ManyBooks is a nifty little site that's been around for over a decade. Its purpose is to curate and provide a library of free and

discounted fiction ebooks for people to download and enjoy. All of the free books at ManyBooks are downloadable — some directly from the ManyBooks site, some from other websites (such as Amazon). When you register for the site you're asked to choose your favorite format for books, however, you're not limited to the format you choose. When you find a book you want to read, you can select the format you prefer to download from a drop down menu of dozens of different file formats. If you're having a hard time finding a good children's book amidst the many free classics available online, you might want to check out the International Digital Children's Library, where you can find award-winning books that range in length and reading levels. There's also a wide selection of languages available, with everything from English to Farsi. Authorama is a very simple site to use. You can scroll down the list of alphabetically arranged authors on the front page, or check out the list of Latest Additions at the top. Free Kindle

Books and Tips is another source for free Kindle books but discounted books are also mixed in every day. Similar to PDF Books World, Feedbooks allows those that sign up for an account to download a multitude of free e-books that have become accessible via public domain, and therefore cost you nothing to access. Just make sure that when you're on Feedbooks' site you head to the "Public Domain" tab to avoid its collection of "premium" books only available for purchase. There are plenty of genres available and you can search the website by keyword to find a particular book. Each book has a full description and a direct link to Amazon for the download. As of this writing, Gutenberg has over 57,000 free ebooks on offer. They are available for download in EPUB and MOBI formats (some are only available in one of the two), and they can be read online in HTML format. Now that you have something on which you can read your ebooks, it's time to start your collection. If you have a Kindle or Nook, or their reading apps, we

can make it really easy for you: Free Kindle Books, Free Nook Books, Below are some of our favorite websites where you can download free ebooks that will work with just about any device or ebook reading app.
