Big Hair Grant McCracken.1995-04-01 From Marilyn, Twiggy & Farrah to Julia Roberts, Princess Di & Linda Evangelista, hair is a subject to be studied, coveted, & copied. In Big Hair,Ó the ultimate book about hair -- hair styles, hair color, hair stories & hair history, from beehives to bobs & beyond -- anthropologist McCracken spins a fun, hip cultural tale detailing how modern women use the power of hair to transform their lives. Hair, often dismissed as superficial girl stuff, is, in fact, loaded with a multitude of cultural signifiers. In the universe of hair, blondness is a resource & an opportunity for self-exploration. But brunettes & redheads won't be disappointed because they are also deconstructed. After reading this book, you won't look at hair the same way again. B&W photos.

The New Life of Hugo Gardner Louis Begley.2020-03-17 Beloved author Louis Begley returns to the monied halls of the Upper East Side with a sharp new comedy of manners. Divorced after decades of comfortable marriage, retired journalist Hugo Gardner sets out to explore paths not travelled. After four decades of what he believes to be a happy, healthy partnership, Hugo Gardner's world is overturned when he learns that his wife, Valerie, is not only requesting a divorce but has left him for a younger, more vital man. Hugo, an octogenarian political writer and retired journalist for Time, must rethink the way he's lived, and reassess how he'd like to spend his remaining years. Reconsidering past relationships in his mind, with years of distance, Hugo begins to see things in a new light: Valerie, whose youth and ambition eventually came between them; his children, whose support might be more financially than emotionally motivated; and his friends, who, like him are rapidly aging before his very eyes. With an ominous oncologist's report hanging over his head, Hugo decides to get away for a bit, to a conference in Paris. There, a new romance blooms and Hugo finds himself wondering if growing old in Paris might be the perfect antidote to the drama he left behind in New York. Unflinching, witty, and urbane as ever, Louis Begley delivers a spot-on satire of the world of New York's aging elite, and uncovers the unexpected delights a late-in-life change can offer.
