus verbotenen Gründen entscheiden oder anhand unakzeptabler Kriterien. Wird private Diskriminierung auf handlungstheoretisch-analytischer Grundlage schärfer konturiert, kommt Licht in ein Dickicht von Streitfragen - über die begriffliche Rekonstruktion der Tatbestände bis hin etwa zur EuGH-Rechtsprechung zur Schwangerschafts- als Geschlechtsdiskriminierung, die sich als weniger systemlos und schwankend erweist als oft angenommen. Das Problem aber, dass für die Außenwelt oft ungewiss und manchmal auch für den Verbotsadressaten selbst diffus bleibt, ob diskriminierende Gründe im Spiel sind, erfordert eine Beweiserleichterung. Richtig verstanden setzt diese nur beim Beweismaß an und verändert die Beweislast nicht.

Scientific Approaches to Consciousness Jonathan D. Cohen, Jonathan W. Schooler. 2014-04-04 There are many ways to approach the understanding of consciousness. Questions about these ways have occupied philosophers and metaphysicians for centuries. During the early growth of cognitive science the problem of consciousness remained taboo, but an increasing number of studies have either implicitly or explicitly begun to bear on its nature. These have been inspired by a number of different original questions, and focus on a variety of different empirical phenomena. Thus, studies of implicit memory, subliminal processing, strategic versus automatic processing, allocation of attention, and differences between information processes in the awake versus dreaming state all share a common assumption of a particular quality or state -- awakeness, awareness, alertness, namely consciousness -- that somehow can be distinguished from another type of state or states in which the subject is not aware of the information being processed. What distinguishes the cognitive psychological and cognitive neuroscience approach to the question of consciousness from that of philosophy and metaphysics is scientific methodology: a set of tools that permit the empirical study of a phenomenon in an objective and reproducible way. Recent developments in both the empirical and theoretical methodologies of these fields have made it possible to begin to study the phenomenon associated with -- if not directly underlying -- consciousness in a scientific fashion. This volume tries to resolve the difficulties associated with the scientific investigation of consciousness. The intent is to explore the extent to which consciousness can be the target of direct scientific inquiry, to get on the table some of the relevant work, and consider the degree to which this research can help inform our understanding of consciousness. It brings together a group of cognitive and neuroscientists to share relevant recent research in the fields of cognitive science and neuroscience and to determine whether any new strategies for the scientific pursuit of this question can be developed. A long-term goal is the development of a unified understanding of consciousness, scientific as well as philosophical perspectives. This volume takes the first step toward building the necessary local bridges.

Guidelines on Biodiversity and Tourism Development .2004

Listening to Young Children Alison Clark, Peter Moss. 2011 The Mosaic approach views children as ‘experts in their own lives’, and offers a creative framework for listening to young children’s perspectives. At a time of shifting policy in early years, this second edition offers a timely reminder that listening to young children is still important for reviewing service provision. The Mosaic approach has been applied by practitioners throughout the world. This new edition reflects on the authors’ original ground-breaking work, with new introductions, updates and examples of how the Mosaic approach has been adapted, and offers case studies that will encourage practitioners to use the framework in their own setting. It will be of interest to policy makers, practitioners in nurseries, children’s centres, pre-schools and schools and residential settings. It will also be welcomed by early childhood students and other researchers who are engaged in searching for new theoretical, practical and imaginative ways of listening to young children.

Learning to Smoke Jason Hughes. 2003-02-15 Why do people smoke? Taking a unique approach to this question, Jason Hughes moves beyond the usual focus on biological addiction that dominates news coverage and public health studies and invites us to reconsider how social and personal understandings of smoking crucially affect the way people experience it. Learning to Smoke examines the diverse sociological and cultural processes that have compelled people to smoke since the practice was first introduced to the West during the sixteenth century. Hughes traces the transformations of tobacco and its use over time, from its role as a hallucinogen in Native American shamanistic ritual to its use as a prophylactic against the plague and a cure for cancer by early Europeans, and finally to the current view of smoking as a global pandemic. He then analyzes tobacco from the perspective of the individual user, exploring how its consumption relates to issues of identity and life changes. Comparing sociocultural and personal experiences, Hughes ultimately asks what the patterns of tobacco use mean for the clinical treatment of smokers and for public policy on smoking. Pointing the way, then, to a more learned and sophisticated understanding of tobacco use, this study will prove to

be essential reading for anyone interested in the history of smoking and the sociology of addiction.

Standards in Education Dennis M. McInerney, Shawn Van Etten, Martin Dowson. 2007-08-01 Education institutions and organizations throughout the world are currently being held accountable for achieving and maintaining historically unmatched standards of academic quality and performance. Accreditation bodies; policy makers; boards of trustees; and teacher, parent, and student groups all place educational institutions and organizations under unprecedented accountability pressures. The aim of this volume is to explore and better understand how these pressures are impacting a broad range of social and cultural issues and, subsequently, how these issues impact student motivation and learning.

Das gesetzliche mittreuhänderische Schuldverhältnis kraft gemeinsamer Elternschaft Mareike Preisner. 2014-04-15 Mareike Preisner zeigt, dass zwischen zwei Elternteilen - unabhängig von einer rechtlich flankierten oder faktischen Partnerschaft - allein kraft gemeinsamer Elternschaft ein gesetzliches mittreuhänderisches Schuldverhältnis besteht. Sie legt ein tragfähiges Gesamtkonzept vor, das zum einen ein tieferes Verständnis des geltenden Rechts erlaubt, vor allem aber im Sinne der Beteiligten sachgerechte Lösungen ermöglicht. Auf Grundlage ihrer am Eltern-Eltern-Verhältnis exemplarisch erarbeiteten Lösung lässt sich zugleich eine Neukonzeption der Familienrechtsdogmatik insgesamt unter Wahrung der verfassungsrechtlichen Vorgaben gewinnen. Diese ermöglicht sowohl den Schulterchluss zwischen Familienrecht und allgemeiner Zivilrechtsdogmatik wieder herzustellen als auch, den gegenwärtigen gesellschaftspolitischen Herausforderungen gerecht zu werden.

Confronting Past Human Rights Violations Chandra Lekha Sriram. 2004-08-12 This book examines what makes accountability for previous violations more or less possible for transitional regimes to achieve. It closely examines the other vital goals of such regimes against which accountability is often balanced. The options available are not simply prosecution or pardon, as the most heated polemics of the debate over transitional justice suggest, but a range of options from complete amnesty through truth commissions and lustration or purification to prosecutions. The question, then, is not whether or not accountability can be achieved, but what degree of accountability can be achieved by a given country. The focus of the book is on the politics of transition: what makes accountability more or less feasible and what strategies are deployed by regimes to achieve greater accountability (or alternatively, greater reform). The result is a more nuanced understanding of the different conditions and possibilities that countries face, and the lesson that there is no one-size-fits-all prescription that can be handed to transitional regimes.

Post-migration ethnicity Gerd Baumann, Thijl Sunier. 1995

The Copenhagen Diagnosis 26 Leading Scientists. 2011-04-25 The Copenhagen Diagnosis is a summary of the global warming peer reviewed science since 2007. Produced by a team of 26 scientists led by the University of New South Wales Climate Research Centre, the Diagnosis convincingly proves that the effects of global warming have gotten worse in the last three years. It is a timely update to the UN's Intercontinental Panel on Climate Change 2007 Fourth Assessment document (IPCC AR4). The report places the blame for the century long temperature increase on human factors and says the turning point must come soon. If we are to limit warming to 2 degrees above pre-industrial values, global emissions must peak by 2020 at the latest and then decline rapidly. The scientists warned that waiting for higher levels of scientific certainty could mean that some tipping points will be crossed before they are recognized. By 2050 we will effectively need to be in a post-carbon economy if we are to avoid unlivable temperatures. Authors: Ian Allison, Nathaniel Bindoff, Robert Bindenschadler, Peter Cox, Nathalie de Noblet-Ducoudré, Matthew England, Jane Francis, Nicolas Gruber, Alan Haywood, David Karoly, Georg Kaser, Corinne Le Qué'ré, Tim Lenton, Michael Mann, Ben McNeil, Andy Pitman, Stefan Rahmstorf, Eric Rignot, Hans Joachim Schellnhuber, Stephen Schneider, Steven Sherwood, Richard Somerville, Konrad Steffen, Eric Steig, Martin Visbeck, Andrew Weaver

A Dissertation on the Poor Laws Joseph Townsend. 1786

Die "registrierte" Gesellschaft bürgerlichen Rechts Christof Wagner. 2014-03-10 Die Gesellschaft bürgerlichen Rechts ist, anders als die offene Handelsgesellschaft, nicht allgemein registriert. Dennoch bestehen mit dem Grundstücksrecht und dem Gesellschaftsrecht Teilbereiche, in denen die GbR `indirekt` registriert wird. Insbesondere um die neu geschaffenen 899a BGB und 47 II GBO herrscht in Literatur, Praxis und Rechtsprechung Uneinigkeit über den durch diese Normen erreichten Schutz des Rechtsverkehrs. Christof Wagner beleuchtet den Schutz des Rechtsverkehrs durch die indirekte Registrierung der GbR auch im Zusammenspiel mit anderen Instituten des Zivilrechts wie der fehlerhaften Gesellschaft, der Auslegungsregel des unternehmensbezogenen Geschäfts sowie Rechtscheintatbeständen. Das so erreichte Schutzniveau ist mit dem der offenen Handelsgesellschaft vergleichbar, mithin ist die Sicherheit im Rechtsverkehr auch mit der nicht allgemein registrierten GbR gewährleistet.

Islam and Citizenship Education Ednan Aslan, Marcia Hermansen. 2015-01-14 The scholarly contributors to this volume investigate various means to stimulate and facilitate reflection on new social relations while clarifying the contradictions between religious and social affiliation from different perspectives and experiences. They explore hindrances whose removal could enable Muslim children and youth to pursue equal participation in political and social life, and the ways that education could facilitate this process.

Childhood in a Global Perspective Karen Wells. 2015-02-02 The second edition of this compelling and popular book offers a unique global perspective on children's lives throughout the world. It shows how the notion of childhood is being radically re-shaped, in part as a consequence of globalization. Taking an engaging historical and comparative approach, the book explores social issues such as how children are constituted as raced, classed and gendered subjects; how children's involvement in war is connected to the globalization of capitalism and organized crime; and how school and work operate as sites for the governing of childhood. The book discusses wide-ranging topics including children's rights, the family, children and war, child labour and young people's activism around the globe. In addition to updated literature throughout, the revised edition includes new chapters on migration and trafficking, and the role of play. The book will continue to be of great value to students and scholars in the fields of sociology, geography, social policy and development studies. It will also be a valuable companion to practitioners of international development and social work, as well as to anyone interested in childhood in the contemporary world.

Smoke Sander L. Gilman, Xun Zhou. 2004 People have always smoked, and they probably always will. Every culture in recorded history has smoked something, whether for pleasure or relief, whether as part of an elaborate religious ritual or merely to strike a pose. This is the first truly comprehensive history of smoking, describing all of its forms, practices, paraphernalia and materials, in cultures, locations and times throughout the world.

Finding a Solution to Leadership Niels Brabandt. 2019-11-18 Business and employee management are key subjects in business administration. For decades, actually for centuries, there has been a discussion about how effective leadership of people or employees can be realized. It has always been a major concern within market-based economic systems to learn how its products and services should be designed in order to generate consumer demand. That the discussion about business and employee management is more relevant than ever is linked to the fact that leadership situations are influenced by a variety of external factors. They include, in particular, political, cultural, social, demographic, economic, and technological developments. It is therefore required for business and employee management to be adapted to those external framework conditions on a permanent basis. In former times, the assumption in mainstream leadership research was that leadership success relied on specific personal characteristics. Later on, the prevailing view was that the decisive factors in employee management lied in specific leadership behavior or leadership styles. Today's research on leadership is dominated by situation-oriented approaches, providing for specific leadership concepts for specific organizational and employee-related structures. The present thesis is an attempt to bundle a variety of approaches to leadership with the aim of providing an overarching framework for concepts of a similar nature.

Therefore, the leadership concept to be developed in what follows is to be characterized by the principles of holism and sustainability. The first step is to present the fundamentals of leadership and management in order to introduce key terms and concepts and provide an overview of the research on leadership. Chapter 3 deals with separately displaying the business and employee management approaches of various management pioneers, distinguishing between early and contemporary pioneers. Each approach is presented in consideration of its key elements, its strengths and opportunities, as well as its weaknesses and limitations. The fourth chapter, finally, is devoted to developing a holistic and sustainable leadership concept.

Grammar and Dialogism Susanne Günthner, Wolfgang Imo, Jörg Bücker. 2014-10-29 This volume aims at analyzing the relationship between the dialogical accomplishment of spoken talk-in-interaction on the one hand and entrenched patterns of linguistic and socio-cultural knowledge (constructions, frames, and communicative genres) on the other. The contributions analyze linguistic patterns in different languages such as English, French, German, and Swedish. Methodologically, they take up the usage-based position that structural and functional aspects of language use need to be studied empirically and bottom-up: Since grammatical structure arises as the entrenched result of recurrent language use, its study should start with the local organization of natural talk-in-interaction before moving on to more complex and abstract relationships between linguistic structure, linguistic meaning, and socio-cultural activity/event patterns. Furthermore, they argue that Dialogism provides a promising starting point for a usage-based approach to linguistic patterns as both emerging (i.e. constructed in response to the situational circumstances of talk-in-interaction) and emergent (i.e. constructed with regard to symbolic units as parts of socially and culturally shared knowledge).

Wealth and Welfare Arthur Cecil Pigou. 1912

The Bridge of the Golden Horn Emine Sevgi Özdamar. 2007 Caught between two cultures and languages: the immigrant condition

Parties, Governments and Elites Philipp Harfst, Ina Kubbe, Thomas Poguntke. 2017-04-26 Parties, governments and elites are at the core of the study of democracy. The traditional view is that parties as collective actors play a paramount role in the democratic process. However, this classical perspective has been challenged by political actors, observers of modern democracy as well as political scientists. Modern political parties assume different roles, contemporary leaders can more heavily influence politics, governments face new constraints and new collective bodies continue to form, propose new ways of participation and policy making, and attract citizens and activists. In the light of these observations, the comparative study of democracy faces a number of important and still largely unsolved questions that the present volume will address.

Prosthetic Memory Alison Landsberg. 2004 Prosthetic Memory argues that mass cultural forms such as cinema and television in fact contain the still-unrealized potential for a progressive politics based on empathy for the historical experiences of others. The technologies of mass culture make it possible for anyone, regardless of race, ethnicity, or gender, to share collective memories--to assimilate as deeply felt personal experiences historical events through which they themselves did not live.

Critical Links Richard Deasy. 2002 Two purposes of this compendium are: (1) to recommend to researchers and funders of research promising lines of inquiry and study suggested by recent, strong studies of the academic and social effects of learning in the arts; and (2) to provide designers of arts education curriculum and instruction with insights found in the research that suggest strategies for deepening the arts learning experiences and are required to achieve the academic and social effects. The compendium is divided into six sections: (1) Dance (Summaries: Teaching Cognitive Skill through Dance; The Effects of Creative Dance Instruction on Creative and Critical Thinking of Seventh Grade Female Students in Seoul, Korea; Effects of a Movement Poetry Program on Creativity of Children with Behavioral Disorders; Assessment of High School Students' Creative Thinking Skills; The Impact of Whirlwind's Basic Reading through Dance Programs on First Grade Students' Basic Reading Skills; Art and Community; Motor Imagery and Athletic Expertise; Essay: Informing and Reforming Dance Education Research (K. Bradley)); (2) Drama (Summaries: Informing and Reforming Dance Education Research; The Effects of Creative Drama on the Social and Oral Language Skills of Children with Learning Disabilities; The Effectiveness of Creative Drama as an Instructional Strategy To Enhance the Reading Comprehension Skills of Fifth-Grade Remedial Readers; Role of Imaginative Play in Cognitive Development; A Naturalistic Study of the Relationship between Literacy Development and Dramatic Play in Five-Year-Old Children; An Exploration in the Writing of Original Scripts by Inner-City High School Drama Students; A Poetic/Dramatic Approach To Facilitate Oral Communication; Children's Story Comprehension as a Result of Storytelling and Story Dramatization; The Impact of Whirlwind's Reading Comprehension through Drama Program on 4th Grade Students' Reading Skills and Standardized Test Scores; The Effects of Thematic-Fantasy Play Training on the Development of Children's Story Comprehension; Symbolic Functioning and Children's Early Writing; Identifying Casual Elements in the Thematic-Fantasy Play Paradigm; The Effect of Dramatic Play on Children's Generation of Cohesive Text; Strengthening Verbal Skills through the Use of Classroom Drama; 'Stand and Unfold Yourself' A Monograph on the Shakespeare and Company Research Study; Nadie Papers No. 1, Drama, Language and Learning. Reports of the Drama and Language Research Project, Speech and Drama Center, Education Department of Tasmania; The Effects of Role Playing on Written Persuasion; 'You Can't Be Grandma: You're a Boy'; The Flight of Reading; Essay: Research on Drama and Theater in Education (J. Catterall)); (3) Multi-Arts (Summaries: Using Art Processes To Enhance Academic Self-Regulation; Learning in and through the Arts; Involvement in the Arts and Success in Secondary School; Involvement in the Arts and Human Development; Chicago Arts Partnerships in Education (CAPE); The Role of the Fine and Performing Arts in High School Dropout Prevention; Arts Education in Secondary Schools; Living the Arts through Language and Learning; Do Extracurricular Activities Protect against Early School Dropout?; Does Studying the Arts Engender Creative Thinking?; The Arts and Education Reform; Placing A+ in a National Context; The A+ Schools Program; The Arts in the Basic Curriculum Project; Mute Those Claims; Why the Arts Matter in Education Or Just What Do Children Learn When They Create an Opera?; SAT Scores of Students Who Study the Arts; Essay: Promising Signs of Positive Effects: Lessons from the Multi-Arts Studies (R. Horowitz; J. Webb-Dempsey)); (4) Music (Summaries: Effects of an Integrated Reading and Music Instructional Approach on Fifth-Grade Students' Reading Achievement, Reading Attitude, Music Achievement, and Music Attitude; The Effect of Early Music Training on Child Cognitive Development; Can Music Be Used To Teach Reading?; The Effects of Three Years of Piano Instruction on Children's Cognitive Development; Enhanced Learning of Proportional Math through Music Training and Spatial-Temporal Training; The Effects of Background Music on Studying; Learning To Make Music Enhances Spatial Reasoning; Listening to Music Enhances Spatial-Temporal Reasoning; An Investigation of the Effects of Music on Two Emotionally Disturbed Students' Writing Motivations and Writing Skills; The Effects of Musical Performance, Rational Emotive Therapy and Vicarious Experience on the Self-Efficacy and Self-Esteem of Juvenile Delinquents and Disadvantaged Children; The Effect of the Incorporation of Music Learning into the Second-Language Classroom on the Mutual Reinforcement of Music and Language; Music Training Causes Long-Term Enhancement of Preschool Children's Spatial-Temporal Reasoning; Classroom Keyboard Instruction Improves Kindergarten Children's Spatial-Temporal Performance; A Meta-Analysis on the Effects of Music as Reinforcement for Education/Therapy Objectives; Music and Mathematics; Essay: An Overview of Research on Music and Learning (L. Scripp)); (5) Visual Arts (Summaries: Instruction in Visual Art; The Arts, Language, and Knowing; Investigating the Educational Impact and Potential of the Museum of Modern Art's Visual Thinking Curriculum; Reading Is Seeing; Essay: Reflections on Visual Arts Education Studies (T. L. Baker)); and (6) Overview (Essay: The Arts and the Transfer of Learning (J. S. Catterall)). (BT)

A Slap in the Face Abbas Khider. 2022-03-22 Now in paperback, the touching, timely story of an Iraqi refugee in Germany. In our era of mass migration, much of it driven by war and its aftermath, A Slap in the Face could not be more timely. It tells the story of Karim, an Iraqi refugee living in Germany whose right to asylum has been revoked in the wake of Saddam Hussein's defeat. But Hussein wasn't the only reason Karim left, and as Abbas Khider unfolds his story, we learn both the secret struggles he faced in his homeland and the battles with prejudice, distrust, poverty, and bureaucracy he has to endure in his attempts to make a new life in Germany. As he erupts in frustration at his caseworker, and finally forces her to listen to his story, we get an account of a contemporary life upended by politics and violence, told with a warmth and humor that, while surprising us, does nothing to lessen the outrages Karim describes.

Psychodrama, Surplus Reality and the Art of Healing Zerka T. Moreno, Leif Dag Blomkvist, Thomas Rutzel. 2013-01-11 The practice of psychodrama allows participants to create a world for themselves, free of usual rules and constraints. This freedom from all ordinary conventions is what Moreno called 'Surplus Reality', and is one of the most vital, curative and mysterious elements of psychodrama. In this book, Leif Dag Blomkvist and Zerka Moreno explore the depths of this long-neglected concept. In addition, each chapter is prefaced by Leif Dag Blomkvist's explanations and illuminations of the forces and energies - from early religious rituals and festivals to the art of Surrealism - which have influenced psychodrama. Psychodramatists and mental health professionals who wish to take therapy beyond the 'verbal' will find the book valuable reading.

Sisyphus Siegfried Bernfeld. 1973-01-01

Inequalities of the World Göran Therborn. 2006 A groundbreaking exploration of contemporary global inequality by leading scholars from across the world.

Classical Political Economy William O. Thweatt. 2013-03-09 William O. Thweatt This book is the second in three surveys of the literature in the history of economic thought in the Kluwer Recent Economic Thought series. The first book, covering the pre-classical literature, has already been published; a third, on the neo-classical period, is planned for 1988. This middle book surveys the writings on classical political economy for the past 30 years, or roughly since the publication of Joseph Schumpeter's 1954 monumental *History of Economic Analysis*. Shortly after World War II, the American Economic Association sponsored a *Survey of Contemporary Economics* [1949]. That work covered 13 subdisciplines of economics, and in 1952 a companion piece appeared in which surveys of 10 additional subdisciplines were presented. As Bernard Haley, editor of the second volume, stated, even though in the two volumes twenty-three fields have been treated ... there remain some aspects of the subject ... that have not been reviewed [Haley, 1952, p. v].

Knowing in Performing Annegret Huber, Doris Ingrisch, Therese Kaufmann, Johannes Kretz, Gesine Schröder, Tasos Zembylas. 2021-03-31 How can performing be transformed into cognition? *Knowing in Performing* describes dynamic processes of artistic knowledge production in music and the performing arts. Knowing refers to how processual, embodied, and tacit knowledge can be developed from performative practices in music, dance, theatre, and film. By exploring the field of artistic research as a constantly transforming space for participatory and experimental artistic practices, this anthology points the way forward for researchers, artists, and decision-makers inside and outside universities of the arts.

Living the Global City John Eade. 2003-10-04 Politicians and academics alike have made globalization the key reference point for interpreting the 1990s. For many, globalization threatens both community and the nation-state. It appears to represent forces beyond human control. *Living the Global City* documents globalization's impact on everyday lives by drawing on research rather than rhetoric and arrives at a very different perspective. *Living the Global City* offers an analysis of globalization and global/local processes by focussing on specific issues and themes which include community, culture, milieu, socioscapes and sociospheres, microglobalization, poverty, ethnic identity and carnival. By advancing the debates which surround these issues through a redefinition of the terms in which they have been developed and engagement with the everyday lives of people in a global city, this book reveals how such key concepts as community, culture, class, poverty and identity can be reconceptualized in the context of global/local processes.

Inspector Ali Driss Chraïbi. 1994 After many years abroad, the narrator, Brahim, with his much beloved Scottish wife and two very peppy boys, returns to his home village, El Jadida, in Morocco. Having invented an alter-ego, Inspector Ali, now becoming an incubus, he finds himself adrift if world famous as the author of the too scrutable, but very Sherlockian sleuth, with great solutions to crimes to his credit. Then arrive Jock and Susan, his wife's parents from Scotland, loaded down with golf clubs and nervous expectations of a mysterious land. Islam, bankers, a statuesque cook-maid, bureaucrats, students, bakers, butchers, aging Mercedes taxi drivers, nostalgia, writers bloc, all invade and saturate this volume, crosscutting into the narrative.--BOOK JACKET. Title Summary field provided by Blackwell North America, Inc. All Rights Reserved

The German Empire, 1871-1918 Hans-Ulrich Wehler. 1985-03 In the wake of the Fischer Controversy on the origins of World War I there emerged in West Germany a younger generation of historians who took a critical 'revisionist' view of the Bismarckian Empire and began to analyze the political development of the Hohenzollern monarchy against the background of the country's social and economic power structures. Professor Wehler became one of the most prominent exponents of this approach and his structural analysis of the 'Kaiserreich' created a considerable stir when it was first published. It has since, with its incisive and rigorous analysis, become a classic in the field.

Migrants, Work, and the Welfare State Torben Tranæs, Klaus F. Zimmermann. 2004 Reporting the results of a research project by the Institute for the Study of Labor in Germany and the Rockwool Foundation Research Unit in Denmark, contributors examine the effects of immigration to those two countries on both the immigrants and the societies they that migrated to. They consider demographic trends, educational and labor market factors, and immigrants' use of the social services. They also look at crime, salaries and employment of the host population, and the financial sustainability of the welfare state. Distributed in the US by ISBS. Annotation : 2004 Book News, Inc., Portland, OR (booknews.com).

Soviet Economy .1970

Selbstverantwortung und Geschäftsgrundlage Mario Schollmeyer. 2014-05-15 English summary: Study of the basis of contracts concerns one of the 'eternal' questions in private law - the limitations of the given word. According to article 313 of the Civil Code (BGB), this question has to be answered according to the contractual and legal distribution of risk, which requires an examination of culpability, responsibility, accountability. From this perspective, Mario Schollmeyer develops a new layer in the study of the basis of contracts. German description: Die Geschäftsgrundlagenlehre betrifft eine der 'ewigen Fragen' des Privatrechts - die Grenze des gegebenen Worts. Diese Frage ist nach 313 BGB unter Bezugnahme auf die vertragliche und gesetzliche Risikoverteilung zu beantworten, erfordert also die Erforschung von Vorwerfbarkeit, Einstehenmüssen, Zurechnung. Unter diesem Blickwinkel entwickelt Mario Schollmeyer eine neue Nuance der Lehre der Geschäftsgrundlage. Entsprechend der Grundstruktur des deutschen Vertragsrechts, das an den Fortfall der Primärpflicht eine Schadensersatzpflicht knüpft, ist nach dem Verfasser als Rechtsfolge der beachtlichen Geschäftsgrundlagenstörung eine Haftung der entlasteten Partei in Betracht zu ziehen. Der Wortlaut des 313 BGB sieht eine solche Haftung nicht vor. Die Geschäftsgrundlagenlehre wird daher im Wege der Rechtsfortbildung je nach Fallgestaltung um Haftungsvorschriften des Irrtumsrechts (122 BGB) oder des Leistungsstorungsrechts (283, 284, 311a Abs. 2 BGB) ergänzt.

Healing Gardens Clare Cooper Marcus, Marni Barnes. 1999-06-15 Although the healing qualities of nature have been recognized and relied on for centuries as a valuable part of convalescence, recent history has seen nature's therapeutic role virtually eclipsed by the technological dominance of modern medicine. As the twentieth century comes to a close and the medical community reacknowledges the importance of the environment to recovery, the healing garden is emerging as a supplement to drug- or technology-based treatments. *Healing Gardens* celebrates this renewed interest in nature as a catalyst for healing and renewal by examining the different therapeutic benefits of healing gardens and offering essential design guidance from experts in the field. Unique and comprehensive, *Healing Gardens* provides up-to-date coverage of research findings, relevant design principles and approaches, and best practice examples of different types of healing gardens. It begins by exploring what current research reveals about the connection between nature, human stress reduction, and medical outcomes. It then presents case studies and design guidelines for outdoor spaces in medical settings that include general, psychiatric, and children's hospitals as well as hospices, nursing homes, and Alzheimer's facilities. Historical information, literature reviews, and studies on use are included for each type of outdoor space covered, offering important insights into what works in healing gardens-and what doesn't. Generously supplemented with photographs, site plans, anecdotes, and more, *Healing Gardens* is an invaluable practical guide for landscape architects and others involved in creating and maintaining medical facilities, and an extremely useful reference for those responsible for patient care. A unique and comprehensive look at the therapeutic effects and design of healing gardens For more and more people, the shortest road to recovery is the one that leads through a healing garden. Combining up-to-date information on the therapeutic benefits of healing gardens with practical design guidance from leading experts in the field, *Healing*

Gardens is an important resource for landscape architects and others working in this emerging area. With the help of site plans, photographs, and more, it presents design guidelines and case studies for outdoor spaces in a range of medical settings, including: * Acute care general hospitals. * Psychiatric hospitals. * Children's hospitals. * Nursing homes. * Alzheimer's facilities. * Hospices.

Ungewisse Und Diffuse Diskriminierung Grunde Priv Book Review: Unveiling the Magic of Language

In an electronic digital era where connections and knowledge reign supreme, the enchanting power of language has become more apparent than ever. Its ability to stir emotions, provoke thought, and instigate transformation is really remarkable. This extraordinary book, aptly titled "**Ungewisse Und Diffuse Diskriminierung Grunde Priv**," compiled by a very acclaimed author, immerses readers in a captivating exploration of the significance of language and its profound affect our existence. Throughout this critique, we will delve to the book is central themes, evaluate its unique writing style, and assess its overall influence on its readership.

Ungewisse Und Diffuse Diskriminierung Grunde Priv Introduction

In today's digital age, the availability of Ungewisse Und Diffuse Diskriminierung Grunde Priv books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Ungewisse Und Diffuse Diskriminierung Grunde Priv books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Ungewisse Und Diffuse Diskriminierung Grunde Priv books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Ungewisse Und Diffuse Diskriminierung Grunde Priv versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Ungewisse Und Diffuse Diskriminierung Grunde Priv books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting

regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Ungewisse Und Diffuse Diskriminierung Grunde Priv books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Ungewisse Und Diffuse Diskriminierung Grunde Priv books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Ungewisse Und Diffuse Diskriminierung Grunde Priv books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Ungewisse Und Diffuse Diskriminierung Grunde Priv books and manuals for download and embark on your journey of knowledge?

FAQs About Ungewisse Und Diffuse Diskriminierung Grunde Priv Books

What is a Ungewisse Und Diffuse Diskriminierung Grunde Priv PDF? A PDF (Portable Document Format) is a file format developed by Adobe that preserves the layout and formatting of a document, regardless of the software, hardware, or operating system used to view or print it. **How do I create a Ungewisse Und Diffuse Diskriminierung Grunde Priv PDF?** There are several ways to create a PDF: Use software like Adobe Acrobat, Microsoft Word, or Google Docs, which often have built-in PDF creation tools. Print to PDF: Many applications and operating systems have a "Print to PDF" option that allows you to save a document as a PDF file instead of printing it on paper. Online converters: There are various online tools that can convert different file types to PDF. **How do I edit a Ungewisse Und Diffuse Diskriminierung Grunde Priv PDF?** Editing a PDF can be done with software like Adobe Acrobat, which allows direct editing of text, images, and other elements within the PDF. Some free tools, like PDFescape or Smallpdf, also offer basic editing capabilities. **How do I convert a Ungewisse Und Diffuse Diskriminierung Grunde Priv PDF to another file format?** There are multiple ways to convert a PDF to another format: Use online converters like Smallpdf, Zamzar, or Adobe Acrobat's export feature to convert PDFs to formats like Word, Excel, JPEG, etc. Software like Adobe Acrobat, Microsoft Word, or other PDF editors may have options to export or save PDFs in different formats. **How do I password-protect a Ungewisse Und Diffuse Diskriminierung Grunde Priv PDF?** Most PDF editing software allows you to add password protection. In Adobe Acrobat, for instance, you can go to "File" -> "Properties" -> "Security" to set a password to restrict access or editing capabilities. Are there any free alternatives to Adobe Acrobat for working with PDFs? Yes, there are many free alternatives for working with PDFs, such as: LibreOffice:

Offers PDF editing features. PDFsam: Allows splitting, merging, and editing PDFs. Foxit Reader: Provides basic PDF viewing and editing capabilities. How do I compress a PDF file? You can use online tools like Smallpdf, ILovePDF, or desktop software like Adobe Acrobat to compress PDF files without significant quality loss. Compression reduces the file size, making it easier to share and download. Can I fill out forms in a PDF file? Yes, most PDF viewers/editors like Adobe Acrobat, Preview (on Mac), or various online tools allow you to fill out forms in PDF files by selecting text fields and entering information. Are there any restrictions when working with PDFs? Some PDFs might have restrictions set by their creator, such as password protection, editing restrictions, or print restrictions. Breaking these restrictions might require specific software or tools, which may or may not be legal depending on the circumstances and local laws.

Find Ungewisse Und Diffuse Diskriminierung Grunde Priv

In addition to these basic search options, you can also use ManyBooks Advanced Search to pinpoint exactly what you're looking for. There's also the ManyBooks RSS feeds that can keep you up to date on a variety of new content, including: All New Titles By Language. We are a general bookseller, free access download ebook.
