*New Adventures of Scotty the Westie Dog* Edda Walsleben.2011-11 Hi! My name is Scottward Phillip McScotch, but I'd like it if I am called Scotty. I have been called Scotty from day one. I just think it's a friendly short name. I am a very friendly Westie (that's short for West Highland White Terrier); I am the only Westie I know who's keeping a journal. I started writing in my journal ever since I was just a little runt puppy born at the - Westie Treasure Barn-. I like to write about all of the exciting and interesting things that happen to me and my friends. I've come a long way in my short life. I've gone from being a skinny and lonely runt; a little puppy no one really wanted, to a published author with lots of friends and a wonderful family. I am not that little any more either; I am a very handsome 5 year old West Highland Terrier. I have a nice coat of white fur by now, it may not be as thick and luscious as my stepbrother Duffy's coat, but I am proud of the way my fur finally grew in. When I was born I was almost bald. I live with the people that adopted me five years ago. The Momma and the Papa Man are the sweetest people in the world. I love them so much. They believed in me and they took me in when no one else would. I live with three other dogs Margo, Duffy, and my best friend Schatzi. We live in the country and our life is never dull. In this book I'll share some of our adventures with you. Thank you for reading my books. Yours Truly, Scotty

When a mysterious stranger on Twitter summons Mitra, Siddhart, Priya, Radhika and Arvind to meet up at a 'haunted' location every Saturday night, they have no idea what they're getting into or how drastically their lives are going to change. The promise of adventure drives the thrill-seekers to take up the challenge, but soon this paranormal quest starts to play with their psyche and things take several chilling turns. As the lines between reality and surreal blur, the five find themselves at the centre of a two-decade-old unsolved murder mystery of a young Carnatic singer and are plunged into the dark and sinister world of The Hauntup, from which there is no escape--unless they do exactly what the stranger asks!

**The Other End of the Leash** Patricia McConnell, Ph.D..2009-02-19 Learn to communicate with your dog—using their language “Good reading for dog lovers and an immensely useful manual for dog owners.”—The Washington Post An Applied Animal Behaviorist and dog trainer with more than twenty years’ experience, Dr. Patricia McConnell reveals a revolutionary new perspective on our relationship with dogs—sharing insights on how “man’s best friend” might interpret our behavior, as well as essential advice on how to interact with our four-legged friends in ways that bring out the best in them. After all, humans and dogs are two entirely different species, each shaped by its individual evolutionary heritage. Quite simply, humans are primates and dogs are canids (as are wolves, coyotes, and foxes). Since we each speak a different native tongue, a lot gets lost in the translation. This marvelous guide demonstrates how even the slightest changes in our voices and in the ways we stand can help dogs understand what we want.

Inside you will discover: • How you can get your dog to come when called by acting less like a primate and more like a dog • Why the advice to “get dominance” over your dog can cause problems • Why “rough and tumble primate play” can lead to trouble—and how to play with your dog in ways that are fun and keep him out of mischief • How dogs and humans share personality types—and why most dogs want to live with benevolent leaders rather than “alpha wanna-bes!” Fascinating, insightful, and compelling, *The Other End of the Leash* is a book that strives to help you connect with your dog in a completely new way—so as to enrich that most rewarding of relationships.
