Wikibooks is an open collection of (mostly) textbooks. Subjects range from Computing to Languages to Science; you can see all that Wikibooks has to offer in Books by Subject. Be sure to check out the Featured Books section, which highlights free books that the Wikibooks community at large believes to be “the best of what Wikibooks has to offer, and should inspire people to improve the quality of other books.”All of the free books at ManyBooks are downloadable — some directly from the ManyBooks site, some from other websites (such as Amazon). When you register for the site you're asked to choose your favorite format for books, however, you're not limited to the format you choose. When you find a book you want to read, you can select the format you prefer to download from a drop down menu of dozens of different file

formats. Free Computer Books: Every computer subject and programming language you can think of is represented here. Free books and textbooks, as well as extensive lecture notes, are available. BookGoodies has lots of fiction and non-fiction Kindle books in a variety of genres, like Paranormal, Women's Fiction, Humor, and Travel, that are completely free to download from Amazon. Amazon has hundreds of free eBooks you can download and send straight to your Kindle. Amazon's eBooks are listed out in the Top 100 Free section. Within this category are lots of genres to choose from to narrow down the selection, such as Self-Help, Travel, Teen & Young Adult, Foreign Languages, Children's eBooks, and History. Now you can make this easier and filter out the irrelevant results. Restrict your search results using the search tools to find only free Google eBooks. You can search Google Books for any book or topic. In this case, let's go with "Alice in Wonderland" since it's a well-known book, and there's probably a free eBook or two for this title. The original work is in the public domain, so most of the variations are just with formatting and the number of illustrations included in the work. However, you might also run into several copies for sale, as reformatting the print copy into an eBook still took some work. Some of your search results may also be related works with the same title. Self publishing services to help professionals and entrepreneurs write, publish and sell non-fiction books on Amazon & bookstores (CreateSpace, Ingram, etc). Librivox.org is a dream come true for audiobook lovers. All the books here are absolutely free, which is good news for those of us who have had to pony up ridiculously high fees for substandard audiobooks. Librivox has many volunteers that work to release quality recordings of classic books, all free for anyone to download. If you've been looking for a great place to find free audio books, Librivox is a good place to start.
