Make Sure the Free eBooks Will Open In Your Device or App. Every e-reader and e-reader app has certain types of files that will work with them. When you go to download a free ebook, you'll want to make sure that the ebook file you're downloading will open. Because this site is dedicated to free books, there's none of the hassle you get with filtering out paid-for content on Amazon or Google Play Books. We also love the fact that all the site's genres are presented on the homepage, so you don't have to waste time trawling through menus. Unlike the bigger stores, Free-Ebooks.net also lets you sort results by publication date, popularity, or rating, helping you avoid the weaker titles that will inevitably find their way onto open publishing platforms (though a book has to be really quite poor to receive less than four stars). ManyBooks is another free eBook website that scours the Internet to find the greatest and latest in free Kindle books. Currently, there are over 50,000 free eBooks here. How to Download Your Free eBooks. If there's more than one file type download available for the free ebook you want to read, select a file type from the list above that's compatible with your device or app. Project Gutenberg: More than 57,000 free ebooks you can read on your Kindle, Nook, e-reader app, or computer. ManyBooks: Download more than 33,000 ebooks for every e-reader or reading app out there. FeedBooks: Select the Free Public Domain Books or Free Original Books categories

to find free ebooks you can download in genres like drama, humorous, occult and supernatural, romance, action and adventure, short stories, and more. Bookyards: There are thousands upon thousands of free ebooks here. You can search Google Books for any book or topic. In this case, let's go with "Alice in Wonderland" since it's a well-known book, and there's probably a free eBook or two for this title. The original work is in the public domain, so most of the variations are just with formatting and the number of illustrations included in the work. However, you might also run into several copies for sale, as reformatting the print copy into an eBook still took some work. Some of your search results may also be related works with the same title. Ebook Bike is another great option for you to download free eBooks online. It features a large collection of novels and audiobooks for you to read. While you can search books, browse through the collection and even upload new creations, you can also share them on the social networking platforms. Now that you have a bunch of ebooks waiting to be read, you'll want to build your own ebook library in the cloud. Or if you're ready to purchase a dedicated ebook reader, check out our comparison of Nook versus Kindle before you decide.
