100 Great War Movies Robert J. Niemi.2018-04-04 This book serves as a fascinating guide to 100 war films from 1930 to the present. Readers interested in war movies will learn surprising anecdotes about these films and will have all their questions about the films' historical accuracy answered. This cinematic guide to war movies spans 800 years in its analysis of films from those set in the 13th century Scottish Wars of Independence (Braveheart) to those taking place during the 21st-century war in Afghanistan (Lone Survivor). World War II has produced the largest number of war movies and continues to spawn recently released films such as Dunkirk. This book explores those, but also examines films set during such conflicts as the Napoleonic Wars, the American Civil War, World War I, the Vietnam War, and the wars in Afghanistan and Iraq. The book is organized alphabetically by film title, making it easy to navigate. Each entry is divided into five sections: Background (a brief discussion of the film's genesis and financing); Production (information about how, where, and when the film was shot); Synopsis (a detailed plot summary); Reception (how the film did in terms of box office, awards, and reviews) and Reel History vs. Real History (a brief analysis of the film's historical accuracy). This book is ideal for readers looking to get a vivid behind-the-scenes look at the greatest war movies ever made.

Twelve Years a Slave Solomon Northup.2024-01-04 Filmatized in 2013 and the official recipient of three Oscars, Solomon Northup's powerful slave narrative 'Twelve Years a Slave' depicts Northup's life as he is sold into slavery after having spent 32 years of his life living as a free man in New York. Working as a travelling musician, Northup goes to Washington D.C, where he is kidnapped, sent to New Orleans, and sold to a planter to suffer the relentless and brutal life of a slave. After a dozen years, Northup escapes to return to his family and pulls no punches, as he describes his fate and that of so many other black people at the time. It is a harrowing but vitally important book, even today. For further reading on this subject, try 'Uncle Tom's Cabin' by Harriet Beecher Stowe. Solomon Northup (c.1807-c.1875) was an American abolitionist and writer, best remembered for his powerful race memoir 'Twelve Years a Slave'. At the age of 32, when he was a married farmer, father-of-three, violinist and free-born man, he was kidnapped in Washington D.C and shipped to New Orleans, sold to a planter and enslaved for a dozen years. When he gained his freedom, he wrote his famous memoir and spent some years lecturing across the US, on behalf of the abolitionist movement. 'Twelve Years a Slave' was published a year after 'Uncle Tom's Cabin' by Harriet Beecher Stowe and built on the anti-slavery momentum it had developed. Northup's final years are something of a mystery, though it is thought that he struggled to cope with family life after being freed.

Victor Herbert Neil Gould.2008 Victor Herbert is one of the giants of American culture. As a musician, conductor, and, above all, composer, he touched every corner of American musical life at the turn of the century, writing scores of songs, marches, concerti, and other works. But his most enduring legacy is on a different kind of stage, as one of the grandfathers of the modern musical theater. Now, Victor Herbert has the biography he deserves. Neil Gould draws on his own experience as a director, producer, and scholar to craft the first comprehensive portrait in fifty years of the Irish immigrant whose extraordinary talents defined the sounds of a generation and made contemporary American music possible. Mining a wealth of sources--many for the first time--Gould provides a fascinating portrait of Herbert and his world. Born in Dublin in 1859, Herbert arrived in the United

States in 1886. From his first job in the orchestra pit of the Metropolitan Opera, Herbert went on to perform in countless festivals and concerts, and conduct the Pittsburgh Orchestra. In 1894, he composed his first operetta, *Prince Ananias*, and by the time of his death in 1924, he'd composed forty-two more--many of them, such as *Naughty Marietta*, spectacular Broadway hits. Along the way, he also wrote two operas, stage music for the *Ziegfeld Follies*, and the first full score for a motion picture, *The Fall of a Nation*. Gould brilliantly blends the musical and the theatrical, classical and popular, the public and the private, in this book. He not only gives a revealing portrait of Herbert the artist, entrepreneur, and visionary, but also recreates the vibrant world of the Herbert's Broadway. Gould takes us inside the music itself--with detailed guides to each major work and recreations of great performances. He also makes strong connections between Herbert's breakthrough compositions, such as the operetta *Mlle. Modiste*, and the later contributions of Rudolf Friml, Sigmund Romberg, Jerome Kern and other giants of the musical theater. As exuberant as Herbert himself, this book is also a chronicle of American popular culture during one of its most creative periods. For anyone enraptured by the sound of the American musical, this book is delightfully required reading.

The Beauties and Furies Christina Stead.2016-10-03 It is 1934, and Elvira Western has left London and her dull marriage to Paul, a doctor, for Paris and her waiting lover, Oliver, a student radical. But drab hotels and interminable discussions of politics are not her idea of romance, and soon Elvira is wishing she could leave the city of 'many beauties—and furies', and return home... Christina Stead's second novel dramatises a love triangle against a backdrop of political upheaval. Its publication in 1936 prompted a writer for the New Yorker to call Stead the 'most extraordinary woman novelist' since Virginia Woolf. Christina Stead was born in 1902 in Sydney. Stead's first books, The Salzburg Tales and Seven Poor Men of Sydney, were published in 1934 to positive reviews in England and the United States. Her fourth work, The Man Who Loved Children, has been hailed as a 'masterpiece' by Jonathan Franzen, among others. In total, Stead wrote almost twenty novels and short-story collections. Stead returned to Australia in 1969 after forty years abroad for a fellowship at the Australian National University. She resettled permanently in Australia in 1974 and was the

first recipient of the Patrick White Award that year. Christina Stead died in Sydney in 1983, aged eighty. She is widely considered to be one of the most influential Australian authors of the twentieth century. 'Stead is of that category of fiction writer who restores to us the entire world, in its infinite complexity and inexorable bitterness, and never asks if the reader wishes to be so furiously enlightened and instructed, but takes it for granted that this is the function of fiction.' Angela Carter, London Review of Books 'It's not easy to explain how much pleasure there was in reading Christina Stead's second novel *The Beauties and Furies*...It is such a dynamic novel, rich with wonderfully complex characters and a compelling storyline...*The Beauties and Furies* is a brilliant novel.' ANZ Lit Lovers 'Stead paints an enticing, kinetic picture of Parisian café life and rented lodgings, friendly prostitutes and dissipated journalists, a sort of update of *A Moveable Feast* spiced with the rising threat of fascism. She also shows the influence, as the helpful introduction notes, of Joyce's *Ulysses*, with a resourceful lexicon of wordplay, stream of consciousness and bravura passages that stand out from her conventional prose the way Marpurgo's evil overshadows the small sins of adultery. A welcome reissue of an intriguing, atmospherically rich work.' Kirkus Reviews, starred review

We Are Each Other's Harvest Natalie Baszile. 2021-04-06 A WALL STREET JOURNAL FAVORITE FOOD BOOK OF THE EAR From the author of *Queen Sugar*—now a critically acclaimed series on OWN directed by Ava Duvernay—comes a beautiful exploration and celebration of black farming in America. In this impressive anthology, Natalie Baszile brings together essays, poems, photographs, quotes, conversations, and first-person stories to examine black people's connection to the American land from Emancipation to today. In the 1920s, there were over one million black farmers; today there are just 45,000. Baszile explores this crisis, through the farmers' personal experiences. In their own words, middle aged and elderly black farmers explain why they continue to farm despite systemic discrimination and land loss. The Returning Generation—young farmers, who are building upon the legacy of their ancestors, talk about the challenges they face as they seek to redress issues of food justice, food sovereignty, and reparations. These farmers are joined by other influential voices, including noted historians Analena Hope Hassberg and Pete Daniel, and award-winning author Clyde W. Ford, who considers the arrival of Africans to American shores; and James Beard Award-winning writers and Michael Twitty, reflects on black culinary tradition and its African roots. Poetry and inspirational quotes are woven into these diverse narratives, adding richness and texture, as well as stunning four-color photographs from photographers Alison Gootee and Malcom Williams, and Baszile's personal collection. As Baszile reveals, black farming informs crucial aspects of American culture—the family, the way our national identity is bound up with the land, the pull of memory, the healing power of food, and race relations. She reminds us that the land, well-earned and fiercely protected, transcends history and signifies a home that can be tended, tilled, and passed to succeeding generations with pride. *We Are Each Other's Harvest* elevates the voices and stories of black farmers and people of color, celebrating their perseverance and resilience, while spotlighting the challenges they continue to face. Luminous and eye-opening, this eclectic collection helps people and communities of color today reimagine what it means to be dedicated to the soil.

Someone Else's Love Story Joshilyn Jackson. 2013-11-19 *Someone Else's Love Story* is beloved and highly acclaimed New York Times bestselling author Joshilyn Jackson's funny, charming, and poignant novel about science and miracles, secrets and truths, faith and forgiveness; about falling in love, and learning that things aren't always what they seem—or what we hope they will be. Shandi Pierce is juggling finishing college, raising her delightful three-year-old genius son Nathan, aka Natty Bumppo, and keeping the peace between her eternally warring, long-divorced parents. She's got enough complications without getting caught in the middle of a stick-up and falling in love with William Ashe, who willingly steps between the robber and her son. Shandi doesn't know that her blond god Thor has his own complications. When he looked down the barrel of that gun he believed it was destiny: It's been one year to the day since a tragic act of physics shattered his world. But William doesn't define destiny the way others do. A brilliant geneticist who believes in facts and numbers, destiny to him is about choice. Now, he and Shandi are about to meet their so-called destinies head on, making choices that will reveal unexpected truths about love, life, and the world they think they know.

Watch How We Walk Jennifer LoveGrove. 2013-10-01 Captivating and heart-wrenching from start to finish When Emily was a little girl, all she wanted to be when she grew up was a Full-Time Pioneer; in her Jehovah's Witness family, the only imaginable future is a life of knocking on doors and handing out Watchtower magazines. But Emily starts to challenge her upbringing. She becomes closer to her closeted uncle, Tyler, as her older sister, Lenora, hangs out with boys, wears makeup, and gets a startling new haircut. After Lenora disappears, everything changes for Emily, and as she deals with her mental devastation she is forced to consider a different future. Alternating between Emily's life as a child and her adult life in the city, *Watch How We Walk* offers a haunting, cutting exploration of "disfellowshipping," proselytization, and cultural abstinence, as well as the Jehovah's Witness attitude towards the "worldlings" outside of their faith. Sparse, vivid, suspenseful, and darkly humorous, Jennifer LoveGrove's debut novel is an emotional and visceral look inside an isolationist religion through the eyes of the unforgettable Emily.

The Golden Boys Rachel Jonas, Nikki Thorne. 2020-10-08 West Golden-so easy to hate, yet so hard to resist. Don't let that pretty face of his fool you. He isn't the boy next door, or the kind you trust with your heart. He's the devil in designer jeans, with all the charm of a bona fide psycho. Trust me. He swears I did something to cross him before I even stepped foot inside Cypress Prep, but it's a lie. No one knows better than me that I'm all out of chances. One more misstep and I can kiss my future goodbye, which means I can't possibly be guilty of whatever he thinks I've done. West marks me with a target anyway, and as this town's football star, no one dares to go against him. His money, status, and the loyalty of his equally entitled brothers makes him seem untouchable. Only, I know better than that. This false god isn't infallible like he wants the world to believe. Whenever I stare into those devilish green eyes, I see it plain as day. The chink in his armor. His one and only weakness. Me. The King of Cypress Prep has finally met his match and taking him down just became an inside job.
